This Amendment No.2 (this Amendment), amends and supplements the Schedule 13D Amendment No. 1 dated April 4, 2006 (the Amendment No. 1) as well as the Schedule 13D dated March 30, 2006 (the Initial Schedule 13D) filed by the Reporting Persons with respect to the Common Stock of the Company. Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Initial Schedule 13D.

Item 2. Identity and Background

Item 2 is hereby amended and restated in its entirety.

This Schedule 13D is being filed jointly on behalf of Morgan Stanley, a Delaware corporation (MS), Morgan Stanley Capital Group Inc., a Delaware corporation (MSCG), Morgan Stanley & Co. International Limited, a company organized under the laws of England (MSIL) and Morgan Stanley DW Inc., a Delaware corporation (MSDW together with MS, MSCG and MSIL the Reporting Persons). The name, business address, present principal occupation or employment and citizenship of each director and executive officer of MS, MSCG, MSIL and MSDW are set forth in Schedules A, B, C and D, respectively.

Edgar Filing: INTERCONTINENTALEXCHANGE INC - Form SC 13D/A

The address of the principal business office of MS and MSCG is 1585 Broadway, New York, New York, 10036. The address of the principal business office of MSDW is 2000 Westchester Avenue, Floor 01, Purchase, NY 10577. The address of the principal business office of MSIL is 25 Cabot Square, Canary Wharf, London E14 4QA, England.

MS is a global financial services firm that maintains leading market positions in each of its business segments Institutional Securities, Global Wealth Management Group, Asset Management and Discover.

MSCG is a wholly owned subsidiary of MS. MSCG effects non-regulated transactions with various international clients in various international markets. MSCG is a non-clearing member of NYMEX and executes transactions for its own account on such exchange. MSIL and MSDW are wholly owned subsidiaries of MS. MSIL is a broker-dealer doing business under the laws of England.

During the last five years, none of the Reporting Persons, and to the knowledge of the Reporting Persons, any of the persons listed on Schedules A, B, C, D and E, has (1) been

convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (2) has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws, other than, in the case of clause (2), as described below.

Unless the context otherwise requires, the term **Morgan Stanley** means Morgan Stanley and its consolidated subsidiaries.

(a) In April 2003, Morgan Stanley & Co. Incorporated (**MS&Co.**), along with nine other financial services firms operating in the U.S., reached a settlement with the Securities and Exchange Commission (**SEC**), the New York State Attorney General's Office, the New York Stock Exchange (**NYSE**), the National Association of Securities Dealers, Inc. (**NASD**), and the North American Securities Administrators Association (on behalf of state securities regulators) to resolve their investigations relating to alleged research conflicts of interest. Without admitting or denying allegations with respect to violations of certain rules of the NYSE and NASD relating to investment research activities (there were no allegations of fraud or federal securities law violations made against MS&Co.), Morgan Stanley agreed, among other things, to (1) pay \$25 million as a penalty, (2) pay \$25 million as disgorgement of commissions and other monies, (3) provide \$75 million over five years to make available independent third-party research to clients and (4) be permanently enjoined from violating certain rules of the NYSE and NASD relating to investment research activities.

(b) In November 2003, Morgan Stanley DW Inc. (**MSDWI**) consented, without admitting or denying the findings, to an entry of an order (the **Order**) that resolved the SEC's and NASD's investigations into certain practices relating to MSDWI's offer and sale of certain mutual funds from January 1, 2000 to the date of the Order. Pursuant to the Order, MSDWI was ordered to (1) cease and desist from committing any violations and any future violations of Section 17(a)(2) of the Securities Act of 1933, as amended, and Rule 10b-10 under the Securities Exchange Act of 1934, as amended (the **Exchange Act**), (2) distribute for the benefit of certain customers who purchased funds through MSDWI pursuant to marketing arrangements between MSDWI and certain mutual fund complexes the amount of \$50 million and (3) make certain disclosures and take certain other actions with respect to proprietary mutual funds.

(c) In November 2004, Morgan Stanley reached a settlement with the SEC to resolve an informal accounting investigation by executing an offer of settlement and agreeing to entry of a cease-and-desist order. The SEC found that Morgan Stanley valued certain impaired aircraft in its aircraft leasing business in late 2001, late 2002 and early 2003, and certain bonds in its high-yield bond portfolio in late 2000, in a manner that did not comply with generally accepted accounting principles, and thus violated financial reporting, recordkeeping and internal control provisions of the federal securities laws. The resolution did not involve any restatement of past financial statements, any monetary penalty or any allegation of fraud.

(d) In December 2004, MS&Co. and MSDWI reached a settlement with the NYSE under which Morgan Stanley executed two stipulations of facts and consent to penalty. The first stipulation was with respect to Morgan Stanley's failure to comply with certain prospectus delivery requirements, operational deficiencies and other matters, and included a fine of \$13 million. The second stipulation was with respect to employee defalcations, and included a fine of \$6 million.

(e) In January 2005, the SEC announced a settlement with MS&Co. and Goldman Sachs & Co. resolving the SEC's investigation relating to initial public offering (IPO) allocation practices. The SEC filed a settled civil injunction action in the United States District Court for the District of Columbia against MS&Co. relating to the allocation of stock to institutional customers in IPOs underwritten during 1999 and 2000. Under the terms of the settlement, Morgan Stanley agreed, without admitting or denying the allegations, to the entry of a judgment enjoining it from violating Rule 101 of Regulation M and the payment of a \$40 million civil penalty. The court approved the settlement on February 4, 2005. The complaint alleges that MS&Co. violated Rule 101 of Regulation M by attempting to induce certain customers who received allocations of IPOs to place purchase orders for additional shares in the aftermarket.

(f) In May 2006, MS&Co. reached a settlement with the SEC, NYSE and NASD relating to its production of email in the research analyst and IPO investigations from December 2000 through at least July 2005. The complaint alleges that Morgan Stanley did not timely produce emails in response to requests in those matters because it did not diligently search for back-up tapes containing responsive emails until 2005, and because it over-wrote back-up tapes potentially containing responsive email until at least December 2002. Without admitting or denying the allegations of the complaint, Morgan Stanley consented to (1) a permanent injunction barring future violations of §17(b) of the Exchange Act (which requires, among other things, that Morgan Stanley respond promptly to SEC subpoenas and requests) and the relevant regulations promulgated thereunder and (2) the payment of a \$15 million civil penalty, \$5 million of which will be paid to NASD and the NYSE.

In addition, MS&Co. and MSDWI have been involved in a number of civil proceedings which concern matters arising in connection with the conduct of its business. Certain of such proceedings have resulted in findings of violation of federal or state securities laws. Each of these proceedings was settled by MS&Co. and MSDWI consenting to the entry of an order without admitting or denying the allegations in the complaint. All of such proceedings are reported and summarized in the MS&Co. Form BD and the MSDWI Form BD filed with the SEC, which descriptions are hereby incorporated by reference.

Item 4. Purpose of Transaction.

Item 4 is hereby amended by adding the following:

Additional Lock-Up Agreement

MSCG has entered into a lock-up agreement with representatives of the underwriters named therein (the Representatives), dated April 28, 2006, (the Lock-Up Agreement) pursuant to which MSCG has agreed that for a period of 90 days after the date of the final prospectus covering the Public Offering (as defined therein), it will not, without the prior written consent of the Representatives, dispose of, directly or indirectly (including by means of any hedge that results in a short sale or any swap or other arrangement that transfers any of the economic consequences

Edgar Filing: INTERCONTINENTALEXCHANGE INC - Form SC 13D/A

of ownership of the shares to another party), any Class A1 Share, Class A2 Share, share of Common Stock (together with the Class A1 Shares and the Class A2 Shares, the Shares), any option to acquire or any securities convertible into or exchangeable for Common Stock, subject to certain exceptions including that MSCG may sell up to ten percent of its Shares during certain periods to be specified by the Company and the Representatives.
