LETTER TO SHAREHOLDERS

July 31, 2003

Dear Shareholder:

We are pleased to report that during the semi-annual period, the Trusts continued to provide monthly income, as well as the opportunity to invest in various portfolios of municipal securities. The portfolio management team continuously monitors the municipal bond market and adjusts the portfolios in order to gain exposure to various issuers, revenue sources and security types. This strategy enables the Trusts to move among different sectors, credits and coupons to capitalize on changing market conditions.

The following table shows the Trusts' yields, tax-equivalent yields, closing market prices per share and net asset values ("NAV") per share as of June 30, 2003.

NOTES TO FINANCIAL STATEMENTS (UNAUDITED)

NOTE 1. ORGANIZATION & ACCOUNTING POLICIES

The BlackRock Insured Municipal 2008 Term Trust Inc. ("Municipal Insured 2008"), The BlackRock Insured Municipal Term Trust Inc. ("Insured Municipal"), The BlackRock Municipal Target Term Trust Inc. ("Municipal Target"), The BlackRock

Edgar Filing: BLACKROCK MUNICIPAL 2018 TERM TRUST - Form N-CSRS

California Insured Municipal 2008 Term Trust Inc. ("California Insured 2008") and The BlackRock New York Insured Municipal 2008 Term Trust Inc. ("New York Insured 2008") were organized as Maryland corporations. BlackRock Municipal 2018 Term Trust ("Municipal 2018"), The BlackRock Strategic Municipal Trust ("Municipal Strategic"), BlackRock California Municipal 2018 Term Trust ("California 2018"), BlackRock New York Municipal 2018 Term Trust ("New York 2018") and The BlackRock Pennsylvania Strategic Municipal Trust ("Pennsylvania Strategic") were organized as Delaware statutory trusts. The BlackRock Florida Insured Municipal 2008 Term Trust ("Florida Insured 2008") was organized as a Massachusetts business trust. Municipal Insured 2008, Insured Municipal, Municipal 2018, Municipal Target and Municipal Strategic are registered as diversified closed-end management investment companies under the Investment Company Act of 1940, as amended. California Insured 2008, California 2018, Florida Insured 2008, New York Insured 2008, New York 2018 and Pennsylvania Strategic are registered as non-diversified closed-end management investment companies under the Investment Company Act of 1940, as amended. Municipal Insured 2008, California Insured 2008, Florida Insured 2008 and New York Insured 2008 are herein referred to as the 2008 Trusts. Municipal 2018, California 2018 and New York 2018 are herein referred to as the 2018 Trusts. Municipal Strategic and Pennsylvania Strategic are herein referred to as the Strategic Trusts.

The following is a summary of significant accounting policies followed by the Trusts.

SECURITIES VALUATION: Municipal securities (including commitments to purchase such securities on a "when-issued" basis) are valued on the basis of prices provided by dealers or pricing services selected under the supervision of each Trust's Board of Directors/Trustees (the "Board"). In determining the value of a particular security, pricing services may use certain information with respect to transactions in such securities, quotations from bond dealers, market transactions in comparable securities and various relationships between securities. Short-term investments may be valued at amortized cost. Any securities or other assets for which such current market quotations are not readily available are valued at fair value as determined in good faith under procedures established by, and under the general supervision and responsibility of, each Trust's Board.

SECURITIES TRANSACTIONS AND INVESTMENT INCOME: Securities transactions are recorded on trade date. Realized and unrealized gains and losses are calculated on the identified cost basis. Each Trust also records interest income on an accrual basis and amortizes premium and accretes discount to interest income on securities purchased using the interest method.

FINANCIAL FUTURES CONTRACTS: A futures contract is an agreement between two parties to buy and sell a financial instrument for a set price on a future date. Initial margin deposits are made upon entering into futures contracts and can be either cash or securities. During the period the futures contract is open, changes in the value of the contract are recognized as unrealized gains or losses by "marking-to-market" on a daily basis to reflect the market value of the contract at the end of each day's trading. Variation margin payments are made or received, depending upon whether unrealized gains or losses are incurred. When the contract is closed, a Trust records a realized gain or loss equal to the difference between the proceeds from (or cost of) the closing transaction and the Trust's basis in the contract. Financial futures contracts, when used by the Trusts, help in maintaining a targeted duration. Futures contracts can be sold to effectively shorten an otherwise longer duration portfolio. In the same sense, futures contracts can be purchased to lengthen a portfolio that is shorter than its duration target. Thus, by buying or selling futures contracts, the Trusts may attempt to manage the duration of positions so that changes in interest rates do not change the duration of the portfolio unexpectedly.

Edgar Filing: BLACKROCK MUNICIPAL 2018 TERM TRUST - Form N-CSRS

SEGREGATION: In cases in which the Investment Company Act of 1940, as amended, and the interpretive positions of the Securities and Exchange Commission ("SEC") require that each Trust segregate assets in connection with certain investments (e.g., when issued securities, reverse repurchase agreements or futures contracts), each Trust will, consistent with certain interpretive letters issued by the SEC, designate on its books and records cash or other liquid debt securities having a market value at least equal to the amount that would otherwise be required to be physically segregated.

FEDERAL INCOME TAXES: It is each Trust's intention to continue to be treated as a regulated investment company under the Internal Revenue Code and to distribute sufficient net income to shareholders. For this reason and because substantially all of the gross income of each Trust consists of tax-exempt interest, no Federal income tax provisions are required. **DIVIDENDS AND DISTRIBUTIONS:** Each Trust declares and pays dividends and distributions to common shareholders monthly from net investment income, net realized short-term capital gains and other sources, if necessary. Net long-term capital gains, if any, in excess of loss carryforwards may be distributed annually. Dividends and distributions are recorded on the ex-dividend date. Dividends and distributions to preferred shareholders are accrued and determined as described in Note 4.

ESTIMATES: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

DEFERRED COMPENSATION AND BLACKROCK CLOSED-END SHARE EQUIVALENT INVESTMENT PLAN: Under the revised deferred compensation plan approved by each Trust's Board, non-interested Directors/Trustees may elect to defer receipt of all or a portion of their annual compensation. As of January 1, 2003, the Board elected to require its non-interested members to defer a portion of their annual complex compensation pursuant to the plan. Deferred amounts earn an approximate return as though equivalent dollar amounts had been invested in common shares of other BlackRock closed-end funds selected by the Directors/Trustees.

The deferred compensation plan is not funded and obligations thereunder represent general unsecured claims against the general assets of the Trust. Each Trust may, however, elect to invest in common shares of those Trusts selected by the Directors/Trustees in order to match its deferred compensation obligations.

64

RECLASSIFICATION OF CAPITAL ACCOUNTS: In order to present undistributed (distribution in excess of) net investment income ("UNII") and accumulated net realized gain ("Accumulated Gain") more closely to its tax character the following accounts, for each of the Strategic Trusts, were increased (decreased):

TRUST	UNII	ACCUMULATED GAIN
-----	-----	-----
Municipal Strategic	\$(1,420)	\$1,420
Pennsylvania Strategic	(6)	6

Municipal Target has an Administration Agreement with Prudential Investments LLC ("PI"), an indirect wholly owned subsidiary of Prudential Financial, Inc.

Each Trust's investment advisory fee paid to the Advisor is computed weekly and payable monthly based on an annual rate, 0.35% for the 2008 Trusts, Insured Municipal and Municipal Target, 0.40% for the 2018 Trusts and 0.60% for the Strategic Trusts, of the Trust's average weekly managed assets. "Managed assets" means the total assets of the Trust (including any assets attributable to any preferred shares that may be outstanding) minus the sum of accrued liabilities (other than debt representing financial leverage). The Advisor has voluntarily agreed to waive a portion of the investment advisory fee or other expenses on the Strategic Trusts as a percentage of managed assets as follows: 0.25% for the first five years of each of the Trust's operations, 0.20% in year six, 0.15% in year seven, 0.10% in year eight and 0.05% in year nine.

The administration fee paid to each Trust's respective administrator, other than the 2018 Trusts and Strategic Trusts, is computed weekly and payable monthly based on an annual rate, 0.10% to UBSGAM and Princeton and 0.07% to PI, of the Trust's average weekly managed assets.

On May 22, 2003, the Boards of the 2008 Trusts, Insured Municipal and Municipal Target approved the change of each Trust's current administrator to the Advisor. The new administration agreements become effective September 1, 2003, except for Insured Municipal, which becomes effective August 15, 2003. Each Trust's fee structure, as described above, will remain unchanged under the new administration agreements.

Pursuant to the agreements, the Advisor provides continuous supervision of the investment portfolio and pays the compensation of officers of each Trust who are affiliated persons of the Advisor. The Advisor pays occupancy and certain clerical and accounting costs for the 2018 Trusts and the Strategic Trusts. Each Trust's administrator pays occupancy and certain clerical and accounting costs of their respective Trust(s). Each Trust bears all other costs and expenses, which include reimbursements to the Advisor for certain operational support services provided to each Trust.

Pursuant to the terms of the custody agreement, each Trust received earning credits from its custodian for positive cash balances maintained, which are used to offset custody fees. For the six months ended June 30, 2003, the following earning credits were used to offset custody fees:

A Trust may not declare dividends or make other distributions on common shares or purchase any such shares if, at the time of the declaration, distribution or purchase, asset coverage with respect to the outstanding preferred shares would be less than 200%.

The preferred shares are redeemable at the option of each Trust, in whole or in part, on any dividend payment date at \$25,000 per share plus any accumulated or unpaid dividends whether or not declared. The preferred shares are also subject to mandatory redemption at \$25,000 per share plus any accumulated or unpaid dividends, whether or not declared, if certain requirements relating to the composition of the assets and liabilities of a Trust, as set forth in each Trust's Declaration of Trust/Articles Supplementary are not satisfied.

The holders of preferred shares have voting rights equal to the holders of common shares (one vote per share) and will vote together with holders of common shares as a single class. However, holders of preferred shares, voting as a separate class, are also entitled to elect two Directors/Trustees for each Trust. In addition, the Investment Company Act of 1940, as amended, requires that along with approval by shareholders that might otherwise be required, the approval of the holders of a majority of any outstanding preferred shares, voting separately as a class would be required to (a) adopt any plan of reorganization that would adversely affect the preferred shares, (b) change a Trust's sub-classification as a closed-end investment company or change its fundamental investment restrictions and (c) change its business so as to cease to be an investment company.

DIVIDEND REINVESTMENT PLANS

Pursuant to each Trust's Dividend Reinvestment Plan (the "Plan"), common shareholders of the 2008 Trusts, Insured Municipal and Municipal Target may elect to enroll, while the common shareholders of the 2018 Trusts and Strategic Trusts are automatically enrolled, to have all distributions of dividends and capital gains reinvested by EquiServe Trust Company, N.A. (the "Plan Agent") in the respective Trust's shares pursuant to the Plan. Shareholders who elect not to participate in the Plan will receive all distributions in cash paid by check and mailed directly to the shareholders of record (or if the shares are held in street or other nominee name, then to the nominee) by the Plan Agent, which serves as agent for the shareholders in administering the Plan.

After a 2008 Trust, Insured Municipal, 2018 Trust and/or Municipal Target declares a dividend or determines to make a capital gain distribution, the Plan Agent will acquire shares for the participants' account, by the purchase of outstanding shares on the open market, on the Trust's primary exchange or elsewhere ("open market purchases"). These Trusts will not issue any new shares under the Plan.

After a Strategic Trust declares a dividend or determines to make a capital gain distribution, the Plan Agent will acquire shares for the participants' account, depending upon the circumstances described below, either (i) through receipt of unissued but authorized shares from the Trust ("newly issued shares") or (ii) by open market purchases. If, on the dividend payment date, the NAV is equal to or less than the market price per share plus estimated brokerage commissions (such condition being referred to herein as "market premium"), the Plan Agent will invest the dividend amount in newly issued shares on behalf of the participants. The number of newly issued shares to be credited to each participant's account will be determined by dividing the dollar amount of the dividend by the NAV on the date the shares are issued. However, if the NAV is less than 95% of the market price on the payment date, the dollar amount of the dividend will be divided by 95% of the market price on the payment date. If, on the dividend payment date, the NAV is greater than the market value per share plus estimated brokerage commissions (such condition being referred to herein as "market discount"), the Plan Agent will invest the dividend amount in shares acquired on behalf of the participants in open market purchases.

Participants in the Plan may withdraw from the Plan upon written notice to the Plan Agent and will receive certificates for whole Trust shares and a cash payment for any fraction of a Trust share.

The Plan Agent's fees for the handling of the reinvestment of dividends and distributions will be paid by each Trust. However, each participant will pay a pro rata share of brokerage commissions incurred with respect to the Plan Agent's open market purchases in connection with the reinvestment of dividends and distributions. The automatic reinvestment of dividends and distributions will not relieve participants of any Federal income tax that may be payable on such dividends or distributions.

Each Trust reserves the right to amend or terminate the Plan. There is no direct service charge to participants in the Plan, however, each Trust reserves the right to amend the Plan to include a service charge payable by the participants. All correspondence concerning the Plan should be directed to the Plan Agent at 150 Royall Street, Canton, MA 02021, or by calling (800) 699-1BFM.
