PROXY STATEMENT
2001 ANNUAL MEETING OF STOCKHOLDERS
MAY 30, 2001

SOLICITATION, VOTING AND REVOCABILITY OF PROXIES

This Proxy Statement and the accompanying proxy card are furnished to stockholders of McLeodUSA Incorporated entitled to vote in connection with the solicitation by the Board of Directors of McLeodUSA (the "Board of Directors") of proxies to be used at the 2001 Annual Meeting of Stockholders to be held on Wednesday, May 30, 2001 at 10:00 a.m., local time, at the Collins Plaza Hotel, 1200 Collins Road NE, Cedar Rapids, Iowa, and at any adjournment thereof.

If the enclosed proxy card is properly executed by a holder of shares of Class A common stock and returned to McLeodUSA in time to be voted at the Annual Meeting, the shares represented thereby will be voted in accordance with

Edgar Filing: MCLEODUSA INC - Form DEF 14A

instructions marked thereon. EXECUTED BUT UNMARKED PROXIES WILL BE VOTED:

- o "FOR" PROPOSAL 1 TO ELECT THE NOMINEES FOR DIRECTOR
- o "FOR" PROPOSAL 2 TO RATIFY THE APPOINTMENT OF ARTHUR ANDERSEN LLP AS OUR INDEPENDENT PUBLIC ACCOUNTANTS FOR THE 2001 FISCAL YEAR

If any other matters properly come before the Annual Meeting, the persons named in the accompanying proxy will vote the shares represented by such proxies on such matters in accordance with their best judgment.

Instead of submitting a signed proxy card, stockholders may submit their proxies by telephone or through the Internet using the control number and instructions on the proxy card. Telephone and Internet proxies must be used in conjunction with, and will be subject to, the information and terms contained on the proxy card. These procedures may not be available to stockholders who hold their shares through a broker, nominee, fiduciary or other custodian.

The presence of a stockholder at the Annual Meeting will not automatically revoke such stockholder's proxy. Stockholders may, however, revoke a proxy at any time before its exercise by filing with the Secretary of McLeodUSA a written revocation or a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person. A stockholder who submits a proxy by telephone or through the Internet may also revoke it by submitting a new proxy using the same procedures at a later date.

The cost of solicitation of proxies will be borne by us. In addition to the solicitation of proxies by mail, our officers, directors or employees also may solicit proxies personally or by telephone or other means. These persons will not be specifically compensated for the solicitation activities. Arrangements also will be made with brokerage houses and other custodians, nominees and fiduciaries for forwarding solicitation materials to the beneficial owners of shares held of record by these persons, and we will reimburse these persons for their reasonable expenses.

The close of business on April 3, 2001 has been fixed by the Board of Directors as the Record Date for determination of stockholders entitled to vote at the Annual Meeting. As of the Record Date, our outstanding capital stock consisted of 612,000,479 shares of Class A common stock, par value \$0.01 per share (the "Class A common stock"), 1,149,398 shares of Series A preferred stock, 275,000 shares of Series B preferred stock and 125,000 shares of Series C preferred stock. Each holder of Class A common stock is entitled to one vote per share with respect to all matters as to which a vote is taken at the Annual Meeting. Holders of our preferred stock are not entitled to vote at the Annual Meeting.

Our Bylaws provide that the holders of a majority of the voting rights of the shares of common stock issued and outstanding and entitled to vote shall constitute a quorum at the Annual Meeting. Stockholders' votes will be tabulated by persons appointed by the Board of Directors to act as inspectors of election for the Annual Meeting.

Assuming the presence of a quorum at the Annual Meeting:

- o a plurality of the votes cast at the Annual Meeting by the holders of Class A common stock is required for election of directors; and
- o a majority of the voting rights present and entitled to vote at the Annual Meeting by the holders of Class A common stock is required to ratify the appointment of Arthur Andersen LLP as our independent public accountants.

Edgar Filing: MCLEODUSA INC - Form DEF 14A

Unless otherwise required by applicable law or our Certificate of Incorporation or Bylaws, the affirmative vote of a majority of the voting rights present and entitled to vote at the Annual Meeting by the holders of Class A common stock is required to decide any other matter submitted to a stockholder vote. Our Certificate of Incorporation does not provide for cumulative voting in the election of directors.

Abstentions and broker non-votes will be treated as shares that are present, in person or by proxy, and entitled to vote for purposes of determining the presence of a quorum at the Annual Meeting. Broker non-votes will not be counted as present or entitled to vote on any matter presented at the Annual Meeting. As a result, broker non-votes will not have any effect on Proposals 1 or 2. Abstentions will be counted as shares that are present and entitled to vote on matters presented at the Annual Meeting. As a result, abstentions will not have any effect on Proposal 1 but will have the same effect as a vote against Proposal 2.

As of the Record Date, Clark E. and Mary E. McLeod beneficially owned 54,468,311 shares of Class A common stock, Alliant Energy Corporation (collectively with its subsidiaries and Alliant Energy Foundation, Inc., "Alliant Energy") beneficially owned 56,201,576 shares of Class A common stock, Richard A. Lumpkin beneficially owned 11,178,836 shares of Class A common stock, and Media/Communications Partners III Limited Partnership and M/C Investors L.L.C. (together, "M/C") beneficially owned 23,483,154 shares of Class A common stock, representing approximately 8.9%, 9.1%, 1.8% and 3.8%, respectively, or approximately 23.5% in the aggregate, of the voting rights of the shares of Class A common stock entitled to vote at the Annual Meeting. Mr. and Mrs. McLeod, Alliant Energy, Mr. Lumpkin and M/C have advised us that they intend to vote in favor of approval of all matters described in this Proxy Statement. Consequently, the likelihood of the approval of all the proposals set forth in this Proxy Statement is substantially enhanced. Mr. and Mrs. McLeod, Alliant Energy, Mr. Lumpkin, M/C and several other stockholders also have entered into one or more voting agreements with respect to the election of directors. See "--Principal Holders of Voting Securities--Stockholders' Agreements."

This Proxy Statement, the Notice of Annual Meeting of Stockholders and the proxy card were first mailed to stockholders entitled to vote on or about April 20, 2001.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" APPROVAL OF THE PROPOSALS SET FORTH IN THIS PROXY STATEMENT.

2

ELECTION OF DIRECTORS (Proposal 1)

Our Bylaws provide that the Board of Directors shall consist of not fewer than three directors nor more than fifteen directors and that the number of directors, within such limits, shall be determined by resolution of the Board of Directors. The Board of Directors currently consists of thirteen directors, divided into three classes of directors serving staggered three-year terms.

Edgar Filing: MCLEODUSA INC - Form DEF 14A

Unless otherwise specified on the proxy card, it is the intention of the persons named in the proxy to vote the shares represented by each properly executed proxy for the election as directors of Ms. Bingaman, and Messrs. Claudy, Collins, Hesse and Lumpkin. The Board of Directors believes that such nominees will stand for election and will serve if elected. If any person nominated by the Board of Directors fails to stand for election or is unable to accept election, the proxies will be voted for the election of such other person or persons as the persons named in the accompanying proxy shall determine in accordance with their best judgment. Pursuant to the Bylaws, directors are elected by plurality vote.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee is composed entirely of outside directors. During 2000, the Compensation Committee consisted of Paul D. Rhines, Thomas M. Collins, Lee Liu (January 1 through May 31) and Erskine Bowles (May 31 through December 31). Mr. Liu retired from the Board of Directors on May 31, 2000.

During 2000, we paid 2060 Partnership, L.P. \$243,900 for the rental of office and parking spaces in Cedar Rapids, Iowa. 2001 Development Company, an Iowa corporation, is the general partner and 80% owner of 2060 Partnership, L.P. Alliant Energy and McLeodUSA own 54.56% and 3.03%, respectively of the outstanding stock of 2001 Development Company. The directors and officers of 2001 include Mr. Collins and James E. Hoffman, directors of McLeodUSA, and Clark E. McLeod, a director and executive officer of McLeodUSA. Mr. Lee Liu, a former Compensation Committee member, was Chairman of Alliant Energy until April 2000. Mr. Hoffman, a director of McLeodUSA, is Executive Vice President of Alliant Energy.

Mr. Collins is also a director of APAC Customer Services, Inc. ("APAC"). In March 2000, McLeodUSA entered into an agreement with APAC under which APAC provides sales, marketing and customer care services to McLeodUSA. McLeodUSA paid \$30,722 in 2000 to APAC under this agreement. APAC paid McLeodUSA \$502,508 in 2000 for telecommunications services. Clark E. McLeod, an executive officer and director of McLeodUSA, is also a director of APAC.

Edgar Filing: MCLEODUSA INC - Form DEF 14A

During 2000, we paid \$622,096 to Shuttleworth & Ingersoll, P.C., a law firm in Cedar Rapids, Iowa, for legal services rendered. We plan to retain the firm in 2001. McLeodUSA provides local and long distance telephone service for Shuttleworth & Ingersoll, P.C., for which we were paid \$54,134 in 2000. Thomas M. Collins is of counsel at Shuttleworth & Ingersoll, P.C.

For a description of certain other transactions, see "--Certain Transactions."

Employment, Confidentiality and Non-Competition Agreements

On January 7, 2000, we entered into executive employment agreements with Clark E. McLeod, Stephen C. Gray and Roy A. Wilkens (collectively, the "Executives"). These agreements set forth the terms and conditions for the respective employment of the Executives. The significant terms of the agreements are as follows:

- o Term. The term of each agreement runs until January 7, 2003.
- o Salary and Bonus Compensation. Each of the Executives receives an initial base annual salary of \$400,000, subject to a potential increase each year based on competitive survey data. In addition, each Executive is entitled to bonus opportunities set at not less than 50% of the base annual salary.
- o Equity Compensation. In connection with the agreements, Mr. McLeod was granted an option to purchase 3,000,000 shares of Class A common stock and each of Messrs. Gray and Wilkens was granted an option to purchase 6,000,000 shares of Class A common stock. Each option has an option exercise price equal to the fair market value of the Class A common stock which, in accordance with our 1996 Employee Stock Option Plan, is the closing price of the Class A Common Stock on January 6, 2000.
- o Split Dollar Life Insurance. Pursuant to Mr. McLeod's agreement, McLeodUSA pays a portion of the premiums on split dollar life insurance premiums for the benefit of the McLeod Family 1998 Special Trust. See "--Certain Transactions."
- o Other Benefits. Each Executive is eligible to participate in all of our standard benefit plans.
- o Noncompetition and Nonsolicitation. The Executives are bound by noncompetition and nonsolicitation covenants for the term of the agreements, and for an additional year in certain circumstances.
- o Severance Benefits. If an Executive terminates his employment for good reason or if we terminate his employment in breach of the agreement, the Executive is entitled to: (a) his full salary through the date of termination and amounts due under any applicable compensation plan; (b) a liquidated damages payment approximately equal to the number of years (including partial years) remaining in the term of the agreement, multiplied by the Executive's salary and bonus on the date of termination; (c) full vesting of stock options granted during the term of the agreement, with such options to remain exercisable for four years; (d) continued health and related benefits for the remainder of the term of the agreement; and (e) a gross-up payment to cover excise tax payments due on the Executive's severance benefits.

Edgar Filing: MCLEODUSA INC - Form DEF 14A

We have agreements with most members of senior management, including the remaining Named Executive Officers, which govern matters of employment, nonsolicitation and noncompetition. These agreements typically provide that the applicable senior management employee may not compete with us during the term of his or her employment and for either a one or a two-year period following a termination for cause, a resignation or a voluntary termination of employment. The agreements also provide that employees subject to the agreements may not disclose any of our confidential information while employed by us or thereafter. Certain agreements provide that the employee may not solicit our customers or employees after leaving our employment. The agreements have an indefinite term and may be terminated upon advance written notice by either party; provided, however, that the confidentiality and non-competition obligations will survive any such termination. As partial consideration for the execution of the employment, confidentiality, and non-competition agreements, we grant to the employees signing such agreements options to purchase shares of Class A common stock at exercise prices which are based on the fair market value of the Class A common stock on the date of grant. Such options are granted pursuant to our 1996 Employee Stock Option Plan.

Change-of-Control Agreements

We have entered into change-of-control agreements with our executive officers, including the Named Executive Officers, which provide for payments and benefits in connection with specified terminations of employment after a change of control of McLeodUSA. The change-of-control agreements terminate on December 31, 2006, unless a change of control has occurred during the six months preceding December 31, 2006, in which case the agreements terminate on December 31, 2007. If an executive who is a party to a change-of-control agreement terminates employment within six months after a change of control or, if within 24 months after a change of control, the executive's employment is terminated by McLeodUSA (other than for disability, cause, death or retirement) or by the executive following a material reduction in responsibilities or compensation:

- o the executive will be entitled to a lump sum payment equal to 24 times the executive's average monthly compensation during the 12 months immediately preceding the change of control or the date of termination, whichever average monthly compensation is higher;
- o all of the executive's outstanding options to purchase stock of McLeodUSA will become immediately exercisable in full; and
- o if the executive elects to continue coverage under the group health plan, McLeodUSA will continue to pay the employer portion of the premiums for such coverage for the longer of 24 months or the period of coverage provided by Section 4980B of the Internal Revenue Code of 1986 (the "Code").

An executive who is entitled to payment(s) pursuant to a change-of-control agreement is subject to a non-compete provision generally restricting the executive from competing with us for a two-year period after the termination of employment.

Compensation Committee Report on Executive Compensation

The Compensation Committee of the Board of Directors has prepared the following report on policies with respect to the compensation of executive officers for 2000.

Decisions on compensation of executive officers are made by the Compensation Committee. The Compensation Committee also administers our stock option plans and stock purchase plan. No member of the Compensation Committee is an employee of McLeodUSA. The Compensation Committee consisted of Paul D.

Edgar Filing: MCLEODUSA INC - Form DEF 14A

Rhines, Thomas M. Collins and Lee Liu from January 1, 2000 until May 31, 2000 and Paul D. Rhines, Thomas M. Collins and Erskine B. Bowles from May 31, 2000 to December 31, 2000.

Compensation Policies Toward Executive Officers

The compensation policies are designed to:

- o attract, motivate and retain experienced and qualified executives;
- o increase the overall performance of McLeodUSA;
- o increase stockholder value; and
- o increase the performance of individual executives.

11

The Compensation Committee seeks to provide competitive salaries based upon individual performance together with annual cash bonuses awarded based on our overall performance relative to corporate objectives, taking into account individual contributions, teamwork and performance levels. The Compensation Committee believes that the level of base salaries plus bonuses of executives should generally be managed to be below the midpoint of the competitive market. In addition, it is our policy to grant stock options to executives upon their commencement of employment and annually thereafter in order to strengthen the alliance of interest between such executives and stockholders and to give executives the opportunity to reach the top compensation levels of the competitive market depending on our performance (as reflected in the market price of the Class A common stock).

The following describes in more specific terms the elements of compensation that implement the Compensation Committee's compensation policies, with specific reference to compensation reported for 2000:

Base Salaries. Base salaries of executives are initially determined by evaluating the responsibilities of the position, the experience and knowledge of the individual, and the competitive marketplace for executive talent, including a comparison to base salaries for comparable positions at peer public companies in the same geographic region. Base salaries for executive officers are reviewed annually by the Compensation Committee based upon, among other things, individual performance and responsibilities.

Annual salary adjustments for executive officers are recommended by the Chairman and President by evaluating the performance of each executive officer after considering new responsibilities and the previous year's performance. The Compensation Committee performs the same evaluation of the performance of Messrs. McLeod, Gray and Wilkens (the "Executives"). The Executives' employment agreements entered into on January 7, 2000 are discussed in more detail below. In addition, see "--Employment, Confidentiality and Non-Competition Agreements." Individual performance ratings take into account such factors as achievement of specific goals that are driven by the strategic plan and attainment of specific individual objectives. The factors impacting base salary levels are not assigned specific weights but are subject to adjustments by the Compensation Committee.

Bonuses. Annual bonuses to executive officers are based on both corporate and individual performance, as measured by reference to factors which reflect objective performance criteria over which management generally has the ability to exert some degree of control. These corporate performance factors consist of revenue and earnings targets established in the annual budget. Bonuses for 2000 were based upon the achievement of such financial and operating factors. Additional discretionary bonuses are occasionally awarded for exceptional performance.

Edgar Filing: MCLEODUSA INC - Form DEF 14A

Stock Options. A third component of executive officers' compensation involves the grant of options to purchase shares of Class A common stock. The Compensation Committee grants stock options to executives in order to align their interests with the interests of the stockholders. Stock options are considered by the Compensation Committee to be an effective long-term incentive because the executives' gains are linked to increases in the stock value which in turn provides stockholder gains.

The Compensation Committee generally grants options to new executive officers and other key employees upon their commencement of employment with us and on an annual basis. The options generally are granted at an exercise price equal to the higher of market price of the Class A common stock at the date of the grant or the average market price over the preceding 30 days. Options granted to executive officers typically vest over a period of one to seven years following the date of grant. The maximum option term is ten years (or five years in the case of an incentive stock option (as defined in the Code) granted to an optionee beneficially owning more than 10% of the outstanding Class A common stock). The full benefit of the options is realized upon appreciation of the stock price in future periods, thus providing an incentive to create value for our stockholders through appreciation of stock price. We believe that stock options have been helpful in attracting and retaining skilled executive personnel.

Stock option grants made to executive officers in 2000 reflect significant individual contributions relating to operations and implementation of development and growth programs. Certain newly hired executive officers also received stock option grants at the time of the commencement of their employment. During 2000, we granted stock options covering a total of approximately 52.2 million shares of Class A common stock to approximately 9,000 employees, including options covering an aggregate of 16,155,000 shares of Class A common stock to seven executive officers. The per share option exercise price of such options was \$17.5208 for the seven executive officers and from \$0.16 to \$124.48 for non-executive officer employees, which generally equaled the fair market value of a share of Class A common stock on the respective dates of grant. These options include options granted or assumed in the conversion of options previously granted by companies acquired by McLeodUSA.

12

Other. We have a contributory retirement plan (the "401(k) Plan") for our employees (including executive officers) age 21 and over with at least three months of service with us. The 401(k) Plan provides that each participant may contribute up to 15% of his or her salary (not to exceed the annual statutory limit). We generally make matching contributions to each participant's account equal to 50% of the participant's contribution up to 2% of the participant's annual compensation. In addition we consider making a discretionary annual match of up to another 50% of the participant's contribution up to 2% of the participant's annual compensation. Thus, the total matching contribution can be up to 4% of the participant's annual compensation.

Executive Employment Agreements

At the end of 1999, in conjunction with efforts to hire Mr. Wilkens, the Compensation Committee undertook a review and analysis of the existing employment and compensation arrangements with Messrs. McLeod and Gray. The Compensation Committee considered information or advice received from Towers Perrin, Salomon Smith Barney, Arthur Andersen, Williams & Connolly and Cravath, Swain & Moore. The Compensation Committee also investigated and considered compensation, employment and stock ownership information of other telecommunications executives. As a result, the Compensation Committee approved employment agreements with Messrs. McLeod, Gray and Wilkens, see "--Employment,

Edgar Filing: MCLEODUSA INC - Form DEF 14A

Confidentiality and Non-Competition Agreements." The Compensation Committee manages these employment agreements and sets compensation for the Executives pursuant to these agreements.

Chief Executive Officer Compensation

In January 2000, an employment agreement with Mr. McLeod, as Chief Executive Officer, was approved by the Compensation Committee. See "--Employment, Confidentiality and Non-Competition Agreements." The executive compensation policy described in the preceding paragraph was applied in developing the agreement and setting Mr. McLeod's 2000 compensation.

Mr. McLeod's compensation during the year ended December 31, 2000 included \$397,692 in base salary and \$166,651 in cash bonus. Mr. McLeod was also granted in 2000 stock options to purchase 3,000,000 shares of Class A common stock. The number of options granted to Mr. McLeod was only 50% of the number granted to each of the other two members of the Office of the Chief Executive. In addition, we paid \$1,880,000 of premiums on split dollar life insurance policies for the benefit of the McLeod Family 1998 Special Trust in 2000. For additional information on this arrangement, see "--Certain Transactions." Mr. McLeod's salary, bonus payments and stock option grants for 2000 were consistent with the terms of his employment agreement and in recognition of the achievement of corporate performance in 2000.

Compensation Deductibility Policy

Section 162(m) of the Code generally disallows a tax deduction to public corporations for compensation over \$1,000,000 paid for any fiscal year to the corporation's chief executive officer and four other most highly compensated executive officers as of the end of any fiscal year. However, the statute exempts qualifying performance-based compensation from the deduction limit if specified requirements are met. The Compensation Committee intends to structure stock option grants to executive officers who may be subject to Section 162(m) in a manner that satisfies those requirements.

The Board of Directors and the Compensation Committee reserve the authority to award non-deductible compensation in other circumstances as they deem appropriate. Further, because of ambiguities and uncertainties as to the application and interpretation of Section 162(m) and the regulations issued thereunder, no assurance can be given, notwithstanding our efforts, that compensation intended by McLeodUSA to satisfy the requirements for deductibility under Section 162(m) does in fact do so.

Respectfully submitted,

Compensation Committee

Erskine B. Bowles, Chairman
Paul D. Rhines
Thomas M. Collins

Comparative Stock Performance

The following chart sets forth comparative information regarding cumulative stockholder return on Class A common stock since the initial public offering was completed in June 1996. Total stockholder return is measured by dividing total dividends (assuming dividend reinvestment) plus share price change for a period by the share price at the beginning of the measurement period. We have never

Edgar Filing: MCLEODUSA INC - Form DEF 14A

paid a cash dividend on our Class A common stock. Our cumulative stockholder return based on an investment of \$100 at June 11, 1996, when the Class A common stock was first traded on The Nasdaq Stock Market, at its split-adjusted closing price of \$4.1875, is compared to the cumulative total return of the Standard & Poor's 500 Stock Index and The Nasdaq Telecommunications Stocks Index, comprised of publicly traded companies which are principally in the telecommunications business, during that same period.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 (the "Exchange Act"), requires the directors, officers and greater than ten percent beneficial owners of our Class A common stock to file with the Securities and Exchange Commission (the "SEC") initial reports of ownership of our equity securities and to file subsequent reports when there are changes in such ownership. Directors, officers and greater than ten percent beneficial owners are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file.

Based on our review of these reports and on written representations from the reporting persons that no other reports were required, we believe that during the fiscal year ended December 31, 2000 our directors, officers and greater than ten percent beneficial owners complied with all applicable Section 16(a) filing requirements.

Certain Transactions

Edgar Filing: MCLEODUSA INC - Form DEF 14A

McLeodUSA has entered into various agreements with Orillion USA, Inc. (formerly InvenSys USA, Inc.) and several of its affiliates (collectively "Orillion") pursuant to which Orillion provides information technology development, programming and consulting services, and investment management services to McLeodUSA. Pursuant to these agreements, McLeodUSA paid Orillion approximately \$2,349,356 in 2000. The payments in 2000 were

14

principally related to a \$4,000,000 license fee under a license and joint development agreement entered into in March 2000 by McLeodUSA and Orillion. Clark E. McLeod, an executive officer and director of McLeodUSA, was a director of Orillion USA, Inc. until his resignation in December 2000 and Roy A. Wilkens, an executive officer and director of McLeodUSA is currently a director of Orillion USA, Inc.

McLeodUSA provides paging services, customer premise equipment ("CPE"), labor and services for CPE, long distance service, 800 service and private lines to First Mid-Illinois Bancshares. First Mid-Illinois Bancshares paid McLeodUSA \$425,017 for these services in 2000. In April 2000, McLeodUSA disposed of shares that it held in First Mid-Illinois Bancshares valued at approximately \$1,168,000. Of the shares disposed, First Mid-Illinois paid \$152,000 to McLeodUSA to redeem shares; the Lumpkin Foundation, Inc., a nonprofit corporation, paid \$638,400 to McLeodUSA to purchase shares; shares valued at approximately \$125,000 were gifted by McLeodUSA to the Lumpkin Foundation, consistent with historical charitable giving practices of McLeodUSA; and the balance of the shares were sold to a third party. The disposition of the shares was approved by the Board of Directors of McLeodUSA which determined that the transfer price was at fair market value. Richard A. Lumpkin, Margaret Lumpkin Keon and Mary Lumpkin Sparks own approximately 14.0%, 6.4% and 6.4% of the capital stock of First Mid-Illinois Bancshares, respectively. Richard A. Lumpkin, an executive officer and director of McLeodUSA is also a director of First Mid-Illinois Bancshares.

McLeodUSA paid \$1,136,235 in 2000 to lease office space from various entities in which Richard A. Lumpkin, Margaret Lumpkin Keon and Mary Lumpkin Sparks have ownership interests. Their financial interest in these transactions totaled \$565,506. Mr. Lumpkin is a director, executive officer and significant stockholder of McLeodUSA and Mrs. Keon and Mrs. Sparks are stockholders of McLeodUSA.

RATIFICATION OF THE APPOINTMENT OF THE COMPANY'S INDEPENDENT PUBLIC ACCOUNTANTS FOR THE 2001 FISCAL YEAR (Proposal 2)

At the recommendation of the Audit Committee of the Board of Directors, the Board of Directors has appointed the firm of Arthur Andersen LLP as our independent public accountants for the fiscal year ending December 31, 2001. Arthur Andersen LLP has been our principal independent public accountants for the past four years.

Stockholder ratification of Proposal 2 is not required by the Bylaws or otherwise. However, the Board of Directors is submitting Proposal 2 to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify Proposal 2, the Board of Directors will reconsider whether or not to retain Arthur Andersen LLP. Even if Proposal 2 is ratified, the Board of Directors in its discretion may direct the appointment of a different independent accountant at any time during the year if the Board of Directors determines that such a change would be in the best interests of McLeodUSA and its stockholders.

It is expected that representatives of Arthur Andersen LLP will be present at the Annual Meeting and will have the opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

During 2000, we paid the following fees to Arthur Andersen LLP:

- 1) Audit Fees: annual audit and quarterly reviews, \$720,500;
- 2) Financial Information Systems Design and Implementation Fees: \$5,086,000 (including fees through August 7, 2000 to Accenture, an affiliate of Arthur Andersen LLP through that date); and
- 3) All Other Fees: \$1,221,630. All other Fees principally included SEC filings, tax compliance and consulting, and internal audit services.

The Audit Committee considered whether the provision of services covered by Financial Information Systems Design and Implementation Fees and All Other Fees is compatible with maintaining the independence of Arthur Andersen LLP.

The affirmative vote of a majority of the voting rights present at the Annual Meeting is required to approve Proposal 2.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" PROPOSAL 2.

STOCK OWNED BY MANAGEMENT

The following beneficial ownership table sets forth information regarding beneficial ownership of Class A common stock as of the Record Date by:

- o each director and director nominee;
- o each Named Executive Officer; and
- o all executive officers and directors as a group.

Under the Exchange Act, a person is deemed to be a "beneficial owner" of a security if he or she has or shares the power to vote or direct the voting of such security or the power to dispose or direct the disposition of such security. A person is also deemed to be a beneficial owner of any securities of which that person has the right to acquire beneficial ownership within 60 days. More than one person may be deemed to be a beneficial owner of the same securities. The percentage ownership of each stockholder is calculated based on the total number of outstanding shares of Class A common stock as of the Record Date plus those shares of Class A common stock that such stockholder has the right to acquire within 60 days. Consequently, the denominator for calculating such percentage may be different for each stockholder.

The table is based upon information supplied by the directors and executive officers. Unless otherwise indicated in the footnotes to the table, each of the stockholders listed has sole voting and dispositive power with respect to the shares shown as beneficially owned.

The number of option shares includes shares of Class A common stock that the individuals named in the table have the right to acquire within 60 days from the Record Date upon exercise of options.
