Item 4. Description of Securities.

Not Applicable.

Item 5. Interests of Named Experts and Counsel.

Not Applicable.

Item 6. Indemnification of Directors and Officers.

The Company is subject to Minnesota Statutes Chapter 302A, the Minnesota Business Corporation Act (the “MBCA”). Section 302A.521 of the MBCA provides that, unless prohibited by its articles of incorporation or bylaws, a corporation must indemnify an officer or director who is made or threatened to be made a party to a proceeding by reason of such person’s present or former official capacity against judgments, penalties, fines, settlements and reasonable expenses, including attorneys’ fees and disbursements, incurred by such person in connection with the proceeding, if certain criteria are met. These criteria, all of which

must be met by the person seeking indemnification, are (a) that such person has not been indemnified by another organization or employee benefit plan for the same judgments, penalties, fines, settlements and expenses; (b) that such person must have acted in good faith; (c) that no improper personal benefit was obtained by such person and such person satisfied certain statutory conflicts of interest provisions, if applicable; (d) that, in the case of a criminal proceeding, such person had no reasonable cause to believe that the conduct was unlawful; and (e) that such person must have acted in a manner he reasonably believed was in the best interests of the corporation or, in the case of conduct while serving as a director, officer, partner, trustee, employee or agent of another organization or employee benefit plan, not opposed to the best interests of the corporation. Section 302A.521 of the MBCA also provides that, unless prohibited by the corporation's articles of incorporation or bylaws, if a director or officer is made or threatened to be made a party to a proceeding, such person is entitled to payment or reimbursement by the corporation of reasonable expenses, including attorneys' fees and disbursements, incurred by such person in advance of the final disposition of the proceeding (a) upon receipt by the corporation of a written affirmation by such person of a good faith belief that the criteria for indemnification have been satisfied and a written undertaking by such person to repay all amounts so paid or reimbursed if it is ultimately determined that the criteria for indemnification have not been satisfied; and (b) after a determination that the facts then known would not preclude indemnification. The determination as to eligibility for indemnification and advancement of expenses is required to be made by the members of the corporation's board of directors or a committee of the board who are at the time not parties to the proceeding under consideration, by special legal counsel, by the shareholders who are not parties to the proceeding or by a court.

Article VIII of the Company's Restated Articles of Incorporation eliminates the personal liability of the directors of the Company to the Company and its shareholders for monetary damages for breach of fiduciary duty, other than liability of a director (a) for breach of the director's duty of loyalty to the Company or its shareholders; (b) for acts or omissions not in good faith that involve intentional misconduct or a knowing violation of law; (c) under Section 302.559 (liability for illegal distributions to shareholders) or 80A.23 (liability for violations of the anti-fraud or registration provisions of state securities laws) of the Minnesota Statutes; (d) for any transaction from which the director derived an improper personal benefit; or (e) for any act or omission occurring prior to the effective date of Article VIII (June 3, 1987).

Article VI, Section 1 of the Company's Restated Bylaws requires the Company to provide indemnification and advancement of expenses, including witness reimbursements, to any director or officer of the Company made or threatened to be made a party to a proceeding, or appearing as a witness in a proceeding, by reason of the former or present official capacity of the person, in such manner, under such circumstances, and to such extent, as is required or permitted by Section 302A.521 of the MBCA or by other provisions of law.

Item 9. Undertakings.

A. The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a twenty percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (A)(1)(i) and (A)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final

adjudication of such issue.
