Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

The Colorado Business Corporation Act allows a corporation to indemnify its directors, officers, employees, fiduciaries and agents against liability in certain situations. Our Articles of Incorporation authorize us to indemnify our directors to the fullest extent permitted by Colorado law.

Under the Colorado Business Corporation Act indemnification would be mandatory with respect to a director or officer who was wholly successful in defense of an action, suit or proceeding. As permitted by the Colorado Business Corporation Act and our By-laws, we will indemnify directors and officers, and may indemnify employees, fiduciaries and agents, against reasonably incurred expenses, judgments, penalties, fines and amounts paid in settlement reasonably incurred by them in connection with an action, suit or proceeding if it is determined that they conducted themselves in good faith and that they reasonably believed (i) in the case of conduct in their official capacity, that their conduct was in the company's best interests, or (ii) in all other cases (except criminal cases), that their conduct was at least not opposed to the company's best interests, or (iii) in the case of a criminal proceeding, that they had no reasonable cause to believe their conduct was unlawful. In proceedings brought by or in the right of the Company, indemnification will be limited to reasonable expenses incurred in connection with the proceeding. No

indemnification will be provided with respect to any claim, issue or matter in connection with a proceeding by or in the right of the Company in which the person was adjudged to be liable to the Company on in any proceeding charging that the person derived an improper personal benefit, whether or not involving action in an official capacity, in which they were adjudged to be liable to the Company on the basis that they derived an improper personal benefit. Additional indemnification may be provided to officers, employees, fiduciaries or agents if they are not also directors, so long as such additional indemnification is provided for by general or specific action by the board of directors or stockholders or by contract and would not be inconsistent with public policy.

Section 7-109-108 of the Colorado Business Corporation Act provides that a corporation shall have the power to purchase and maintain insurance on behalf of its officers, directors, employees, fiduciaries and agents, against any liability asserted against and incurred by such persons in any such capacity.

Section 7-108-403 of the Colorado Business Corporation Act provides, among other things, that a director, who votes for or assents to an unlawful payment of dividends or an unlawful stock purchase or redemption, may be held liable for such actions.

Section 7-108-402 of the Colorado Business Corporation Act allows a Colorado corporation to eliminate or limit the personal liability of a director to the corporation or to its shareholders for monetary damages for a breach of fiduciary duty as a director, except for liabilities arising from any breach of the director's duty of loyalty to the corporation or its shareholders, from acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, from any transaction from which the director derived an improper personal benefit, or from any other act, omission or transaction as to which the Colorado Business Corporation Act prohibits the elimination or limitation of liability. Our Articles of Incorporation contain a provision limiting director liability for monetary damages for his or her conduct as a director.

Our directors and officers are covered by insurance policies maintained by us against specified liabilities for actions taken in their capacities as such, including liabilities under the Securities Act of 1933.

Item 7. Exemption from Registration Claimed.

Not applicable.

ITEM 8. EXHIBITS.

The exhibits to this registration statement are listed in the Exhibit Index that immediately precedes such exhibits and is incorporated herein by reference.

Item 9. Undertakings.

A. The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (1)(i) and (1)(ii) above do not apply if information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement;

That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment (2) shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act, (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
