On June 3, 2014, we and certain of our subsidiaries entered into a second amended and restated credit agreement (the new credit agreement ) with Bank of America, N.A., as administrative agent, swingline lender, a lender and a letter of credit issuer, other lenders party to the new credit agreement, JPMorgan Chase Bank, N.A. and HSBC Bank USA, National Association, as syndication agents, and Union Bank, N.A. and Santander Bank, National Association, as co-documentation agents. The new credit agreement amended and restated our prior amended and restated credit agreement dated as of September 21, 2011, as amended.

The new credit agreement increases our unsecured revolving credit facility from \$1 billion to \$1.2 billion and extends the maturity date of our borrowings from September 21, 2016 to June 3, 2019.

Our borrowings under the new credit agreement bear interest at fluctuating rates determined, at our election in advance for any applicable interest period, by reference to the Eurocurrency rate or, for US dollar-denominated borrowings only, the base rate, plus, in either case, the applicable margin within the relevant range of margins provided in the new credit agreement. The Eurocurrency rate is the London Interbank Offered Rate (LIBOR) for a deposit with a term equivalent to the interest period; and the base rate is the highest of (i) the rate that Bank of America, N.A. announces as its prime rate, (ii) 0.5% above the rate on overnight federal funds transactions or (iii) the Eurocurrency rate plus 1.0%. The applicable margin is based on our consolidated leverage ratio. As of June 3, 2014, the margin for interest rates on borrowings under the new credit agreement was 1.125% on Eurocurrency loans and 0.000% on base rate loans.

The new credit agreement contains customary events of default, including our failure to pay any principal, interest or other amount when due, our violation of certain of our affirmative covenants or any of our negative covenants, a breach of our representations and warranties, and, in certain circumstances, a change of control. Upon the occurrence of an event of default, payment of our indebtedness may be accelerated and the lending commitments under the credit agreement may be terminated.

A copy of the new credit agreement is filed with this report as Exhibit 10.1.
