**Disposition of Assets**

On September 29, 2009, China Natural Resources (the Company) completed the disposition of its 60% equity interest in Mark Faith Technology Development Limited (Mark Faith) to Joysight Limited (Joysight), for a purchase price of US\$21,000,000. The disposition is governed by the terms and conditions of an Agreement for the Sale and Purchase of the Shares of Mark Faith Technology Development Limited entered into at the time of closing. Prior to the disposition, Joysight, an unrelated third party, was the owner of the 40% equity interest in Mark Faith that was not owned by the Company.

The purchase price is evidenced by an unsecured promissory note executed and delivered by Joysight which bears interest at the rate of 5% per annum and matures on February 26, 2010, at which time the purchase price, plus accrued interest, is payable to the Company.

Mark Faith, through its wholly owned subsidiary, Bayannaoer City Feishang Copper Company Limited, engages in the smelting and refining of copper in Inner Mongolia, the PRC.

The press release shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, and is not incorporated by reference into any filing of the Company, whether made before or after the date hereof, regardless of any general incorporation language in such filing.
