**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

**MARCH 31, 2005**  
**(Unaudited)**  
**(Stated in U.S. Dollars)**

**1. BASIS OF PRESENTATION**

The unaudited consolidated financial statements as of March 31, 2005 included herein have been prepared without audit pursuant to the rules and regulations of the Securities and Exchange Commission. Certain information and footnote disclosures normally included in financial statements prepared in accordance with United States generally accepted accounting principles have been condensed or omitted pursuant to such rules and regulations. In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary for a fair presentation have been included. It is suggested that these consolidated financial statements be read in conjunction with the June 30, 2004 audited consolidated financial statements and notes thereto.

**2. CONVERTIBLE NOTE PAYABLE**

On January 31, 2002, the Company executed \$1,000,000 aggregate principal amount of convertible notes due not earlier than January 31, 2009. The Company had received \$1,000,000 in advances through to March 31, 2005. The notes bore no interest until the maturity date. On January 20, 2005, the Company issued 20,000,000 common shares at a price of \$0.05 per share and 20,000,000 warrants to the holder on conversion of the notes. The warrants are exercisable at a price of \$0.05 per share until January 20, 2008.

Because the market interest rate on similar types of notes was approximately 14% per annum the day the notes were issued, the Company has recorded a discount of \$579,378 related to the beneficial conversion feature. The discount was fully amortized as interest expense upon conversion.

**3. RELATED PARTIES**

During the three month period ended March 31, 2005, two former directors forgave \$169,818 of accounts payable owned to them. This resulted in a charge to additional paid-in capital.

During the three month period ended March 31, 2005, the Company issued 2,000,000 common shares to a director for consulting services rendered at a value of \$40,000.

## ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATIONS

### Plan of Operations:

-----

At March 31, 2005, the Company had no cash on hand. Expenses for the fiscal quarter covered by this report totaled \$1,322,180 giving the Company a net loss for the quarter of \$1,322,180 since the Company has no operating revenues at the present time. This level of expense is an increase of approximately 84 times the expense of the prior fiscal quarter and is attributable mainly consulting fees paid to consultants that are moving the Company forward into the natural resource industry. The consulting fees were paid through the issuance of stock. Accordingly, the consulting fees do not represent cash payment or accrual on the part of the Company. The Company does have plans, however, to borrow money as needed to sustain current operations that require cash payment.

Since 2001, the business plan for the Company has been to provide Internet solutions to businesses and private organizations. However, since May of 2003, we have been actively looking for other business opportunities that would provide the Company with economic opportunity. Since that time, we have investigated several businesses and assets that we believed would have been excellent opportunities for the Company but as of yet have made no acquisitions. However, on May 1, 2005, the Company entered into an agreement through which it is entitled to acquire up to a 92.25% interest in mineral properties located in North Queensland, Australia. Our business plan for the next 12 months is to pursue the business opportunity represented by that agreement.

### Forward-Looking Statements:

Many statements made in this report are forward-looking statements that are not based on historical facts. Because these forward-looking statements involve risks and uncertainties, there are important factors that could cause actual results to differ materially from those expressed or implied by these forward-looking statements. The forward-looking statements made in this report relate only to events as of the date on which the statements are made.

## ITEM 3. CONTROLS AND PROCEDURES.

We have evaluated, with the participation of our Principal Executive Officer and Principal Financial Officer, the effectiveness of our disclosure controls and procedures as of March 31, 2005. Based on this evaluation, our Principal Executive Officer and Principal Financial Officer has concluded that our disclosure controls and procedures are effective to ensure that we record, process, summarize, and report information required to be disclosed by us in our quarterly reports filed under the Securities Exchange Act within the time periods specified by the Securities and Exchange Commission's rules and forms. During the quarterly period covered by this report, there were no changes in our internal controls over financial reporting that materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.
