Explanation of Responses:

* If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

Non-Qualified Stock Option: Vesting is 50% on or after the third anniversary of the grant and 50% on or after the fourth anniversary of the grant, provided that Radian's common stock has closed at 100% above the exercise price of the option for 10 consecutive trading days ending at any point on or after the third anniversary of the grant.

(1) Not Applicable.

(3) Performance Based Restricted Stock Units ("RSUs"): Vesting is 100% at the end of the three year performance period, with a potential payout ranging from 0% to 200% of the target award based on Radian's absolute and relative total stockholder return ("TSR") over the three year performance period. Radian's relative TSR will be measured against the median TSR of a peer group consisting mainly of the companies listed on the NASDAQ Financial Index. Radian's absolute TSR will be applied to determine the maximum number of RSUs that may be awarded, with the grantee being eligible to receive a 100% payout only if Radian achieves a 150% absolute TSR. TSR is measured generally as the change in market value of common stock during the performance period, plus dividends, as measured by comparing (x) the 20 day average trading price preceding and including the RSU date of grant, to (y) the 20 day average trading price preceding and including the last day of the performance period. The RSUs have no voting or dividend rights and will be settled in cash.

(4) The number of RSUs reported (237,350) represents the target award. As discussed in Footnote 3 above, at the end of the performance period, the grantee may earn between 0 and 474,700 RSUs based on the relative and absolute performance of Radian's TSR.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
