Item 8.01 Other Events

We have been advised by Yorktown Partners LLC (“Yorktown”) that Yorktown Energy Partners VII, L.P. distributed 700,090 shares (about 2% of the outstanding shares) of our common stock to its limited and general partners after the close of the stock market on May 27, 2015. After yesterday’s distribution, Yorktown will collectively hold 8.55 million shares of our common stock representing a 29% ownership. Yorktown informed us that they have not made any determination as to the disposition of their remaining shares.

We were also advised that the shares distributed can be immediately sold.

While we do not know Yorktown’s ultimate strategy to realize the value of their investment, we expect that over time distributions such as this will improve our liquidity and float.
