On October 27, 2010, iBio, Inc. (the Company) completed a private offering (the Offering) of its securities pursuant to a Securities Purchase Agreement with certain investors. The investors purchased an aggregate of 3,032,500 shares of common stock of the Company at a purchase price of \$2.00 per share. Each investor was issued a five-year warrant to purchase the same number shares of common stock of the Company purchased by such investor at a cash exercise price of \$2.20 per share. The Company received approximately \$5,630,000 in net proceeds from the Offering.

The Company has agreed pursuant to the terms of a Registration Rights Agreement with the investors to (i) file a shelf registration statement with respect to the resale of shares of the common stock sold to the investors and shares of common stock underlying the warrants issued to the investors with the Securities and Exchange Commission (the Commission) within 30 days after the final closing date of the Offering; (ii) have the shelf registration statement declared effective by the Commission within 90 days (subject to adjustment) of such final closing date; and (iii) use its reasonable best efforts to keep the shelf registration statement effective until the earlier of the time when all shares registered thereunder have been sold or the shares covered by the shelf registration statement may be sold without volume restrictions pursuant to Rule 144 of the Securities Act of 1933, as amended (the Securities Act).

In connection with the Offering, on October 27, 2010, the Company entered into a Placement Agent Agreement (the Placement Agent Agreement) with Noble Financial Capital Markets (the Placement Agent), pursuant to which the Placement Agent agreed to act as the Company's exclusive placement agent for the Offering and sell a minimum of \$6,000,000 and a maximum of \$8,000,000 of securities. The Placement Agent agreed to use its best efforts to arrange for the sale of all of the securities being offered in the Offering. With the closing of the minimum Offering, the Offering is continuing until November 26, 2010.

The Placement Agent was paid a cash fee equal to seven percent of the aggregate gross proceeds from the Offering and was issued a five-year warrant to purchase 196,551 shares of the Company's common stock at an exercise price of \$2.16, the closing price of the Company's common stock on the OTC Bulletin Board on October 27, 2010.
