PROXY STATEMENT Annual Meeting of Common Shareholders

June 12, 2003

This statement is being furnished to common shareholders on or about May 7, 2003, in connection with a solicitation by the Board of Directors of Shoe Carnival, Inc. (the "Company") of proxies to be voted at the annual meeting of common shareholders to be held at 10:00 a.m., C.D.T., Thursday, June 12, 2003, at the Evansville Marriott, 7101 North U.S. Route 41, Evansville, Indiana, for the purposes set forth in the accompanying Notice.

At the close of business on April 4, 2003, the record date for the meeting, there were 12,633,820 shares of Common Stock of the Company outstanding and entitled to vote at the meeting. On all matters, including the election of the Director, each common shareholder will have one vote for each share held.

If the enclosed form of proxy is executed and returned, it may nevertheless be revoked at any time insofar as it has not been exercised. The proxy may be revoked by giving written notice of revocation to the Company, executing a

Edgar Filing: SHOE CARNIVAL INC - Form DEF 14A

subsequently dated proxy that is delivered to the Company, or attending the annual meeting and voting in person. Unless revoked, a proxy will be voted at the meeting in accordance with the instructions of the shareholder in the proxy, or, if no instructions are given, for the election as a Director of the nominee listed under Proposal 1 and for Proposal 2. Election of the Director will be determined by the vote of the holders of a plurality of the shares voting on such election. Approval of Proposal 2 will be subject to the vote of the holders of a greater number of shares favoring approval than those opposing it. A proxy may indicate that all or a portion of the shares represented by such proxy are not being voted with respect to a specific proposal. This could occur, for example, when a broker is not permitted to vote shares held in street name on certain proposals in the absence of instructions from the beneficial owner. Shares that are not voted with respect to a specific proposal will be considered as not present and entitled to vote on such proposal, even though such shares will be considered present for purposes of determining a quorum and voting on other proposals. Abstentions on a specific proposal will be considered as present, but not as voting in favor of such proposal. Neither broker non-votes nor abstentions will have any effect on the vote required to approve any of the proposals.

The Board of Directors knows of no matters, other than those reported below, which are to be brought before the meeting. However, if other matters properly come before the meeting, it is the intention of the persons named in the enclosed form of proxy to vote such proxy in accordance with their judgment on such matters.

The cost of this solicitation of proxies will be borne by the Company. Proxies may also be solicited personally or by telephone by Company employees acting without additional compensation.

ELECTION OF DIRECTOR

Nominee

The Company currently has five Directors divided into three classes. Two classes contain two Directors each, with the remaining class containing one Director. The term of one class expires each year. Each Director holds office for a three-year term expiring at the annual meeting of shareholders held in the year that is three years after his election and thereafter until his successor is elected and qualified.

The shareholders will be asked to elect one Director. William E. Bindley has been nominated by the Board of Directors for election as Director for a term to expire at the 2006 annual meeting of shareholders and until his successor is elected and qualified. Mr. Bindley has served as a Director since 1993. It is the intention of the persons named in the accompanying form of proxy, absent contrary instructions therein, to vote such proxy for the election to the Board of Directors of Mr. Bindley.

Unless otherwise indicated in a footnote to the following table, the principal occupation of each Director has been the same for the last five years, and each Director possesses sole voting and investment power with respect to the shares of Common Stock indicated as beneficially owned by him.

Meetings and Committees

During fiscal 2002, the board of directors held five meetings. Each Director during fiscal 2002 attended at least 75% of the total board meetings and the meetings of the respective committees on which he served. The board of directors has an Audit Committee, a Compensation Committee, and a Nominating and Corporate Governance Committee. Each of the Committees operates pursuant to a written charter which can be viewed on the Company's website at www.shoecarnival.com.

The Audit Committee is comprised of the Company's non-employee Directors: Messrs. Schoor (Chair), Bindley and Aschleman. It met seven times during fiscal 2002. The Audit Committee is solely responsible for the selection and hiring of independent public accountants to audit the Company's books and records and preapproves audit and permitted non-audit services undertaken by the auditor. This Committee is also responsible for review of (i) the Company's financial reports and other financial information, (ii) systems of internal controls

Edgar Filing: SHOE CARNIVAL INC - Form DEF 14A

regarding finance, accounting, legal compliance and ethics, and (iii) auditing, accounting and financial reporting processes. The Audit Committee also approves all related-party transactions, including the Company's relationships with LC Footwear, LLC and PL Footwear, Inc. The Committee meets with management and the independent auditors as necessary.

3

The Compensation Committee consists of the Company's non-employee Directors: Messrs. Bindley (Chair), Schoor and Aschleman. The Compensation Committee held three meetings during fiscal 2002. The Compensation Committee is responsible for reviewing, determining and establishing the salaries, bonuses and other compensation of the executive officers and Directors of the Company. The Compensation Committee also administers the Company's 1993 Stock Option Plan, 2000 Stock Option Plan and Employee Stock Purchase Plan.

The Nominating and Corporate Governance Committee consists of the Company's non-employee Directors: Messrs. Aschleman (Chair), Bindley and Schoor. This Committee met once during fiscal 2002. The Committee exercises a leadership role in shaping the corporate governance of the Company and recommends to the Board corporate governance principles on a number of topics, including (i) board organization, membership and function, (ii) committee structure and membership, and (iii) oversight of evaluation of the Board. As the nominating body of the Board, the Committee also interviews, evaluates, nominates and recommends individuals for membership on the Board and on the various committees of the Board. The Committee also will consider shareholder nominations for Directors. For a description of the requirements regarding shareholder nominations and other proposals, see "Shareholder Proposals for 2004 Annual Meeting" and the Company's By-Laws, a copy of which may be obtained from the Secretary of the Company.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and Directors, and persons who own more than 10% of Common Stock, to file initial reports of ownership and reports of changes in ownership with the Securities and Exchange Commission. Such persons are required by Securities and Exchange Commission regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on a review of the copies of such forms furnished to the Company and written representations from certain reporting persons, the Company believes that during fiscal 2002 all filing requirements applicable to its executive officers, Directors and greater than 10% shareholders were timely satisfied.

Summary Compensation Table

Employment and Noncompetition Agreements

On January 15, 1993, the Company entered into a noncompetition agreement with J. Wayne Weaver. As long as Mr. Weaver is an executive officer or Director of the Company he may not engage directly or indirectly through any other company or entity in the retail shoe business without the prior approval of the Company's Audit Committee. The Audit Committee has approved Mr. Weaver's association with LC Footwear, LLC and PL Footwear, Inc. Effective February 1, 1993, Mr. Weaver became an employee of the Company at an annual salary of \$300,000. Although Mr. Weaver will continue to be involved in other

5

business activities and will not devote full time to the Company, he will devote such time to the Company as he deems necessary or appropriate to perform his duties as Chairman of the Board.

On August 1, 2001, the Company entered into Employment and Noncompetition Agreements with Mr. Baker and Mr. Sifford. The term of the agreements is through December 31, 2003. The agreements will automatically be extended for successive one-year periods unless either party gives notification prior to the end of the then term of the agreement that the term of the agreement shall no longer be extended. The agreements provide for an annual base salary equivalent to the salary in effect as of August 1, 2001, subject to increase by the Compensation Committee of the Company's Board of Directors. Messrs. Baker and Sifford are entitled to participate in such bonus plans as the Company may establish from

Edgar Filing: SHOE CARNIVAL INC - Form DEF 14A

time to time. Under each of the agreements, employment of the executive may be terminated by the Company upon death or disability of the executive or by the Company for "Cause" (as defined in the agreement) or without Cause. The executive may terminate employment voluntarily or for "Good Reason" (defined as a reduction in salary or position). If an executive is terminated for death, disability, Cause or voluntarily terminates, the executive will receive only amounts that are earned and unpaid as of the date of termination. If an executive is terminated by the Company without Cause or terminates for Good Reason, absent a "Change in Control," the executive will continue to receive his bi-weekly salary for a period of twelve months and be reimbursed for health care premiums for the lesser of twelve months or until the executive is reemployed and is eligible for health care coverage. Additionally, any non-vested stock options granted after the date of the agreement that would have vested within twelve months of termination will become immediately exercisable. If the executive is terminated by the Company without Cause or terminates for Good Reason within two years of a "Change in Control" (as defined in the agreement), the executive is entitled to a lump sum payment within 30 days of termination equivalent to 200% of his base salary plus the highest bonus paid within the past two years, which bonus amount will not be less than 25% of his base salary; reimbursement for health care premiums for the lesser of eighteen months or until the executive is reemployed and is eligible for health care coverage; outplacement services; and any non-vested stock options that would have vested within twelve months of termination will become immediately exercisable. If any payment under the agreement would be subject to the excise tax under Section 4999 of the Internal Revenue Code, the executive would be entitled to receive additional compensation from the Company to cover the excise taxes, interest and penalties (if applicable) and other taxes arising from the additional compensation. The benefits to the executive under the agreement are subject to certain conditions, including the agreement by the executive not to compete with the Company for a period of two years following the termination of the executive's employment.

On July 1, 2002, the Company entered into an Employment and Noncompetition Agreement with Mr. Lemond. The term of the agreement is through June 30, 2006. The term of the agreement will automatically be extended one year on July 1st of each year unless either party gives notification not more than 90 and not less than 30 days prior to a July 1st, in which case the agreement will terminate four years after such July 1st. The agreement provides for an annual base salary equivalent to his salary for fiscal 2002, subject to increase by the Compensation Committee of the Company's Board of Directors. Mr. Lemond is entitled to participate in such bonus plans as the Company may establish from time to time. In addition, the Company will keep in effect a split-dollar life insurance policy on the life of Mr. Lemond and his spouse in the face amount of \$1,000,000. Under the agreement, employment will terminate upon Mr. Lemond's death, may be terminated by the Company upon Mr. Lemond's disability or by the Company for "Cause" (as defined in the agreement) or without Cause. Mr. Lemond may terminate employment voluntarily, for "Good Reason" (defined as a reduction in salary or position, involuntary relocation, breach of the agreement by the Company, or notification that the Company will not extend the agreement term), or retirement. If Mr. Lemond is terminated for death, disability, Cause or voluntarily terminates or retires, he will receive (i) earned but unpaid base

6

pay plus (ii) as long as the reason is not for Cause or a voluntary termination, a prorated bonus, and (iii) if for disability, a bonus equal to the split-dollar policy premiums required to be reimbursed to the Company plus applicable taxes. If Mr. Lemond is terminated by the Company without Cause or terminates for Good Reason, he will receive (i) earned but unpaid base pay, (ii) a prorated bonus, (iii) a lump-sum payment equivalent to two times the "Salary Continuation Benefit" (defined as the sum of salary plus the larger of the bonuses paid to Mr. Lemond for the two years preceding the termination date or 25% of the salary

Edgar Filing: SHOE CARNIVAL INC - Form DEF 14A

then in effect), (iv) a monthly wage continuation for 24 months equal to one-twelfth of his Salary Continuation Benefit, (v) a bonus equal to the split-dollar policy premiums required to be reimbursed to the Company plus applicable taxes, and (vi) medical and dental benefits for the lesser of the remainder of the contract term or until Mr. Lemond is reemployed and is eligible for health care coverage. Additionally, all unvested options will immediately vest. If any payment under the agreement would be subject to the excise tax under Section 4999 of the Internal Revenue Code, Mr. Lemond would be entitled to receive additional compensation from the Company to cover the excise taxes, interest and penalties (if applicable) and other taxes arising from the additional compensation. The benefits to Mr. Lemond under the agreement are subject to certain conditions, including the agreement by Mr. Lemond not to compete with the Company for a period of two years following the termination of his employment.

The Company does not currently have employment or noncompetition agreements with any other executive officers.

Split Dollar Life Insurance

In March 1999, the Company established a split-dollar life insurance arrangement on the lives of Mr. Lemond and his spouse. The life insurance policy provides coverage in the amount of \$1.0 million, payable on the death of the last to survive. The annual premiums on the policy are \$21,300. Under the arrangement, at the later of the death of Mr. Lemond or his spouse, the Company will be reimbursed for all premiums paid by it, and the balance of the proceeds of the policy would be paid to the estate of Mr. Lemond or his spouse.

Prior to the enactment of the Sarbanes-Oxley Act on July 30, 2002, the Company paid all of the premiums on the policy. There is currently uncertainty as to whether the payment of premiums on a split-dollar life insurance policy by a company would constitute a personal loan prohibited under the Sarbanes-Oxley Act. Due to this uncertainty, Mr. Lemond paid the latest premium on his split-dollar life insurance policy, and the Company paid to Mr. Lemond a bonus in an amount sufficient to cover the premium paid by Mr. Lemond and the tax liability on the bonus. The Company will reevaluate this split-dollar arrangement when there is more definitive guidance on the effect of the Sarbanes-Oxley Act on split-dollar life insurance policies.

Compensation of Directors

During 2002, the Company paid non-officer Directors an annual retainer of \$15,000 per year and a fee of \$1,000 for each meeting of the Board with accompanying committee meetings attended. Attendees of Committee meetings in which the full Board does not meet are paid a fee of \$1,000 per meeting or \$750 if attendance is by conference call. All Directors receive reimbursement of reasonable out-of-pocket expenses incurred in connection with meetings of the Board. No Director who is an officer or employee of the Company receives compensation for services rendered as a Director.

On March 4, 1999, the Board of Directors approved the Outside Directors Stock Option Plan. The plan reserves for issuance 25,000 shares of the Company's Common Stock (subject to adjustment for stock splits, stock dividends and certain other changes to the Common Stock). The plan calls for each non-employee Director to be granted on April 1 of each year an option to purchase 1,000 shares of the Company's common stock at the market value on the date of the grant. The options will vest six months from the date of grant and expire ten years from the date of grant.

Stock Options

Edgar Filing: SHOE CARNIVAL INC - Form DEF 14A

The Company's Board of Directors and shareholders approved the 1993 Stock Option Plan, effective January 15, 1993, and amended it at the 1997 annual meeting of shareholders. The 1993 Stock Option Plan reserves 1,500,000 shares of the Company's Common Stock for stock option grants (subject to adjustment for subsequent stock splits, stock dividends and certain other changes in the Common Stock).

The Company's Board of Directors and shareholders approved the 2000 Stock Option Plan, effective June 8, 2000. The 2000 Stock Option Plan reserves 1,000,000 shares of the Company's Common Stock for stock option grants (subject to adjustment for subsequent stock splits, stock dividends and certain other changes in the Common Stock).

The Compensation Committee of the Board of Directors administers and grants incentive awards under the 1993 Stock Option Plan and the 2000 Stock Option Plan. The 1993 Stock Option Plan and the 2000 Stock Option Plan provide for the grant to officers and other key employees of the Company of incentive awards in the form of stock options or restricted stock. Stock options granted under the plans may be either options intended to qualify for federal income tax purposes as "incentive stock options" or options not qualifying for favorable tax treatment ("nonqualified stock options").

The following table sets forth information with respect to options granted by the Company under the 1993 and 2000 Stock Option Plans to the Named Executive Officers during the fiscal year ended February 1, 2003.

Compensation Report of the Compensation Committee

Executive Compensation Policy. In evaluating the performance of the Company, the Compensation Committee focuses primarily on attained increases in store growth, sales, operating income, net earnings and earnings per share as compared to the Company's internal financial plan for the year approved by the Board of Directors. In making compensation decisions, the Compensation Committee also reviews executive compensation practices within the retail and footwear industries with consideration given to, among other factors, differences in sales, growth rates and total market capitalization.

The Company designs compensation programs to attract, retain and motivate the finest talent possible for all levels of the organization. In addition, the programs are designed to treat all employees fairly, to be cost-effective and to assure that all compensation will continue to be tax deductible. To that end, all programs, including those for executive officers, have the following characteristics.

- Compensation is based on the level of job responsibility, the individual's level of performance and Company performance. Members of management have a greater portion of their pay based on Company performance than do non-management employees.

- Compensation also takes into consideration the value of the job in the marketplace. To retain its highly skilled work force, the Company strives to remain competitive with the pay of employers of a similar stature who compete with the Company for talent.

- The Company's 1993 and 2000 Stock Option Plans are intended to provide a long-term incentive for executives and other key employees to maximize growth and profitability to create shareholder value.

The basic components of executive compensation, including that of the Chief Executive Officer, consist of salary, bonus, stock options and participation in the Company's 401(k) Savings Plan, Deferred Compensation Plan, Employee Stock Purchase Plan and Executive Medical Plan. The Company does not currently provide for any defined benefit pension plan.

Cash Compensation. The Compensation Committee reviews and approves salaries for the Chief Executive Officer and other executive officers on an annual basis or at other times as necessary to accommodate the hiring of new employees, promotions or other considerations. Recommended base salaries are reviewed and set based on a number of factors, including job responsibilities, individual industry experience, individual performance, Company performance, industry data for comparable positions and recommendations by senior executive officers. No predetermined weight is given to any of the above factors.

Salary increases for the Company's executive officers have averaged approximately 12.1% annually for the past three years. Certain executive officers have received greater salary increases corresponding to expanded responsibilities as a result of the continued growth of the Company.

A portion of the cash compensation of executive officers and most other salaried employees consists of bonus payments. Under the Company's Executive Incentive Compensation Plan, most salaried employees, including all executive officers, are eligible to receive a cash bonus equal to a specified percentage of the participant's base salary if certain financial objectives are met. The financial objectives for executive officers relate to the attainment of sales, operating income, net earnings, earnings per share, return on equity, return on invested capital and stock price appreciation goals established in advance by the Company's management and approved by its Board of Directors. Based on the Company's 2002 financial performance, bonuses under the plan were awarded to all

Edgar Filing: SHOE CARNIVAL INC - Form DEF 14A

Named Executive Officers.

10

Stock Options. The Company considers equity compensation, in the form of stock options, to be an important element in the overall compensation of its executive officers and other key employees. The grant of stock options continues the Company's practice of increasing management's equity ownership in order to ensure that the interests of management remain closely aligned with those of the Company's shareholders. Stock options also create an incentive for the Company's key employees to remain with the Company for the long term because the options are typically not immediately exercisable and, if not exercised, are forfeited immediately if the employee is terminated for cause or voluntarily terminates his employment (other than by reason of death, disability or retirement) or within three months if employment is terminated for any other reason except death, disability or retirement.

Options are granted pursuant to the Company's 1993 and 2000 Stock Option Plans at the discretion of the Company's Compensation Committee. The Compensation Committee relies in large part on the recommendation of the Chairman in determining the number of option shares to be granted to executive officers, based upon the Chairman's assessment of individual performance and the Company's performance. With the exception of new employees, options are typically granted on an annual basis. Selected operational and administrative managers and all executive officers were granted options in 2002 with an exercise price equal to the market price on the grant date. See "Stock Options - Option Grants in Last Fiscal Year".

Chief Executive Officer Compensation. The Chief Executive Officer's total compensation is based upon the same factors as the compensation of other executive officers, including his individual performance and the Company's short-term and long-term performance, as measured principally by increases in store growth, sales, operating income, net earnings, earnings per share, return on equity, return on invested capital and stock price appreciation. In addition, the Compensation Committee reviews the level of chief executives' compensation within the retail and footwear industries with consideration given to, among other factors, differences in sales, growth rates and total market capitalization.

In April 2002, the Compensation Committee increased Mr. Lemond's salary 10% from \$500,000 to \$550,000 and granted him an option to purchase 75,000 shares of the Company's Common Stock. Based on the 2002 financial results, Mr. Lemond received a bonus of \$101,000 under the quantitative Executive Incentive Compensation Plan. The bonus represents 37% of the maximum that could be earned under the plan by Mr. Lemond.
