LIFETIME HOAN REPORTS 53% INCREASE IN FIRST-QUARTER NET SALES; RAISES 2004 GUIDANCE

WESTBURY, N.Y., April 29, 2004 -- LIFETIME HOAN CORPORATION (NASDAQ NM: LCUT), a leading designer, marketer and distributor of housewares, today announced results for the first quarter ended March 31, 2004.

For the first quarter of 2004, net sales increased 53% to \$37.1 million from \$24.3 million in the same period of the prior year. The Company reported net income of \$345,000, or \$0.03 per diluted share, compared to a net loss of \$602,000, or \$0.06 per diluted share, for the same period in 2003.

Jeffrey Siegel, president and chief executive officer, commented, "The first quarter of 2004 was another period of strong growth for Lifetime Hoan. The impressive increase in the Company's net sales was fueled principally by growth of our lines of KitchenAid(R) branded products. Since we launched our KitchenAid program in 2001, it has gained strength every year, and 2004 is already showing a continuation of that very positive trend.

"Lifetime's business is driven by exciting new products, innovative designs and great brands. One of the reasons we expect 2004 to be a very successful year is that we plan to launch more new lines than ever before in our history. Among the additions we have already announced is KitchenAid(R) branded kitchen cutlery, which is scheduled to roll out in the third quarter. Another important contribution will come from our expansion of the CasaModa(R) line, which is focused on the growing market for casual home entertainment. In fact, we plan to introduce new products in every major category in our business during the year."

Lifetime Hoan noted that first-quarter 2004 sales attributable to the :USE(R) - Tools for Civilization(R) and Gemco Ware, Inc. businesses the Company acquired in the

fourth quarter of 2003 totaled \$1.5 million. Without the USE and Gemco sales, Lifetime's net sales for the period would have increased 46.5% over last year's same quarter.

The Company raised its net sales guidance for 2004 to approximately \$195-\$205 million from \$190-\$200 million. It also raised its earnings per share estimate for 2004 to approximately \$0.98-\$1.13 from \$0.95-\$1.10.

Lifetime Hoan has scheduled a conference call Thursday, April 29 at 11:00 a.m. Eastern time to discuss first-quarter-2004 results and additional matters. The dial-in number for the call is (706) 634-1218. A replay of the call will also be available through Thursday, May 6, and can be accessed by dialing (706) 645-9291, conference ID #6684178.
