PS Business Parks, Inc. Reports Results for the Second Quarter Ended June 30, 2008

GLENDALE, California PS Business Parks, Inc. (AMEX:PSB) reported operating results for the second quarter ended June 30, 2008.

Net income allocable to common shareholders for the three months ended June 30, 2008 was \$4.6 million or \$0.22 per diluted share on revenues of \$70.6 million compared to \$3.8 million or \$0.17 per diluted share on revenues of \$67.5 million for the same period in 2007. Net income allocable to common shareholders for the six months ended June 30, 2008 was \$8.4 million or \$0.41 per diluted share on revenues of \$140.9 million compared to \$9.7 million or \$0.45 per diluted share on revenues of \$132.8 million for the same period in 2007.

Revenues for the three months ended June 30, 2008 increased \$3.2 million over the same period of 2007 as a result of an increase of \$2.0 million from the Company's Same Park portfolio combined with an increase of \$1.2 million from acquired properties. Net income allocable to common shareholders for the three months ended June 30, 2008 increased \$842,000 over the same period of 2007 primarily as a result of an increase in net operating income of \$2.3 million offset by a decrease in interest and other income of \$907,000.

Revenues for the six months ended June 30, 2008 increased \$8.2 million over the same period of 2007 as a result of an increase of \$4.2 million from the Company's Same Park portfolio combined with an increase of \$3.9 million from acquired properties. Net income allocable to common shareholders for the six months ended June 30, 2008 decreased \$1.3 million over the same period of 2007 primarily as a result of an increase in net operating income of \$5.2 million offset by an increase in depreciation expense of \$4.0 million and a decrease in interest and other income of \$2.4 million.

Supplemental Measures

Funds from operations (FFO) allocable to common shareholders and unit holders for the three months ended June 30, 2008 and 2007 were \$31.4 million, or \$1.12 per diluted share, and \$30.0 million, or \$1.03 per diluted share, respectively. FFO allocable to common shareholders and unit holders for the six months ended June 30, 2008 was \$62.0 million, or \$2.22 per diluted share, compared to \$59.6 million, or \$2.05 per diluted share, for the same period in 2007. The increase in FFO for the three and six months ended June 30, 2008 over the same period of 2007 was primarily due to the increase in net operating income partially offset by the decrease in interest and other income as discussed above.

Property Operations

In order to evaluate the performance of the Company's overall portfolio over two comparable periods, management analyzes the operating performance of a consistent group of properties owned and operated throughout both periods (herein referred to as Same Park). Operating properties that the Company acquired subsequent to January 1, 2007 are referred to as Non-Same Park. For the three and six months ended June 30, 2008 and 2007, the Same Park portfolio constitutes 18.7 million rentable square feet, which includes all assets the Company owned and operated from January 1, 2007 through June 30, 2008 and represents approximately 95.6% of the total square footage of the Company's portfolio as of June 30, 2008.

Edgar Filing: PS BUSINESS PARKS INC/CA - Form 8-K

- (1) Funds From Operations (FFO) is computed in accordance with the White Paper on FFO approved by the Board of Governors of the National Association of Real Estate Investment Trusts (NAREIT). The White Paper defines FFO as net income, computed in accordance with GAAP, before depreciation, amortization, minority interest in income, gains or losses on asset dispositions and extraordinary items. FFO should be analyzed in conjunction with net income. However, FFO should not be viewed as a substitute for net income as a measure of operating performance or liquidity as it does not reflect depreciation and amortization costs or the level of capital expenditure and leasing costs necessary to maintain the operating performance of the Company's properties, which are significant economic costs and could materially impact the Company's results from operations. Other REITs may use different methods for calculating FFO and, accordingly, the Company's FFO may not be comparable to other real estate companies.
- (2) Funds available for distribution (FAD) is computed by adjusting consolidated FFO for recurring capital improvements, which the Company defines as those costs incurred to maintain the assets' value, tenant improvements, lease commissions, straight-line rent, stock compensation expense, impairment charges, amortization of lease incentives and tenant improvement reimbursements, in-place lease adjustment and the impact of Emerging Issues Task Force (EITF) Topic D-42. Like FFO, the Company considers FAD to be a useful measure for investors to evaluate the operations and cash flows of a REIT. FAD does not

Edgar Filing: PS BUSINESS PARKS INC/CA - Form 8-K

represent net income or cash flow from operations as defined by GAAP.

The Loan is evidenced by an amended and restated note dated as of the date of the Loan Agreement, executed by Borrower in favor of Wells Fargo Bank, National Association, in the principal amount of the \$100,000,000.00 ("Note").
 - B. The Note and Loan Agreement have been previously amended and modified by modification agreement(s) dated: December 29, 2003 ("First Modification"); January 23, 2004 ("Second Modification"); and August 2, 2005 ("Third Modification").
 - C. The Note, Loan Agreement, this Agreement, the other documents described in the Loan Agreement as "Loan Documents" together with all modifications and amendments thereto and any document required hereunder, are collectively referred to herein as the "Loan Documents".
 - D. By this Agreement, Borrower and Lender intend to modify and amend certain terms and provisions of the Loan Documents.
- NOW, THEREFORE, Borrower and Lender agree as follows:

1. **CONDITIONS PRECEDENT. The following are conditions precedent to Lender Parties obligations under this Agreement:**

- 1.1 Receipt and approval by the Lender Parties of the executed originals of this Agreement, and any and all other documents and agreements which are required pursuant to this Agreement or which Lender Parties have requested pursuant to the Loan Documents, in form and content acceptable to Lender Parties;
- 1.2 Reimbursement to Lender Parties by Borrower of Lender Parties' reasonable costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby, including, without limitation, reasonable attorneys' fees (excluding, however, any fees or costs of in-house counsel), and documentation costs and charges, whether such services are furnished by Lender Parties' employees or agents or by independent contractors;
- 1.3 The representations and warranties contained herein are true and correct;
- 1.4 All payments due and owing to Lender Parties under the Loan Documents have been paid current as of the effective date of this Agreement; and
- 1.5 The payment to Lender of an extension fee in the amount of \$300,000.00.

2. **REPRESENTATIONS AND WARRANTIES.** Borrower hereby represents and warrants that no breach or failure of condition has occurred, or would exist with notice or the lapse of time or both, under any of the Loan Documents, as modified by this Agreement, and all representations and warranties herein and in the other Loan Documents are true and correct in all material respects, which representations and warranties shall survive execution of this Agreement.

3. **MODIFICATION OF LOAN DOCUMENTS.** The Loan Documents are hereby supplemented and modified to incorporate the following, which shall supersede and prevail over any conflicting provisions of the Loan Documents:

3.1 **Extension of Maturity Date.** Effective as of August 1, 2008, the Maturity Date recited in the Loan Agreement is hereby extended to August 1, 2010.

3.2 **Amended Defined Terms.** Effective August 1, 2008, the following defined term, as stated in Section 1.1 of the Loan Agreement, is hereby deleted in its entirety and replaced as follows:

"Applicable Margin" means, with respect to each Loan, the respective percentages per annum determined, at any time, based on the range into which Borrower's Credit Rating then falls, in accordance with the table set forth below. Any change in Borrower's Credit Rating causing it to move to a different range on the table shall effect an immediate change in the Applicable Margin (including existing Loans). Promptly after learning of a change in the Borrower's Credit Rating, Agent shall give notice of such change to the Lenders and include in such notice the new Applicable Margin and the effective date of such change. In the event that more than one

(1) different Credit Rating has been assigned, then (i) for so long as the initial Lender is the sole Lender hereunder (i.e., for so long as the Loans are not syndicated), the higher of the Credit Ratings will prevail, or (ii) otherwise, the lower of the Credit Ratings will prevail.

	Range of Borrower's Credit Rating	Applicable Margin for Base rate Loans (% per annum)	Applicable Margin for LIBOR loans (% per annum)
Level I	A-/A3 or better	0.0	0.70
Level II	BBB+/Baa1	0.0	0.75
Level III	BBB/Baa2	0.0	0.85
Level IV	BBB-/Baa3	0.0	1.10
Level V	BBB-/Baa3 (Unrated or Below Investment Grade)	0.0	1.50

3.3 **Amended Financial Covenants.** Effective August 1, 2008, Section 6.4.3 of the Loan Agreement is hereby deleted in its entirety and replaced as follows:

6.4.3 **Minimum Tangible Net Worth.** Tangible Net Worth of Borrower and Guarantor shall not be less than, at any time: (i) \$1,400,000 plus (ii) eight-five percent (85%) of Equity Offering Net Proceeds.

3.4 **Interest Coverage.** Effective August 1, 2008, Section 6.4.5 of the Loan Agreement is hereby deleted in its entirety.

3.5 **Events of Default.** Effective August 1, 2008, Section 7.1.2 of the Loan Agreement is hereby deleted in its entirety and replaced as follows:

- 7.1.2 **Default in Other Debt.** Any Borrower Party shall have defaulted (beyond any applicable grace period) under any Debt of such party (other than the Obligations) if the aggregate amount of such other Debt is Ten Million Dollars (\$10,000,000) or more and such default shall not have been cured or waived; or
- 3.6 **Waiver of Right to Trial By Jury.** Section 9.14 of the Loan Agreement and Section 30 of the Amended and Restated General Continuing Repayment Guaranty are hereby deleted in their entirety.
4. **FORMATION AND ORGANIZATIONAL DOCUMENTS.** Borrower has previously delivered to the Lender Parties all of the relevant formation and organizational documents of Borrower, of the partners, members or joint venturers of Borrower (if any), and of all guarantors of Borrower's obligations under the Loan, and all such formation documents remain in full force and effect and have not been amended or modified since they were delivered to Lender Parties. Borrower hereby certifies that: (i) the above documents are all of the relevant formation and organizational documents of Borrower; (ii) they remain in full force and effect; and (iii) they have not been amended or modified since they were previously delivered to Lender Parties.
5. **NON-IMPAIRMENT.** Except as expressly provided herein, nothing in this Agreement shall alter or affect any provision, condition, or covenant contained in any Loan Document or affect or impair any rights, powers, or remedies of the Lender Parties, it being the intent of the parties hereto that the provisions of the Loan Documents shall continue in full force and effect except as expressly modified hereby.
6. **MISCELLANEOUS; GOVERNING LAW; JURISDICTION.** This Agreement and the other Loan Documents shall be governed by and interpreted in accordance with the laws of the State of California, except if preempted by federal law. In any action brought or arising out of this Agreement or the other Loan Documents, Agent, each Lender and Borrower, and the general partners, members and joint venturers of Borrower (if any), hereby consent to the exclusive jurisdiction of any federal or state court having proper venue within the State of California and also consent to the service of process by any means authorized by California or federal law. The headings used in this Agreement are for convenience only and shall be disregarded in interpreting the substantive provisions of this Agreement. All capitalized terms used herein, which are not defined herein, shall have the meanings given to them in the other Loan Documents. Time is of the essence of each term of the Loan Documents, including this Agreement. If any provision of this Agreement or any of the other Loan Documents shall be determined by a court of competent jurisdiction to be invalid, illegal or unenforceable, that portion shall be deemed severed from this Agreement and the remaining parts shall remain in full force as though the invalid, illegal, or unenforceable portion had never been a part thereof.
7. **INTEGRATION; INTERPRETATION.** The Loan Documents, including this Agreement, contain or expressly incorporate by reference the entire agreement of the parties with respect to the matters contemplated therein and supersede all prior negotiations or agreements, written or oral. The Loan Documents shall not be modified except by written instrument executed by all parties. Any reference to the Loan Documents includes any amendments, renewals or extensions now or hereafter approved by Lender Parties in writing.
8. **EXECUTION IN COUNTERPARTS.** To facilitate execution, this document may be executed in as many counterparts as may be convenient or required. It shall not be necessary that the signature of, or on behalf of, each party, or that the signature of all persons required to bind any party, appear on each counterpart. All counterparts shall collectively constitute a single document. It shall not be necessary in making proof of this document to produce or account for more than a single counterpart containing the respective signatures of, or on behalf of, each of the parties hereto. Any signature page to any counterpart may be detached from such counterpart without impairing the legal effect of the signatures thereon and thereafter attached to another counterpart identical thereto except having attached to it additional signature pages.
