PROXY STATEMENT

These proxy materials are delivered in connection with the solicitation by the Board of Directors of Summit Financial Group, Inc. ("Summit," the "Company," "we," or "us"), a West Virginia corporation, of proxies to be voted at our 2003 Annual Meeting of Shareholders and at any adjournment or postponement.

You are invited to attend our Annual Meeting of Shareholders on May 15, 2003, beginning at 1:00 p.m. The Meeting will be held at the South Branch Inn, Route 220 North, Moorefield, West Virginia.

Edgar Filing: SUMMIT FINANCIAL GROUP INC - Form DEF 14A

This Proxy Statement, form of proxy and voting instructions are being mailed starting on or about April 10, 2003.

Principal Executive Office of the Company

The principal executive office of the Company is 223 North Main Street, Moorefield, West Virginia 26836.

Recent Development

On February 21, 2003, the Company's Board of Directors approved a two-for-one stock split payable to shareholders of record on March 3, 2003. Accordingly, all share and per share amounts have been adjusted to reflect the stock split.

Shareholders Entitled to Vote

Holders of record of Summit common shares at the close of business on March 31, 2003, are entitled to receive this notice and to vote their shares at the Annual Meeting. As of that date, there were 3,504,320 common shares outstanding. Each common share is entitled to one vote on each matter properly brought before the Annual Meeting.

Proxies

Your vote is important. Shareholders of record may vote their proxies by mail. If you choose to vote by mail, a postage-paid envelope is provided.

Proxies may be revoked at any time before they are exercised by (1) written notice to the Secretary of the Company, (2) timely delivery of a valid, later-dated proxy or (3) voting at the Annual Meeting.

You may save us the expense of a second mailing by voting promptly. Choose one of the following voting methods to cast your vote.

Vote By Mail

If you choose to vote by mail, simply mark your proxy, date and sign it, and return it to us in the postage-paid envelope provided.

Voting at the Annual Meeting

The method by which you vote now will in no way limit your right to vote at the Annual Meeting if you later decide to attend in person. If your shares are held in the name of a bank, broker or other holder of record, you must obtain a proxy, executed in your favor, from the holder of record to be able to vote at the Meeting.

All shares that have been properly voted and not revoked will be voted at the Annual Meeting in accordance with your instructions. If you sign your proxy card but do not give voting instructions, the shares represented by that proxy will be voted as recommended by the Board of Directors.

Voting on Other Matters

If any other matters are properly presented at the Annual Meeting for consideration, the persons named in the enclosed form of proxy will have the discretion to vote on those matters for you. At the date this proxy statement

Edgar Filing: SUMMIT FINANCIAL GROUP INC - Form DEF 14A

went to press, we do not know of any other matter to be raised at the Annual Meeting.

Required Vote

The presence, in person or by proxy, of the holders of a majority of the votes entitled to be cast by the shareholders entitled to vote at the Annual Meeting is necessary to constitute a quorum. Abstentions and broker "non-votes" are counted as present and entitled to vote for purposes of determining a quorum. A broker "non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner.

A plurality of the votes cast is required for the election of Directors. Abstentions and broker "non-votes" are not counted for purposes of the election of Directors.

In the election of directors, shareholders cast one (1) vote for each nominee for each share held. However, every shareholder has the right of cumulative voting, in person or by proxy, in the election of directors. Cumulative voting gives each shareholder the right to aggregate all votes which he or she is entitled to cast in the election of directors and to cast all such votes for one candidate or distribute them among as many candidates and in such a manner as the shareholder desires.

At our 2003 Annual Meeting, the total number of directors to be elected is six (6) in the class expiring in 2006. Each shareholder has the right to cast six (6) votes for each share of stock held on the record date.

If you wish to exercise, by proxy, your right to cumulative voting in the election of directors, you must provide a proxy showing how your votes are to be distributed among one or more candidates. Unless contrary instructions are given by a shareholder who signs and returns a proxy, all votes for the election of directors represented by such proxy will be divided equally among the nominees for each class. If cumulative voting is invoked by any shareholder, the vote represented by the proxies delivered pursuant to this solicitation, which do not contain contrary instructions, may be cumulated at the discretion of the Board of Directors of Summit Financial Group, Inc. in order to elect to the Board of Directors the maximum nominees named in this proxy statement.

On the record date, there were 3,504,320 shares of common stock outstanding which are held by approximately 1,248 shareholders of record. A majority of the outstanding shares of Summit Financial Group, Inc. will constitute a quorum at the meeting.

The affirmative vote of a majority of the votes cast is required to approve the appointment of Arnett & Foster, PLLC. Abstentions and broker "non-votes" are not counted for purposes of approving this matter.

Cost of Proxy Solicitation

We will pay the expenses of soliciting proxies. Proxies may be solicited on our behalf by Directors, officers or employees in person or by telephone, electronic transmission, facsimile transmission or by telegram. Brokers, fiduciaries, custodians and other nominees have been requested to forward solicitation materials to the beneficial owners of the Company's common stock. Upon request we will reimburse these entities for their reasonable expenses.

Edgar Filing: SUMMIT FINANCIAL GROUP INC - Form DEF 14A

Shareholder Account Maintenance

We act as our own Transfer Agent. All communications concerning accounts of shareholders of record, including address changes, names changes, inquiries as to requirements to transfer common shares and similar issues can be handled by contacting Teresa Sherman by telephone at (304) 538-7233, extension 126, or by e-mail at tsherman@summitfgi.com.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our Directors and executive officers to file reports of holdings and transactions in Summit shares with the SEC. For information concerning the audit fees paid by the Company in 2002 and for information about the Company's auditors generally, see Audit and Compliance Committee Report on page 12 of these Annual Meeting materials.

Compensation and Nominating Committee

The Compensation and Nominating Committee consists of non-employee directors of the Company. This Committee evaluates the performance and establishes the compensation of the Company's Chief Executive Officer and other executive officers of the Company. The Committee also nominates the directors to be considered for election at the Annual Meeting. Members of this committee are Oscar M. Bean, John W. Cirtes, James P. Geary, Gary L. Hinkle, George R. Related Transactions

Directors and executive officers of the Company and its subsidiaries, members of their immediate families, and business organizations and individuals associated with them have been customers of, and have had normal banking transactions with Summit Community Bank, Capital State Bank, Inc., and Shenandoah Valley National Bank. All such transactions were made in the ordinary course of business, were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectibility or present other unfavorable features.

Indemnification

We indemnify our Directors and officers to the fullest extent permitted by law so that they will serve free from undue concern that they will not be indemnified. This is required under our By-laws.

Fees and Benefit Plans for Directors

Fees. Directors of the Company received \$500 per board meeting attended in 2002. Non-employee Directors of the Company who serve on the Company's Audit and Compliance Committee received \$250 for each meeting attended. Non-employee Directors serving on other Company Committees received \$150 per committee meeting attended.

Health Insurance. Certain members of the Company's Board of Directors receive payments for health insurance premiums from the Company's subsidiary bank, Summit Community Bank. These payments have been discontinued for newly

Edgar Filing: SUMMIT FINANCIAL GROUP INC - Form DEF 14A

elected Board members. For those still receiving payments, such payments will be eliminated upon their retirement. The following members of the Board continued to receive these payments in the amounts indicated for 2002. Oscar M. Bean - \$6,723, Dewey F. Bensenhaver - \$6,738, John W. Crites - \$4,738, James Paul Geary - \$4,528, Thomas J. Hawse - \$2,093, Phoebe F. Heishman - \$6,905, Gary L. Hinkle - \$4,791, Gerald W. Huffman - \$4,821, Duke R. McDaniel - \$4,854, and George R. Directors Deferral Plan. Pursuant to the Summit Directors Deferral Plan, the Company's Directors may elect to defer their retainer, meeting and committee fees earned. The Company invests amounts equating to the deferrals of each participating director in separate variable life insurance contracts. Benefits payable to participant directors at retirement under the Plan will equate to the then current value of the individual variable life insurance contracts.

5

ITEM 1 - ELECTION OF DIRECTORS

The Board of Directors is divided into three classes. The terms of the Directors in each class expire at successive annual meetings. Six (6) Directors will be elected at our 2003 Annual Meeting to serve for a three-year term expiring at our Annual Meeting in the year 2006. If the proposed nominees are elected, the Company will have a Board of Directors consisting of two classes of six (6) directors each and one class of five (5) directors.

The persons named in the enclosed proxy intend to vote the proxy for the election of each of the five nominees, unless you indicate on the proxy card that your vote should be withheld from any or all of such nominees. Each nominee elected as a Director will continue in office until his or her successor has been elected, or until his or her death, resignation or retirement.

The Board of Directors has proposed the following nominees for election as Directors, with terms expiring in 2006, at the Annual Meeting: James M. Cookman, Thomas J. Hawse, III, Gary L. Hinkle, Gerald W. Huffman, H. Charles Maddy, III and Harold K. Michael.

The Board of Directors recommends a vote FOR the election of these nominees for election as Directors.

We expect each nominee for election as a Director to be able to serve if elected. If any nominee is not able to serve, proxies will be voted in favor of the remainder of those nominated and may be voted for substitute nominees, unless the Board chooses to reduce the number of Directors serving on the Board. The principal occupation and certain other information about the nominees and other Directors whose terms of office continue after the Annual Meeting are set forth on the following pages.

Security Ownership of Directors and Officers

As of March 3, 2003, the nominees, and other Directors of the Company owned beneficially, directly or indirectly, the number of shares of common stock

Edgar Filing: SUMMIT FINANCIAL GROUP INC - Form DEF 14A

indicated on the following pages. The number of shares shown as beneficially owned by each director and executive officer is determined under the rules of the Securities and Exchange Commission and the information is not necessarily indicative of beneficial ownership for any other purposes.

All Directors and executive officers as a group owned 921,935 shares or 25.97% of the Company's common stock as of March 3, 2003. Each director of the Company is required to own a minimum of 1,000 shares of the Company's common stock. Ownership is defined as shares held in the individual's own name, jointly with spouse, or by a company where the individual has controlling interest. Directors who are also employees of the Company or its subsidiary banks are exempt from this requirement.

The Company requires that all directors retire at the end of the term during which the director attains the age of 70. However, pursuant to the Merger Agreement with Potomac Valley Bank, the Company agreed that Messrs. Geary, McDaniel and Ours would be exempt from the Company's mandatory retirement requirement. These individuals must retire at the end of the term during which they attain the age of 80.

Overview of Compensation Philosophy

Summit's Executive Compensation Committee evaluates executive compensation annually. The Committee establishes the salary and other compensation of the President and CEO of the Company. The Committee also reviews and approves the salary recommendation of the Company's CEO concerning the other Executive Officers. Employee Directors of the Company do not participate in discussions concerning their individual compensation or the compensation of the CEO.

The Company's executive compensation program is designed to:

- o retain executive officers by paying them competitively, motivate them to contribute to the Company's success, and reward them for their performance;
- o link a substantial part of each executive officer's compensation to the performance of both the Company and the individual executive officer; and
- o encourage ownership of Company common stock by executive officers.

As discussed below, the program consists of, and is intended to balance, three elements:

- o Salaries. Salaries are based on the Committee's evaluation of individual job performance and an assessment of the salaries and total compensation mix paid by the Company's Peer Group to executive officers holding equivalent positions.
- o Annual Incentive Compensation. Executive Annual Incentive Compensation is based on an evaluation of both individual and Company performance against qualitative and quantitative measures.
- o Long-term Incentive Compensation. Long-term incentive awards, which consist of stock options, are designed to insure that incentive compensation is linked to the long-term performance of the Company and its common stock.

Evaluation of Executive Performance

The Committee does not usually rely solely on predetermined formulae or a limited set of criteria when it evaluates the performance of the President and CEO and the Company's other executive officers. Instead, the Committee considers:

- o management's overall accomplishments;
- o the accomplishments of the individual executives;
- o the Company's financial performance; and
- o other criteria discussed below.

In 2002, management continued to effectively implement its long-term strategies, which included:

- o growth and expansion of its existing markets;
- o expansion into new markets and new financial service products; and

Edgar Filing: SUMMIT FINANCIAL GROUP INC - Form DEF 14A

- o enhanced shareholder value.

The Committee believes that the success of these strategies is evidenced by:

15

- o the Company's financial performance in 2002;
- o growth of the Company's loan portfolio; and
- o growth of the Company's deposits.

Total Compensation

Target total compensation levels of Company executives are established with consideration given to an analysis of competitive market total compensation. The total compensation package for each executive is then broken down into the basic components indicated above and discussed in more detail below. In recent years, the Board and the Committee have been directing a shift in the mix of the Company's executive compensation towards incentive compensation, with proportionately lesser emphasis on salaries. This strategy is intended to increase the performance orientation of the Company's executive compensation, and the Board intends to continue this emphasis in 2003. Based on available public data, the total compensation of Mr. Maddy and the other Named Executive Officers generally fell in the median of total compensation paid by the Peer Group to their executives holding equivalent positions. The Board and the Committee believe that position was consistent with the performance of the Company compared to the Peer Group.

Salaries

In setting salaries, the first element of executive compensation, the Board did not use a predetermined formula. Instead, the 2002 salaries of the President and CEO and the other executive officers were based on:

- o the Board's evaluation of each officer's individual job performance;
- o an assessment of the Company's performance; and
- o a consideration of salaries paid by the Peer Group to executive officers holding equivalent positions.

President and CEO. Mr. Maddy's salary in 2002 totaled \$230,000.

Other Named Executive Officers. The 2002 salaries of Messrs. Robertson, Frye, Miller and Jennings, the other Executive Officers, are shown in the "Salary" column of the Summary Compensation Table.

Annual Incentive Compensation

The second element of the executive compensation program is the Incentive Compensation Plan.

The Compensation/Nominating Committee adopts an Incentive Compensation Plan annually. Under the terms of this plan, the Committee awards a bonus based on a formula which primarily considers the return on average equity of the Company and its bank subsidiaries.

For 2002, annual incentive compensation of \$80,805 for Mr. H. Charles

Edgar Filing: SUMMIT FINANCIAL GROUP INC - Form DEF 14A

Maddy, III was approved by the Committee. The annual incentive compensation for 2002 paid to each of the Named Executive Officers are shown in the "Bonus" column of the Summary Compensation Table.

Long-Term Incentive Compensation - Stock Option Plan

In 1998, Mr. Maddy and the other executive officers became eligible to participate in the Company's long-term incentive compensation program, the third element of executive compensation. As discussed under "Officer Stock Option Plan" on page 20, the program consists of stock option grants made under the Company's Officer Stock Option Plan.

President and CEO. Based upon this data, Mr. Maddy was awarded options for 3,500 shares.

Other Named Executive Officers. The other Named Executive Officers were awarded options as follows in 2002: Mr. Robertson - 2,200 shares; Mr. Frye - 2,200 shares; Mr. Miller - 2,200 shares; and Mr. Jennings - 2,200 shares.

The stock options of the Named Executive Officers and all other executive officers will vest over a five (5) year period with twenty (20) percent of the options vesting each year.

Employment Agreements and Change of Control Agreement

The Company has entered into employment agreements with Messrs. Miller, Robertson and Frye (the "Employment Agreements"). Mr. Maddy does not have an employment agreement with the Company.

Mr. Miller's Employment Agreement provides for a three (3) year term commencing on July 1, 2000; Mr. Robertson's Employment Agreement provides for a five (5) year term commencing on February 5, 1999; and Mr. Frye's Employment Agreement provides for a one (1) year term commencing on December 1, 2001. The Employment Agreements require the Company's Board of Directors to review the Employment Agreements annually after expiration of their respective terms. With the consent of Messrs. Frye, Robertson and Miller, as applicable, the Employment

Edgar Filing: SUMMIT FINANCIAL GROUP INC - Form DEF 14A

Agreements may be renewed annually for additional one-year terms, in which case the term shall end one year from the date on which it is last renewed.

The Employment Agreements provide that these individuals will receive base salaries equal to their current annual salaries. Mr. Frye is also eligible for annual merit raises. Under their Employment Agreements, these individuals participate in specified incentive compensation plans. Each individual is entitled to receive employee pension and welfare benefits, including the Executive Supplemental Retirement Plan benefits described on page 18 of these proxy materials. Each also is entitled to receive group employee benefits, such as sick leave, vacation, group disability and life and accident insurance. Non-cash compensation includes the payment of club memberships and the lease of a vehicle.

Effective January 26, 1996, the Company entered into a Change in Control Agreement with H. Charles Maddy, III, its President and Chief Executive Officer. In addition, Ronald F. Miller, C. David Robertson and Patrick N. Frye have change in control provisions included in their Employment Agreements. The change in control provisions in the Employment Agreements and Mr. Maddy's Change in Control Agreement are referred to as the "Agreements". The Board of Directors determined that such arrangements were appropriate, especially in view of the recent entry of large regional bank holding companies into West Virginia. The Agreements were not undertaken in the belief that a change of control of the Company was imminent.

Generally, the Agreements provide severance compensation to Mr. Maddy and Messrs. Miller, Robertson and Frye, if their employment should end under certain specified conditions after a change of control. Compensation is paid upon an involuntary termination following a change of control unless either executive is terminated for cause. In addition, compensation will be paid after a change of control if any of these persons voluntarily terminates employment because of:

17

- o a decrease in the total amount of the executive's base salary below the level in effect on the date of consummation of the change of control, without the executive's consent;
- o a material reduction in the importance of the executive's job responsibilities without his consent;
- o geographical relocation of the executive without his consent, to an office more than twenty (20) miles from his location at the time of a change of control;
- o failure by the Company to obtain assumption of the contract by its successor;
- o failure of the Company to give notice of termination as required in the Agreement; or
- o any removal of the executive from, or failure to reelect the executive to, any position with the Company or Bank that he held immediately prior to the change in control without his prior written consent (except for good cause, death, disability or retirement).

Under the Agreement, a "change of control" is deemed to occur in the event of

- o a change of ownership of the Company which must be reported to the

Edgar Filing: SUMMIT FINANCIAL GROUP INC - Form DEF 14A

Securities and Exchange Commission as a change of control, including but not limited to the acquisition by any "person" (as such term is used in Sections 13(d) and 14(d) of the Securities and Exchange Act of 1934 (the "Exchange Act") of direct or indirect "beneficial ownership" (as defined by Rule 13d-3 under the Exchange Act) of twenty-five percent (25%) or more of the combined voting power of the Company's then outstanding securities, or

- o the failure during any period of three (3) consecutive years of individuals who at the beginning of such period constitute the Board for any reason to constitute at least a majority thereof, unless the election of each director who was not a director at the beginning of such period has been approved in advance by directors representing at least two-thirds (?) of the directors at the beginning of the period, or
- o the consummation of a "Business Combination" as defined in the Company's Articles of Incorporation.

In the case of Mr. Maddy, severance benefits include:

- o cash payment equal to Mr. Maddy's monthly base salary in effect on either (i) the date of termination; or (ii) the date immediately preceding the change of control, whichever is higher, multiplied by the number of full months between the date of termination and the date that is twenty-four (24) months after the date of consummation of the change of control;
- o payment of cash incentive award, if any, under the Company's bonus plan; continuing participation in employee benefit plans and programs such as retirement, disability and medical insurance for a period of twenty-four (24) months following the date of termination.

Under their agreements, both Mr. Maddy and Mr. Frye have the right to terminate their employment without reason by giving written notice of termination within six (6) months of consummation of any change of control. In such event, Mr. Maddy and Mr. Frye will be entitled to receive a lump sum equal to 75% of his salary, as defined in the Agreement.

In the case of Messrs. Miller, Frye and Robertson severance benefits include:

- o cash payment equal to their monthly base salary in effect on either (i) the date of termination; or (ii) the date immediately preceding the change of control, whichever is higher, multiplied by the number of full months between the date of termination and the date that is eighteen (18) months after the date of consummation of the change of control;

18

- o payment of cash incentive award, if any, under the Company's bonus plan; continuing participation in employee benefit plans and programs such as retirement, disability and medical insurance for a period of eighteen (18) months following the date of termination.

The Agreements do not effect the right of the Company to terminate Mr. Maddy or Messrs. Miller, Frye or Robertson or change their salary or benefits with or without good cause, prior to any change of control. However, any termination or change which takes place after discussions have commenced which result in a change of control will be presumed to be a violation of the Agreements and will entitle the executive to the benefits under the Agreements, absent clear and convincing evidence to the contrary.

Summit Financial Group, Inc. Plans

401(k) Profit Sharing Plan. The Company has a defined contribution profit-sharing plan with 401(k) provisions covering substantially all employees. Any employee who is at least 21 years of age, completed one year of service, and is employed in a position requiring at least 1,000 hours of service per year is eligible to participate. Vesting of discretionary contributions occurs at the rate of 0% for the first and second year of credited service, and 20% per year thereafter. Under the provisions of the plan, the Company matches 25% of the participant's salary reduction contributions, up to 4% of such participant's compensation. These matching contributions shall be fully vested at all times. The Company may also make optional contributions at the discretion of the Company's Board of Directors.

ESOP. The Company has an Employee Stock Ownership Plan (ESOP) covering substantially all employees. Any employee who is at least 21 years of age and is credited with at least 1,000 hours of service during the plan year is eligible to participate. Vesting occurs at the rate of 0% for the first and second year of credited service and 20% for each year thereafter. Under the provisions of the plan, employee participants in the ESOP are not permitted to contribute to the plan, rather the cost of the ESOP is borne by the Company through annual contributions in amounts determined by the Company's Board of Directors.

Executive Supplemental Retirement Plan. In an effort to attract, reward, motivate and retain the most qualified people available, and to provide those people with a complete and reasonable compensation package, Summit Financial Group, Inc. and its affiliates have implemented an executive retirement plan with an endorsement split dollar life insurance plan for the benefit of certain executives of the Company. In this section, Company includes Summit's bank subsidiaries.

The Plan is called the Executive Supplemental Retirement Plan and was designed to provide an annual retirement benefit that will grow on a tax-deferred basis. These benefits, when added to the retirement benefits that will be provided by the Company's defined contribution plan and social security, will provide each executive with benefit levels comparable to other Company employees when measured as a percentage of salary at the time of retirement.

The Executive Supplemental Retirement Plan is also designed to provide these benefits with the least risk to the Company's safety and soundness and at the least possible cost. A portion of the benefits is determined by an indexed formula. The index used in this plan to calculate the amount of the retirement benefit is the earnings on a specific life insurance policy. The Company retains the opportunity costs on the premiums paid. Any earnings in excess of the opportunity costs are accrued to a liability reserve account for the benefit of the executive. At retirement, this liability reserve account is paid out over a specified period of years. In addition, the annual earnings in excess of the opportunity costs are paid out annually after retirement. These payments will continue for the life of the executive.

19

The Company's obligations under the retirement benefit portion of this plan are unfunded; however, the Company has purchased life insurance policies on each insurable executive that are actuarially designed to offset the annual expenses associated with the plan and will, given reasonable actuarial assumptions, offset all of the plan's costs during the life of the executive and provide a complete recovery of all plan costs at the executive's death. The Company is the sole owner of all policies.

The life insurance benefit for each insurable officer is being provided

Edgar Filing: SUMMIT FINANCIAL GROUP INC - Form DEF 14A

by an Endorsement Split Dollar Plan whereby the Bank endorses a specified percentage of the net- at-risk life insurance portion of a policy (total death benefit less cash value of policy) on the life of each officer for payment to the designated beneficiary of that officer. The Bank owns the policy and its entire surrender value.

For each of the Named Executive Officers, the average estimated annual lifetime benefits payable upon retirement at normal retirement age are as follows: H. Charles Maddy, III - \$150,000; Ronald F. Miller - \$55,000; C. David Robertson - \$50,000; Patrick N. Frye - \$115,000; and Scott C. Jennings - \$120,000

Incentive Compensation Plan. Summit annually adopts an incentive compensation plan for the key employees of the Company and its bank subsidiaries. Bonuses are awarded to key employees based on a prescribed formula using the Company's and/or its subsidiary bank's return on equity as a base.

Officer Stock Option Plan. At our 1998 Annual Meeting, our shareholders approved an Officer Stock Option Plan. Under the plan, the Company may award options for up to 480,000 shares of the Company's stock to qualified officers of the Company and its subsidiaries. Each option granted under the Plan shall have an exercise price of no less than the fair market value of Company's common stock as of the date of grant. Options granted under the plan vest according to a schedule designated at the grant date.
