PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS
AUGUST 8, 2002

We are providing these proxy materials in connection with the solicitation of proxies by the board of directors of DRS Technologies, Inc. for DRS' 2002 Annual Meeting of Stockholders to be held on Thursday, August 8, 2002, at 10:00 a.m., local time, at Bear, Stearns & Co., Inc., Auditorium B, Second Floor, 383 Madison Avenue, New York, New York 10179.

We are sending this proxy statement on or about July 5, 2002 to all stockholders of DRS as of the record date, June 21, 2002. Stockholders who owned DRS' common stock at the close of business on June 21, 2002 are entitled to attend and vote at the meeting. As of May 31, 2002 there were 16,846,462 shares of common stock outstanding.

VOTING AND REVOCATION OF PROXIES

If your proxy is properly submitted and you do not revoke it, the persons named on the proxy card, or their substitutes, will vote the shares of common stock represented by your proxy in accordance with your directions. You are urged to grant or withhold authority to vote for the nominees for election as directors and to specify your choice between approval or disapproval of, or abstention with respect to, any other matter by marking the appropriate boxes on the proxy. If you submit a proxy without instructions marked on it, it will be voted for the nominees named on the card and as recommended by the board with respect to other matters.

The delivery of a proxy does not affect your right to attend the meeting and vote in person. You may revoke your proxy at any time before it is voted by giving written notice of its revocation to the Secretary of DRS at 5 Sylvan Way, Parsippany, New Jersey 07054, by executing and delivering another proxy dated after the proxy to be revoked or by attending the meeting and voting in person.

VOTING RIGHTS

You are entitled to one vote for each share of common stock you held on the record date to elect directors and one vote per share on all matters for which a vote of stockholders is required by Delaware law. The presence at the meeting in person or by proxy of a majority of the shares of the common stock shall constitute a quorum for the election of directors and for the transaction of

Edgar Filing: DRS TECHNOLOGIES INC - Form DEF 14A

other business at the meeting. If you are present in person or by proxy and you abstain as to any matter or if we have received a broker non-vote on your behalf, your abstention or broker non-vote will not be counted as a vote cast as to the matter to which it relates. Abstentions and broker non-votes will, however, be considered part of the quorum.

ELECTION OF DIRECTORS

The board is divided into three classes: Class I directors, Class II directors and Class III directors. The members of one of the three classes of directors are elected each year. Such directors hold office

1

for three-year terms and until their successors are elected and qualified. The board is currently comprised of ten directors. The stockholders will elect three Class I directors at the meeting.

If a quorum of stockholders is present in person or by proxy at the meeting, stockholders will elect directors by a plurality of the votes cast by such holders. A proxy that has properly withheld authority with respect to one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. The Class II directors, Messrs. Mark N. Kaplan and Ira Albom and General Dennis J. Reimer, will continue to serve until the expiration of their terms in 2003. The Class III directors, Messrs. William F. Heitmann, Eric J. Rosen and C. Shelton James and Admiral Stuart F. Platt, will continue to serve until the expiration of their terms in 2004.

The following section contains certain information concerning nominees for election at the meeting, as well as the directors whose terms of office will continue after the meeting, including their ages, any positions held with DRS, and their business experience. If any of the nominees listed below are unavailable to stand for election, an event which is not anticipated, the proxies named on the relevant proxy card may vote for a substitute nominee(s) chosen by the board.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU
VOTE FOR THE ELECTION OF THE NOMINEES.

PROPOSAL TO AMEND DRS' 1996 OMNIBUS PLAN TO INCREASE
THE NUMBER OF SHARES OF DRS COMMON STOCK
RESERVED FOR ISSUANCE UNDER THE 1996 OMNIBUS PLAN

Capitalized terms used in this section of the proxy statement will, unless otherwise defined, have the meanings assigned to them in the text of DRS' 1996 Omnibus Plan ("plan").

The plan was approved by the board of directors on June 17, 1996 and approved by stockholders on August 7, 1996 at the 1996 annual meeting of stockholders.

4

The board approved an amendment to the plan on November 29, 1998 and the stockholders approved the amendment on February 11, 1999 at a special meeting of stockholders. Under the amendment the number of shares of common stock reserved for issuance under the plan was increased by 900,000 shares to an aggregate of 1,400,000 shares. The board approved a further amendment on May 18, 2000 and the stockholders approved the amendment on August 9, 2000 at the 2000 annual meeting of stockholders. Under that amendment the number of shares of common stock reserved for issuance under the plan was increased by 975,000 shares to an aggregate of 2,375,000 shares.

On May 17, 2002 the board adopted a resolution proposing a further plan amendment to increase the number of shares of common stock reserved for issuance under the plan by 1,500,000 shares to an aggregate of 3,875,000 shares. The increase is required because the number of shares currently available under the plan is insufficient to satisfy our anticipated incentive compensation needs for current and future employees. Since 2000, when the stockholders authorized additional shares to be reserved for issuance under the plan, we have grown significantly, increasing the number of employees eligible for awards under the plan. As of May 31, 2002 options for 2,469,257 shares were granted, of which

Edgar Filing: DRS TECHNOLOGIES INC - Form DEF 14A

200,063 shares were returned to the plan when employees whose grants had not vested terminated employment. As of the same date options for 105,806 shares remain available for issue. Accordingly, the board determined that to keep up with growth resulting from our recent, and possible future, acquisitions, the plan should be amended to increase the number of shares reserved for issuance under the plan.

The board believes that adoption of the plan amendment would, among other things, enhance stockholders' long-term value by offering opportunities to our employees, directors, officers and consultants to participate in our growth and success, and would encourage them to remain in the service of, and to acquire stock ownership in, DRS. Our equity compensation program enables us to attract, motivate and retain key employees necessary for us to compete in our industry. The plan is an important vehicle that helps to strengthen the overall competitiveness of our compensation packages and enable us to accomplish our strategic objectives. The board believes that existing option grants and stock awards have contributed to our achievements and that the granting of stock options and stock awards for these purposes is comparable with the practices of companies engaged in similar businesses.

The plan amendment is being presented for stockholders' approval. An amendment to the plan requires approval of a majority of votes cast by stockholders entitled to vote at the meeting. In all other respects the provisions of the plan will remain as approved and adopted by the stockholders at the 1996 annual meeting of stockholders. If approved, the plan amendment would cause the first paragraph of Section 3(a) of the plan to read as follows:

(a) Shares Available for Awards

The maximum number of shares of Company Stock reserved for issuance under the Plan shall be 3,875,000 shares (subject to adjustment as provided herein). Such shares may be authorized but unissued Company Stock or authorized and issued Company Stock held in DRS' treasury. The Committee may direct that any stock certificate evidencing shares issued pursuant to the Plan shall bear a legend setting forth such restrictions on transferability as may apply to such shares pursuant to the Plan.

The following summary of the material features of the plan (which assumes adoption of the plan amendment) is qualified in its entirety by reference to the complete text of the plan (as proposed to be amended), a copy of which is available by writing to the Secretary, DRS Technologies, Inc., 5 Sylvan Way, Parsippany, New Jersey 07054.

The plan is intended to provide our officers and other employees with appropriate incentives and rewards to encourage them to enter into and continue in our employ and to acquire a proprietary interest in our long-term success; to compensate each member of our board who is not and has never been a DRS employee and to provide to such members of the board incentives which are directly linked to increases in the value of our common stock; and to reward the performance of individual

officers, other employees, consultants and such members of our board of directors in fulfilling their personal responsibilities for long-range achievements. The board believes that the plan amendment is in the best interests of our stockholders because approval of the plan amendment will enable us to continue to implement effectively the plan and attain the stated goals of the plan. If the plan amendment is not approved, we will soon deplete the number of shares available for grant under the plan.

Edgar Filing: DRS TECHNOLOGIES INC - Form DEF 14A

It is intended that the awards made under the plan will be eligible for the exception provided by Rule 16b-3 promulgated under the Securities Exchange Act, as amended. In addition, our plan is intended to allow the grant of awards of Incentive Stock Options, Non-Qualified Stock Options, Stock Appreciation Rights, and, in the case of Executive Officers, Restricted Stock and Phantom Stock that comply with the performance-based compensation exception under Section 162(m) of the Internal Revenue Code, which generally limits the deduction by an employer for compensation of certain covered officers.

GENERAL

The plan provides for the granting of awards to such of our employees (including our officers, whether or not they are our directors) and consultants as the Stock Option Committee of the board may select from time to time (the Executive Compensation Committee of the board functions as the Stock Option Committee under the plan and shall hereinafter be referred to as the "committee"). Approximately 2,500 employees and consultants are eligible to participate in the plan. The plan also provides for the mandatory granting of Non-Qualified Stock Options to our Non-Employee Directors. Currently, there are nine such directors.

Assuming adoption of the plan amendment, an aggregate of 3,875,000 shares of common stock will be reserved for issuance under the plan, subject to adjustment as described below. Such shares may be authorized but unissued common stock or authorized and issued common stock held in treasury. Generally, shares subject to an award that remain unissued upon expiration or cancellation of the award will be available for other awards under the plan. The total number of shares of common stock subject to awards (including awards paid in cash but denominated as shares of common stock) granted to any participant of the plan during any DRS tax year will not exceed 200,000. In the event that the committee determines that any dividend or other distribution, stock split, recapitalization, reorganization, merger or other similar corporate transaction or event affects the common stock such that an adjustment is appropriate in order to prevent dilution or enlargement of the rights of Participants under the plan, then the committee will make such equitable changes or adjustments as it deems necessary to the number and kind of shares of common stock which may thereafter be issued in connection with awards, the limit on individual awards, the number and kind of shares of common stock subject to each outstanding award, and the exercise price, grant price or purchase price of each award.

Awards under our plan may be made in the form of:

- Incentive Stock Options;
- Non-Qualified Stock Options (Incentive and Non-Qualified Stock Options are collectively referred to as "options" in this section);
- Stock Appreciation Rights;
- Restricted Stock;
- Phantom Stock;
- Stock Bonuses; or
- Other Awards.

Awards may be granted to such of our officers and other employees and consultants (including employees who are directors) as the committee may select in its discretion. Non-Employee Directors will be granted Non-Qualified Stock

Edgar Filing: DRS TECHNOLOGIES INC - Form DEF 14A

Options under the plan in the manner described below.

ADMINISTRATION

The committee administers the plan. The plan requires that the committee, at all times, consist of two or more persons, each of whom is an "outside director" within the meaning of Section 162(m) of the Internal Revenue Code and a "disinterested person" within the meaning of Rule 16b-3. The committee is authorized, among other things, to construe, interpret and implement the provisions of the plan, to select the persons to whom awards will be granted, to determine the terms and conditions of such awards and to make all other determinations deemed necessary or advisable for the administration of the plan; PROVIDED, HOWEVER, that the committee may not exercise discretion under any provision of the plan with respect to Non-Qualified Stock Options granted to Non-Employee Directors to the extent that such discretion is inconsistent with Rule 16b-3.

AWARDS UNDER THE PLAN

STOCK OPTIONS

Unless the committee expressly provides otherwise, options granted under the plan are not exercisable prior to one year after the date of grant and become exercisable as to 25% of the shares subject thereto on each of the first through fourth anniversaries of the date of grant. The committee determines each option's expiration date; PROVIDED, HOWEVER, that no Incentive Stock Option may be exercised more than ten years after the date of grant. The purchase price per share payable upon exercise of an option (the "option exercise price") is established by the committee; PROVIDED, HOWEVER, that in the case of an Incentive Stock Option, the option exercise price may be no less than the Fair Market Value of a share of common stock on the date of grant. The option exercise price is payable by any one of the following methods or a combination thereof:

- cash;
- personal, certified or bank cashier's check;
- wire transfer;
- with the consent of the committee, by surrender of shares of common stock held at least six months by the Participant and having a Fair Market Value on the date of the exercise equal to the option exercise price; or
- by such other payment method as the committee may prescribe.

The committee may specify at the time of grant or, with respect to Non-Qualified Stock Options, at or after the time of grant, that a Participant will be granted a new Non-Qualified Stock Option (a "reload option") for a number of shares equal to the number of shares surrendered by the Participant upon exercise of all or part of an option; PROVIDED, HOWEVER, that no reload option may be granted to a Non-Employee Director. Reload options will be subject to such conditions as may be specified by the committee in its discretion, subject to the terms of the plan.

The plan provides that a Non-Employee Director who becomes a member of our board subsequent to the Effective Date of the plan (a "subsequent director") will be granted automatically a Non-Qualified Stock Option to purchase 5,000 shares of common stock. On the date of each annual meeting subsequent to the annual meeting immediately following the Effective Date (or, in the case of a subsequent director, subsequent to such subsequent director becoming a member of our board), each Non-Employee Director will be granted automatically a

Edgar Filing: DRS TECHNOLOGIES INC - Form DEF 14A

Non-Qualified Stock Option to purchase 2,500 shares of common stock; PROVIDED, HOWEVER, that in no event may a current Non-Employee Director be granted options to purchase more than 2,500 shares of common stock during any DRS tax year under the plan or any other DRS stock option plan. Non-Qualified Stock Options granted to Non-Employee

7

Directors will become fully exercisable on the first anniversary of the grant, and will expire ten years from the date of grant.

STOCK APPRECIATION RIGHTS

Stock Appreciation Rights may be granted in connection with all or any part of, or independently of, any option granted under the plan, other than a Non-Qualified Stock Option granted to a Non-Employee Director. A Stock Appreciation Right granted independently of any option will be subject to the same vesting rules as described above for options. A Stock Appreciation Right granted in tandem with any stock option will be exercisable only when and to the extent the option to which it relates is exercisable. The grantee of a Stock Appreciation Right has the right to surrender the Stock Appreciation Right and receive from us, in cash and/or shares of common stock at our discretion, an amount equal to the excess of the Fair Market Value of a share of common stock over the exercise price of the Stock Appreciation Right for each share of common stock in respect of which such Stock Appreciation Right is being exercised.

RESTRICTED STOCK

The committee may grant restricted shares of common stock to such of our employees and consultants, in such amounts, and subject to such terms and conditions as the committee may determine in its discretion. Awards of Restricted Stock granted to our Executive Officers may be contingent on our attainment of one or more pre-established performance goals established by the committee based on our attainment of any one or more of the following performance criteria:

- a specified percentage return on total stockholder equity;
- a specified percentage increase in earnings per share of common stock;
- a specified percentage increase in net income (before or after taxes);
- a specified percentage increase in earnings before interest, taxes, depreciation and amortization;
- a specified percentage increase in earnings before interest and income taxes, as adjusted for corporate office overhead expense allocation;
- a specified percentage increase in revenues;
- a specified minimum return on assets; or
- such other criteria as stockholders may approve.

PHANTOM STOCK

The committee may grant shares of Phantom Stock to such of our employees and consultants, in such amounts, and subject to such terms and conditions as the committee may determine in its discretion. If the requirements specified by the committee are met, the grantee of such an award will receive an amount of cash and/or shares of our common stock equal to the Fair Market Value of the shares covered thereby plus the dividends that would have been paid on such shares had

Edgar Filing: DRS TECHNOLOGIES INC - Form DEF 14A

they actually been outstanding following the grant date. Awards of Phantom Stock granted to our Executive Officers may be contingent on our attainment of any one or more pre-established performance goals established by the committee based on our attainment of any one or more of the performance criteria described above under "--Awards Under the Plan--Restricted Stock."

STOCK BONUS

The committee may grant bonuses comprised of shares of common stock to such of our employees and consultants, in such amounts and subject to such conditions as the committee may determine in its discretion. No Executive Officer will be eligible to receive a Stock Bonus under the plan unless the committee makes a prior determination of eligibility.

8

OTHER AWARDS

Other Awards valued in whole or in part by reference to, or otherwise based on, common stock may be granted either alone or in addition to other awards under the plan. Subject to the provisions of the plan, the committee will have the sole and complete authority to determine the employees and consultants to whom and the time or times at which such Other Awards will be granted, the number of shares of common stock to be granted pursuant to such Other Awards and all other conditions of such Other Awards. Upon a Participant's termination of employment with DRS for any reason, all of such Participant's unvested shares of Restricted Stock are forfeited to DRS, unless, if the termination is for any reason other than Cause, the committee determines to permit the Participant to retain such unvested shares. In the event of a forfeiture of shares of Restricted Stock, we will repay the Participant the amount paid, if any, by the Participant for such forfeited shares. Upon a Participant's termination of employment with DRS for any reason, all of such Participant's unvested shares of Phantom Stock are forfeited.

OTHER FEATURES OF THE PLAN

The plan provides for a stipulated period of exercisability for outstanding options and Stock Appreciation Rights in the event of the termination of a Participant's employment with DRS; this period varies depending on the form of award and reason for termination.

In the event of a Change in Control, all outstanding awards will become fully vested and/or immediately exercisable.

The board may suspend, revise, terminate or amend the plan at any time; PROVIDED, HOWEVER, that stockholder approval must be obtained if and to the extent required by Rule 16b-3 and if and to the extent that the board deems it appropriate so as to allow the granting of awards that satisfy the requirements of the performance-based compensation exception under Section 162(m) of the Internal Revenue Code and the requirements applicable to Incentive Stock Options under Section 422 of the Internal Revenue Code; and PROVIDED, FURTHER, that no such action may, without the consent of a Participant, reduce the Participant's rights under any outstanding award.

Upon a Participant's death, awards may be exercised only by the executor or administrator of the Participant's estate or by a person who acquired such exercise right by will or by the laws of descent or distribution. During a Participant's lifetime, subject to the approval of the committee and such conditions as the committee may prescribe, options may, in certain circumstances, be transferred, assigned or encumbered.

FISCAL 2003 AWARDS

Edgar Filing: DRS TECHNOLOGIES INC - Form DEF 14A

Inasmuch as awards (other than awards of Non-Qualified Stock Options to Non-Employee Directors) under the plan will be granted at the sole discretion of the committee, it is not possible to determine (except in the case of Non-Employee Directors) the awards that will be made under the plan during fiscal 2003. During fiscal 2002 each of the Non-Employee Directors was granted an option to purchase 2,500 shares of common stock. See "Compensation of Directors." Each such award had a total weighted average fair value of \$14,587, calculated using standard application of the Black-Scholes pricing model.

CERTAIN FEDERAL INCOME TAX CONSEQUENCES

THE FOLLOWING DISCUSSION IS A BRIEF SUMMARY OF THE PRINCIPAL UNITED STATES FEDERAL INCOME TAX CONSEQUENCES UNDER CURRENT FEDERAL INCOME TAX LAWS RELATING TO AWARDS UNDER THE PLAN. THIS SUMMARY IS NECESSARILY GENERAL IN NATURE AND DOES NOT PURPORT TO BE EXHAUSTIVE. AMONG OTHER THINGS, THE SUMMARY DOES NOT DESCRIBE STATE, LOCAL OR FOREIGN INCOME AND OTHER TAX CONSEQUENCES. IN ADDITION, STATUTORY PROVISIONS ARE SUBJECT TO CHANGE, AS ARE THEIR INTERPRETATIONS, AND THEIR APPLICATION MAY VARY IN INDIVIDUAL CIRCUMSTANCES.

9

NON-QUALIFIED STOCK OPTIONS

An optionee will not recognize income at the time of grant of a Non-Qualified Stock Option. At the time of exercise of a Non-Qualified Stock Option, an optionee will recognize ordinary income equal to the excess of the Fair Market Value of the shares at the time of exercise over the aggregate exercise price paid for the shares, regardless of whether the exercise price is paid in cash, in stock, or in part with a note. DRS will be entitled to a deduction in the amount of ordinary income so recognized; PROVIDED, that certain income tax reporting requirements are satisfied.

INCENTIVE STOCK OPTIONS

In general, an optionee will not recognize income on the grant or exercise of an Incentive Stock Option. However, the difference between the exercise price and the Fair Market Value of the stock on the date of exercise is an adjustment item for purposes of the alternative minimum tax. If an optionee does not exercise an Incentive Stock Option within certain specified periods after termination of employment, the optionee will recognize ordinary income on the exercise of an Incentive Stock Option in the same manner as on the exercise of a Non-Qualified Stock Option, as described above.

The general rule is that gain or loss from the sale or exchange of shares acquired on the exercise of an Incentive Stock Option will be treated as capital gain or loss. If certain holding period requirements are not satisfied, however, the optionee generally will recognize ordinary income at the time of the disposition. Gain recognized on the disposition in excess of the ordinary income resulting from such disposition will be capital gain, and any loss recognized will be capital loss. If an optionee recognizes ordinary income on exercise of an Incentive Stock Option or as a result of a disposition of the shares acquired on exercise, DRS will be entitled to a deduction in the same amount; PROVIDED, that certain income tax reporting requirements are satisfied.

RESTRICTED STOCK

A grantee of Restricted Stock is not required to include the value of such shares of common stock in ordinary income until the shares are no longer subject to a substantial risk of forfeiture (I.E., they become vested), unless the grantee elects under Section 83(b) of the Internal Revenue Code to be taxed on receipt of the shares. In either case, the amount of such income will be equal

Edgar Filing: DRS TECHNOLOGIES INC - Form DEF 14A

to the excess, if any, of (i) the Fair Market Value of the shares at the time the income is recognized over (ii) the amount, if any, paid for such shares. DRS will be entitled to a deduction in the amount of ordinary income so recognized, PROVIDED, that certain income tax reporting requirements are satisfied.

STOCK APPRECIATION RIGHTS, PHANTOM STOCK AND STOCK BONUSES

The grant of a Stock Appreciation Right or Phantom Stock award will not result in income for the grantee or in a tax deduction for DRS at the time of grant. Upon the settlement of such a right or award, the grantee will recognize ordinary income equal to the aggregate value of the cash and/or shares received, and DRS generally will be entitled to a tax deduction in the same amount, PROVIDED, that certain income tax reporting requirements are satisfied. A Stock Bonus generally will result in compensation income for the grantee, and a tax deduction for DRS, equal to the Fair Market Value of the shares of common stock granted; PROVIDED, that certain income tax reporting requirements are satisfied.

OTHER AWARDS

The tax treatment of an Other Award depends on the terms of such award. In general, if the award is payable in cash, the grantee will recognize ordinary income at the time of payment. In general, if the award is payable in shares of common stock, the grantee will recognize ordinary income at the time such shares are no longer subject to a substantial risk of forfeiture in an amount equal to the Fair

10

Market Value of the shares on that date, unless the grantee elects under Section 83(b) of the Internal Revenue Code to be taxed on receipt of the shares in an amount equal to the Fair Market Value of the shares on the date of receipt. In general, DRS will be entitled to a deduction in the same amount, and at the same time, as ordinary income is recognized, PROVIDED, that certain income tax reporting requirements are satisfied.

CAPITAL GAIN OR LOSS ON SALE OR EXCHANGE OF PLAN SHARES

In general, gain or loss from the sale or exchange of shares granted or awarded under the plan will be treated as capital gain or loss, provided that the shares are held as capital assets at the time of the sale or exchange. However, if certain holding period requirements are not satisfied at the time of a sale or exchange of shares acquired upon exercise of an Incentive Stock Option, an optionee generally will be required to recognize ordinary income upon such sale or exchange.

PARACHUTE PAYMENTS

Where payments to certain employees that are contingent on a change in control exceed limits specified in the Internal Revenue Code, the employee generally is liable for a 20% excise tax on, and the corporation or the entity making the payment generally is not entitled to any deduction for, a specified portion of such payments. If the committee, in its discretion, grants an Incentive Award, the vesting or exercisability of which is accelerated by a change in control of DRS, such accelerated vesting or exercisability would be relevant in determining whether the excise tax and deduction disallowance rules would be triggered with respect to certain employees.

PERFORMANCE BASED COMPENSATION

Subject to certain exceptions, Section 162(m) of the Internal Revenue Code disallows federal income tax deductions for compensation paid by a publicly-held corporation to certain executives to the extent the amount paid to an executive

Edgar Filing: DRS TECHNOLOGIES INC - Form DEF 14A

exceeds \$1 million for the taxable year. DRS' plan has been designed to allow the committee to make awards under the plan of Incentive Stock Options, Non-Qualified Stock Options, Stock Appreciation Rights, and, in the case of Executive Officers, Restricted Stock and Phantom Stock that qualify under an exception to the deduction limit of Section 162(m) for "performance-based compensation."

Performance goals under the plan for purposes of the performance-based compensation exception are based upon the performance criteria described under "--Awards Under the Plan--Restricted Stock."

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT
YOU VOTE FOR THE PROPOSAL TO AMEND THE 1996 OMNIBUS PLAN.

APPROVING THE AMENDED AND RESTATED INCENTIVE COMPENSATION PLAN

On May 17, 2002 the board approved the proposed amended and restated DRS Technologies, Inc. Incentive Compensation Plan ("ICP") subject to stockholder approval. A copy of the ICP is attached as Annex A to this proxy statement. The ICP is another important vehicle that will help to strengthen the overall competitiveness of our compensation packages and enable us to accomplish our strategic objectives. The board believes that incentive compensation awards have contributed to our achievements and that the award of compensation for these purposes is comparable with the practices of companies in similar businesses. Approval of the ICP requires the vote of the majority of votes cast by stockholders entitled to vote at the meeting.

The purpose of the ICP is to motivate key executives to achieve our strategic and financial goals and to perform to the best of their abilities. The ICP accomplishes this by paying awards only after the

11

achievement of specified goals that were set at the beginning of a year as determined by the Executive Compensation Committee functioning as the committee under the ICP.

The ICP also is designed to qualify as "performance-based" compensation under Section 162(m) of the Internal Revenue Code. The ICP provides that grants of incentive compensation may be made based upon "performance factors." Performance factors applicable to awards that are intended to be exempt from the limitations of Section 162(m) are specified levels of, or increases or decreases in, DRS' or any business unit's, subsidiary's or product line's: net income (before or after taxes), operating income, gross margin, earnings before all or any of interest, taxes, depreciation and/or amortization, revenue, unit sales, bookings, cash flow, free cash flow, return on equity, return on assets, return on capital (including return on invested capital), earnings from continuing operations, cost reduction goals or levels of expenses, costs or liabilities, market share, asset management, growth by mergers and acquisitions or customer satisfaction.

The board or the committee may alter, amend, suspend or terminate the ICP at any time; PROVIDED, HOWEVER, that stockholder approval must be obtained when such approval is required in order for the ICP to continue to comply with Section 162(m) of the Internal Revenue Code. No amendment shall affect adversely any participant under any award following the end of the performance period to which such award relates. The committee's discretion to increase or decrease the amount of an award shall not be deemed an amendment of the ICP.

Participants in the ICP will be executive officers or other key management employees of DRS or any of its subsidiaries who are selected by the committee. The committee has sole discretion to determine amounts that may be received by

Edgar Filing: DRS TECHNOLOGIES INC - Form DEF 14A

participants in the ICP. The committee will identify threshold or minimum performance levels for payment of awards below which no award will be paid, target performance levels at which 100% of the targeted award will be paid, and, other than for covered officers whose compensation is subject to Section 162(m), maximum performance levels at which a specified percentage greater than 100% of the targeted award, as determined by the committee, is achieved. However, the ICP limits actual awards to a maximum of \$2 million per person in any performance period.

If a participant terminates employment before the end of the performance period in which the incentive compensation is to be earned, the participant will not receive an award for that period (even if the performance goals are actually achieved). The only exception is that if termination of employment is due to death, retirement or disability, or by DRS without cause, as defined in the ICP, the participant will receive a pro rata portion of the award he or she would have received based on the number of days the participant was employed during the performance period.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE PROPOSAL TO ADOPT THE AMENDED AND RESTATED INCENTIVE COMPENSATION PLAN.

RATIFYING THE APPOINTMENT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

The board has appointed KPMG LLP as our independent public accountants for the year ending March 31, 2003. If a majority of votes cast at the meeting is not voted for ratification of this selection of auditors, the board will reconsider its appointment of KPMG as independent certified public accountants for the year ending March 31, 2003.

We have been advised by KPMG that neither that firm nor any of its associates has any relationship with DRS or its subsidiaries other than the usual relationship that exists between independent certified public accountants and clients.

12

DISCLOSURE OF AUDITOR FEES

The following is a description of the fees billed to us by KPMG for fiscal year ended March 31, 2002:

AUDIT FEES: Audit fees billed to us by KPMG in connection with KPMG's review and audit of our annual financial statements for the year ended March 31, 2002 and KPMG's review of our interim financial statements included in our Quarterly Reports on Form 10-Q during the year ended March 31, 2002 totaled \$685,000.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES: We did not engage KPMG to provide advice to us regarding financial information systems design and implementation during the year ended March 31, 2002.

ALL OTHER FEES: Fees billed to us by KPMG during the year ended March 31, 2002 for all other non-audit services rendered to us totaled approximately \$844,000, of which \$582,000 was in connection with tax compliance and \$262,000 was in connection with the issuance of letters to underwriters, review of registration statements and issuance of consents.

KPMG will have a representative at the meeting who will have an opportunity to make a statement, if he or she so desires, and who will be available to respond to appropriate questions.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act requires our officers and directors, and persons who own more than 10% of the outstanding shares of our common stock, to file reports of beneficial ownership and reports of changes in beneficial ownership of shares of common stock with the

Commission and each securities exchange on which our common stock is traded. Such persons are required by Commission regulations to furnish us with copies of all Section 16(a) forms they file.

Edgar Filing: DRS TECHNOLOGIES INC - Form DEF 14A

Based solely on our review of Forms 3 and 4 and amendments furnished to us during fiscal 2002 and upon a review of Forms 5 and amendments furnished to us with respect to fiscal 2002, or upon written representations received by us from certain reporting persons that no Forms 5 were required for those persons, we believe that no director, executive officer or holder of more than 10% of the outstanding shares of common stock failed to file on a timely basis the reports required by Section 16(a) of the Exchange Act during, or with respect to, fiscal 2002.

THE BOARD OF DIRECTORS AND CERTAIN COMMITTEES

The board of directors held eight meetings and approved certain matters by unanimous written consent during fiscal 2002. Each director attended at least 75% of the meetings of the board or meetings of the committees on which the director served during the period of his service as a director. The board has an Audit Committee, an Executive Compensation Committee and an Ethics Committee with the following areas of responsibility:

The Audit Committee oversees and reports to the board concerning our general policies and practices with respect to accounting, financial reporting and internal controls as well as such policies and practices of our subsidiaries. It also recommends appointment of our independent auditors and maintains a direct exchange of information between the board and the independent auditors. The Audit Committee operates under a written charter adopted by the board, a copy of which is attached as Annex B to this proxy statement. The members of the Audit Committee are Dr. Fraser and Messrs. Heitmann, James and Rosen. The Audit Committee held four meetings during fiscal 2002. The report of the Audit Committee is set forth below.

The Executive Compensation Committee establishes policies and programs that govern the compensation of our chief executive officer and other executive officers and administers our 1991 Stock Option Plan and the 1996 Omnibus Plan. The members of the Executive Compensation Committee are Admiral Platt and General Reimer and Messrs. Albom, Honigman and Kaplan. The Executive Compensation Committee held two meetings and approved certain matters by unanimous written consent during fiscal 2002. The report of the Executive Compensation Committee is set forth below.

The Ethics Committee provides oversight with respect to issues involving compliance with law and our ethics program. During fiscal 2002 the Ethics Committee was comprised of Messrs. Newman and Honigman, Ms. Dunn, Executive Vice President, General Counsel and Secretary of the Company (ex officio), and General Reimer.

COMPENSATION OF DIRECTORS

Directors who are our employees or employees of our subsidiaries do not receive directors' fees. Each director who is not our employee receives as compensation for his services a fee of \$7,500 per quarter, plus a fee of \$2,500 for each meeting of the board attended. Directors who also serve on committees of the board receive an additional \$1,250 (\$2,000 as to committee chairmen) for services rendered in connection with committee meetings attended which are not held on the same day as meetings of the full board.

During fiscal 2002 we paid Admiral Platt to provide consulting services to us in connection with new business initiatives. Such consulting services were provided to us on an as-requested basis, for a fee of \$2,000 per day plus approved travel and miscellaneous expenses. During fiscal 2002 total remuneration paid to Admiral Platt under this arrangement approximated \$32,000.

Edgar Filing: DRS TECHNOLOGIES INC - Form DEF 14A

On February 7, 1996 the then-existing stock option committee of the board adopted, and the board ratified, resolutions which instituted an arrangement under our 1991 Stock Option Plan by which each director who was not or has never been our employee or an employee of one of our subsidiaries (a "non-employee director") as of such date would be (a) immediately granted a non-qualified stock option to purchase 5,000 shares of common stock and (b) on the date of each annual meeting, commencing with the annual meeting following the annual meeting at which these resolutions were approved, granted a non-qualified stock option to purchase 2,500 shares of common stock. Our stockholders approved these resolutions on August 7, 1996. Under our 1996 Omnibus Plan the non-employee directors described above are eligible to receive grants of options to purchase 2,500 shares of common stock on the dates described above. However, provisions in each of the resolutions and the 1996 Omnibus Plan state that a non-employee director may not be granted options to purchase more than 2,500 shares of common stock under the 1996 Omnibus Plan or any other stock option plan during any tax year, thus avoiding any potential for overlap.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We currently lease a building at 138 Bauer Drive, Oakland, New Jersey owned by LDR Realty Co., a partnership that was wholly owned, in equal amounts, by David E. Gross, our co-founder and the former President and Chief Technical Officer, and the late Leonard Newman, our co-founder and the former Chairman of the Board, Chief Executive Officer and Secretary and the father of Mark Newman, our current Chairman of the Board, President and Chief Executive Officer. The renegotiated lease agreement at a monthly rental of \$21,152 expires on April 30, 2007. We are required to pay all real estate taxes and are responsible for all repairs and maintenance, structural and otherwise, subject to no cumulative limits. We believe that this lease was consummated on terms no less favorable than those that we could have obtained from an unrelated third party in a transaction negotiated on an arm's-length basis. Following Leonard Newman's death in November 1998, Mrs. Ruth Newman, the wife of Leonard Newman and the mother of Mark Newman, succeeded to Leonard Newman's interest in LDR Realty Co.

Skadden, Arps, Slate, Meagher & Flom LLP, a law firm to which Mark N. Kaplan, a member of our Board, is of counsel, provided legal services to us during the 2002 fiscal year.

Kronish Lieb Weiner & Hellman LLP, a law firm of which Alison Newman, sister of Mark Newman, is a partner, provided legal services to us during the 2002 fiscal year.

See "Compensation of Directors" above.

- (f) Mr. Mehmel's employment commenced on January 8, 2001.
- (g) Represents non-qualified stock options to purchase shares of common stock under our 1996 Omnibus Plan. Those options, with a grant date of January 8, 2001, become exercisable on the first four anniversaries of the date of grant at 25% per year.

TERMINATION OF EMPLOYMENT AND CHANGE IN CONTROL AGREEMENTS

In November 1996 we entered into an agreement with Mr. Newman (the "Employment Agreement"), which provides for severance benefits in the event of (i) termination of his employment by DRS other than for cause, (ii) termination of the Employment Agreement by Mr. Newman for good reason, as defined therein, or (iii) a change in control of DRS. Severance benefits in the event of termination include continuation of salary and certain benefits for the remaining term of the Employment Agreement or twelve (12) months, whichever is greater, plus payment of a pro-rata portion of the bonus earned for the previous fiscal year. In the event of a change in control, the severance benefit would be equal to 2.99 times Mr. Newman's base salary plus the bonus earned in the previous fiscal year. In either case, we also would be required to provide outplacement assistance to Mr. Newman. In addition, all stock options granted to Mr. Newman would immediately vest and would become exercisable during the twelve (12) month period following termination.

In April 1997 we entered into an agreement with Ms. Dunn (the "Dunn Employment Agreement"), which provides for severance benefits in the event of (i) termination of her employment by DRS other than for cause, (ii) termination of the Dunn Employment Agreement by Ms. Dunn for good reason, as defined therein, or (iii) a change in control of DRS. Severance benefits in the event of termination include continuation of salary and certain benefits for the remaining term of the Dunn Employment Agreement or twenty-four (24) months, whichever is greater, plus payment of a pro-rata portion of the current year's bonus, which could have been paid for the year of termination. In the event of a change in control, the severance benefit would be equal to 2.99 times Ms. Dunn's base salary plus the bonus earned in the previous fiscal year. In either case, we also would be required to provide outplacement assistance to Ms. Dunn. In addition, all stock options granted to Ms. Dunn would immediately vest and would become exercisable during the twelve (12) month period following termination.

In February 1999 we entered into an agreement with Mr. Schneider (the "Schneider Employment Agreement"), which provides for severance benefits in the event of (i) termination of his employment by DRS other than for cause, (ii) termination of the Schneider Employment Agreement by Mr. Schneider for good reason, as defined therein, or (iii) a change in control of DRS. equal to 2.0 times Mr. Schneider's base salary plus the bonus earned in the previous fiscal year. In either case, we would also be required to provide outplacement assistance to Mr. Schneider. In addition, all stock options granted to Mr. Schneider would immediately vest and would become exercisable during the twelve (12) month period following termination.

In August 2000 we entered into an agreement with Mr. Casner (the "Casner Employment Agreement"), which provides for severance benefits in the event of (i) termination of his employment by DRS other than for cause, (ii) termination of the Casner Employment Agreement by Mr. Casner for good reason, as defined therein, or (iii) a change in control of DRS. Severance benefits in the event of termination include continuation of salary and certain benefits for twelve (12) months, plus payment of a pro-rata portion of the current year's bonus, which could have been paid for the year of termination. In the event of a change in control, the severance benefit would be equal to 2.0 times Mr. Casner's base salary plus the bonus earned in the previous fiscal year. In either case, we would also be required to provide outplacement assistance to Mr. Casner. In addition, all stock options granted to Mr. Casner would immediately vest and would become exercisable during the twelve (12) month period following termination.

In June 2002 we entered into an agreement with Mr. Mehmel (the "Mehmel Employment Agreement"), which provides for severance benefits in the event of (i) termination of his employment by DRS other than for cause, (ii) termination of the Mehmel Employment Agreement by Mr. Mehmel for good reason, as defined therein, or (iii) a change in control of DRS. Severance benefits in the event of termination include continuation of salary and certain benefits for twelve (12) months, plus payment of a pro-rata portion of the current year's bonus, which could have been paid for the year of termination. In the event of a change in control, the severance benefit would be equal to 2.0 times Mr. Mehmel's base salary plus the bonus earned in the previous fiscal year. In either case, we would also be required to provide outplacement assistance to Mr. Mehmel. In addition, all stock options granted to Mr. Mehmel would immediately vest and would become exercisable during the twelve (12) month period following termination.

RETIREMENT/SAVINGS PLAN

The Summary Compensation Table above includes amounts deferred by the Named Officers pursuant to our Retirement/Savings Plan under Section 401(k) of the Internal Revenue Code of 1986. The value of a participant's contributions to the Retirement/Savings Plan is fully vested at all times; the value of employer contributions becomes 100% vested after completion of three years of service.

MEDICAL REIMBURSEMENT PLAN

At the beginning of each calendar year, we accrue fixed annual amounts for the benefit of certain officers to be paid as needed to reimburse such officers for the amounts of medical and hospital expenses actually incurred by them which are not covered under our group medical and hospitalization plans. The amount accrued for the benefit of each such officer is included in the officer's compensation for tax purposes regardless of whether such accrued amount is actually paid to him or her. The excess of the amount accrued over the amounts paid is used to offset the administrative expenses payable by DRS to the medical insurance carrier.

SUPPLEMENTAL EXECUTIVE RETIREMENT PLAN

On February 1, 1996 we established a Supplemental Executive Retirement Plan (the "SERP") for the benefit of certain key executives, which include the Named Officers. Pursuant to the SERP, we will provide retirement benefits to each key executive, based on years of service and final average annual compensation, in accordance with the benefit class to which such executive is assigned by the Executive Compensation Committee, as defined in the SERP. In addition, we advance premiums for life insurance policies, which provide a pre-retirement death benefit equal to five times the participant's salary at time of death. In the event of a change in control, as defined in the SERP, benefits become fully vested. The SERP is non-contributory and unfunded.

The following table sets forth the estimated annual benefits payable upon retirement to the Named Officers.

EXECUTIVE COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The members of the Executive Compensation Committee are Messrs. Albom, Honigman, Kaplan and Admiral Platt and General Reimer. None of the foregoing individuals is currently an officer or an employee of DRS. Skadden, Arps, Slate, Meagher & Flom LLP, a law firm to which Mr. Kaplan is of counsel, provided legal services to us during our 2002 fiscal year. Admiral Platt, a former employee of

Edgar Filing: DRS TECHNOLOGIES INC - Form DEF 14A

DRS, provided consulting services to us during our 2002 fiscal year. Although Mr. Newman made recommendations to the committee with regard to the compensation of the other executive officers, including the other Named Officers, he did not participate in the committee's deliberations with respect to his own compensation.

REPORT OF THE EXECUTIVE COMPENSATION COMMITTEE

IN ACCORDANCE WITH THE RULES OF THE SEC, THE REPORT OF THE EXECUTIVE COMPENSATION COMMITTEE SHALL NOT BE DEEMED TO BE "SOLICITING MATERIAL" OR TO BE "FILED" WITH THE SEC AND SHALL NOT BE DEEMED TO BE INCORPORATED BY REFERENCE IN ANY OF OUR COMPANY'S FILINGS UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES EXCHANGE ACT OF 1934, AS AMENDED, WHETHER MADE BEFORE OR AFTER THIS FILING AND IRRESPECTIVE OF ANY GENERAL LANGUAGE TO THE CONTRARY.

The Executive Compensation Committee administers DRS' senior management compensation program. The Committee is responsible for the establishment, approval and oversight of the total compensation and benefit policies, plans, programs and agreements for senior management and consists entirely of nonemployee directors who are not eligible to participate in the management compensation program.

DRS' executive compensation program is intended to attract, retain and motivate key executives critical to our profitability, growth and return to shareholders. The goal of the Committee is to develop compensation policies and practices that encourage and reward executive efforts to create shareholder value through achievement of corporate objectives, business strategies and performance goals. This is accomplished by providing for compensation opportunities that are comparable to those offered by

22

similar companies, rewarding long-term strategic management and the enhancement of stockholder value and creating a performance-oriented environment.

Compensation packages consist of cash, certain benefits and equity-based compensation. We offer competitive base salaries that reflect individual performance and level of responsibility and are related to compensation paid by companies in our industry of similar size and located in similar geographic areas. Annual bonuses, when given, are linked to the financial performance of DRS and its subsidiaries as a whole, job performance and the meeting of the individual's specified goals. The other components of our compensation packages focus on performance, rewarding profitability and growth in stockholder value and delivering competitive levels of compensation.

The Executive Compensation Committee consulted with Lyons, Benenson and Company, Inc., an independent compensation consulting firm, to assist in the design, assessment and implementation of the compensation program. The Committee reviewed the compensation program with Lyons, Benenson to ensure that our program continues to accomplish our objectives.

Compensation paid to the executive officers consists primarily of salary, performance-based incentives and awards of stock options. Payment of incentives and awards of stock options are directly related to corporate and individual performance, as well as business unit performance, where relevant. With the consultants' guidance, the Committee reviewed changes in DRS' and its business units' overall financial results over time, as well as similar data for comparable companies to the extent available. Mark S. Newman, our Chief Executive Officer, presented to the Committee his assessment of executives, their accomplishments, and individual and corporate performance.

Edgar Filing: DRS TECHNOLOGIES INC - Form DEF 14A

Mr. Newman's compensation was based on the policies described above. The Executive Compensation Committee considered the compensation provided to chief executive officers and other members of senior management of comparable companies as well as Mr. Newman's strategic, financial and leadership skills. Mr. Newman's bonus award for fiscal 2002 was computed on the basis of a formula that applied a weighted performance factor to a target award established for his salary level. The weighted performance factor was derived as a result of Mr. Newman's achievement of certain individual and company performance targets including, but not limited to, the achievement of a certain level of revenues, operating income, bookings and return on invested capital for fiscal 2002. The Committee determined that Mr. Newman had continued to lead DRS successfully during an ever-changing and intensely competitive environment, including the integration of a strategic acquisition and through implementation of an equity offering.

Base salary and bonus awards for the other executive officers were computed by the Executive Compensation Committee on a basis similar to that used for the Chief Executive Officer using specific target awards that had been established for each individual's salary level.

In addition to the bonuses payable under the regular incentive bonus plan, the Committee determined to award a special additional bonus aggregating \$500,000 to the senior executive corporate officers in recognition of the outstanding results of the equity offering of \$113,600,000.

In making its determination of salary increases, regular bonus awards and the special bonuses the Committee considered the advice of Lyons, Benenson.

DRS' 1996 Omnibus Plan is designed to give the Committee (functioning as the Stock Option Committee under the 1996 Omnibus Plan) the flexibility to make annual incentive awards that are comparable to those found in the marketplace in which DRS competes for executive talent. Such awards are integral components of our compensation packages, and are intended to provide executive officers with strong incentive to increase DRS' value. The 1996 Omnibus Plan permits the payment of certain incentive awards that are intended to qualify as deductible, performance-based compensation under Section 162(m) of the Internal Revenue Code.

23

Section 162(m) of the Internal Revenue Code limits the deductibility of certain compensation paid to the chief executive officer and the four most highly compensated executive officers (the "covered employees") in excess of the statutory minimum of \$1 million per covered employee. Compensation which is "performance based" is not subject to this statutory minimum on deductibility. The Committee's general policy is, where feasible, to structure the compensation paid to the covered employees so as to allow it to qualify as "performance based" compensation; however, the Committee retains the flexibility, where necessary to promote incentive and retention goals, to pay compensation which may not qualify as "performance based" compensation.

The Board may, at its discretion, grant equity-based compensation awards, subject to certain regulatory restrictions.

REPORT OF THE AUDIT COMMITTEE

IN ACCORDANCE WITH THE RULES OF THE SEC, THE REPORT OF THE AUDIT COMMITTEE SHALL NOT BE DEEMED TO BE "SOLICITING MATERIAL" OR TO BE "FILED" WITH THE SEC AND SHALL NOT BE DEEMED TO BE INCORPORATED BY REFERENCE IN ANY OF OUR COMPANY'S FILINGS UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES EXCHANGE ACT OF 1934, AS AMENDED, WHETHER MADE BEFORE OR AFTER THIS FILING AND IRRESPECTIVE OF ANY GENERAL LANGUAGE TO THE CONTRARY.

The Audit Committee acts under a written charter, which was adopted by the board of directors in its current form on May 17, 2002. The charter sets forth the committee's responsibilities and duties, as well as requirements for the committee's composition and meetings. The Audit Committee assists the board in oversight of the quality and integrity of DRS' accounting, auditing, and financial reporting practices. The committee also recommends to the board the selection of independent auditors.

The Audit Committee consists of four independent members (as independence is defined by the rules of the New York Stock Exchange).

Management is responsible for DRS' internal controls and financial reporting process. The independent accountants are responsible for performing an independent examination of DRS' annual consolidated financial statements in accordance with auditing standards generally accepted in the United States of America, and for issuing a report thereon.

In performing its oversight function, the Audit Committee reviewed and discussed the audited consolidated financial statements for the year ended March 31, 2002 with management and the independent auditors. The committee also discussed with DRS' independent auditors all matters required by auditing standards generally accepted in the United States of America, including those described in Statement on Auditing Standards No. 61, as amended, COMMUNICATION WITH AUDIT COMMITTEES, and, with and without management present, discussed and reviewed the results of the independent auditors' examination of the financial statements.

The Audit Committee obtained from the independent auditors a formal written statement describing all relationships between the auditors and DRS that might bear on the auditors' independence consistent with Independence Standards Board Standard No. 1, INDEPENDENCE DISCUSSIONS WITH AUDIT COMMITTEES. The Audit Committee discussed with the auditors any relationships that may have an impact on their objectivity and independence and considered the compatibility of non-audit services with the auditors' independence, and satisfied itself as to the auditors' independence.

Based on the above-mentioned review and discussions with management and the independent auditors as described in this report, and subject to the limitation on the role and responsibilities of the Audit Committee, the committee recommended to the board of directors that the audited consolidated financial statements be included in DRS' Annual Report on Form 10-K for the fiscal year ended March 31, 2002 to be filed with the Securities and Exchange Commission.

(f) WITHHOLDING TAXES. Where a Participant or other person is entitled to receive a payment pursuant to an Award hereunder, the Company shall have the right either to deduct from the payment, or to require the Participant or such other person to pay to the Company prior to delivery of such payment, an amount sufficient to satisfy any federal, state, local or other withholding tax requirements related thereto.

(g) AMENDMENT, TERMINATION AND DURATION OF THE PLAN. The Board or the Committee may at any time and from time to time alter, amend, suspend, or terminate the Plan in whole or in part; PROVIDED, HOWEVER, that no amendment that requires stockholder approval in order for the Plan to continue to comply with Code Section 162(m) shall be effective unless the same shall be approved by the requisite vote of the stockholders of the Company. (iii) Unless otherwise provided by the Committee, if a Participant's employment is terminated with Cause either prior or subsequent to the end of the Performance Period, such Participant shall not receive any portion of the Award that would have been payable to him or her with respect to such Performance Period.

(j) UNFUNDED STATUS OF AWARDS. The Plan is intended to constitute an "unfunded" plan for incentive and deferred compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award shall give any such Participant any rights that are greater than those of a general creditor of the Company.

(k) GOVERNING LAW. The Plan and all determinations made and actions taken pursuant hereto shall be governed by the laws of the State of Delaware without giving effect to the conflict of laws principles thereof.

(l) BENEFICIARY. A Participant may file with the Committee a written designation of a beneficiary on such form as may be prescribed by the Committee and may, from time to time, amend or revoke such designation. If no designated beneficiary survives the Participant and an Award is payable to the Participant's beneficiary pursuant to Section 7(b), the executor or administrator of the Participant's estate shall be deemed to be the grantee's beneficiary.

(m) INTERPRETATION. The Plan is designed and intended to comply, to the extent applicable, with Section 162(m) of the Code, and all provisions hereof shall be construed in a manner to so comply.
