Bernstein, Mr. Bernstein serves as Chairman of the Board, President and Chief Executive Officer of the Company. In addition, for a period of at least three years after such termination, the Company or Morton's of Chicago, Inc., as applicable, is required to continue to provide the officer with welfare benefits similar to those received by the officer when employed by the Company or Morton's of Chicago, Inc., as applicable. In general, an officer's base amount as used above is the average annual compensation included in the gross income of such officer for the most recent five taxable years ending before a Change of Control.
