Item 5. Other Events and Regulation FD Disclosure.

The shareholders of Integrated Data Corp ("IDC" or the "Corporation"), by written consent of the holders of more than 79% of the Corporation's common stock, approved a resolution to reduce the authorized number of shares of common stock for the Corporation from Three Hundred Million (300,000,000) to Fifty Million (50,000,000). This reduction in authorized shares will lower IDC's future franchise tax obligations. The resolution did not effect any change to the authorized number of shares of preferred stock, which remains at Two Million (2,000,000) shares, none of which are outstanding at this time. The resulting Certificate of Amendment of Certificate of Incorporation of Integrated Data Corp was filed with the Secretary of State of the State of Delaware on April 12, 2004. The certificate of amendment is attached hereto as Exhibit 99.1.

As required by Delaware General Corporation Law, this Current Report on Form 8-K represents notification to the other shareholders of the Corporation that said resolution was ratified.

By written consent of the holders of more than 79% of the shares of the Corporation's common stock, two other resolutions were adopted effective March 29, 2004. The shareholders re-elected Messrs. Bryan, Will, Tromans, and Settle to serve as the Corporation's Board of Directors during the current fiscal year and until their respective successors shall have been duly elected and qualified. The shareholders also ratified the Board's selection of Cogen Sklar LLP of Bala Cynwyd, Pennsylvania to serve as the Corporation's independent auditors for the fiscal year ending June 30, 2004.
