Edgar Filing: PLAINS RESOURCES INC - Form SC 13D

During the last five years neither Pershing Square, GP LLC nor, Mr. Ackman, has been (i) convicted of any criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of

6

such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

During the last five years neither Leucadia, nor, to its knowledge, any of its directors or executive officers, has been (i) convicted of any criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration.

The aggregate amount of funds used by Pershing Square in making the purchases of the shares of Common Stock beneficially owned by Pershing Square as of February 19, 2004, was \$20,872,754 (including commissions and fees). The source of funds used to purchase these shares of Common Stock was Pershing Square's funds available for investment.

Item 4. Purpose of Transaction.

Pershing Square began purchasing shares of Common Stock in January 2004. Pershing Square acquired shares because, in its opinion, the Common Stock was undervalued by the market. Pershing Square also acquired shares of Common Stock because it was considering the possibility of proposing a business combination with the Company or of attempting to acquire control of the Company at some future date.

In late January 2004, Mr. Ackman indicated to representatives of the Company that Pershing Square and Leucadia (the "Pershing Square Group") would be interested in making a proposal (the "Proposal") to acquire the Company that would be substantially superior to the \$14.25 proposal made by management and Mr. Paul Allen on November 20, 2003, subject only to a 10 business-day due diligence period.

On February 12, 2004, the Company and Pershing Square entered into a letter agreement providing that the Company would reimburse the Pershing Square Group's expenses in connection with a possible transaction, including expenses incurred in connection with the preparation of the Proposal.

At 6 pm on February 12, 2004, representatives of the Pershing Square Group presented the Proposal on a telephone conference with the special committee of the Company's Board of Directors (the "Special Committee") and submitted a detailed letter of intent summarizing the Proposal later that evening.

The Proposal provided for a transaction (the "Transaction") in which a to-be-formed affiliate of the Pershing Square Group would acquire the Company in a merger for a combination of cash and securities (the "Buyer Securities") valued by the Pershing Square Group at approximately \$17.60 per share, representing a 30% premium to the closing price of the Common Stock prior to the

Edgar Filing: PLAINS RESOURCES INC - Form SC 13D

announcement of the management offer of \$14.25 per share, a 24% premium to

7

management's \$14.25 proposal, and a \$0.85 per share or 5.0% premium to the \$16.75 per share transaction announced on February 20, 2004

The Proposal was not subject to any financing condition and was only conditioned on the Pershing Square Group's satisfactory completion of a limited due diligence period, not to exceed 10 business days and the approval of Leucadia's Board of Directors. A copy of the Letter of Intent is attached hereto as Exhibit 2 and incorporated herein by reference.

On the afternoon of February 13, 2004, the Special Committee, acting through its representatives, informed Pershing Square that it was not interested in pursuing a transaction with it, and would not respond to any further inquiries from the Pershing Square Group. None of the Reporting Persons have made any subsequent proposals to the Special Committee and the Letter of Intent has terminated in accordance with its terms.

The Pershing Square Group believes that its Proposal is superior to the \$16.75 management offer and continues to be interested in acquiring the Company. The Pershing Square Group will base its decision as to whether to continue to pursue an acquisition of the Company, among other factors, on PLX shareholders' interest in the Proposal. The Reporting Persons have no immediate plans or proposals to seek a business combination or to attempt to acquire control of the Company. However, the Reporting Persons continue to consider each of these alternatives and may determine to pursue one or more of them.

Pershing Square has communicated or presently intends to communicate, directly or through intermediaries, with the Company's board of directors, other shareholders of the Company, and other interested parties in an effort to determine shareholder interest in the Proposal. The Reporting Persons may acquire additional securities of the Company or dispose of securities of the Company at any time and from time to time in the open market, in privately negotiated transactions or otherwise.

Although the foregoing represents the range of activities presently contemplated by the Reporting Persons and, to their knowledge, their respective general partners, directors and officers, as applicable, with respect to the Company, it should be noted that the possible activities of the Reporting Persons and their respective general partners, directors and officers are subject to change at any time.

Except as set forth above, neither the Reporting Persons, nor, to their knowledge, any of their respective general partners, directors or officers, have any present plans or proposals which relate to or would result in any of the actions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

Item 5. Interest in Securities of the Issuer.

(a) As of February 19, 2004, the Reporting Persons beneficially own the following shares of Common Stock:

(i) The responses of Pershing Square to Rows (11) through (13) of the cover pages of this Schedule 13D are incorporated herein by reference. Mr. Ackman disclaims beneficial ownership of any shares of Common Stock beneficially owned by GP LLC or Pershing Square.

(iv) The responses of Leucadia to Rows (11) through (13) of the cover pages of this Schedule 13D are incorporated herein by reference.
