2006 ANNUAL MEETING OF STOCKHOLDERS
OF
CAREER EDUCATION CORPORATION

PROXY STATEMENT
OF
R. STEVEN BOSTIC

To my Fellow Career Education Corporation Stockholders:

This Proxy Statement and the accompanying BLUE Proxy Card are being furnished to stockholders ("Stockholders") of Career Education Corporation ("CEC") in connection with the solicitation of proxies by Robert Steven Bostic and the other Nominees (as defined below) to be used at the 2006 Annual Meeting (the "Annual Meeting") of Stockholders of CEC to be held at 3:00pm, Central Daylight Time, on Thursday, May 18, 2006 at the Chicago Marriott Northwest, 4800 Columbine Boulevard, Hoffman Estates, Illinois, and at any adjournments, postponements or continuations thereof. This Proxy Statement and the BLUE Proxy Card are first being furnished to Stockholders on or about April [o], 2006.

At the Annual Meeting, the Mr. Bostic will seek to elect to the Board of Directors of CEC (the "Board") a slate of three nominees, comprised of Mr. Bostic, James E. Copeland, Jr. and R. William Ide in opposition to the slate proposed by the current Board. Each of the nominees (each a "Nominee" and, collectively, the "Nominees") has consented, if elected, to serve as a director of CEC and to being named in this Proxy Statement and in the Nominees' other soliciting materials as a Nominee.

CEC has significant problems to resolve relating to pending litigation, its probationary status with the Southern Association of Colleges and Schools ("SACS"), and investigations by the U.S. Department of Justice ("DOJ"), the Securities and Exchange Commission ("SEC"), the US Department of Education ("DOE"), and other regulatory bodies. We believe that our Nominees are the best qualified candidates to lead CEC in a new direction, solve many of the problems in which CEC is currently embroiled and create Stockholder value.

THE NOMINEES ARE INDEPENDENT AND COMMITTED TO ACTING IN THE BEST INTEREST OF ALL STOCKHOLDERS. WE BELIEVE THAT YOUR VOICE IN THE FUTURE OF CEC CAN BEST BE EXPRESSED THROUGH THE ELECTION OF THE NOMINEES. ACCORDINGLY, WE URGE YOU TO VOTE YOUR BLUE PROXY CARD FOR THE ELECTION OF MESSRS. BOSTIC, COPELAND, AND IDE.

IF YOUR SHARES ARE HELD IN THE NAME OF A BROKERAGE FIRM, BANK, BANK NOMINEE OR OTHER INSTITUTION ON THE RECORD DATE, ONLY IT CAN VOTE SUCH SHARES AND ONLY UPON RECEIPT OF YOUR SPECIFIC INSTRUCTIONS. ACCORDINGLY, PLEASE CONTACT THE PERSON RESPONSIBLE FOR YOUR ACCOUNT AND INSTRUCT THAT PERSON TO EXECUTE ON YOUR BEHALF THE BLUE PROXY CARD AS SOON AS POSSIBLE.

Edgar Filing: CAREER EDUCATION CORP - Form PREN14A

IMPORTANT

The election of the Nominees requires the affirmative vote of a plurality of the votes cast by Stockholders present in person or represented by proxy, assuming a quorum is present or otherwise represented at the Annual Meeting. As a result, your vote is extremely important in deciding the future of CEC. We urge you to mark, sign, date and return the enclosed BLUE Proxy Card to vote FOR the election of Messrs. Bostic, Copeland, and Ide.

WE URGE YOU NOT TO SIGN ANY PROXY CARD SENT TO YOU BY CEC. IF YOU HAVE ALREADY DONE SO, YOU MAY REVOKE YOUR PROXY BEFORE IT IS VOTED BY DELIVERING A LATER-DATED PROXY CARD, OR BY VOTING IN PERSON AT THE ANNUAL MEETING, OR BY DELIVERING TO CEC (ATTENTION: JANICE L. BLOCK, SENIOR VICE PRESIDENT, GENERAL COUNSEL AND SECRETARY) A WRITTEN NOTICE STATING THAT THE PROXY IS REVOKED. SEE "VOTING PROCEDURES" AND "PROXY PROCEDURES" BELOW.

BACKGROUND

In 1995, Mr. Bostic founded the holding company that owned and operated the American InterContinental University ("AIU"), an institution of higher education consisting of seven accredited universities, and merged his holdings in AIU with CEC in 2001. Mr. Bostic is currently the beneficial owner of 1,081,340 Shares, representing approximately 1.1% of the reported outstanding Shares, which he received in connection with the merger of EduTrek International, Inc. ("EduTrek") with and into CEC. EduTrek was a holding company that owned and operated the American InterContinental University ("AIU"). At the time of the merger, AIU was fully accredited by SACS and had no pending regulatory probes.

Edgar Filing: CAREER EDUCATION CORP - Form PREN14A

Since CEC has been run by the current management team, it has been the subject of numerous investigations, sanctions, and lawsuits, which the Nominees believe have hurt CEC's student population and the Stockholders. In June of 2004, the SEC notified CEC that it was conducting a formal investigation of CEC and requested information from CEC regarding CEC's verification procedures in connection with the educational qualifications of its students. The DOJ has also advised CEC that it is conducting a similar investigation. In June of 2005, the DOE notified CEC that it was reviewing CEC's consolidated financial statements and annual compliance audit opinions for the years 2000 through 2003 and that it was initiating school program reviews at certain of CEC's educational institutions. On December 6, 2005, the Commission on Colleges ("COC") of SACS placed AIU on probationary status for a period of twelve months for numerous violations of SACS' Principles of Accreditation, including regulations relating to "integrity". Probation applies to the entire institution, including all programs, branch campuses and off-campus sites as well as AIU's distance learning program. As stated in COC's Disclosure Statement dated December 14, 2005, regarding the status of AIU, "probation is COC's most serious sanction, short of loss of membership, and is imposed on an institution for failure to correct deficiencies of significant non-compliance." CEC is also being investigated by state educational regulatory authorities in Texas and California, by consumer protection authorities in Pennsylvania, and by the New Jersey Department of Labor and Workforce Development. In addition, CEC and certain members of its senior management are the subject of numerous lawsuits brought by stockholders, current and former students, and employees. Although it is difficult to assign specific costs to these problems we know CEC is trading at a price to earnings ratio level substantially below many of its peers (see "Market Performance").

In April of 2005, due to his concern about the numerous regulatory actions and lawsuits confronting CEC, as well as the fact that CEC's Shares were trading at a substantial discount to their peers in the education sector, Mr. Bostic submitted four stockholder proposals to be voted upon at CEC's 2005 annual meeting and solicited proxies

-2-

from CEC's Stockholders in connection with those proposals. Mr. Bostic's proposals, intended to improve CEC's corporate governance, were to (1) withhold authority for each of CEC's three nominees for re-election to the Board, (2) declassify the Board, (3) grant Stockholders holding one-third of the outstanding Shares the right to call a meeting of Stockholders and (4) repeal CEC's stockholder rights plan, or "poison pill". Mr. Bostic's proposals were publicly endorsed by Institutional Shareholder Services ("ISS"), Glass Lewis & Co. ("Glass Lewis") and Proxy Governance Inc., three leading independent proxy advisory firms. In its report, Glass Lewis made the following statements:

"For shareholders, the last eighteen months at Career Education has been a nightmare that most would love to forget, in our opinion. The stock is down more than 60%, the Company is under investigation by no less than four federal agencies, the board and the Company are being sued in securities class actions and employment lawsuits, some have accused key members of management of timing sales of stock suspiciously well, the Company has been forced to restate three years of financials and key accreditation bodies are threatening to pull credentials that are essential to the Company continuing to do business. We are aware of few companies with as many bad marks... The Company and its schools judge student performance every day; at the annual meeting, we believe shareholders have their chance to turn the tables and declare that the

Edgar Filing: CAREER EDUCATION CORP - Form PREN14A

Company has abjectly failed its owners."

At CEC's 2005 annual meeting, 69% of votes cast were withheld from CEC's three nominees. In its annual report on the 2005 proxy season, ISS noted that this "withhold percentage appears to be the highest ever recorded." In spite of the overwhelming withhold vote against CEC's three nominees, all were elected to the Board. The Board accelerated the termination of CEC's shareholder rights plan ("poison pill"), which expired on August 15, 2001. Until faced with another proxy contest, CEC took the position that Mr. Bostic's remaining proposals were non-binding and took no action to implement them.

Since the 2005 annual meeting, the problems afflicting CEC have not improved and appear to have worsened in light of AIU's probationary status. CEC's stock price continues to languish relative to the price to earnings ratio levels of its peers in the education sector (see "Market Performance"). In Mr. Bostic's view, CEC's recently announced amendments to its organizational documents do not go far enough toward implementing the corporate governance reforms that were proposed by Mr. Bostic and so strongly endorsed by CEC's Stockholders at the last annual meeting. Mr. Bostic believes that CEC's Board needs strong, independent advocates for shareholder rights and good corporate governance. In Mr. Bostic's view, the current Board has failed the Stockholders and change is urgently required. In addition, while the three current directors whose terms expire this year and who have been nominated by CEC for re-election at the 2006 annual meeting may technically satisfy the NASDAQ National Market's criteria for director independence, they have been selected by a Nominating and Governance Committee with ties to CEC's senior management. Thomas Lally, the Chairman of the Nominating and Governance Committee, is the former President of Heller Equity Capital Corporation, a venture capital firm that also formerly employed John Larson, CEC's President and Chief Executive Officer, as well as Patrick Pesch, CEC's Executive Vice President and Chief Financial Officer.

On February 8, 2006, Mr. Bostic sent a letter to Mr. Larson expressing his disappointment with the failure by CEC's Board and management to expeditiously take the actions Mr. Bostic believes are necessary to restore CEC's damaged reputation, enhance the quality of educational standards and programs that are critical to CEC's success, and to address and resolve in a timely way the regulatory and operational problems weighing on CEC. In his letter, Mr. Bostic also requested a public response from CEC to a number of questions about CEC's plans for reforms to address its ongoing regulatory and operational problems. On February 8, 2006, CEC sent a letter to Mr. Bostic's counsel stating that CEC would not comment on the issues raised in the letter prior to CEC's earnings call, scheduled for February 15, 2006. On February 10, 2006, Mr. Bostic issued a press release announcing his intent to nominate an alternate slate of three directors for election to CEC's Board at the 2006 annual meeting, and on February 16, 2006 Mr. Bostic formally notified CEC of his intention to nominate Messrs. Copeland and Ide, in addition to himself, for election to the Board at CEC's 2006 annual meeting.

Mr. Bostic believes that CEC's positive revenue and earnings growth over the last several years has been largely counterbalanced by the numerous problems in which CEC has been embroiled, as evidenced by CEC's lower price to earnings ratio relative to its peers in the education sector. Mr. Bostic believes that until CEC has new leadership and a fresh approach to solving its problems, CEC's price to earnings ratio will remain lower than its peers.

WHY VOTE FOR MR. BOSTIC'S NOMINEES?

On December 6, 2005, COC of SACS placed AIU on probationary status for a period of twelve months for fifteen violations of COC of SACS's Principles of Accreditation. Among other findings, COC of SACS determined CEC not to be in compliance with the "Prologue to Principles of Accreditation: (Integrity of student academic records and accuracy in recruiting and admission practices)." The portion of the Prologue to the Principles of Accreditation that discusses "integrity" states:

"Integrity, essential to the purpose of higher education, functions as the basic contract defining the relationship between the Commission and each of its member institutions. It is a relationship in which all parties agree to deal honestly and openly with their constituencies and with one another.

Edgar Filing: CAREER EDUCATION CORP - Form PREN14A

Without this commitment, no relationship can exist or be sustained between the Commission and its member institutions. The Commission's requirements, policies,

-4-

processes, procedures, and decisions are predicated on integrity. The Commission on Colleges expects integrity to govern the operation of institutions. Therefore, evidence of intentionally withholding information, deliberately providing inaccurate information to the public, or failing to provide timely and accurate information to the Commission will be seen as the lack of a full commitment to integrity and may result in the loss of membership in the Commission on Colleges."

We believe that CEC's current management team is incapable of curing its violations of the COC of SACS's Principles of Accreditation in the time allotted by COC of SACS, thus risking CEC's accreditation by SACS.

We believe that the Nominees' qualifications and experience demonstrate that they can bring to the Board the highest standards of integrity and a commitment to good corporate governance. From 1995 to 2001, Mr. Bostic was the Chairman and Chief Executive Officer of the holding company that owned AIU prior to its acquisition by CEC. During that period, AIU was not cited for any violations of COC of SACS's Principles of Accreditation. Mr. Copeland is the former Chief Executive Officer of Deloitte & Touche LLP and Deloitte Touche Tohmatsu (collectively "Deloitte & Touche") and currently sits on the board of directors of three public companies. Since approximately June 2003, Mr. Copeland has been a Senior Fellow for Corporate Governance with the U.S. Chamber of Commerce. Mr. Ide is a partner of the law firm McKenna Long & Aldridge and has represented public companies in a number of turnaround and transition situations in a range of industries and market sectors, and he has experience addressing regulatory, competition, capital markets issues. Mr. Ide was Counselor to the United States Olympic Committee, for whom he oversaw the investigation of allegations of malfeasance during the bid for the Salt Lake City Games and the development and implementation of the Committee's correction strategies. Mr. Ide is also a former President of the American Bar Association.

Mr. Bostic has agreed with his fellow nominee, Mr. Copeland, that if Mr. Bostic is elected as a director of CEC, Mr. Copeland will not, subject to his fiduciary duties, take any action in his capacity as director of CEC, nor vote in favor of any corporate action by CEC, that would result in Deloitte Touche being either advantaged or disadvantaged in competing for nonaudit services of CEC, so long as Mr. Copeland remains a director of CEC and Mr. Copeland's circumstances comply with the related fee limitations and other requirements related to the independence of directors as set forth by law or by applicable regulations, including those of NASDAQ, or by CEC's Board.

Mr. Copeland has entered into a Memorandum of Understanding with Deloitte & Touche that requires him as a retired Partner and Chief Executive Officer of Deloitte & Touche to obtain approval from the Chairman of the Board of Directors of Deloitte & Touche for post-retirement activities, including membership on boards of directors. Mr. Copeland has received such approval to serve as a director of the Board, if elected. OTHER PROPOSALS

PROPOSAL 2: PROPOSAL TO DECLASSIFY THE BOARD

According to the CEC Preliminary Proxy Statement, at the Annual Meeting, CEC intends to seek Stockholder approval to amend the Certificate to declassify the Board. The proposed amendment provides that beginning at the Annual Meeting, those directors previously elected for three-year terms of office will, upon the expiration of their three-year terms, be eligible for re-election by the Stockholders to one-year terms such that beginning at CEC's 2008 annual meeting of Stockholders, all directors would be subject to annual election to one-year terms.

Mr. Bostic believes that an immediate, full declassification of the Board would be preferable to the gradual declassification of the Board proposed by CEC. CEC's proposal would not result in the full declassification of the Board until the 2008 annual meeting of the Stockholders. An immediate, full declassification of the Board would, in Mr. Bostic's view, make CEC's directors more accountable to the Stockholders by affording them the opportunity to vote on the election of each director annually, not just once every three years. At CEC's 2005 annual meeting, Stockholders voted 65.5% of the outstanding Shares in favor of Mr. Bostic's proposal for the full declassification of the Board. However, while Mr. Bostic believes that Proposal 1 does not go far enough to make the Board accountable to Stockholders, he believes that it is preferable to retaining a fully staggered Board and accordingly, he recommends that Stockholders vote FOR the Board's proposal to amend the certificate to declassify the Board. Each of the Nominees has indicated that if elected they will propose to accelerate the declassification of the Board.

Edgar Filing: CAREER EDUCATION CORP - Form PREN14A

The below description is based on the description of Proposal 2 in the CEC Preliminary Proxy Statement.

-8-

PROPOSED AMENDMENT TO CERTIFICATE TO DECLASSIFY THE BOARD

Article V of the Certificate currently divides the Board into three classes. Directors are elected for three-year terms that are staggered among the three classes. If this proposal is approved by Stockholders, the Certificate will be amended to provide that those directors previously elected for three-year terms of office by the Stockholders will complete their three-year terms and would be eligible for re-election to one-year terms at each annual meeting of Stockholders thereafter. Beginning with the 2008 annual meeting of Stockholders, the declassification of the Board would be complete, and all directors would be subject to annual election to one-year terms.

The Board has also approved conforming amendments to its By-laws contingent upon approval by the Stockholders of the proposed amendment to the Certificate to declassify the Board. Article III, Section 3.3 of the By-laws currently provides that the CEC's directors may only be removed for cause. If the proposal to declassify the Board is approved, Article III, Section 3.3 of the By-laws will be amended to provide that any director or the entire Board, excepting certain Continuing Classified Directors (as defined in Article V of the proposed Restated Certificate of Incorporation), may be removed from office at any time by the affirmative vote of the holders of a majority of the voting power of the shares entitled to vote at an election of directors. The Third Amended and Restated By-laws amending Article III, Section 3.3 of the By-laws, will become effective simultaneously with the effective date of the filing of the Restated Certificate of Incorporation providing for a declassified Board with the Secretary of State of the State of Delaware.

The proposed Restated Certificate of Incorporation, including the proposed amendment to Article V of the Certificate to declassify the Board is attached to the CEC Preliminary Proxy Statement as Exhibit A, and the above discussion is qualified in its entirety by reference to such exhibit.

We recommend that you vote FOR the Board's proposal to amend the Certificate to declassify the Board.

PROPOSAL 3: PROPOSAL TO PERMIT STOCKHOLDERS TO CALL SPECIAL MEETINGS OF STOCKHOLDERS

According to the CEC Preliminary Proxy Statement, CEC intends to seek Stockholder approval to amend CEC's Certificate to permit Stockholders holding at least sixty-six and two-thirds percent (66 2/3%) of the voting power of the Shares to call special meetings of Stockholders.

Mr. Bostic believes that the Stockholders would be better served by a provision permitting Stockholders holding at least thirty-three and one-third percent (33 1/3%) of the outstanding Shares to call special meetings of Stockholders, as was proposed by Mr. Bostic at CEC's 2005 annual meeting and as was endorsed by votes of 64.2% of the outstanding Shares. In Mr. Bostic's view, a threshold of sixty-six and two-thirds percent (66 2/3%) of the outstanding Shares sets the bar for calling a special meeting of Stockholders at an unreasonably high level, especially given that it is substantially higher than the majority threshold that would be required to get many significant matters approved at a special meeting of the Stockholders. Mr. Bostic disagrees with the Board's assertion in the CEC Preliminary Proxy Statement that a threshold of

Edgar Filing: CAREER EDUCATION CORP - Form PREN14A

thirty-three and one-third percent (33 1/3%) of the outstanding Shares to call a special meeting of Stockholders would result in disruption to the business of CEC and impose significant administrative and financial burdens on CEC. Rather, Mr. Bostic believes that meeting this threshold would require the consensus of a very substantial block of CEC's Stockholders, and that, this high threshold having been met, Stockholders could only benefit from being permitted a forum in which to bring their concerns before the Company. While Mr. Bostic does not fully support Proposal 3 for the reasons described above, he believes that it is preferable to the current provisions of the Certificate which deny the Stockholders any ability to call a special meeting, and accordingly, he recommends that Stockholders vote FOR the Board's proposal to amend the Certificate to permit Stockholders holding at least sixty-six and two-thirds percent (66 2/3%) of the voting power of the Shares to call special meetings of the Stockholders. Each of the Nominees has indicated that if elected they will propose to reduce the threshold to thirty-three and one-third percent (33 1/3%).

The below description is based on the description of Proposal 3 in the CEC Preliminary Proxy Statement.

PROPOSED AMENDMENT TO CERTIFICATE TO PERMIT STOCKHOLDERS TO CALL SPECIAL MEETINGS OF STOCKHOLDERS.

-9-

Article VI of the Certificate currently provides that special meetings of Stockholders may only be called pursuant to a resolution approved by a majority of the Board. If this proposal is approved by Stockholders, Article VI will be amended to allow Stockholders holding at least sixty-six and two-thirds percent (66 2/3%) of the voting power of the Shares entitled to vote at an election of directors to call a special meeting of stockholders.

The Board has also approved conforming amendments to the By-laws contingent upon approval by the Stockholders of the proposed amendment to the Certificate to permit Stockholders holding at least sixty-six and two-thirds percent (66 2/3%) of the voting power of the Shares to call special meetings of Stockholders. Article II, Section 2.6 of the By-laws currently provides that special meetings of stockholders may be called only by the Board. If this proposal is approved, Article II, Section 2.6 of the By-laws will allow Stockholders holding at least sixty-six and two-thirds percent (66 2/3%) of the voting power of the Shares entitled to vote at an election of directors to call a special meeting of Stockholders, subject to certain specified conditions. The Third Amended and Restated By-laws amending Article II, Section 2.6 of the By-laws, will become effective simultaneously with the effective date of the filing of the Restated Certificate of Incorporation permitting the holders of at least sixty-six and two-thirds percent (66 2/3%) of the voting power of shares of Common Stock to call special meetings of stockholders with the Secretary of State of the State of Delaware.

The proposed Restated Certificate of Incorporation, including the proposed amendment to Article VI of the Certificate to permit the Stockholders holding at least sixty-six and two-thirds percent (66 2/3%) of the voting power of the Shares to call special meetings of stockholders, is attached to the CEC Preliminary Proxy Statement as Exhibit A, and the above discussion is qualified in its entirety by reference to such exhibit.

IMPACT OF THE PROPOSAL ON THE FILLING OF VACANCIES BY THE BOARD

All vacancies on the Board and newly-created directorships will continue to be filled by the Board. Any director elected to fill a vacancy not

Edgar Filing: CAREER EDUCATION CORP - Form PREN14A

resulting from an increase in the number of directors will hold office for the same remaining term as that of his or her predecessor and until his or her successor is elected and qualified.

We recommend that you vote FOR the proposal to amend the Certificate to permit the Stockholders holding at least sixty-six and two-thirds percent (66 2/3%) of the voting power of the Shares of Common Stock entitled to vote at an election of directors to call special meetings of Stockholders.

PROPOSAL 4: RATIFICATION OF APPOINTMENT OF AUDITORS

The Audit Committee of the Board has appointed Ernst & Young LLP, independent certified public accountants, to serve as independent auditors of CEC for the year ending December 31, 2006. This firm has audited the accounts of CEC since 2002.

Stockholder ratification of the selection of Ernst & Young LLP as CEC's independent auditors is not required by CEC's By-Laws or otherwise. However, according to the CEC Preliminary Proxy Statements, the Board is submitting to the stockholders at the Annual Meeting a proposal to ratify the Board's appointment of Ernst & Young LLP. According to the CEC Preliminary Proxy Statement, if a majority of the Shares voted at the Annual Meeting, in person or by proxy, are not voted in favor of the ratification of the appointment of Ernst & Young LLP, the Audit Committee will consider the facts and circumstances surrounding the vote and may reconsider such appointment. According to the CEC Preliminary Proxy Statement, notwithstanding this selection and the ratification of this selection by Stockholders, the Audit Committee, in its discretion, may direct the appointment of a different independent accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of CEC and its stockholders.

According to the CEC Preliminary Proxy Statement, it is expected that representatives of Ernst & Young LLP will be present at the meeting and will be available to respond to questions. They will be given an opportunity to make a statement if they desire to do so.

We recommend that you vote FOR the ratification of the appointment of Ernst & Young LLP as the independent auditors of CEC's financial statements for the year ending December 31, 2006.

IF YOU HAVE SIGNED THE BLUE PROXY CARD AND NO MARKING IS MADE, YOU WILL BE DEEMED TO HAVE GIVEN A DIRECTION TO VOTE ALL THE SHARES REPRESENTED BY THE BLUE PROXY CARD FOR THE FOREGOING PROPOSALS.
