ITEM 8.01 OTHER EVENTS

The Procter & Gamble Company (the "Company") has been advised that A.G. Lafley, Chairman of the Board, President and Chief Executive Officer of the Company, has entered into a stock trading plan designed to comply with Rule 10b5-1(c) of the Securities Exchange Act of 1934, as amended. Under Rule 10b5-1(c), directors and officers may adopt a prearranged plan or contract for the sale of Company securities under specified conditions and at specified times.

Mr. Lafley's plan is designed to manage the exercise of options for 573,229 shares of common stock that were granted to him in February 2005, during his prior tenure as Chief Executive Officer, and will expire on February 28, 2015. The plan allows for the sale of the shares acquired upon the exercise of these options, subject to certain limit orders. Sales pursuant to this plan may begin on April 24, 2014. The plan, which was established during the Company's current open trading window, will terminate on February 28, 2015, when the options expire, unless terminated sooner in accordance with its terms. Mr. Lafley and the Company will report transactions effected under the plan as required, through Form 4 filings made with the Securities and Exchange Commission.

Except as may be required by law, the Company does not undertake to report other Rule 10b5-1 plans that may be adopted by any officers or directors of the registrant in the future, or to report any modifications or termination of any publicly announced plan.
