Subject to the terms and conditions of this Agreement, in consideration of the aforesaid sale, transfer and delivery of the Shares, Buyer will deliver or cause to be delivered to Seller the sum of Seven Million Dollars (\$7,000,000) (the "Purchase Price"). The Purchase Price is subject to adjustment as provided in Section 1.2(c).

(b) Payment. Subject to the terms of this Agreement, on the Closing Date the Purchase Price (less \$250,000 (the "Escrow Amount")) shall be payable by Buyer to Seller by wire transfer of immediately available funds into an account designated in writing by Seller, such designation to be provided at least forty-eight (48) hours prior to the Closing Date.

(ii) Working Capital. For purposes of this Agreement, the term "Working Capital" shall mean the sum of: the cash, net accounts receivable (defined as accounts receivable minus reserves therefor and minus any and all accounts receivable of 90 or more days outstanding which exceed in the aggregate the amount of the reserves therefor), prepaid items and usable/merchantable inventory of all classes of the Company, less the sum of: trade payables, accrued expenses (except current lease payments) and all other current liabilities to all creditors and lenders of the Company, in each case determined in accordance with United States generally accepted accounting principles consistently applied ("GAAP") and the Company's historical accounting practices consistently applied. An example of the calculation and the categories that shall be used for the purposes of reference in the determination of the Closing Working Capital is annexed as Exhibit 1.2(d)(ii) to this Agreement. Notwithstanding the foregoing, Working Capital shall not include any intercompany items.

(iii) Determination. Within 30 days after the Closing Date, Seller shall prepare a balance sheet as of the Closing Date or another date agreed on by Buyer and Seller (the "Closing Balance Sheet"). The Closing Balance Sheet (i) shall contain line items substantially consistent with the line items in Company's balance sheet dated March 31, 2003, (ii) shall be prepared in accordance with GAAP and the Company's historical accounting practices, consistently applied, (iii) shall be accompanied by a certificate of the chief financial officer of the Company certifying to the effect of clause (ii) above and a calculation of the Closing Working Capital and the Purchase Price Adjustment certified by the Company's chief financial officer. Inventory shall be valued on such Closing Balance Sheet based upon the physical inventory taken by Seller as of June 30, 2003, adjusted for purchases and sales thereafter up to and including the Closing Date. Such certificate shall provide in reasonable detail each of the foregoing totals and categories by which the determination of the Closing Working Capital was made.

(iv) Right to Object. If Buyer has any objections to the calculation of the Closing Working Capital or the Purchase Price Adjustment, Buyer shall deliver to Seller within thirty (30) days after receiving the Working Capital Certificate a detailed written statement describing such objections. Buyer and Seller will negotiate in good faith in an effort to resolve such objections between themselves. If the parties are unable to finally resolve such objections within thirty (30) days after Seller has received the statement of objections, Buyer and Seller will select a mutually acceptable, independent accounting firm (the "Accountant") to resolve any remaining objections and/or, if mutually agreed to by Buyer and Seller, conduct an audit of the Company as of the Closing Date. If Buyer and Seller cannot agree on the choice of an accounting firm, they will select by lot a nationally recognized accounting firm, other than any independent accounting firm regularly engaged or then engaged by Buyer, Parent, Seller or the Company, or any of their affiliates, to perform their respective audits or for tax or other services. The Accountant shall be jointly instructed by Buyer and Seller to finally determine the amount(s) in dispute. The Accountant shall deliver to each of Buyer and Seller its determination within thirty (30) days after receiving the joint instructions of Buyer and Seller, and the determination of the Accountant will be set forth in writing and will be conclusive and binding upon the parties. The fees and expenses of the Accountant shall be borne by the parties in the inverse percentage of how they prevail with respect to the objections. The date upon which the determination of Closing Working Capital becomes final and binding (either by Buyer's failure to so deliver an objection notice, or agreement of Buyer and Seller, or final determination of the Accountant) shall be the "Final

(v) Payment of Purchase Price Adjustment. Within five (5) business days after the Final Settlement Date, Buyer and Seller shall jointly direct the Escrow Agent in writing as to the disposition of the Escrow Amount in accordance with the determination of the Purchase Price Adjustment, if any.

(e) Intercompany Accounts. Buyer agrees that all of Company's intercompany receivables net of intercompany payables shall be cancelled on or prior to the Closing Date with no adjustment to the Purchase Price.

(b) With respect to any agreements for which any required consent or approval is not obtained prior to the Closing, and Buyer nevertheless chooses to proceed with Closing, Seller, Parent and Buyer shall each use its reasonable best efforts to obtain any such consent or approval as soon as commercially practicable after the Closing Date until such consent or approval has been obtained, and Seller shall use its reasonable best efforts to provide Buyer with the same benefits arising under such agreements, including performance by Company as agent for Seller and Buyer, if legally and commercially feasible, provided, that Buyer and the Company shall provide the Seller with such access to the premises, books and records and personnel as is necessary to enable the Seller to perform its obligations under such agreements and Buyer or the Company shall pay or satisfy the corresponding liabilities for the enjoyment of such benefits to the extent Buyer or the Company would have been responsible therefor if such consent or approval had been obtained.

5.4 Reasonable Best Efforts. Each of Seller, Parent and Buyer shall cooperate, and use its reasonable best efforts to take, or cause to be taken, all action, and to do, or cause to be done, all things necessary, proper, or advisable under applicable laws and regulations to consummate the transactions contemplated by this Agreement.

5.5 Public Announcements. Prior to the Closing, except as otherwise agreed to by the parties, the parties shall not issue any report, statement or press release or otherwise make any public statements with respect to this Agreement and the transactions contemplated hereby, except as in the reasonable judgment of the party may be required by law, in which case the parties will exercise their reasonable best efforts to reach mutual agreement as to the language of any such report, statement or press release.

5.6 Consummation. Each party hereto shall use its reasonable best efforts to consummate the transactions contemplated by this Agreement and shall not take any action inconsistent with its obligations hereunder or which could

Edgar Filing: SELAS CORP OF AMERICA - Form 8-K

hinder or delay the consummation of the transactions contemplated hereby. Further, Seller will use its reasonable best efforts to ensure that the conditions set forth in Article VI hereof are satisfied, insofar as such matters are within the control of Seller, and Buyer and Parent will use their reasonable best efforts to ensure that the conditions set forth in Article VI hereof are satisfied, insofar as such matters are within the control of Buyer or Parent. Seller, Parent and Buyer also covenant and agree, with respect to a threatened or pending preliminary or permanent injunction or other order, decree or ruling or statute, rule, regulation or executive order that would adversely affect the ability of the parties hereto to consummate the transactions contemplated hereby, to use all reasonable efforts to prevent or lift the entry, enactment or promulgation thereof, as the case may be.

5.7 Employees; Employee Benefits.

(a) Following the Closing, Buyer shall, or shall cause the Company to, provide each employee of the Company ("Employee") and former employee of the Company (and their respective qualified beneficiaries) the continuation coverage benefits mandated by Sections 601 through 608 of ERISA and Section 4980B(f) of the Code; provided, however, that with respect to Qualifying Events (as defined in ERISA) occurring before the Closing Date, such obligation shall be limited to the individuals listed in Section 5.7(a) of the Disclosure Schedule. Seller shall be responsible for providing such continuation coverage benefits or to correct any failure to provide continuation coverage notices (including payment of any applicable penalties or taxes) to any individual who incurred a qualifying event before the Closing Date but who is not listed in Section 5.7(a) of the Disclosure Schedule.

(b) Following the Closing, Buyer shall cause the Company to be responsible and assume all liability for all notices or payments due to any Employee, and all notices, payments, fines or assessments due to any government authority, pursuant to any applicable foreign, federal, state or local law, common law, statute, rule or regulation with respect to the employment, discharge or layoff of employees by the Company after the Closing, including, but not limited to, the Worker Adjustment and Retraining Notification Act and any rules or regulations as have been issued, in connection with the foregoing.

5.8 Certain Tax Matters.

(a) On or before the Closing Date, any tax sharing agreement between Seller and Company shall have been terminated as of the Closing Date and shall have no further effect for any taxable year.

(b) Seller shall include the income of Company (including any deferred items triggered into income by IRS Reg. §1.1502-13 and any excess loss account taken into income under IRS Reg. 1.1502-19) on Seller's consolidated federal income Tax Returns for all periods through the end of the Closing Date (except as provided in Section 5.8(f) with respect to transactions not in the ordinary course of business occurring on the Closing Date after Buyer's purchase of the Shares, which transactions shall be included on Buyer's consolidated federal income Tax Return) and pay any federal income Taxes attributable to such income. Buyer shall cause the Company to furnish Tax information to Seller for inclusion in Seller's federal consolidated income Tax Return for the period that includes the Closing Date in accordance with the Company's past custom and practice. The income of Company shall be apportioned to the period up to and including the Closing Date and the period after the Closing Date by closing the books of Company as of the end of the Closing Date.

(c) Seller shall have sole control over all Tax audits of the Company for any period that ends on or before the Closing Date and shall be fully

Edgar Filing: SELAS CORP OF AMERICA - Form 8-K

responsible for Tax payments, penalties and assessments resulting therefrom with respect to periods ending on or before the Closing Date in excess of amounts accrued therefor on the Closing Balance Sheet. Buyer shall have sole control over all audits and other proceedings that relate to Taxes of the Company for any period that begins after the Closing Date and Company shall be fully responsible for Tax payments, penalties and assessments resulting therefrom with respect to periods that begin after the Closing Date. Seller and Buyer shall cooperate as to any audits or other proceedings that relate to Taxes of the Company for any period that begins before the Closing Date and end after the Closing Date.

(d) Seller and Buyer shall reasonably cooperate, and shall cause their respective affiliates, officers, employees, agents, auditors and representatives reasonably to cooperate, in preparing and filing all Tax Returns (including amended returns and claims for refund), including maintaining and making available to each other all records necessary in connection with Taxes and in resolving all disputes and audits with respect to all taxable periods relating to Taxes. Buyer and Seller recognize that Seller will need access, from time to time, after the Closing Date, to certain accounting and tax records and information held by the Company to the extent such records and information pertain to events occurring prior to the Closing Date; therefore, Buyer agrees that from and after the Closing Date Buyer shall, and shall cause the Company to, (A) retain and maintain such records until such time as Seller reasonably determines that such retention and maintenance is no longer necessary and (B) allow Seller and its agents and representatives (and agents and representatives of its affiliates), to inspect, review and make copies of such records as Seller may reasonably deem necessary or appropriate from time to time.

(e) For a period of seven (7) years from the Closing Date, Buyer shall not, and shall cause the Company not to, dispose of or intentionally destroy any of the business records and files of the Company relating to Taxes in existence on the Closing Date without first offering to turn over possession thereof to Seller by written notice to Seller at least thirty (30) days prior to the proposed date of such disposition or intentional destruction.

(f) Buyer and Seller agree to report all transactions not in the ordinary course of business occurring on the Closing Date after Buyer's purchase of the Shares on the Company's federal Income Tax Return to the extent permitted by IRS Reg. 1.1502-76(b)(1)(ii)(B).

(g) Notwithstanding any other provisions of this Agreement to the contrary, all sales, use, transfer, gains, stamp, duties, recording and similar Taxes (other than Taxes on the income of Seller) incurred in connection with the transactions contemplated by this Agreement shall be paid by Buyer. Buyer shall, at its own expense, accurately file or cause to be filed all necessary Tax Returns and other documentation with respect to such Taxes and timely pay, or cause to be paid, all such Taxes. If required by applicable law, Seller will join in the execution of any such Tax Returns or such other documentation.

5.9 Books and Records. All books and records delivered by Seller to Buyer will be preserved by Buyer (using reasonable best efforts) for a period of at least seven (7) years following the Closing and Buyer will permit Seller and its authorized representatives to have reasonable access to, and examine and make copies of, all such books and records as reasonably requested by Seller.

5.10 Acknowledgement of Personal Property. The parties hereto agree and acknowledge that the personal property listed on Section 5.10 of the Disclosure Schedule is personal property owned by the Seller or employees of the Company and Seller or such employees shall be entitled to remove such personal property from the premises of the Company.

Edgar Filing: SELAS CORP OF AMERICA - Form 8-K

5.11 Release of Guarantees and Liens.

(a) On or before Closing, Seller shall cause all guarantees made by the Company for the benefit of the Seller, including, but not limited to, guarantees with respect to the credit facilities of Seller, to be terminated and released.

(b) On or before Closing, Seller shall cause all security interests, encumbrances and liens on assets owned by the Company, which liens arise from or in connection with credit facilities of the Seller, to be terminated and released.

5.12 Assignment and Release Agreements. Seller has entered into an Agreement Re: Termination Following Asset Sale with each of Marvin Sauner and William Glaser. At the Closing, Buyer shall assume the obligations under such agreements and shall obtain the release of Seller from its obligations thereunder pursuant to an Assignment and Release Agreement in the form of Exhibit 5.12 attached hereto duly executed by Buyer and each of Messrs. Sauner and Glaser. In the event that releases of such Assignment and Release Agreement are not able to be delivered at the Closing, Buyer and Parent shall indemnify and save Seller harmless from all liability and obligation arising from such Assignment and Release Agreement until such releases are available.

5.13 Supplemental Disclosure. Seller shall have the right from time to time prior to the Closing to supplement or amend in writing its Disclosure Schedule with respect to any matter hereafter arising or discovered which if existing or known at the date of this Agreement would have been required to be set forth or described in such Disclosure Schedule. If (without consideration of the materiality qualifications contained in individual representations and warranties) the changes pursuant to such supplements and amendments, in the aggregate, are breaches of Seller's representations and warranties that are materially adverse to Buyer (collectively, "Material and Adverse Change Disclosures"), Buyer shall have the right to terminate this Agreement in accordance with the procedures set forth in Section 7.1(a). If Buyer terminates the Agreement due to Material and Adverse Change Disclosures: (a) if such Material and Adverse Change Disclosures are due to any action or omission of Seller or Company, Seller shall reimburse Buyer for its reasonable expenses, not to exceed \$50,000 in the aggregate and (b) if such Material and Adverse Change Disclosures are due to any action or omission of any other person or entity, Seller have no obligation to reimburse Buyer. For the purposes of this Agreement, any Material and Adverse Change Disclosures that are a result of or relate to the following shall not be deemed to have been due to any action or omission of Seller: (a) generally applicable economic conditions or economic conditions applicable to the Company's industry in general, (b) the announcement by the Seller of its intention or agreement to sell the Company, (c) the execution and delivery of this Agreement or the consummation of the transactions contemplated hereby or the announcement thereof, or (d) any force majeure event. If Buyer elects to complete Closing notwithstanding such Material and Adverse Change Disclosures, the disclosure of such Material and Adverse Change Disclosures shall be deemed to have cured any breach of any representation or warranty made in this Agreement for purposes of Article VIII.

5.14 Accuracy of Representations and Warranties. Seller will immediately advise Buyer in writing if (a) any of the representations or warranties of Seller is untrue or incorrect in any material respect, or (b) Seller becomes aware of the occurrence of any event or state of facts that results in any of the representations and warranties of Seller being untrue or incorrect in any material respect. Seller will not take any action, or omit to take any action, and shall cause the Company not to take any action, or omit to take any action, that would result in any of Seller's representations and

Edgar Filing: SELAS CORP OF AMERICA - Form 8-K

warranties set forth in this Agreement to be untrue or incorrect as of the Closing Date in any material respect.

5.15 Non-competition. For a period of five years after the Closing, Seller shall not, directly or indirectly, compete against Buyer or Company with respect to the Business. This agreement not to compete shall apply as to the Business with all customers of the Company as of (or within one year prior to) the Closing or as to which the Company has proposals or quotations outstanding as of the Closing. If a court of competent jurisdiction determines that the term or extent of this covenant not to compete is too long or broad, the term and/or extent shall be reduced to the extent necessary to make it enforceable.

5.16 Transition and Consulting Services.

(a) For a period of 90 days after the Closing (or such lesser period as to which the Company gives Seller seven days' written notice), Seller shall continue to sub-license to Company the MAPICS software on an actual cost reimbursement basis.

(b) For a period of 90 days after Closing, Buyer shall cause Company to make available to Seller, at no cost to Seller, the services of Company's controller to assist Seller in closing the books of Seller with respect to the Company and preparing the Closing Balance Sheet and any final tax returns.

(a) Without consideration of any materiality conditions in individual representations and warranties, the representations and warranties of Buyer

Edgar Filing: SELAS CORP OF AMERICA - Form 8-K

and Parent contained in Article IV of this Agreement shall be true and correct in all material respects in the aggregate at the date hereof and as of the Closing as if made at and as of the Closing, except for changes permitted or contemplated hereby and except for representations and warranties which are made as of a specific date, which shall be true and correct in all material respects in the aggregate at such date;

(b) Buyer and Parent shall have performed in all material respects their obligations under this Agreement required to be performed by them at or prior to the Closing pursuant to the terms hereof; and

(c) Buyer shall have delivered to Seller or its affiliates those items set forth in Section 2.2 hereof.

(a) Without consideration of any materiality conditions in individual representations and warranties, the representations and warranties of Seller contained in Article III of this Agreement shall be true and correct in all material respects in the aggregate at the date hereof and as of the Closing as if made at and as of the Closing, except for changes permitted or contemplated hereby and except for representations and warranties which are made as of a specific date, which shall be true and correct in all material respects in the aggregate at such date;

(d) All guarantees made by Company for the benefit of the Seller shall have been terminated and released; and

(e) All security interests, encumbrances and liens on assets owned by the Company, which liens arise from or in connection with credit facilities of the Seller, shall have been terminated and released and the Company shall have no liability with respect to such facilities.

ARTICLE VII TERMINATION; AMENDMENT; WAIVER

7.1 Termination. This Agreement may be terminated and the transactions contemplated hereby may be abandoned:

(a) by either Buyer or Seller if one or more breaches of this Agreement that are material in the aggregate have been committed by the other party and such breach or breaches have not been waived; provided however that a material breach shall not give rise to a right to terminate this Agreement under this Section 7.1(a) unless and until (i) the non-breaching party delivers a written notice to the breaching party, notifying the breaching party of the breach (including a reasonable description thereof) and (ii) the breaching party fails to cure such breach within ten (10) days after delivery of such written notice.

(b) (i) by Buyer if any of the conditions in Section 6.3 has not been

Edgar Filing: SELAS CORP OF AMERICA - Form 8-K

satisfied as of the Closing Date or if satisfaction of such a condition is or becomes impossible (other than through the failure of Buyer to comply with its obligations under this Agreement) and Buyer has not waived such condition on or before the Closing Date; or (ii) by Seller, if any of the conditions in Section 6.2 has not been satisfied as of the Closing Date or if satisfaction of such a condition is or becomes impossible (other than through the failure of Seller to comply with its obligations under this Agreement) and Seller has not waived such condition on or before the Closing Date;

(c) by mutual consent of Buyer and Seller; or

(d) by either Buyer or Seller if the Closing has not occurred (other than through the failure of the party seeking to terminate this Agreement to comply fully with its obligations under this Agreement) on or before July 31, 2003, or such later date as the parties may agree upon.

7.2 Procedure and Effect of Termination. In the event of the termination of this Agreement and the abandonment of the transactions contemplated hereby pursuant to Section 7.1 hereof, written notice thereof shall forthwith be given by the parties so terminating to the other party and this Agreement shall terminate and the transactions contemplated hereby shall be abandoned, without further action by Seller, on the one hand, or Buyer and Parent, on the other hand. If this Agreement is terminated pursuant to Section 7.1 hereof:

(a) Each party shall redeliver all documents, work papers and other materials of the other parties relating to the transactions contemplated hereby, whether obtained before or after the execution hereof, to the party furnishing the same, and all confidential information received by any party hereto with respect to the other party shall be treated in accordance with the Confidentiality Agreement and Section 5.2(c) hereof;

(b) All filings, applications and other submissions made pursuant hereto shall, at the option of Seller, and to the extent practicable, be withdrawn from the agency or other person to which made; and

(c) Each party's right of termination under Section 7.1 is in addition to any other rights it may have under this Agreement or otherwise, and the exercise of a right of termination will not be an election of remedies. If this Agreement is terminated pursuant to Section 7.1, all further obligations of the parties under this Agreement will terminate, except that the obligations in Section 5.5 and 9 will survive; provided, however, that if this Agreement is terminated by a party because of the breach of the Agreement by the other party or because one or more of the conditions to the terminating party's obligations under this Agreement is not satisfied as a result of the other party's failure to comply with its obligations under this Agreement, the terminating party's right to pursue all legal remedies, including the remedies set forth in Article VIII hereof, will survive such termination unimpaired.

7.3 Amendment, Modification and Waiver. This Agreement may be amended, modified or supplemented at any time only by a written agreement of Seller, Parent and Buyer. Any failure of Seller, Parent or Buyer to comply with any term or provision of this Agreement may be waived, with respect to Buyer and Parent, by Seller and, with respect to Seller, by Buyer and Parent, by an instrument in writing signed by or on behalf of the appropriate party, but such waiver or failure to insist upon strict compliance with such term or provision shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure to comply.

ARTICLE VIII

SURVIVAL OF REPRESENTATIONS: INDEMNIFICATION

Edgar Filing: SELAS CORP OF AMERICA - Form 8-K

8.1 Survival of Representations and Warranties and Agreements. All representations, warranties, covenants, obligations and agreements of Seller, Parent and Buyer, made in this Agreement shall survive the Closing.

8.2 Seller's Agreement to Indemnify. Subject to the terms and conditions set forth herein, from and after the Closing, Seller shall indemnify and hold harmless Buyer, Parent and their respective directors, officers, employees, affiliates, controlling persons, agents and representatives and their successors and assigns (collectively, the "Buyer Indemnitees") from and against all liability, demands, claims, actions or causes of action, assessments, losses, damages, costs and expenses (including, without limitation, reasonable attorneys' fees and expenses) (collectively "Damages") asserted against or incurred by any Buyer Indemnitee as a result of or arising out of (a)-a breach of or inaccuracy in any representation or warranty contained in Article III of this Agreement when made or at and as of the Closing as though such representations and warranties were made at and as of the Closing (except to the extent that any such representations and warranties are made as of a specified date, then as of such date), or (b)-any breach by Seller of, or any failure by Seller to fully carry out and perform, any agreement, covenant, undertaking or obligation of Seller in this Agreement, or (c) any suit, action, or other proceeding brought by any person arising out of the matters referred to in this Section 8.2.

8.3 Buyer's Agreement to Indemnify. Subject to the terms and conditions set forth herein, from and after the Closing, Buyer and Parent shall indemnify and hold harmless Seller and its affiliates (it being understood that Company shall not be considered an affiliate of Seller and shall not be entitled to indemnification hereunder), agents and representatives and their successors and assigns (collectively, the "Seller Indemnitees") from and against all Damages asserted against or incurred by any Seller Indemnitee as a result of or arising out of (a)-a breach of or inaccuracy in any representation or warranty contained in Article IV of this Agreement when made or at and as of the Closing as though such representations and warranties were made at and as of the Closing (except to the extent that any such representations and warranties are made as of a specified date, then as of such date), or (b)-any breach by Buyer or Parent of, or any failure by Buyer or Parent to fully carry out and perform, any agreement, covenant, undertaking or obligation of Buyer or Parent in this Agreement, or (c) any suit, action, or other proceeding brought by any person arising out of the matters referred to in this Section 8.3 or (d) (i) all salaries, bonuses, commissions and vacation entitlements accrued on the Closing Balance Sheet but unpaid as of the Closing due to any Employee and (ii) any claims of, or damages or penalties sought by, any Employee, or any governmental entity on behalf of or concerning any Employee, with respect to any act or failure to act by Buyer or Company to the extent arising from the employment, discharge, layoff or termination of any Employee after the Closing.

8.4 Limitations on Indemnification. The indemnification obligations set forth in this Section 8 are subject to the following limitations:

(a) No indemnification shall be made by the Seller unless the aggregate amount of Damages exceeds \$100,000 and, in such event, indemnification shall be made by the Seller only to the extent Damages exceed \$100,000; provided, however that the amounts due to Buyer pursuant to Section 1.2(c), if any, shall not be subject to this Section 8.4(a).

(b) In no event shall the Seller's aggregate obligation to indemnify the Buyer Indemnitees exceed \$2,000,000; provided, however that the amounts due to Buyer pursuant to Section 1.2(c), if any, shall not be subject to this Section 8.4(b).

Edgar Filing: SELAS CORP OF AMERICA - Form 8-K

(c) The obligations of Seller on the one hand or Buyer and Parent on the other hand, as applicable (the "Indemnitor") to indemnify the Buyer Indemnitees on the one hand or the Seller Indemnitees on the other hand, as applicable, (the "Indemnitees") pursuant to this Section 8 are subject to the following provisions:

(i) The amount of any Damages shall be reduced by any amount received by an Indemnitee with respect thereto under any insurance coverage or from any other party alleged to be responsible therefor and by the amount of any reduction in Tax liability of the Company or such Indemnitee with respect thereto. The Indemnitees shall use reasonable efforts to collect any amounts available under such insurance coverage and from such other party alleged to have responsibility. If an Indemnitee receives an amount under insurance coverage or from such other party or a reduction in Tax liability with respect to Damages at any time subsequent to any indemnification provided by an Indemnitor pursuant to this Section 8, then such Indemnitee shall promptly reimburse the Indemnitor, for any payment made or expense incurred by Indemnitor in connection with providing such indemnification up to such amount received by the Indemnitee, or the reduction in tax liability as applicable;

(ii) An Indemnitee shall make commercially reasonable efforts to mitigate any claim or liability that an Indemnitee asserts under this Section 8. In the event that an Indemnitee shall fail to make such commercially reasonable efforts to mitigate any claim or liability, then notwithstanding anything else to the contrary contained herein, the Indemnitor shall not be required to indemnify an Indemnitee to the extent that any Damages could reasonably be expected to have been avoided if an Indemnitee had made such efforts.

(iii) An Indemnitor shall be obligated to indemnify the Indemnitees only for those claims giving rise to Damages as to which the Indemnitees have given an Indemnitor written notice thereof. Any written notice delivered by an Indemnitee to with respect to Damages shall set forth with as much specificity as is reasonably practicable the basis of the claim for Damages and, to the extent reasonably practicable, a reasonable estimate of the amount thereof.

(iv) Except for willful, knowing or intentional fraud, remedies that cannot be waived as a matter of law and injunctive or provisional relief, if the Closing occurs, this Article VIII shall be the exclusive remedy for breaches of this Agreement (including any covenant, obligation, representation or warranty contained in this Agreement or in any certificate delivered pursuant to this Agreement) or otherwise in respect of the sale of the Shares contemplated hereby.

(d) Notwithstanding anything else herein to the contrary, any claim by the Buyer or Parent, on the one hand, or Seller, on the other hand, for indemnification hereunder must be made in accordance with Article VIII, including Section 8.4(c)(iii), within one (1) year of the Closing Date, or such claims shall be barred. Time shall be of the essence with regard to this Section 8.4(d).

8.5 Third Party Indemnification. The obligations of an Indemnitor to indemnify Indemnitees under this Article VIII hereof with respect to Damages resulting from the assertion of liability by third parties (a "Claim"), will be subject to the following terms and conditions:

(a) Any party against whom any Claim is asserted will give the Indemnitor written notice of any such Claim promptly after learning of such Claim, and the Indemnitor may at its option undertake the defense thereof by representatives of its own choosing. If the Indemnitor, within thirty (30) days after notice of any such Claim, or such shorter period as is reasonably

Edgar Filing: SELAS CORP OF AMERICA - Form 8-K

required, fails to assume the defense of such Claim, the Indemnitee against whom such claim has been made will (upon further notice to Indemnitor) have the right to undertake the defense, compromise or settlement of such claim on behalf of and for the account and risk, and at the expense, of the Indemnitor, subject to the right of the Indemnitor to assume the defense of such Claim at any time prior to settlement, compromise or final determination thereof.

(b) Anything in this Section 8.5 to the contrary, notwithstanding, an Indemnitor shall not enter into any settlement or compromise of any action, suit or proceeding or consent to the entry of any judgment (i) which does not include as an unconditional term thereof the delivery by the claimant or plaintiff to the Indemnitee of a written release from all liability in respect of such action, suit or proceeding or (ii) for other than monetary damages to be borne by the indemnifying party without the prior written consent of the Indemnitee, which consent shall not be unreasonably withheld.

8.6 Failure to Obtain Consents. Buyer and Parent understand that Seller is not obtaining any consents required under any agreements to which Company or Seller is a party other than the consents listed in Schedule 6.1(c) of the Disclosure Schedule. Buyer and Parent each hereby waives and releases any claims it may have against Seller for the inability or failure to obtain consents to any agreements to which Company or Seller is a party, including without limitation any Damages arising from any claims by the other parties to such agreements.

ARTICLE IX MISCELLANEOUS

9.1 Fees and Expenses. Whether or not the transactions contemplated herein are consummated pursuant hereto, except as otherwise provided herein, each of Seller, on the one hand, and Buyer and Parent, on the other hand, shall pay all fees and expenses incurred by, or on behalf of, such party in connection with, or in anticipation of, this Agreement and the consummation of the transactions contemplated hereby. (a) The article and section headings contained in this Agreement are solely for the purpose of reference, are not part of the agreement of the parties and shall not in any way affect the meaning or interpretation of this Agreement.

(b) As used in this Agreement, the term "person" shall mean and include an individual, a partnership, a joint venture, a corporation, a trust, an unincorporated organization and a government or any department or agency thereof.

(c) As used in this Agreement, the term "affiliat" shall have the meaning set forth in Rule 12b-2 of the General Rules and Regulations under the Securities Exchange Act of 1934, as amended.

(d) As used in this Agreement, the phrases "to the knowledge of Seller and the Company" or similar phrases in regard to the Seller's and the Company's knowledge, shall mean the actual knowledge of Marvin Sauner, William Glaser, Mark S. Gorder, Robert F. Gallagher and Gerald Broecker.

9.8 Jurisdiction and Consent to Service. Without limiting the jurisdiction or venue of any other court, each of Seller, Parent and Buyer (a) agrees that any suit, action or proceeding arising out of or relating to this Agreement may be brought solely in the state or Federal courts of the State of Ohio; (b) consents to the exclusive jurisdiction of each such court in any suit, action or proceeding relating to or arising out of this Agreement; (c) waives any objection which it may have to the laying of venue in any such suit, action or proceeding in any such court; and (d) agrees that service of any court paper may be made in such manner as may be provided under applicable laws or court rules governing service of process.

9.9 Entire Agreement. This Agreement, the Confidentiality Agreement, the Phase II Agreement, the Disclosure Schedule, and the Exhibits and other documents referred to herein or delivered pursuant hereto constitute the entire agreement among the parties with respect to the subject matter hereof and supersede all other prior agreements and understandings, both written and oral, between the parties or any of them with respect to the subject matter hereof, including, without limitation the Letter of Intent dated as of May 9, 2003 between the Seller and Ventra Group Co., as amended in writing.

9.10 Governing Law. 9.11 Specific Performance. The parties agree that any breach of the terms of this Agreement would give rise to irreparable harm for which money damages would not be an adequate remedy and accordingly the parties agree that, in addition to any other remedies, each shall be entitled to enforce the terms of this Agreement by a decree of specific performance without the necessity of proving the inadequacy of money damages as a remedy.

9.12 Disclosure Schedule. Upon the execution hereof, Seller shall deliver to Buyer the Disclosure Schedule (the "Disclosure Schedule"), which discloses certain information called for in Article III hereof. The Disclosure Schedule shall be subject to the following terms and conditions:

(a) Unless the context otherwise requires, any terms used in the Disclosure Schedule but not defined therein shall have the meanings ascribed thereto in this Agreement;

(b) The section numbers used in the Disclosure Schedules correspond to the section numbers of this Agreement; provided however, that the disclosures set forth in a particular section of the Disclosure Schedule shall, to the extent that such disclosures would be appropriate, be deemed to be disclosed on all the other sections of the Disclosure Schedule therein;

(c) All disclosures in the Unaudited Financial Statements shall be deemed to be disclosed on all the other sections of the Disclosure Schedule thereto;

(d) Matters reflected in the Disclosure Schedule are not necessarily limited to matters required by this Agreement to be reflected in the Disclosure Schedule. Such additional matters are set forth for informational purposes only and do not necessarily include other matters of a similar nature, nor shall the inclusion of any item be construed as implying that any such item is "material" for any purpose; and

(e) Headings and introductory language have been inserted on the sections of the Disclosure Schedule for convenience of reference only and shall to no extent have the effect of amending or changing the express description of the Sections as set forth in this Agreement.

9.13 Counterparts and Facsimile Signatures. This Agreement may be executed in counterparts, each of which shall be deemed to be an original, but all of which shall constitute one and the same agreement, and parties may provide signatures to the other parties by facsimile, provided that an original copy of such signature be delivered to such other parties as soon as practicable.
