### Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Motorola, Inc. (the Company or Motorola) has previously announced a plan to create two independent publicly traded companies, one of which would consist of the Company's Mobile Devices Business (MDB). On August 4, 2008, the Company announced the appointment of Dr. Sanjay K. Jha (Executive) as Co-Chief Executive Officer of Motorola, Chief Executive Officer of MDB and a member of the Motorola Board of Directors (the Board), effective August 4, 2008. Dr. Jha will report directly to the Board of Directors of the Company.

Prior to joining the Company, Executive, age 45, served as Chief Operating Officer of Qualcomm Incorporated (Qualcomm) and President of Qualcomm CDMA Technologies, the chipset and software division of Qualcomm. Prior to becoming Chief Operating Officer of Qualcomm, Dr. Jha was an executive vice president of Qualcomm. Dr. Jha was also a member of the Qualcomm Ventures advisory committee. Prior to joining Qualcomm, Dr. Jha held lead design engineering roles with Brooktree Corporation, San Diego, and GEC Hirst Research Labs, London, England.

In conjunction with this appointment, the Company and Executive have entered into an employment agreement (the Employment Agreement). The table below describes key terms of the Employment Agreement. The overall compensation package is designed to align Dr. Jha's interests with those of the Company's shareholders. Of the total value of the compensation package, approximately 95% is in the form of equity awards. Of the equity awards, approximately 60% is in the form of stock options which will result in payment to Dr. Jha only if the price of the Company stock increases after the date of grant.

The make-whole awards described below replace awards of equivalent current value that Dr. Jha forfeited upon leaving Qualcomm to join the Company. As noted above, approximately 60% of the value of the make-whole awards is in the form of stock options which will result in no payment unless the price of the Company's stock increases from the grant date price. Thus, Dr. Jha has effectively reinvested his forfeited compensation in Company equity. The inducement awards described below are awards that the Company has agreed to make to Dr. Jha in order to attract and retain an executive of his unique caliber and experience. The Post Separation MDB Equity Award described below would be granted only if and when MDB becomes a separate publicly-traded company and will contain an additional vesting hurdle tied to a post-separation increase in the price of the MDB stock. In the event that MDB does not become a separate publicly-traded company by October 31, 2010, the Contingent Payment described below would be payable.

*Employment Period* Three year initial term, subject to automatic one year renewals, absent notice of non-renewal.

*Position and Duties* Co-Chief Executive Officer of Motorola, Chief Executive Officer of MDB, reporting to the Motorola Board of Directors, and a member of the Motorola Board of Directors. At such time as MDB becomes a separate, publicly traded company, Dr. Jha would remain Chief Executive Officer of MDB, would report to the MDB Board of Directors and would be a member of the MDB Board of Directors (but would no longer serve on the Motorola Board of Directors).

*Base Salary* Not less than \$1,200,000.

*Annual Bonus* Target of not less than 200% of Base Salary. 2008 bonus of \$2,400,000.

#### *Equity Awards*

*Make-Whole Restricted Stock Units* A number of Motorola Restricted Stock Units corresponding to 2,304,653 shares of Motorola common stock (1,500,000 shares under the Motorola Omnibus Incentive Plan of 2006 (the *Omnibus Plan*) and 804,653 shares pursuant to the inducement award exception under the New York Stock Exchange rules (the *Inducement Award Exception*)), vesting ratably on July 31, 2009, July 31, 2010 and July 31, 2011, subject to continued employment.

*Make-Whole* Option to purchase 10,211,226 shares of Motorola common stock (3,000,000 shares under the

Stock Option Omnibus Plan and 7,211,226 shares pursuant to the Inducement Award Exception), vesting ratably on July 31, 2009, July 31, 2010 and July 31, 2011, subject to continued employment.

Inducement Restricted Stock Units A number of Motorola Restricted Stock Units corresponding to 1,362,769 shares of Motorola common stock pursuant to the Inducement Award Exception, vesting ratably on July 31, 2009, July 31, 2010 and July 31, 2011, subject to continued employment.

Inducement Stock Option Option to purchase 6,383,658 shares of Motorola common stock pursuant to the Inducement Award Exception, vesting ratably on July 31, 2009, July 31, 2010 and July 31, 2011, subject to continued employment.

Equity Treatment in Spin-Off In the event MDB becomes a separate, publicly-traded company, all of Executive's outstanding equity awards that relate to Motorola common stock would convert into equity awards that relate to MDB common stock.

Post-Separation MDB Equity Award In the event MDB becomes a separate, publicly traded company, MDB will grant a post-separation equity award to the Executive in an amount that, together with the existing Inducement Awards, represents 3% of the total MDB equity immediately following the separation. 90% of the award will be in the form of stock options (the MDB Option), and the remaining 10% in the form of restricted stock (the MDB Restricted Shares). The options and restricted stock will vest, subject to continued employment, in three installments, each vesting date to be the later of (a) the date on which the average closing price of MDB common stock over a fifteen day trading period is 10% greater than the average closing price of MDB common stock over the fifteen day trading period immediately following the date that MDB becomes a separate, publicly trade company and (b) the first, second and third anniversary of the grant date, as applicable.

Contingent Payment In the event MDB does not become a separate, publicly traded company by October 31, 2010, Executive will be entitled to a cash payment equal to \$30 million (the Contingent Payment). If Executive receives the Contingent Payment, he will not be entitled to receive the MDB Stock Option or the MDB Restricted Shares.

### *Obligations of Company upon Termination*

Good Reason; Other than Cause Subject to Executive's execution of a release, upon a termination of Executive's employment by the Company without cause or by the Executive for good reason, Executive is entitled to:

- accrued and unpaid obligations (including base salary, vacation pay and undistributed bonuses);
- severance equal to two times (prior to a change of control) or three times (on or after a change of control) the sum of Executive's base salary and target annual bonus;
- a pro-rata annual bonus based on actual performance during the year in which termination has occurred;
- two years (prior to a change of control) or three years (following a change of control), of medical insurance continuation;
- prior to a change of control, accelerated vesting of the Make-Whole Restricted Stock Units, Make-Whole Stock Option, Inducement Restricted Stock Units and Inducement Stock Option and two years continued vesting of all other equity awards; following a change of control, accelerated vesting of all equity awards; and
