**GENERAL INFORMATION**

**What is the purpose of the Annual Meeting?**

1.

The election of eight directors of the Company to serve for the next year;

2.

The submission of an advisory vote on the compensation of the Company's named executive officer; and

**Who is entitled to attend and vote at the Annual Meeting?**

Only stockholders of record at the close of business on the record date of August 27, 2013, or their duly appointed proxies, are entitled to receive notice of the Annual Meeting, attend the meeting, and vote their shares at the Annual Meeting or any adjournment or postponement thereof. At the close of business on August 27, 2013, there were 4,926,214 shares of our common stock, par value \$0.001 per share ( Common Stock ), outstanding. Each outstanding share of our Common Stock is entitled to one vote. Our Bylaws do not allow holders to accumulate votes in the election of directors.

**How do I vote?**

You may vote on matters to come before the Annual Meeting in two ways: (i) you can attend the Annual Meeting and cast your vote in person, or (ii) you can vote by completing, signing, and dating the enclosed proxy card and returning it to us in the enclosed business reply envelope or via facsimile to Boyd E. Hoback, our President and Chief Executive Officer, at (303) 273-0177. If you return the proxy card, you will authorize the individuals named on the proxy card, referred to as proxy holders, to vote your shares according to your instructions or, if you provide no instructions, according to the recommendations of our Board. If your shares are held by a broker in street name, you will receive a voting instruction form from your broker or the broker's agent asking you how your shares should be voted.

**What if I vote and then change my mind?**

You may revoke a proxy at any time before the vote is taken at the Annual Meeting by either (i) filing with our corporate secretary a written notice of revocation, (ii) sending in another duly executed proxy bearing a later date, or (iii) attending the meeting and casting your vote in person. Your last vote will be the vote that is counted.

**How can I get more information about attending the Annual Meeting and voting in person?**

The Annual Meeting will be held on Friday, September 27, 2013, at 9:00 a.m., local time, at the Company's corporate offices, which are located at 601 Corporate Circle, Golden, Colorado 80401, or at such other time and place to which the Annual Meeting may be adjourned or postponed. For additional details about the Annual Meeting, including directions to the meeting site and information about how you may vote in person if you so desire, please call or email Boyd E. Hoback, our President and Chief Executive Officer, at (303) 384-1400 or at bhoback@grestaurants.com.

**What are the Board's recommendations?**

Unless you give other instructions on your proxy card, the persons named on the proxy card will vote in accordance with the recommendations of our Board, which are described in this Proxy Statement. Our Board recommends a vote FOR each of the proposals described in the accompanying Notice of Annual Meeting of Stockholders and this Proxy Statement.

With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by our Board or, if no recommendation is given, in their own discretion.

**What constitutes a quorum?**

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the issued and outstanding shares of our Common Stock on the record date will constitute a quorum at the Annual Meeting, permitting us to conduct our business at the Annual Meeting. Proxies received but marked as abstentions and broker non-votes (defined below) will be included in the calculation of the number of shares considered to be present at the meeting for purposes of determining whether a quorum is present. If a quorum is not present, the Annual Meeting may be adjourned until a quorum is obtained.

**What vote is required to approve each proposal?**

*Vote Required.* Approval of each proposal to be considered and voted upon at the Annual Meeting will require the affirmative vote of a majority of the votes cast by the holders of our Common Stock present in person or represented by proxy at the Annual Meeting (assuming we have a quorum as described above). In addition, in order for the Investor to be obligated to close the Investment Transaction, among other conditions that must be satisfied, the Investment Transaction must be approved by a majority of the votes cast by the holders of our Common Stock other than the Investor and its affiliates. A properly executed proxy marked ABSTAIN with respect to a proposal will not be voted for that proposal but will be counted for purposes of whether there is a quorum at the meeting. Abstentions will result in the respective proposal receiving fewer votes.

*Effect of Broker Non-Votes.* If your shares are held by your broker in street name, you will receive a voting instruction form from your broker or the broker's agent asking you how your shares should be voted. Please complete the form and return it in the envelope provided by the broker or agent. No postage is necessary if mailed in the United States. If you do not instruct your broker how to vote, your broker may vote your shares at its discretion or, on some matters, may not be permitted to exercise voting discretion. Votes that could have been cast on the matter in question if the brokers have received their customers' instructions, and as to which the broker has notified us on a proxy form in accordance with industry practice or has otherwise advised us that it lacks voting authority, are referred to as broker

non-votes. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted as a vote cast in determining the number of shares necessary for approval of those matters. Shares represented by such broker non-votes, however, will be counted in determining whether there is a quorum. Accordingly, broker non-votes will result in the respective proposal receiving fewer votes.

**Can I dissent or exercise rights of appraisal?**

Neither Nevada law nor our Articles of Incorporation or Bylaws provide our stockholders with dissenters or appraisal rights in connection with the proposals to be voted on at the Annual Meeting. If the proposals are approved at the Annual Meeting, stockholders voting against such proposals will not be entitled to seek appraisal for their shares.

**Who pays for this proxy solicitation?**

The Company will bear the entire cost of this proxy solicitation, including the preparation, assembly, printing, and mailing of this Proxy Statement, the proxy card, and any additional solicitation materials furnished to the stockholders. In addition to solicitation by mail, proxies may be solicited by our directors, officers, and regular employees by telephone or personal interview. These individuals will not receive any compensation for their services other than their regular salaries. Arrangements will also be made with brokerage houses and other custodians and fiduciaries to forward solicitation materials to the beneficial owners of the shares held on the record date, and we may reimburse those persons for reasonable out-of-pocket expenses incurred by them in so doing.

**PROPOSAL #1 ELECTION OF DIRECTORS**

There are no family relationships among the directors. As discussed below, under the heading Director Independence, the Board has determined that of the current directors Messrs. Bailey, Reinhard, and Teran are independent directors under the NASDAQ listing standards. In addition, the Board previously determined that Neil Calvert qualified as an independent director under the NASDAQ listing standards prior to his ceasing to be a director effective August 30, 2013.

Geoffrey R. Bailey was originally elected to the Board pursuant to contractual board representation rights granted to The Bailey Company in connection with its investment in shares of our Series A Convertible Preferred Stock in 1996. Reinhard was originally elected to the Board pursuant to contractual board representation rights granted to certain investors in connection with our Series B Convertible Preferred Stock financing in February 2005 and the subsequent modification of those contractual rights in connection with the closing of our initial investment transaction with the Investor in December 2010, whereby Mr. Reinhard and his affiliates are entitled to designate one individual for election to our Board.

Messrs. Dobbin, Heller, and Teran were originally elected to the Board pursuant to contractual director designation rights granted to Small Island Investments Limited ( SII ) in connection with its initial investment in our Common Stock in December 2010 and its subsequent investment in our Series C Convertible Preferred Stock in September 2013. The investment agreements provided that, for so long as SII continued to own at least 50% of our outstanding capital stock, (i) our Board shall not consist of more than seven directors, and (ii) SII would have the right to designate four individuals for election to our Board. Following the completion of our public offering of shares of Common Stock and related warrants on August 21, 2013, SII no longer owns at least 50% of our outstanding capital stock and thus no longer has the right to designate four individuals for election to our Board. SII has consented to the increase in the size of our Board of Directors from seven to eight members.

**Vote Required for Approval**

Approval of Proposal #1 the election of eight directors will require the affirmative vote of a majority of the votes cast by the holders of our Common Stock present in person or represented by proxy at the meeting and entitled to vote on the matter.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE COMPANY S EIGHT DIRECTOR NOMINEES LISTED ON THE ENCLOSED PROXY CARD.**

## CORPORATE GOVERNANCE

### Director Independence

The Company's Common Stock is listed on the NASDAQ Capital Market under the trading symbol GTIM. NASDAQ listing rules require that a majority of the Company's directors be independent directors as defined by NASDAQ corporate governance standards.

The Board has determined that of the current directors Messrs. Bailey, Reinhard, and Teran are independent directors under the NASDAQ listing standards, while Messrs. Dobbin, Heller, and Hoback are not independent under such standards. The Board has also determined that each of the two current members of the Audit Committee is independent for purposes of Section 10A(m)(3) of the Securities Exchange Act of 1934 under the rules of the Securities and Exchange Commission (SEC) promulgated thereunder. In addition, the Board previously determined that Neil Calvert qualified as an independent director under both the NASDAQ listing standards and SEC rules prior to his ceasing to be a director effective August 30, 2013.

### Leadership Structure

The Board does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board as the Board believes it is in the best interests of the Company to make that determination from time to time based on the position and direction of the Company and the membership of the Board. However, the Board has determined that separating these roles is in the best interests of the Company's stockholders at this time. The Board believes that this structure permits the Chief Executive Officer to focus on the management of the Company's day-to-day operations.

### Risk Oversight

Material risks are identified and prioritized by the Company's management and reported to the Board for oversight. The Board as a whole administers the Board's risk oversight function. The Board regularly reviews information regarding the Company's credit, liquidity, and operations, as well as the risks associated with each. In addition, the Board continually works, with the input of the Company's executive officers, to assess and analyze the most likely areas of future risk for the Company.

### Code of Ethics

The Company has adopted a Code of Business Conduct which applies to all directors, officers, employees, and franchisees of the Company. The Code of Business Conduct was filed as an exhibit to the Company's Annual Report on Form 10-KSB for the fiscal year ended September 30, 2003. The Code of Business Conduct is also available on the Company's website at [www.goodtimesburgers.com](http://www.goodtimesburgers.com).

### Board Committees

The standing committees of the Board are the Audit Committee, which is currently comprised of Messrs. Reinhard and Teran (Chairman), and the Compensation Committee, which is currently comprised of Messrs. Bailey, Reinhard, and Teran (Chairman). As discussed under the heading "Nominee Selection Process" below, there is no standing nominating committee of the Board and instead the Board as a whole acts as the nominating committee for the selection of nominees for election as directors.

Prior to his resignation from the Board effective August 30, 2013, Neil Calvert served as chairman of the Audit Committee.

**Audit Committee**

The Audit Committee currently consists of Messrs. Reinhard and Teran (Chairman). The Board has determined that all of the members of the Audit Committee are independent, as defined by the NASDAQ listing standards and by applicable SEC rules. In addition, the Board has determined that Mr. Teran is an audit committee financial expert, as that term is defined by the SEC rules, by virtue of having the following attributes through relevant experience: (i) an understanding of generally accepted accounting principles and financial statements; (ii) the ability to assess the general application of such

principles in connection with the accounting for estimates, accruals, and reserves; (iii) experience preparing, auditing, analyzing, or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company's financial statements, or experience actively supervising one or more persons engaged in such activities; (iv) an understanding of internal controls and procedures for financial reporting; and (v) an understanding of audit committee functions.

Neil Calvert ceased to be a member of the Company's Board of Directors on August 30, 2013 and a member and Chairman of the Audit Committee. The Board of Directors intends to name a replacement for him on the Audit Committee following the Annual Meeting. Prior to August 30, 2013, Mr. Calvert also served as our audit committee financial expert.

The function of the Audit Committee relates to oversight of the auditors, the auditing, accounting, and financial reporting processes, and the review of the Company's financial reports and information. In addition, the functions of this Committee have included, among other things, recommending to the Board the engagement or discharge of independent auditors, discussing with the auditors their review of the Company's quarterly results and the results of their audit, and reviewing the Company's internal accounting controls. The Audit Committee operates pursuant to a written Charter adopted by the Board. A current copy of the Audit Committee Charter is available on our website at [www.goodtimesburgers.com](http://www.goodtimesburgers.com). The Audit Committee held five meetings during the fiscal year ended September 30, 2012.

### **Compensation Committee**

The Compensation Committee currently consists of Messrs. Bailey, Reinhard, and Teran (Chairman). The Board has determined that all of the members of the Compensation Committee are independent, as defined by the NASDAQ listing standards. The function of the Compensation Committee is to consider and determine all matters relating to the compensation of the President and Chief Executive Officer and other executive officers, including matters relating to the employment agreements. The Compensation Committee held one meeting during the fiscal year ended September 30, 2012.

The responsibility of the Compensation Committee is to review and approve the compensation and other terms of employment of our Chief Executive Officer and our other executive officers, including all of the executive officers named in the Summary Compensation Table in this Proxy Statement (the Named Executive Officers). Among its other duties, the Compensation Committee oversees all significant aspects of the Company's compensation plans and benefit programs. The Compensation Committee annually reviews and approves corporate goals and objectives for the Chief Executive Officer's compensation and evaluates the Chief Executive Officer's performance in light of those goals and objectives. The Compensation Committee also recommends to the Board the compensation and benefits for members of the Board. The Compensation Committee has also been appointed by the Board to administer our 2008 Omnibus Equity Incentive Compensation Plan, which is the successor equity compensation plan to the Company's 2001 Stock Option Plan. The Compensation Committee does not delegate any of its authority to other persons.

In carrying out its duties, the Compensation Committee participates in the design and implementation and ultimately reviews and approves specific compensation programs. The Compensation Committee reviews and determines the base salaries for the Named Executive Officers, and also approves awards to the Named Executive Officers under the Company's equity compensation plans.

In determining the amount and form of compensation for Named Executive Officers other than the Chief Executive Officer, the Compensation Committee obtains input from the Chief Executive Officer regarding the duties, responsibilities, and performance of the other executive officers and the results of performance reviews. The Chief Executive Officer also recommends to the Compensation Committee the base salary levels for all Named Executive Officers and the award levels for all Named Executive Officers under the Company's equity compensation programs.

No Named Executive Officer attends any executive session of the Compensation Committee or is present during final deliberations or determinations of such Named Executive Officer's compensation. The Chief Executive Officer also provides input with respect to the amount and form of compensation for the members of the Board.

The Compensation Committee has the authority to directly engage, at the Company's expense, any compensation consultants or other advisers as it deems necessary to carry out its responsibilities in determining the amount and form of

executive and director compensation. For the fiscal year ended September 30, 2012, the Compensation Committee did not use the services of a compensation consultant or other adviser. However, the Compensation Committee has reviewed surveys, reports, and other market data against which it has measured the competitiveness of the Company's compensation programs.

In determining the amount and form of executive and director compensation, the Compensation Committee has reviewed and discussed historical salary information as well as salaries for similar positions at comparable companies.

On August 30, 2013, our Board approved and adopted a written charter for the Compensation Committee. A copy of the Compensation Committee Charter is available on our website at [www.goodtimesburgers.com](http://www.goodtimesburgers.com).

### **Communication with Directors**

The Board welcomes questions or comments about us and our operations. Those interested may contact the Board as a whole or any one or more specified individual directors by sending a letter to the intended recipients' attention in care of Good Times Restaurants Inc., Attention: Corporate Secretary, 601 Corporate Circle, Golden, CO 80401. All such communications other than commercial advertisements will be forwarded to the appropriate director or directors for review.

### **Director Attendance at Meetings**

There were five meetings of the Board held during the fiscal year ended September 30, 2012. No member of the Board attended fewer than 75% of the Board meetings and applicable committee meetings for the fiscal year ended September 30, 2012.

The Company does not have a formal policy on director attendance at the annual meeting. Messrs. Bailey, Dobbin, Heller, Hoback and Teran attended the annual meeting of stockholders for the fiscal year ended September 30, 2011, which was held on September 14, 2012. Former director Neil Calvert also attended the last annual meeting. Mr. Reinhard did not attend the last annual meeting.

### **Nominee Selection Process**

Our Board as a whole acts as the nominating committee for the selection of nominees for election as directors. We do not have a separate standing nominating committee since we require that our director nominees be approved as nominees by a majority of our independent directors. The Board will consider suggestions by stockholders for possible future nominees for election as directors at the next annual meeting when the suggestion is delivered in writing to the corporate secretary of the Company by November 15 of the year immediately preceding the annual meeting. No request for a recommended nominee was made by the 2012 deadline by any stockholder or group of stockholders with beneficial ownership of more than five percent of our Common Stock as indicated in a Schedule 13D or 13G, other than those stockholders with contractual board representation or director designation rights as discussed above.

The Board selects each nominee, subject to contractual representation or designation rights held by certain stockholders, based on the nominee's skills, achievements, and experience, with the objective that the Board as a whole should have broad and relevant experience in high policymaking levels in business and a commitment to representing the long-term interests of the stockholders. The Board believes that each nominee should have experience in positions of responsibility and leadership, an understanding of our business environment, and a reputation for integrity.

The Board evaluates each potential nominee individually and in the context of the Board as a whole. The objective is to recommend a group that will effectively contribute to our long-term success and represent stockholder interests. In determining whether to recommend a director for re-election, the Board also considers the director's past attendance at

meetings and participation in and contributions to the activities of the Board.

When seeking candidates for director, the Board solicits suggestions from incumbent directors, management, stockholders, and others. The Board does not have a charter for the nominating process.

The Company does not have a formal policy with regard to the consideration of diversity in identifying director nominees, but the Board strives to nominate directors with a variety of complementary skills so that, as a group, the Board will possess the appropriate talent, skills, and expertise to oversee the Company's business.

**Directors Compensation**

Each non-employee director receives \$500 for each Board of Directors meeting attended. Members of the Compensation and Audit Committees generally each receive \$100 per meeting attended. However, where both Compensation and Audit Committee meetings are held at the same gathering, only \$100 is paid to directors attending both committee meetings. Additionally, for the fiscal year ended September 30, 2012, each director, with the exception of Messrs. Calvert and Teran, received a non-statutory stock option to acquire 5,000 shares of Common Stock at an exercise price of \$1.31 per share. Mr. Teran received a non-statutory stock option to acquire 2,000 shares of Common Stock at an exercise price of \$2.12 per share in June 2012, when he was elected to the Board. Mr. Calvert received a non-statutory stock option to acquire 2,000 shares of Common Stock at an exercise price of \$1.46 per share in September 2012, when he was elected to the Board. Mr. Calvert ceased to be a director of the Company effective August 30, 2013.

**Section 16(a) Beneficial Ownership Reporting Compliance**

Under Section 16(a) of the Securities Exchange Act of 1934, directors, executive officers and persons who own more than ten percent of our Common Stock must disclose their initial beneficial ownership of the Common Stock and any changes in that ownership in reports which must be filed with the SEC and the Company. The SEC has designated specific deadlines for these reports and the Company must identify in this proxy statement those persons who did not file these reports when due.

Based solely on a review of the reports filed with the Company and written representations received from reporting persons the Company believes that during the fiscal year ended September 30, 2012 all Section 16(a) filing requirements for its officers, directors, and more than ten percent shareholders were complied with on a timely basis, except that Mr. Dobbin failed to make a Section 16(a) filing with respect to recent changes within the members of his family of the ownership of SII.

**CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS**

***The Bailey Company***

Our corporate headquarters are located in a building owned by The Bailey Company and in which The Bailey Company also has its corporate headquarters. We currently lease approximately 3,700 square feet of space for our executive offices in Golden, Colorado for approximately \$69,000 per year under a lease agreement, as amended, which expires in December 2013.

The Bailey Company was the owner of one franchised Good Times Burgers & Frozen Custard restaurant located in Loveland, Colorado. The Company purchased this restaurant in August 2012 for a purchase price of approximately \$100,000. The Bailey Company was also previously the owner of one franchised restaurant in Thornton, Colorado which was closed in October 2009. The Bailey Company had entered into two franchise and management agreements with us. Franchise royalties and management fees paid under those agreements totaled approximately \$44,000 and \$53,000 for the fiscal years ending September 30, 2012 and 2011, respectively.

***Golden Bridge Loan***

In December 2010, the Company repaid an outstanding loan from Golden Bridge, LLC ( Golden Bridge ), in the principal amount of \$185,000 plus accrued interest thereon in the amount of \$18,000. Directors Eric Reinhard and Alan Teran and former directors Ron Goodson, David Grissen, and Richard Stark, who are all stockholders of the Company, are the sole members of Golden Bridge, and Eric Reinhard is the sole manager of Golden Bridge. The Company's repayment of the Golden Bridge loan was duly approved in advance by our Board by the affirmative vote of members thereof who did not have an interest in the transaction.

***Heathcote Financial Advisory Services Agreement***

On April 6, 2012, the Company entered into a financial advisory services agreement with Heathcote, pursuant to which the Company engaged Heathcote to provide exclusive financial advisory services to the Company in connection with a possible strategic transaction. Gary J. Heller, a member of our Board of Directors, is the principal of Heathcote. Accordingly, the Company's agreement with Heathcote constitutes a related party transaction and was reviewed and approved by the Audit Committee of the Company's Board of Directors. Mr. Heller did not participate in the Audit Committee's consideration of the agreement and abstained from the committee's vote to approve the agreement. Concurrently with the Company's engagement of Heathcote, Mr. Heller resigned as a member of the Audit Committee and as Chairman of the Compensation Committee, though he continues to serve on our Board.

On March 25, 2013, the Company and Heathcote modified this agreement to exclude any transactions involving the Maxim Group LLC and for Heathcote to continue to provide non-exclusive financial advisory services to the Company. The Company paid a total of \$70,000 in fees to Heathcote under the agreement for services provided in connection with the Bad Daddy's Burger Bar transaction.

### *SII Investment Transaction*

On June 13, 2012, the Company entered into a Securities Purchase Agreement with SII, pursuant to which the Company agreed to issue and sell to SII, and SII agreed to purchase, 473,934 shares of newly designated Series C Convertible Preferred Stock for an aggregate purchase price of \$2,000,001.48 (i.e., \$4.22 per share), subject to the satisfaction of certain conditions precedent set forth in the purchase agreement. At the time the Company and SII entered into the purchase agreement, SII held 50.8% of our outstanding Common Stock. In addition, David L. Dobbin, the Chairman of our Board, is a principal of SII. Accordingly, the agreement constitutes a related party transaction and was reviewed and approved by the Audit Committee.

On September 28, 2012, we completed the sale and issuance of 355,451 shares of Series C Convertible Preferred Stock to SII for an aggregate purchase price of \$1,500,000. As a result of this issuance, SII's beneficial ownership interest in the Company increased from 50.8% to 60.9%. We also entered into a Supplemental Agreement with SII, dated September 28, 2012, and further amended on October 16, 2012, pursuant to which we extended the time period for SII to complete its purchase of the remaining shares of Series C Convertible Preferred Stock. Pursuant to the Supplemental Agreement, as

amended, SII agreed to complete its purchase of an additional 118,483 shares of Series C Convertible Preferred Stock, for an additional aggregate purchase price of \$500,000, on or before March 31, 2013, at such time as the Company's Board of Directors reasonably determines, with 45 days prior notice to SII, that the Company requires such funds to maintain the minimum stockholders' equity required under Nasdaq Listing Rule 5550(b) for continued listing on the Nasdaq Capital Market. The Company's Board of Directors determined that it will not require such funds to maintain the minimum stockholders' equity requirement. As a result, SII did not complete its purchase of the additional 118,483 shares of Series C Convertible Preferred Stock.

Each share of Series C Convertible Preferred Stock is convertible at the option of the holder into two shares of Common Stock, subject to certain anti-dilution provisions. The shares of Series C Convertible Preferred Stock will accrue dividends at the rate of 8% per annum of the original issue price of \$4.22 per share, with such accrued dividends payable quarterly. In the event the Series C Convertible Preferred Stock has not been converted to Common Stock within 18 months following the issuance thereof, thereafter (i) the rate of the accrued dividends shall increase to 15% per annum from the date that is 18 months after the issuance thereof until converted or redeemed by the Company, and (ii) the Company may upon the approval of a majority of the disinterested members of the Board of Directors redeem all or from time to time a portion of the Series C Convertible Preferred Stock by payment of its liquidation preference. The shares of Series C Convertible Preferred Stock also have additional voting rights, restrictions and provisions as described under the heading "Series C Convertible Preferred Stock" in the section of this prospectus entitled "Description of Securities."

The June 13, 2012 Securities Purchase Agreement between the Company and SII reconfirmed and continued the director designation rights granted to SII in connection with its initial investment in the Company. Both purchase agreements provide that, for so long as SII continues to own at least 50% of the Company's outstanding capital stock, (i) our Board of Directors shall not consist of more than seven members, and (ii) SII shall have the right to designate four individuals for election to our Board at each annual meeting of our stockholders. Following the completion of our public offering of shares of Common Stock and related warrants on August 21, 2013, SII owns less than 50% of our outstanding capital stock and therefore no longer has director designation rights under the purchase agreements. SII has consented to the increase in the size of our Board of Directors from seven to eight members.

Pursuant to the purchase agreements, SII has also agreed to vote its shares in any election of directors for one individual designated by The Bailey Group and one individual designated by Mr. Reinhard and his affiliates, in addition to SII's four director designees. If either The Bailey Group or Mr. Reinhard and his affiliates cease to own at least 200,000 shares of the Company's Common Stock (as adjusted for the reverse stock split of the Company's Common Stock effected on December 31, 2010, and may be further adjusted for any future stock splits, reverse splits, or similar capital stock transactions), then the foregoing designation rights will cease, and SII has agreed to vote its shares in any election of directors in favor of a person, other than an SII designee, who receives the majority of votes of holders of Common Stock other than SII. Geoffrey R. Bailey is the current director designated by The Bailey Group, and Eric W. Reinhard is the current director designated by Mr. Reinhard and his affiliates.

The June 13, 2012 Securities Purchase Agreement between the Company and SII further provides that, for so long as SII continues to hold at least 75% of the shares of Series C Convertible Preferred Stock and/or the shares of Common Stock issuable upon conversion thereof, SII will have a right of first refusal to purchase additional securities which are offered by the Company on the same terms as offered for the purpose of maintaining its percentage ownership interest

in the Company. SII waived its right to purchase any of the shares of Common Stock or related warrants issued and sold in our recent public offering.

***Bad Daddy s Transaction***

On April 9, 2013, the Company entered into a series of agreements with Bad Daddy s International, LLC, a North Carolina limited liability company ( BDI ), and Bad Daddy s Franchise Development, LLC, a North Carolina limited liability company ( BDFD ), to acquire the exclusive development rights for Bad Daddy s Burger Bar restaurants in Colorado, additional restaurant development rights for Arizona and Kansas, and a 48% voting ownership interest in the franchisor entity, BDFD (collectively, the Bad Daddy s Transaction ). Each of the material agreements relating to the Bad Daddy s Transaction is summarized in the Company s Current Report on Form 8-K filed on April 15, 2013.

*Other*

In connection with our recently completed public offering of shares of our Common Stock and related warrants, the Company and each of our officers, directors, and certain existing stockholders aggregating at least 65% of our outstanding shares, have agreed, subject to certain exceptions, not to offer, issue, sell, contract to sell, encumber, grant any option for the sale of or otherwise dispose of any shares of our Common Stock or other securities convertible into or exercisable or exchangeable for shares of our Common Stock for a period of six months after the closing date of the offering without the prior written consent of the underwriter.

The Company intends to enter into a standstill agreement with director nominee Reuven Har-Even, pursuant to which Mr. Har-Even will agree that for the period ending December 31, 2015 neither he nor any affiliate, including but not limited to P&E Capital, Inc., shall acquire any shares of capital stock of the Company or participate in any transaction intended to result in a change of control of the Company without the consent to such acquisition or participation by the Board of Directors of the Company.

Based on the Audit Committee's review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Good Times Restaurants Annual Report on Form 10-K for the fiscal year ended September 30, 2012 for filing with the SEC.

Neil Calvert ceased to be a member of the Company's Board of Directors on August 30, 2013 and a member and Chairman of the Audit Committee. The Board of Directors intends to name a replacement for him on the Audit Committee following the annual meeting of stockholders.

## **Employment Agreement**

Mr. Hoback entered into an employment agreement with us in October 2001 and the terms of the agreement were revised effective October 2007 for compliance with Section 409A of the Internal Revenue Code. The revised agreement provides for his employment as president and chief executive officer for two years from the date of the agreement at a minimum salary of \$190,000 per year, terminable by us only for cause. The agreement provides for payment of one year's salary and benefits in the event that change of ownership control results in a termination of his employment or termination other than for cause. This agreement renews automatically unless specifically not renewed by our Board of Directors. Mr. Hoback's compensation, including salary, expense allowance, bonus and any equity award, is reviewed and set annually by the Compensation Committee. Mr. Hoback's bonus, when applicable, is based on the Company's achieving certain Earnings Before Interest, Taxes, Depreciation and Amortization ( EBITDA ) targets for the year.

As a condition to the closing of the initial SII investment transaction, Mr. Hoback agreed to waive certain rights under the employment agreement which would otherwise have accrued to him as a result of the change in ownership control of the Company as a result of the SII transaction, including his right to terminate his employment within one year of the change in control and trigger the severance payment described above and his right to accelerate the vesting of stock options upon the change in control. The waiver does not apply to any subsequent change of control of the Company.

## **Other Employment Arrangements**

Mr. LeFever is employed as an employee at will and does not have a written employment agreement. His compensation, including salary, expense allowance, bonus and any equity awards, is reviewed and approved by the Compensation Committee annually. He participates in a bonus program that is based on both the Company's level of EBITDA for the year and achieving certain operating metrics and sales targets set by the Compensation Committee.

## **Heathcote Agreement**

On April 6, 2012, the Company entered into a financial advisory services agreement with Heathcote, pursuant to which the Company engaged Heathcote to provide exclusive financial advisory services to the Company in connection with a possible strategic transaction. Gary J. Heller, a member of our Board of Directors, is the principal of Heathcote. On March 25, 2013, the Company and Heathcote modified this agreement to exclude any transactions involving the Maxim Group LLC and for Heathcote to continue to provide non-exclusive financial advisory services to the Company. The Company paid a total of \$70,000 in fees to Heathcote under the agreement in connection with services provided in connection with the Bad Daddy's Transaction.

### **BDFD Compensation Arrangements**

The Amended and Restated Operating Agreement of BDFD (the "BDFD Operating Agreement") provides that BDFD may issue Class B Units which are intended to be issued as "profits interests" in BDFD. The Board of Managers of BDFD has authority to issue up to such number of Class B Units as is equal to an aggregate of 15% of the outstanding units of BDFD owned by all members. In addition to the provisions of the Operating Agreement, all Class B Units are subject to the terms and conditions of a grant agreement governing the terms of such Units. Initial grants of 5% each have been made to Boyd Hoback and Scott Somes pursuant to Class B Unit Grant Agreements between BDFD and such individuals dated April 9, 2013. The Class B Units are fully earned but subject to forfeiture, in all or in part, during the first 36 months after the grant date.

**PROPOSAL #2 ADVISORY VOTE ON THE COMPENSATION OF THE COMPANY S NAMED EXECUTIVE OFFICERS**

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the Dodd-Frank Act ) enables the Company s stockholders to vote on an advisory (non-binding) basis regarding the compensation of the Company s named executive officers as disclosed in this Proxy Statement in accordance with the rules promulgated by the Securities and Exchange Commission ( SEC ). Accordingly, we are providing a vote on the resolution set forth below as required by the Dodd-Frank Act and Section 14A of the Securities Exchange Act of 1934, as amended.

The principal objectives of our executive compensation programs are to attract, retain, and motivate talented executives, reward strong business results and performance, and align the executive s interests with stockholder interests.

We believe that the Company s executive compensation programs have been effective in incenting the achievement of our positive results. We are asking our stockholders to indicate their support for our named executive officers compensation as described in this Proxy Statement. This proposal, commonly known as a say on pay proposal, gives you as a stockholder the opportunity to express your views regarding our fiscal year 2012 executive compensation policies and procedures for named executive officers. The vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the policies and procedures described in this Proxy Statement.

Accordingly, we ask our stockholders to vote FOR the following advisory resolution at the Annual Meeting:

**RESOLVED, that the stockholders of the Company approve, on an advisory basis, the compensation of the Company s named executive officers as disclosed pursuant to Item 402 of Regulation S-K in the summary compensation tables and related narrative information set forth in the Company s Proxy Statement for the 2013 Annual Meeting of Stockholders.**

Although this is an advisory vote that will not be binding on the Compensation Committee or the Board, we will carefully review the results of the vote.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR PROPOSAL #2.**

**PROPOSAL #3 FREQUENCY OF FUTURE ADVISORY VOTES ON THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS**

In addition to the non-binding advisory vote on the compensation of the Company's named executive officers, the Dodd-Frank Act also enables our stockholders to express their preference for having future say on pay votes every one, two or three years. This non-binding frequency vote is required at least once every six years beginning with our 2013 Annual Meeting. It is the Company's belief, and the Board's recommendation, that this vote should occur every two years.

The Company's executive compensation practices need to remain flexible and reflect the state of the Company and the industry. The Board believes that providing the Company's stockholders with an advisory vote on executive compensation every two years is consistent with the Compensation Committee's approach to regularly evaluate executive compensation policies and procedures.

For the above reasons, the Board recommends that the stockholders vote to hold future advisory votes on executive compensation every two years. Each stockholder's vote, however, is not to approve or disapprove the Board's recommendation. When voting on this Proposal #3, each stockholder has four choices, vote on executive pay every year, every two years, every three years, or abstain from voting. As an advisory vote, the vote on Proposal #3 is not binding upon the Board or the Company. However, the Compensation Committee and the Board will consider the outcome of the vote when determining the frequency of future stockholder advisory votes on executive compensation.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR 2 YEARS ON PROPOSAL #3.**

## **STOCKHOLDER NOMINATIONS AND OTHER PROPOSALS**

If notice of a proposal for which a stockholder will conduct his or her own proxy solicitation is not received by the Company by December 15, 2013, such proposal will be considered untimely pursuant to Rules 14a-4 and 14a-5(e) of the Securities Exchange Act of 1934, and the person named in proxies solicited by the Board may use his or her discretionary authority when the matter is raised at the meeting, without including any discussion of the matter in the proxy statement.

## **OTHER MATTERS**

As of the date of this Proxy Statement, our Board does not intend to present at the Annual Meeting any matters other than those described herein and does not presently know of any matters that will be presented by other parties. If any other matter is properly brought before the Annual Meeting for action by the stockholders, proxies in the enclosed form returned to us will be voted in accordance with the recommendation of our Board or, in the absence of such recommendation, in accordance with the judgment of the proxy holder.
