between the parties at arm's length and included: (i) \$800,000 in cash, (ii) a promissory note payable to the Shareholder in the amount of \$200,000, and (iii) the assumption of Shareholder's obligation under a promissory note issued to a prior owner of NCS. As contemplated by the Purchase and Sale Agreement, the Shareholder entered into a three-year consulting agreement with NCS. On March 2, 2001, the Shareholder also entered into a non-competition agreement with the Registrant and NCS. The Registrant financed the purchase price through borrowings under its line of credit agreement with Bank of Oklahoma. As a result of this transaction, NCS became a wholly owned subsidiary of the Registrant.

NCS was established in 1973 as a full service repair and sales center, selling new and refurbished cable equipment and has been a leading distributor of telecommunication equipment and a solutions provider to cable operators and other related businesses since the market's infancy. The principal place of business of NCS is located in Willow Grove, Pennsylvania. The Registrant intends for NCS to continue with its existing operations.
