Report of Independent Accountants

To the Participants and Administrator of
the DuPont Flooring Systems, Inc. 401(k) Plan
and DuPont Residential Flooring Systems, Inc. 401(k) Plan
(formerly "DuPont Commercial Flooring Systems, Inc. 401(k) Plan
and DuPont Residential Flooring Systems, Inc. 401(k) Plan")

In our opinion, the accompanying statements of net assets available for benefits and the related statements of changes in net assets available for benefits present fairly, in all material respects, the net assets available for benefits of the DuPont Flooring Systems, Inc. 401(k) Plan and DuPont Residential Flooring Systems, Inc. 401(k) Plan (formerly "DuPont Commercial Flooring Systems, Inc. 401(k) Plan and DuPont Residential Flooring Systems, Inc. 401(k) Plan") (the "Plan") at December 31, 2000 and 1999, and the changes in net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America. These financial statements are the responsibility of the Plan's management; our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits of these statements in accordance with auditing standards generally accepted in the United States of America which require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets held for investment purposes at end of year is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Notes to Financial Statements

1. Description of Plan

The following description of the DuPont Flooring Systems, Inc. 401(k) Plan and DuPont Residential Flooring Systems, Inc. 401(k) Plan (formerly "DuPont Commercial Flooring Systems, Inc. 401(k) Plan and DuPont Residential Flooring Systems, Inc. 401(k) Plan") (the "Plan") provides only general information. Participants should refer to the Plan agreements for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established effective July 1, 1995 and most recently amended effective February 1, 2000. Non-union employees of DuPont Commercial Flooring Systems, Inc. and DuPont Residential Flooring Systems, Inc. (the "Company", collectively) become eligible to participate upon completing six months of service and attaining the age of 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective October 1, 1999, the DuPont Commercial Flooring Systems, Inc. 401(k) Plan was amended to establish the DuPont Residential Flooring Systems, Inc. 401(k) Plan as a division within the Plan.

Effective February 1, 2000, the Plan was amended to change the name to DuPont Flooring Systems, Inc. 401(k) Plan and DuPont Residential Flooring Systems, Inc. 401(k) Plan.

Contributions

Participants may contribute an amount equal to not less than 1 percent nor more than 15 percent of their compensation for the contribution period. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a general account, 13 pooled separate accounts and 2 Company stock accounts as investment options for participants. During 1999, the CIGNA Charter Guaranteed Short-Term Account, the CIGNA Fidelity Asset Manager Fund, the CIGNA Warburg Pincus Advisor Growth & Income Fund and the CIGNA Warburg Pincus Advisor International Equity Fund were discontinued as investment options. Employee contributions are recorded in the period during which the Company makes payroll deductions from the participant's earnings.

Effective February 1, 2000, the Company will make a matching contribution equal to \$.30 for each \$1.00 contributed by a participant, up to a maximum of 7 percent of the participant's compensation. Prior to February 1, 2000, the Company made a matching contribution in an amount equal to \$.20 for each \$1.00 contributed by a participant, up to a maximum of 8 percent of the participant's compensation. The Company may also make discretionary

Edgar Filing: DUPONT E I DE NEMOURS & CO - Form 11-K

qualified nonelective contributions. Matching Company contributions are recorded monthly. Discretionary qualified nonelective contributions, if any, are recorded annually.

The Conoco Common Stock Fund is an investment option of the Plan, as a result of a prior stock exchange. Participants were given the option to exchange Company common stock for Conoco common stock. No additional shares of Conoco common stock may be purchased by Plan participants through payroll deductions, fund transfers or the reinvestment of dividends.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of the Company's contribution and Plan earnings. Earnings are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participant's investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their own contributions and the Company's discretionary qualified nonelective contributions plus actual earnings thereon. Vesting in the Company's matching contribution is based on years of service. A participant becomes 20 percent vested after one year of service, 40 percent after two years of service, 60 percent after three years of service, 80 percent after four years of service and 100 percent vested after five years of service. If an active participant dies prior to attaining the normal retirement age, the participant's account becomes 100 percent vested.

Benefit Payments

On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the vested portion of his or her account, a distribution in the form of an annuity, or installment payments. Distributions are subject to the applicable provisions of the Plan agreement. Benefit claims are recorded as expenses when they have been approved for payment and paid by the Plan.

Participant Notes Receivable

Participants may borrow a minimum of \$1,000, up to a maximum of \$50,000 or 50 percent of the vested portion of his or her account balance, whichever is less. Loans are treated as a transfer to/from the investment fund from/to Participant Notes Receivable. A loan is secured by the balance in the participant's account and bears interest at a rate commensurate with market rates for similar loans, as defined (8.75% to 10.75% and 7.00% to 10.75% for the years ended December 31, 2000 and 1999, respectively).

2. Summary of Accounting Policies

Method of Accounting

Edgar Filing: DUPONT E I DE NEMOURS & CO - Form 11-K

The Plan's financial statements are prepared on the accrual basis of accounting. The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein. Actual results could differ from those estimates.

6

DuPont Flooring Systems, Inc. 401(k) Plan and
DuPont Residential Flooring Systems, Inc. 401(k) Plan
Notes to Financial Statements

During the year ended December 31, 1999 the Plan adopted AICPA Statement of Position 99-3, "Accounting for and Reporting of Certain Defined Contribution Plan Investments and Other Disclosure Matters."

Investment Valuation

Investments in the general accounts are non-fully benefit responsive and are stated at fair value. Investments in pooled separate accounts are stated at fair value, as determined by the unit value reported by Connecticut General Life Insurance Company ("CG Life"). Participant notes receivable are valued at cost which approximates fair value. The investments in Company stock accounts are valued at their quoted market price.

3. Investments

Investments that represent 5 percent or more of the Plan's net assets are separately identified below.

	December 31, 2000	1999

Edgar Filing: DUPONT E I DE NEMOURS & CO - Form 11-K

The Plan participates in contracts with CG Life via investments in the CIGNA Charter Guaranteed Income Fund and CIGNA Charter Guaranteed Short-Term Account. CG Life commingles the assets of the CIGNA Charter Guaranteed Income Fund with other assets. For the Plan's investment in the CIGNA Charter Guaranteed Income Fund, the Plan is credited with interest at the rates specified in the contract which was 5.25% and 5.20% for the years ended December 31, 2000 and 1999, respectively, net of asset charges. For the Plan's investment in the CIGNA Charter Guaranteed Short-Term Account, the Plan was credited with interest at a yield which averaged 3.10% for the year ended December 31, 1999, net of asset charges. As discussed in Note 2, the CIGNA Charter Guaranteed Income Fund and CIGNA Charter Guaranteed Short-Term Account are included in the financial statements at fair value which, principally because of the periodic rate reset process, approximates contract value.

5. Related-Party Transactions

Plan assets include investments in funds managed by CG Life, a wholly-owned subsidiary of CIGNA. CG Life is the Plan's trustee and as such, transactions with the trustee qualify as party-in-interest transactions. Personnel and facilities of the Company have been used to perform administrative functions for the Plan at no charge to the Plan. In addition, the Plan holds shares of E.I. DuPont De Nemours & Co. Inc., the Plan Sponsor, which also qualifies as a party-in-interest. The Plan holds shares of Conoco, Inc., a formerly wholly-owned subsidiary of the Plan sponsor, which also qualifies as a party-in-interest.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

7. Tax Status

The Company has adopted a CG Life prototype plan which has been determined by the Internal Revenue Service to be in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has not yet filed for an individual determination letter. The Plan's administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC, therefore, no provision for income taxes has been included in the Plan's financial statements.

8. Reconciliation of Plan Financial Statements to the Form 5500

Certain balances included on Schedule H (Part I and II) of the Annual Return/Report of Employee Benefit Plan (the "Form 5500") have been reclassified for purposes of presentation in these financial statements to provide additional disclosure.

9. Forfeitures

Edgar Filing: DUPONT E I DE NEMOURS & CO - Form 11-K

The net change in forfeiture reserve represents the net change in the available forfeiture reserve balance from the prior year plus the current year forfeitures generated. Forfeitures result from nonvested Company contributions remaining in the Plan for all terminated employees. Upon reaching the break-in-service requirement, as defined in the Plan agreement, forfeitures generated are added to the forfeiture reserve balance. The forfeiture reserve of \$59,573 and \$53,349 at December 31, 2000 and 1999, respectively, is available to offset contributions or pay Plan expenses, which would be otherwise payable by the Company, in accordance with the Plan agreement. In 1999 Company cash contributions were offset by \$94 from forfeited nonvested accounts.
