PART II

INFORMATION NOT REQUIRED TO BE DELIVERED TO OFFEREES OR PURCHASERS

Indemnification

Under the Business Corporations Act (Ontario), Barrick Gold Corporation and Barrick Gold Inc. (each a "Registrant" and a "Corporation") may indemnify a present or former director or officer or a person who acts or acted at the Corporation's request as a director or officer of another corporation of which the Corporation is or was a shareholder or creditor, and his or her heirs and legal representatives, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by him or her in respect of any civil, criminal or administrative action or proceeding to which he or she is made a party by reason of his or her being or having been a director or officer of the Corporation or such other corporation if the director or officer acted honestly and in good faith with a view to the best interests of the Corporation and, in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, had reasonable grounds for believing that his or her conduct was lawful. Such indemnification may be made in connection with an action by or on behalf of the Corporation or such other corporation only with court approval. A director is entitled to indemnification from the Corporation as a matter of right if he or she was substantially successful on the merits of his or her defence and fulfilled the conditions set forth above.

In accordance with provisions of the Business Corporations Act (Ontario) described above, the by-laws of the Corporation provide that the Corporation shall indemnify a director or officer, a former director or officer, or a person who acts or acted at the Corporation's request as a director or officer of a corporation of which the Corporation is or was a shareholder or creditor, and his or her heirs and legal representatives, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by him or her in respect of any civil, criminal or administrative action or proceeding to which he or she was made a party by reason of being or having been a director or officer of the Corporation or such other corporation if he or she acted honestly and in good faith with a view to the best interests of the Corporation and, in the case of a criminal or administrative action or proceeding that is enforced by monetary penalty, he or she had reasonable grounds in believing that his or her conduct was lawful.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers or persons controlling the Registrant pursuant to the foregoing provisions, the Registrant has been informed that in the opinion of the U.S. Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is therefore unenforceable.
