f) See Item 2(a) above for the citizenship or place of organization of each of the Reporting Persons.

### Item 3. Source and Amount of Funds or Other Consideration

As further described in Item 4 below, the Reporting Persons acquired the Common Stock reported herein pursuant to the Plan and the Rights Offering (as defined below). Under the Plan, members of the Ad Hoc Committee and/or their affiliates (the “Backstop Parties”) made capital contributions to the Issuer in exchange for shares of the Issuer’s Common Stock pursuant to a rights offering (the “Rights Offering”) to holders of the Second Lien Notes and general unsecured

claims. The Rights Offering was backstopped by the Backstop Parties who received additional shares of the Issuer's Common Stock as a backstop fee in consideration for their agreement to provide such backstop commitment. Pursuant to the Plan, the Rights Offering and such backstop commitments, the Reporting Persons made aggregate capital contributions to the Issuer of \$52,603,225.00 and acquired in connection therewith a total of 2,254,987 shares of Common Stock.

Furthermore, under the Plan, indebtedness evidenced by the Second Lien Notes and the indenture pursuant to which such notes were issued were canceled and a distribution of additional shares of the Issuer's Common Stock was made to holders of the Second Lien Notes. The Reporting Persons received a total of 74,646 shares of the Issuer's Common Stock pursuant to such distribution.

The sources of funds used to acquire the Common Stock were capital advances from equity holders of the Reporting Persons or their affiliates and/or working capital of the Reporting Persons or their affiliates.

#### Item 4. Purpose of Transaction

On May 7, 2010, the Bankruptcy Court entered an order confirming the Plan proposed by the Issuer, certain of its direct and indirect subsidiaries and the Ad Hoc Committee. On July 16, 2010 (the "Consummation Date"), the Plan became effective and the transactions contemplated by the Plan were consummated. The Issuer's old common stock was canceled and a total of 10,714,286 shares of Common Stock were issued under the terms of the Plan.

Under the Plan, the Backstop Parties made aggregate capital contributions of approximately \$225,000,000.00 in new capital in exchange for 7,500,000 shares of the Issuer's Common Stock (or 70% of the Issuer's Common Stock) pursuant to the Rights Offering. The Rights Offering was backstopped by the Backstop Parties who received 20% of the Issuer's Common Stock as a backstop fee in consideration for their agreement to provide such backstop commitment.

Furthermore, under the Plan, indebtedness evidenced by the Second Lien Notes and the indenture pursuant to which such notes were issued were canceled and a pro rata distribution of 535,714 shares of the Issuer's Common Stock (representing 5% of the Issuer's Common Stock) was made to holders of the Second Lien Notes.

The Common Stock of the Reporting Persons is currently held in trust as required by the interim casino authorization provisions of the New Jersey Casino Control Act.

#### Preemptive Rights

The Certificate of Incorporation of the Issuer provides that, prior to December 31, 2013, the Issuer may not sell or issue any Common Stock or other securities convertible into or exchangeable for Common Stock, or rights, options, warrants or rights to purchase Common Stock, other than in certain exempted transactions, without first allowing all holders of at least 5% of the Common Stock who were Backstop Parties under the Plan the opportunity to purchase, on the same or better terms, a pro rata portion of such securities. The transactions exempted from these preemptive rights include an issuance of securities pursuant to a management equity plan approved by the Issuer's Board of Directors and a sale of Common Stock for cash at a time when the Common Stock is listed on the New York Stock Exchange or Nasdaq at a price at least equal to the then current fair market value of the Common Stock. The Issuer's stockholders have no preemptive or similar rights to subscribe for additional shares after December 31, 2013.

#### Registration Rights

On the Consummation Date, the Issuer, Avenue NJ and other persons entered into a registration rights agreement (the "Registration Rights Agreement"), pursuant to which the Issuer agreed to file with the Securities and Exchange Commission (the "SEC") no later than 30 days after the Consummation Date, and to use its commercially reasonable

efforts to cause to be declared effective by 60 days after the Consummation Date, a registration statement to register for resale the Common Stock of the Issuer issued to the parties thereto pursuant to the Plan. The parties to the Registration Rights Agreement have piggyback registration rights and have agreed to certain limitations on their registration rights, including cutbacks and a holder standstill period.

The Reporting Persons, depending on investment priorities, may buy, sell, hedge or enter into other transactions in Common Stock. The Reporting Persons reserve the right to acquire or dispose of additional securities of the Issuer, in the ordinary course of business, to the extent deemed advisable in light of market conditions, the availability of shares of Common Stock or other factors. The Reporting Persons also may, at any time, and from time to time, change their purpose and/or formulate plans or proposals with respect thereto.

Except to the extent the foregoing may be deemed a plan or proposal, the Reporting Persons have no plans or proposals which relate to any of the matters referred to in paragraphs (a) through (j), inclusive, of the instructions to Item 4 of this Schedule 13D.
