#### NOTE REGARDING FORWARD-LOOKING STATEMENTS

Some information in this report may contain forward-looking statements within the meaning of Section 27A of the U.S. Securities Act of 1933 and Section 21E of the U.S. Securities Exchange Act of 1934. We have based these forward-looking statements on our current beliefs, expectations and intentions as to facts, actions and events that will or may occur in the future. Such statements generally are identified by forward-looking words such as believe, plan, anticipate, continue, estimate, expect, may, will or other similar words.

A forward-looking statement may include a statement of the assumptions or bases underlying the forward-looking statement. We have chosen these assumptions or bases in good faith. These forward-looking statements are subject to risks, uncertainties and assumptions, some of which are beyond our control. In addition, these forward-looking statements reflect our current views with respect to future events and are not a guarantee of future performance. Actual results may differ materially from information contained in the forward-looking statements as a result of a number of factors, including, without limitation, the risk factors set forth in Item 3. Key Information Risk Factors in our annual report on Form 20-F for the fiscal year ended December 31, 2007. You should also keep in mind that any forward-looking statement made by us in this report or elsewhere speaks only as at the date on which we made it. New risks and uncertainties come up from time to time, and it is impossible for us to predict these events or how they may affect us. We have no duty to, and do not intend to, update or revise the statements in this report after the date hereof. In light of these risks and uncertainties, you should keep in mind that actual results may differ materially from any forward-looking statement made in this report or elsewhere.

11. Other events

Smart Communications Inc. ( Smart ), a wholly-owned subsidiary of Philippine Long Distance Telephone Corporation ( PLDT ) (PSE:TEL) (NYSE:PHI), announced today that it has acquired the entire issued and outstanding capital stock of PH Communications Holdings Corporation ( PH Communications ) and Francom Holdings, Inc. ( FHI ), which collectively own 100% of Connectivity Unlimited Resource Enterprise, Inc. ( CURE ). Both companies were controlled by an investor group led by Mr. Roberto V. Ongpin. PH Communications and Francom Holdings owned 96.57% and 3.43%, respectively, of CURE. Smart disclosed that it acquired the two companies for the total amount of Php 419.54 million.

Smart also intends to directly invest up to Php 210 million in CURE, in the form of subscriptions for new shares of CURE. The fresh funds will be used by CURE for working capital purposes.

CURE is one of the four licensees awarded by the National Telecommunications Commission with a 3G frequency in December 2006. It was awarded an allocation of 10 Mhz in the 2100 Mhz band and expects to launch its commercial service in May this year.

The acquisition dovetails with Smart s previously announced plan to provide expanded and enhanced 3G services nationwide, including higher speed wireless broadband services. CURE is envisioned to provide Smart with a platform to offer and provide differentiated 3G services for niche markets.
