CONTROLS AND PROCEDURES

Disclosure controls and procedures are designed to ensure that information required to be disclosed by Barrick in reports filed with securities regulatory agencies is recorded, processed, summarized and reported on a timely basis and is accumulated and communicated to Barrick's management, including our Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosure.

An evaluation was carried out under the supervision of and with the participation of Barrick's management, including our Chief Executive Officer and Chief Financial Officer, of the effectiveness of our disclosure controls and procedures (as defined in rules adopted by the U.S. Securities and Exchange Commission) as of December 31, 2003. Based on that evaluation, our Chief Executive Officer and Chief Financial Officer concluded that the design and operation of our disclosure controls and procedures were effective.

Internal controls over financial reporting are procedures designed to provide reasonable assurance that transactions are properly authorized, assets are safeguarded against unauthorized or improper use, and transactions are properly recorded and reported. A control system, no matter how well designed and operated, can provide only reasonable, not absolute, assurance with respect to the reliability of financial reporting and financial statement preparation. Accordingly, Barrick's management, including our Chief Executive Officer and our Chief Financial Officer, does not expect that Barrick's internal controls over financial reporting will prevent or detect all error and all fraud.

There has been no change in Barrick's internal controls over financial reporting during the year ended December 31, 2003 that materially affected, or that is reasonably likely to materially affect, Barrick's internal controls over financial reporting.

Barrick will continue to periodically review its disclosure controls and procedures and internal controls over financial reporting and may make modifications from time to time as considered necessary or desirable. Barrick has been undertaking a comprehensive review of its existing internal controls over financial reporting in preparation for the reporting and attestation requirements of Section 404 of the Sarbanes-Oxley Act of 2002 becoming effective. In connection with such review, modifications have been made to Barrick's disclosure controls and procedures and internal controls over financial reporting and modifications may, as appropriate, be made to Barrick's disclosure controls and procedures or internal controls over financial reporting in the future.

AUDIT COMMITTEE FINANCIAL EXPERT

Barrick's board of directors has determined that it has at least one audit committee financial expert serving on its audit committee. The board of directors has determined that Mr. Peter C. Godsoe is an audit committee financial expert and is independent, as that term is defined by the New York Stock Exchange's corporate governance standards applicable to Barrick. The Securities and Exchange Commission has indicated that the designation of a person as an audit committee financial expert does not impose on such person any duties, obligations or liability that are greater than those imposed on such person as a member of the audit committee and the board of directors in the absence of such designation and does not affect the duties, obligations or liability of any other member of the audit committee or board of directors.

CODE OF ETHICS

Barrick has adopted a code of ethics entitled, "Barrick Gold Corporation Code of Business Conduct and Ethics". The Code of Business Conduct and Ethics applies to all directors, officers and employees of Barrick, including Barrick's principal executive officer, principal financial officer and principal accounting officer. The Code of Business Conduct and Ethics is available at Barrick's Internet website, www.barrick.com, in the Corporate Governance section and is available in print to any shareholder upon written request to the Secretary of Barrick.

On a quarterly basis, management of Barrick is required to update the Audit Committee in respect of the actual amount of fees in comparison to the pre-approved estimate.
