Item 1.01 Entry into a Material Definitive Agreement.

Completion of Strategic Investment

As previously disclosed in a current report filed on November 3, 2010, Good Times Restaurants Inc. (the "Company") entered into a Securities Purchase Agreement (the "Purchase Agreement"), dated October 29, 2010, as amended December 13, 2010, with Small Island Investments Limited, a Bermuda corporation (the "Investor"), under which the Company agreed to sell, and the Investor agreed to purchase, 4,200,000 shares (the "Shares") of the Company's common stock, par value \$0.001 per share (the "Common Stock"), at a purchase price of \$0.50 per share, or an aggregate purchase price of \$2,100,000 (the "Investment Transaction"). Pursuant to the Purchase Agreement, the closing of the Investment Transaction (the "Closing") was subject to the receipt of stockholder approval of the Investment Transaction and a reverse split of the Common Stock to take effect after the Closing. As disclosed in Item 5.07 below, stockholder approval was obtained at a Special Meeting of Stockholders held December 13, 2010 (the "Special Meeting").

Accordingly, on December 13, 2010, following the Special Meeting, the Company and the Investor completed the issuance and sale of the Shares to the Investor. The Company received gross proceeds of \$2,100,000, which will be used to pay its interim working capital loans, reduce the Company's current liabilities and provide working capital for fiscal 2011 and beyond.

Registration Rights Agreement

On December 13, 2010, the Company and the Investor entered into a Registration Rights Agreement, pursuant to which the Company granted to the Investor certain registration rights to enable the public resale of the Shares. Pursuant to the Registration Rights Agreement, the Investor has the right to require the Company to register for resale all or a portion of the Shares within 45 days of the Investor's written request for such registration. The Investor may not request more than two such registrations under the Registration Rights Agreement. In addition, the Registration Rights Agreement provides that if the Company proposes to register for public sale shares of Common Stock (including upon the request of a stockholder other than the Investor), then the Investor shall have a right to include all or a portion of the Shares in such registration.

The Company agreed to pay all expenses associated with the registration of the Shares, including the fees and expenses of counsel to the Investor. The Company also agreed to indemnify the Investor, and its officers, directors, members, investors, employees and agents, successors and assigns, and each other person, if any, who controls the Investor within the meaning of the Securities Act of 1933, as amended (the "Securities Act"), against any losses, claims, damages or liabilities, joint or several, to which they may become subject under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities arise out of or are based upon specified violations or failures to comply with applicable federal and state securities laws, rules and regulations.

A copy of the Registration Rights Agreement dated December 13, 2010 is attached hereto as Exhibit 10.1 and is hereby incorporated by reference.

Amendment and Restatement of Credit Agreement and Term Note with Wells Fargo

As a condition to the Closing of the Investment Transaction, the Company amended and restated its credit agreement and term note with Wells Fargo Bank, N.A. ("Wells Fargo") effective as of December 13, 2010. Pursuant to the Amended and Restated Credit Agreement, Wells Fargo consented to (a) the Investment Transaction, and (b) the Company's use of a portion of the proceeds of the Investment Transaction to pay off certain interim capital loans as described below. In addition, Wells Fargo agreed to accept additional building and equipment collateral in exchange for modifying certain financial covenants of the loan without affecting the Company's interest rate or repayment term. The Company had previously been in default of these financial covenants, although it has never been in payment default under the loan. Accordingly, the execution of the Amended and Restated Credit Agreement with Wells Fargo has allowed the Company to regain compliance with the modified financial loan covenants.

A copy of the Amended and Restated Credit Agreement dated December 13, 2010 is attached hereto as Exhibit 10.2 and is hereby incorporated by reference.

A copy of the Amended and Restated Term Note dated December 13, 2010 is attached hereto as Exhibit 10.4 and is hereby incorporated by reference.

Repayment and Conversion of W Capital and McDonald Loans

As previously disclosed in current reports filed on February 3, 2010 and April 6, 2010, pursuant to a loan agreement dated February 1, 2010, as amended April 1, 2010, the Company obtained loans totaling \$400,000 from W Capital, Inc. ("W Capital") and John T. McDonald ("McDonald") to be used for restaurant marketing and other working capital uses of Good Times Drive Thru Inc., the Company's wholly-owned subsidiary ("GTDT"). The loans were evidenced by a Secured Convertible Promissory Note dated April 1, 2010 made by the Company and GTDT, as co-makers, and bearing interest at a rate of 12% per annum on the unpaid principal balance through August 1, 2010 and at a rate of 14% per annum from and after August 1, 2010 until the maturity date of December 31, 2010. The note provided that the outstanding principal balance and accrued interest on the loan would be convertible into shares of Common Stock at any time prior to repayment at a conversion price of 25% less than the average price of the Common stock during the 20 days prior to the conversion date, but not below \$0.75 per share nor above \$1.08 per share. However, in connection with the Investment Transaction, the Company repaid the \$400,000 principal amount due to W Capital and McDonald and the lenders agreed to convert the accrued interest payable on the loans into shares of Common Stock at a conversion price of \$0.50 per share and entered into an agreement with the Company to amend the conversion provisions of the note accordingly.

A copy of the Consent and Agreement dated as of December 13, 2010 between the Company, W Capital and McDonald is attached hereto as Exhibit 10.3 and is hereby incorporated by reference.

Repayment of Golden Bridge Loan

On April 20, 2009 as reported on Form 8-K, the Company entered into a loan agreement with Golden Bridge, LLC ("Golden Bridge"), pursuant to which Golden Bridge made a loan of \$185,000 to GTDT to be used for restaurant marketing and other working capital costs. Eric W. Reinhard, Ron Goodson, David Grissen, Richard J. Stark, and Alan A. Teran, who were all members of the Company's Board of Directors at the time of the transaction and stockholders of the Company, are the sole members of Golden Bridge, and Eric W. Reinhard is the sole manager of Golden Bridge. The loan was evidenced by a Promissory Note dated April 20, 2009 made by the Company and GTDT, as co-makers, and bearing interest at a rate of 10% per annum on the unpaid principal balance. The note

provided for monthly interest payments and was to mature and be due and payable in full on December 31, 2010. The loan was repaid in full on December 13, 2010 from the proceeds of the Investment Transaction.

Item 1.02 Termination of a Material Definitive Agreement.

The disclosures regarding the repayment and conversion of the W Capital and McDonald loans and the repayment of the Golden Bridge loan set forth under Item 1.01 above are hereby incorporated by reference.

The Secured Convertible Promissory Note dated April 1, 2010 made by the Company and GTDT, as co-makers, payable to W Capital and McDonald, was terminated as a result of the repayment of the outstanding principal balance of \$400,000 and the conversion of accrued interest into shares of Common Stock.

The Promissory Note dated April 20, 2009 made by the Company and GTDT, as co-makers, payable to Golden Bridge, was terminated as a result of the repayment of the outstanding principal balance of \$185,000.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of Registrant.

The disclosure regarding the amendment and restatement of the credit agreement and term note with Wells Fargo set forth under Item 1.01 above is hereby incorporated by reference.

Item 3.02 Unregistered Sales of Equity Securities.

The disclosure regarding the completion of the Investment Transaction as set forth under Item 1.01 above is hereby incorporated by reference.

The Shares sold to the Investor in the Investment Transaction were not registered under the Securities Act or state securities laws, and may not be resold in the United States in the absence of an effective registration statement filed with the U.S. Securities and Exchange Commission ("SEC") or an available exemption from federal and state registration requirements.

In the Purchase Agreement, the Investor represented to the Company that: (a) it is an accredited investor, as such term is defined Rule 501 of Regulation D promulgated under the Securities Act, (b) it acquired the Shares as principal for its own account for investment purposes and not with a view to or for distributing or reselling the Shares or any part thereof, and (c) it is knowledgeable, sophisticated and experienced in making, and qualified to make, decisions with respect to investments in securities representing an investment decision similar to that involved in the purchase of the Shares. The Company has relied on the exemption from the registration requirements of the Securities Act set forth in Section 4(2) thereof and the rules and regulations promulgated thereunder for the purposes of the Investment Transaction.

As disclosed in Item 1.01 above, in connection with the Investment Transaction, the accrued interest payable to W Capital and McDonald was converted into 79,430 shares of Common Stock at a conversion price of \$0.50 per share. The Company relied on the exemption from registration requirements of the Securities Act set forth in Section 4(2) thereof and the rules and regulations promulgated thereunder for the issuance of the Conversion Shares.

Item 3.03 Material Modification to Rights of Security Holders

In connection with the Investment Transaction, the holders of shares of Common Stock issued upon conversion of the Company's Series B Preferred Stock in June 2006 (the "Series B Investors") agreed to waive their preemptive rights with respect to the issuance of the Shares to the Investor. In addition, the Series B Investors agreed to cancel their contractual director designation rights granted in connection with the original issuance of the Series B Preferred Stock.

A copy of the Consent and Waiver dated as of December 13, 2010 by the Series B Investors is attached hereto as Exhibit 10.5 and is hereby incorporated by reference.

The Purchase Agreement provides that for so long as the Investor holds more than 50 percent of the Company's outstanding Common Stock, (i) the Company's Board of Directors shall consist of seven members, and (ii) the Investor will have the right to designate four members of the Board. In addition, the Investor has agreed to vote its Shares in any election of directors in favor of one person designated by The Bailey Company LLLP and its affiliates and one person designated by Eric W. Reinhard. However, if the Bailey Group or Reinhard ceases to own at least 600,000 shares of the Company's Common Stock (adjusted for any stock splits, reverse splits or similar capital transactions), then its respective designation right will cease. The Investor has agreed to vote its Shares in any election of directors in favor of a person, other than its designees, who receives the majority of votes of holders of Common Stock other than the Investor.

Item 5.01 Change in Control of Registrant.

The disclosure regarding the completion of the Investment Transaction as set forth under Item 1.01 above is hereby incorporated by reference.

As a result of the Investment Transaction, the Investor became the beneficial owner of approximately 51.4 percent of the outstanding Common Stock of the Company. In addition, pursuant to the Purchase Agreement, the Investor designated four individuals for appointment to the Company's Board of Directors effective upon the Closing. The source of funds used by the Investor to purchase the Shares was cash held in Small Island Investments Ltd.

Prior to the completion of the Investment Transaction, The Bailey Company LLLP was the Company's largest stockholder, holding approximately 21.07 percent of the Company's then-outstanding Common Stock.

The Purchase Agreement provides that for so long as the Investor holds more than 50 percent of the Company's outstanding Common Stock, (i) the Company's Board of Directors shall consist of seven members, and (ii) the Investor will have the right to designate four members of the Board. In addition, the Investor has agreed to vote its Shares in any election of directors in favor of one person designated by the Bailey Group and one person designated by Eric W. Reinhard. However, if the

Bailey Group or Reinhard ceases to own at least 600,000 shares of the Company's Common Stock (adjusted for any stock splits, reverse splits or similar capital transactions), then its respective designation right will cease. The Investor has agreed to vote its Shares in any election of directors in favor of a person, other than its designees, who receives the majority of votes of holders of Common Stock other than the Investor. In addition, pursuant to the Consent and Waiver given by the Series B Investors as of December 13, 2010, which is discussed under Item 3.03 above, the Series B Investors have agreed to vote their shares in any election of directors in favor of the Investor's designees. In addition, the Series B Investors agreed to vote their shares in favor of the Investment Transaction, which was approved at the Special Meeting held on December 13, 2010.
