### Item 2. Acquisition or Disposition of Assets

On January 18, 2002 Lattice Semiconductor Corporation ("Lattice") completed the acquisition of the FPGA business of Agere Systems Inc. ("Agere"), for an aggregate purchase price of \$250,000,000 in cash. The press release announcing the completion of this acquisition is filed as Exhibit 99.1 hereto and is incorporated herein by reference.

The acquisition was made pursuant to an Asset Purchase Agreement entered into between Lattice and Agere on December 7, 2001. The purchase price was determined by an arms'-length negotiation between Lattice and Agere, and was funded with cash on hand. The acquired assets were used by Agere in its FPGA business, and will be used by Lattice in substantially the same manner.

For a more complete description of the terms of the acquisition, please refer to the Asset Purchase Agreement, which is incorporated herein by reference to Exhibit 10.1 to our Current Report on Form 8-K, dated December 7, 2001.

### Item 7. Financial Statements and Exhibits

- (a) Financial statements of businesses acquired.
