**PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS**

The Board of Directors (the Board) of Talk America Holdings, Inc. ("Talk America"), a Delaware corporation, the principal executive offices of which are located at 12020 Sunrise Valley Drive, Reston, Virginia 20190, hereby solicits your proxy in the form enclosed for use at the Annual Meeting of Stockholders to be held on May 19, 2004 (the Annual Meeting), or at any adjournment or adjournments thereof. The Annual Meeting will be held at The

Sheraton Reston Hotel, 11810 Sunrise Valley Drive, Reston, Virginia 20191 at 10:00 a.m., Eastern time. Talk America will bear the expenses of soliciting your proxy. This proxy statement and the accompanying form of proxy are first being released for mailing to stockholders on or about April 6, 2004.

We urge you to date, sign and mail your proxy promptly to make certain that your shares will be voted at the Annual Meeting. Proxies in the enclosed form that are received in time for the Annual Meeting will be voted at the Annual Meeting in accordance with the instructions, if any, indicated on the proxy card. If no instruction is given, the proxy will be voted in favor of the nominees for election as directors specified under **PROPOSAL 1: ELECTION OF DIRECTORS** ; and in favor of the ratification of the selection of auditors as described in **PROPOSAL 2: RATIFICATION OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS**. Any proxy may be revoked at any time before it is exercised by giving written notice of such revocation or delivering a later dated proxy to our Corporate Secretary prior to the Annual Meeting, or by voting in person at the Annual Meeting.

VOTING SECURITIES

Only stockholders of record at the close of business on March 22, 2004 are entitled to vote at the Annual Meeting. On March 22, 2004, there were 26,674,761 shares of our common stock, par value \$.01 per share, outstanding and entitled to vote (excluding 1,315,789 shares of common stock held in treasury). Each share of common stock is entitled to one vote. The presence in person or by proxy at the Annual Meeting of the holders of a majority of the shares of common stock will constitute a quorum for the transaction of business.

With respect to Proposal 1, the nominees in Class I for election as directors who receive the greatest number of votes cast at the Annual Meeting, assuming that a quorum is present, shall be elected as directors. A withheld vote on any nominee will not affect the voting results.

Brokers who hold shares in street name do not have the authority to vote on certain matters for which they have not received instructions from beneficial owners. Such broker non-votes (arising from the lack of instructions from beneficial owners), although considered present for purposes of determining a quorum, will not affect the outcome of the vote on the election of directors.

It is anticipated that sufficient stockholders will attend the meeting, in person or by proxy, to constitute a quorum for the transaction of business.

Compliance with Section 16(a) of the Exchange Act

Under Section 16(a) of the Securities Exchange Act of 1934, as amended, our directors and certain officers and persons who are the beneficial owners of more than 10 percent of our Common Stock are required to report their ownership of the Common Stock, options and certain related securities and any changes in that ownership to the SEC. Specific due dates for these reports have been established, and we are required to report any failure to file by such dates in 2003. We believe that all of the required filings have been made in a timely manner except that Mr. Fowler inadvertently did not report a sale of stock in 2001 by his wife, which has been subsequently reported but was not reported timely. In making this statement, we have relied on copies of the reporting forms received by us.

PROPOSAL 1: ELECTION OF DIRECTORS

Our Amended and Restated Certificate of Incorporation provides that the Board shall consist of not less than one nor more than 15 persons, the exact number to be fixed and determined from time to time by resolution of the Board. The Board has acted to fix the number of directors at five. Pursuant to the terms

3

of our Amended and Restated Certificate of Incorporation, the Board is divided into three classes, as nearly equal in number as reasonably possible, with terms currently expiring at the annual meeting of stockholders in 2004 (Class I), the annual meeting of stockholders in 2005 (Class III), and the annual meeting of stockholders in 2006 (Class II), respectively.

At the Annual Meeting, Gabriel Battista and Ronald Thoma are to be elected as Class I directors, for terms to expire at the annual meeting of stockholders in 2007. Messrs. Battista and Thoma will each serve until his successor has been elected and qualified. Mr. Battista currently serves as our Executive Chairman of the Board and one of our directors. Mr. Thoma currently serves as one of our directors. The proxies solicited hereby, unless directed to the contrary therein, will be voted for the nominees. The nominees have consented to being named in this proxy statement and to serve if elected. The Board has no reason to believe that the nominees for election as director will not be candidates or will be unable to serve, but if either occurs it is intended that the shares represented by proxies will be voted for such substituted nominee or nominees as the Board, in its discretion, may designate.

The Board of Directors has determined that Ronald Thoma, Mark Fowler and Robert Korzeniewski, constituting a majority of the Board members, are independent directors as that term is defined in the National Association of Securities Dealers ("NASD") listing standards.

The following sets forth certain biographical information, present occupation and business experience for the past five years for the nominees for election as directors and the continuing Class II and Class III directors.

THE BOARD OF DIRECTORS

The Board met five times in 2003. During the fiscal year ended December 31, 2003, each then-incumbent director attended at least 75% of the aggregate number of meetings of the Board and meetings of the committees of the Board

on which he served.

We have adopted a code of ethics that applies to our principal executive officer, principal financial officer and principal accounting officer. The text of this code of ethics is posted on our internet website, www.talkamerica.com. A copy of this code of ethics may also be obtained from us by mailing a request to: Talk America Holdings, Inc., Attn: General Counsel, 12020 Sunrise Valley Drive, Suite 250, Reston, Virginia 20191. We intend to satisfy our disclosure requirements regarding an amendment to, or waiver from, a provision of this code of ethics by posting such information on our internet website, www.talkamerica.com.

Stockholders may send communications to the Board by mailing such communications to: Talk America Directors, c/o Secretary, 6805 Route 202, New Hope, PA 18938. All stockholder communications shall be communicated to the Executive Chairman of the Board, who may, in his/her discretion, provide the communications to the other members of the Board.

We do not have a policy with regard to our Board members' attendance at our annual meetings. In 2003, two members of the Board attended our annual meeting.

Board Committees

The Board has established the following two committees, the function and current members of which are noted below.

Audit Committee. In 2003, the Audit Committee consisted of Mark S. Fowler, Robert Korzeniewski, Arthur J. Marks and Ronald R. Thoma. Mr. Korzeniewski joined the Audit Committee on October 28, 2003. Mr. Marks served as Chairman of the Audit Committee until October 28, 2003, when Mr. Korzeniewski assumed such position. Our Board has determined that all of the members of the Audit Committee are independent, as that term is defined in the NASD's listing standards. Our Board of Directors has also determined that Robert Korzeniewski is an "audit committee financial expert" as this term is defined in the rules and regulations adopted by the SEC. The Audit Committee's primary purpose is to oversee our accounting and financial reporting processes and the audits of our financial statements. Without limitation of the generality of the foregoing, the Audit Committee's primary functions are to oversee: the integrity of our financial statements and financial reporting structure; our compliance with related legal and regulatory requirements; the independent auditor's qualifications and independence; and the performance of our independent auditors. In addition, the Audit Committee is directly and solely responsible for the appointment, replacement, compensation and oversight of the work of the independent auditors. The Audit Committee met 9 times in 2003.

6

During 2003, the Audit Committee of the Board reviewed and proposed changes to its charter, and the amended Audit Committee charter was approved by the full Board on April 29, 2003. A copy of the amended charter is attached hereto as Exhibit A. The Audit Committee reviews and reassesses this charter at least annually.

Audit Committee Report

The following report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other of Talk America's filings under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent Talk America specifically incorporates this report by reference therein.

While management is responsible for the preparation and integrity of Talk America's financial statements, accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations, the Audit Committee's primary purpose is to oversee Talk America's accounting and financial reporting processes and the audits of Talk America's financial statements. Talk America's independent auditors, PricewaterhouseCoopers LLP, are responsible for performing an independent audit of the consolidated financial statements and expressing an opinion on the conformity of those financial statements with generally accepted accounting principles.

In fulfilling its oversight responsibilities, the Audit Committee has reviewed and discussed the audited financial statements for fiscal 2003 with Talk America's management and has discussed with PricewaterhouseCoopers LLP the matters that are required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*. In addition, PricewaterhouseCoopers LLP has provided the Audit Committee with the written disclosures and the letter required by the Independence Standards Board Standard No.1, *Independence Discussions with Audit Committees*, and the Audit Committee has discussed with PricewaterhouseCoopers LLP their independence.

Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in Talk America's Annual Report on Form 10-K for the fiscal year ended December 31, 2003, for filing with the SEC.

THE AUDIT COMMITTEE

Robert Korzeniewski, Chairman
Mark S. Fowler
Ronald R. Thoma

Compensation Committee. In 2003, the Compensation Committee consisted of Mark S. Fowler and Ronald R. Thoma. The Compensation Committee is responsible for determining compensation for our executive officers and currently administers the 1998 Long Term Incentive Plan, the 2000 Long Term Incentive

7

Plan, the 2001 Non-Officer Long Term Incentive Plan and the 2003 Long Term Incentive Plan and reviews and approves the grant of options to our employees. The Compensation Committee met once and took action by written consent in lieu of a meeting 18 times during 2003.

Nominating Procedures

Given the relatively small size of the Board of Directors and the existence of other committees of the Board requiring substantial attention and effort, the Board has determined not to establish a separate nominating committee. The Board has also determined that a nominating committee is not necessary in light of the nominating procedures it has adopted, which require, among other matters, that nominations are to be selected by a majority of the independent members of the Board. While the entire Board may participate in the consideration of director nominees, the selection of director nominees shall be determined solely by the directors who are "independent" as defined by NASD listing standards, by a majority vote thereof.

The Board will consider candidates for membership suggested by its members, as well as by our management and by our stockholders. The Board may also from time to time retain a third-party executive search firm to identify candidates.

A stockholder who wishes to suggest a prospective director candidate for consideration by the Board may do so by written notice to our corporate Secretary setting forth the name, address and principal occupation of the prospective candidate, the name and address of the notifying stockholder, the number of shares of our capital stock owned by the notifying stockholder(s) and, to the extent known to the notifying stockholder, the information regarding the prospective candidate that would be required to be disclosed in a proxy statement filed under the Securities Exchange Act of 1934, together in writing with whatever further supporting material the stockholder considers appropriate. Notwithstanding the foregoing, nominations by stockholders of persons at a meeting for election as a director shall continue to be subject to the terms of our Bylaws, including Section 402, as discussed below.

There shall be no difference in the manner in which a prospective nominee is considered and evaluated by the Board based on the source of the prospective nominee's identification or suggestion (that is, by management, a member of the Board, a stockholder or any other source).

Once the Board has identified a prospective nominee, it will, by action of a majority of the "independent" directors, make an initial determination as to whether to conduct a full evaluation of the candidate. This initial determination will be based on the need for additional Board members to fill vacancies or to expand the size of the Board. If it is determined that there is a need for additional Board members, the prospective nominee will be evaluated considering the following factors:

- the candidate's ability to represent the interests of our stockholders;
- the candidate's skill, integrity, and independence of thought and judgment;

8

- the candidate's experience with businesses and other organizations of comparable size and stage of development;
- the relationship of the candidate's experience to the experience of other members of our Board and whether the candidate adds to the range of talent, skill and expertise possessed by the existing members of our Board;
- the candidate's ability to dedicate sufficient time, energy and attention to the diligent performance of a director's duties, including the candidate's service on other boards of directors; and
- such other relevant factors as deemed appropriate, including the current composition of the Board, the balance of management and independent directors, the need for audit committee expertise and the evaluations of other prospective nominees.

As part of the evaluation, the prospective nominee will be interviewed by one or more of the Board members, including at least one of the "independent" members, and others as appropriate, either in person or by telephone. After completing this evaluation and interview, the Board will then determine, by the vote of a majority of the "independent" directors, whether to elect the candidate to the Board in the case where stockholder approval is not required, or to nominate the candidate for election by our stockholders.

In addition to the procedures described above, a stockholder may nominate a person for election as a director at a meeting of stockholders called for the election of directors, provided that the stockholder complies with Section 402 of our Bylaws. This section requires that a notice relating to the nomination of directors must be timely given in writing to the Executive Chairman of our Board prior to the meeting. To be timely, notice relating to the nomination of directors must be delivered not less than 14 days nor more than 50 days prior to any such meeting of stockholders called for the election of directors. Notice to us from a stockholder who proposes to nominate a person at a meeting for election as a director must be accompanied by each proposed nominee's written consent and contain, to the extent known to the notifying stockholder, the name, address and principal occupation of each proposed nominee, the total number of shares of our capital stock that will be voted for each of the proposed nominees, the name and address of the notifying stockholder, the number of shares of our capital stock owned by each notifying stockholder and the information regarding the proposed nominee that would be required to be disclosed in a proxy statement filed under the Securities Exchange Act of 1934. Stockholder nominations not made in accordance with this procedure may be disregarded by the Chairman, who may instruct that all votes cast for each such nominee be disregarded.

Compensation Of Directors

We currently pay non-employee directors an annual retainer of \$20,000. We also pay the Chairman of the Audit Committee an additional annual retainer of \$5,000. The Board approved a grant of an option to Mr. Korzeniewski on July 29, 2003, to purchase 10,000 shares of Common Stock under the 2000 Long

9

Term Incentive Plan at the market value on the date of grant. The Board also approved grants of options to Messrs. Fowler, Thoma and Korzeniewski on December 22, 2003, to purchase, respectively, 15,000, 15,000 and 5,000 shares of Common Stock under the 1998 Long Term Incentive Plan at the market value on the date of grant, who are non-employee directors. Non-employee directors are also reimbursed for reasonable expenses incurred in connection with attendance at Board meetings or meetings of committees thereof.

Certain Relationships And Related Party Transactions

In 1999, our principal operating subsidiary requested an employee, Jeffrey Earhart, to relocate from Pennsylvania to Florida in order to take over the management of our customer service centers in Florida. In connection with the relocation, we agreed to make advances or a loan to Mr. Earhart for the relocation and the construction of a new residence in Florida. In 2000, we memorialized this agreement regarding relocation with a loan that was secured by the new residence and bore interest at the rate of 8.25 percent per annum. The loan was refinanced in July 2002 and bore interest at the rate of 6.25 percent per annum to reflect current market rates. As of March 27, 2003, Mr. Earhart retired the loan in its entirety. The largest aggregate amount of the loan outstanding during 2003 was \$1.03 million, and, as of April 5, 2004, no money was outstanding on the loan and advances. In May 2001, Mr. Earhart was elected one of our executive officers.

If there is a change of control of Talk America (including by an acquisition of our assets, a merger into another entity or a transaction that results in the our common stock no longer being required to be registered under the Securities Exchange Act of 1934), Mr. Battista will receive an additional bonus of \$1,000,000 (or \$3,000,000 if the price per share for our common stock in such transaction is greater than \$60.00 per share).

Under the contract as amended, Mr. Brasselle received a signing bonus of \$100,000, paid in two equal installments on June 31, 2000 and September 30, 2000, and is entitled to a minimum annual base salary of \$250,000 and certain other perquisites made generally available to our senior executive officers. 14

Each of the employment agreements for Messrs. Battista, Meyercord, Lawn, Earhart, Brasselle and Leonard provides for immediate vesting of options in event of a "change of control" (as defined in the agreements) of us and provides for severance benefits in the event employment is terminated by us without cause prior to the end of the term and for a certain period beyond the end of the term in the event of a "change of control." The severance benefits are generally the payment of an amount equal to two years' base salary plus the average annual incentive bonus earned by the executive in the preceding four years, as well as the continuation of various employee benefits for two years.

Each of the above-described agreements requires the executive to maintain the confidentiality of our information and assign any inventions to us. In addition, each of the executive officers has agreed that he will not compete with us by engaging in any capacity in any business that is competitive with our business during the term of his respective agreement and thereafter for specified periods.

Compensation Committee Report On Executive Compensation

The Compensation Committee approves salaries and certain incentive compensation arrangements for our management and key employees.

The principal elements of our compensation structure are described below:

Annual Salary. Minimum annual base salaries for our executive officers have been established pursuant to employment contracts negotiated with each of our executive officers. Increases above such minimum base salaries may be granted in the discretion of the Compensation Committee based on its subjective assessment of individual performance. We believe that such employment contracts help to attract and retain qualified individuals. In addition, the employment agreements include confidentiality and non-compete agreements by the officers. See EXECUTIVE

COMPENSATION Employment Contracts.

Annual Bonuses. For 2003, the Board approved an annual bonus program for our executive officers and certain other employees to provide further incentive to achieve our 2003 performance goals. Bonus targets for the program were 50% of base salary for the CEO and President and 40% of base salary for the balance of the executive officers. Awards under this program were based upon achieving our operating plan, with the opportunity for leverage of the bonus targets based upon surpassing such plan. The Compensation Committee of the Board reviewed performance in 2003 against the criteria that had been established under the program and, at the Compensation Committee's recommendation, the Board subsequently approved bonuses for our executive officers as set forth in the annual bonus program, which awards to the persons named in the Summary Compensation Table, above, are reflected therein under the Bonus column. The

15

Board has approved a similar annual bonus program for our executive officers and certain other employees, excluding Gabriel Battista, to provide further incentive to achieve our performance goals in 2004.

In connection with the transition of Mr. Battista's duties as Chief Executive Officer to Mr. Meyercord, the Board has approved an annual bonus program for Mr. Battista to provide him with further incentive to achieve our performance goals in 2004. Mr. Battista's bonus target is 100% of base salary and is based upon achieving our operating plan, with the opportunity for leverage of the bonus targets based upon surpassing such plan. In addition, Mr. Battista may earn an additional bonus of up to \$500,000, based upon his meeting certain subjective measures established and as determined by the Board.

In addition, the Board adopted an incentive compensation plan for a limited number of employees, including executive officers of the Company other than the CEO. Under this plan, the participating employees were organized in groups on a cross-functional basis and charged with the responsibility for improving and monitoring the following operational areas: customer satisfaction, general and administrative expenses/capital budget, sales and marketing, credit quality, gross margin, and facilities-based provisioning. Incentive compensation under this plan was based upon our achieving certain operational performance measures established by the Board when it adopted the plan. Maximum compensation per employee for each cross-function team was \$4,000 per six-month period, with an aggregate six-month cap of \$8,000. The incentive compensation awards under this plan to the persons named in the Summary Compensation Table, above, are reflected therein under the Bonus column.

Long Term Incentive Compensation. Our long term incentive compensation is comprised of stock options granted to employees. We believe that stock options are an effective tool for directly linking the financial interests of executive officers and key employees with those of our stockholders and for recruiting and retaining high quality management personnel. Stock options are intended to focus the efforts of executive officers and key employees on performance that will increase our value for all of our stockholders.

Future option grants or other stock or incentive awards under the 1998 Long Term Incentive Plan, the 2000 Long Term Incentive Plan, the 2001 Non-Officer Long Term Incentive Plan and the 2003 Long Term Incentive Plan, will be made in the discretion of the Compensation Committee, including in connection with the negotiation of individual employment arrangements.

Chief Executive Officer's 2003 Compensation. As set forth in the Summary Compensation Table, Mr. Battista's base salary of \$500,000 in 2003 was established pursuant to the terms of his pre-existing employment agreement. The Compensation Committee determined that our performance satisfied the criteria it had established under the 2003 annual bonus program described above and qualified Mr. Battista for a bonus of \$645,000 for 2003. In renegotiating

Mr. Battista's employment agreement in January 2004 in connection with his assumption of the position of Executive Chairman of the Board of Directors, the Compensation Committee had determined to retain the same compensation terms, including the amount of the base salary for 2004.

16

In January 2004, Mr. Meyercord became our Chief Executive Officer. In connection therewith, we entered into an employment agreement with Mr. Meyercord, establishing a base salary of \$500,000 for 2004.

Policy on Deductibility of Compensation. Section 162(m) of the Internal Revenue Code generally denies a deduction to any publicly held corporation for compensation paid to its chief executive officer and its four other highest-paid executive officers to the extent that any such individual's compensation exceeds \$1 million, subject to certain exceptions, including one for performance-based compensation. Generally, the Compensation Committee seeks to maximize executive compensation deductions for federal income tax purposes. However, the Compensation Committee believes that there may be circumstances where it is appropriate to provide compensation that is not fully deductible because such compensation is more consistent with the Company's executive compensation program.

PROPOSAL 2: RATIFICATION OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

The Audit Committee of the Board has appointed the firm of PricewaterhouseCoopers LLP as our independent auditors for the current fiscal year. This firm has served as our independent auditors since 2000 and has no direct or indirect financial interest in us.

Although not legally required to do so, the Audit Committee and the Board are submitting the selection of PricewaterhouseCoopers LLP as our independent auditors for ratification by the stockholders at the Annual Meeting. If a majority of the shares present in person or represented by proxy at the meeting and entitled to vote is not voted for such ratification (which is not expected), the Audit Committee will reconsider its appointment of PricewaterhouseCoopers LLP as our independent auditors.

A representative of PricewaterhouseCoopers LLP will be present at the Annual Meeting and will have the opportunity to make a statement if he desires to do so. It is anticipated that such representative will be available to respond to appropriate questions from stockholders.

The Board of Directors recommends a vote FOR the proposal to ratify the selection of PricewaterhouseCoopers LLP as our independent auditors.

During our fiscal years ended December 31, 2003 and 2002, PricewaterhouseCoopers LLP provided services to us in the following categories and amounts:

<u>Description</u>	<u>2003</u>	<u>2002</u>		
Audit Fees	\$358,600	\$203,000		
Audit-Related Fees			\$ 0	\$ 54,140
Tax Fees			\$ 2,440	\$ 30,000
All Other Fees	\$ 6,580	\$ 1,400		

In the above table, in accordance with new SEC definitions and rules, audit fees are fees we paid to PricewaterhouseCoopers LLP for professional services for the audit of our consolidated financial statements included in our Form 10-K and review of financial statements included in our Form 10-Qs, or for services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements; audit related fees are fees billed by PricewaterhouseCoopers LLP for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements, including, in 2002, the review of our bond restructuring and our Securities and Exchange Commission reports; tax fees are fees for tax compliance, tax advice, and tax planning; and all other fees are fees billed by PricewaterhouseCoopers LLP to us for any services not included in the first three categories, including the annual subscription fee for an online information service.

The Audit Committee has determined that the services provided by PricewaterhouseCoopers LLP to us that were not related to its audit of our financial

19

statements were at all relevant times compatible with that firm's independence and approved all such services.

The Audit Committee pre-approves all audit and permissible non-audit services provided by our independent auditors. The Audit Committee may delegate pre-approval of audit and non-audit services to a subcommittee of the Audit Committee, provided that any decisions made by such subcommittee shall be presented to the full Audit Committee at its next scheduled meeting.

In 2003, the Audit Committee pre-approved 100% of the services provided by our independent auditors.

OTHER BUSINESS

We do not presently know of any matters that will be presented for action at the Annual Meeting other than those set forth herein. If other matters properly come before the meeting, proxies submitted on the enclosed form will be voted by the persons named in the enclosed form of proxy in accordance with their best judgment.

Without limitation of the foregoing, the audit committee shall address with the independent auditors in connection with any audit performed by them (i) the Company's critical accounting policies and practices, (ii) alternative treatments of financial information within GAAP that the independent auditors have discussed with Company management, the ramifications of the use of such alternative disclosures and treatments and the alternative preferred by the independent auditors and (iii) any material written communications between the independent auditors and Company management, such as any management letter and any schedule of unadjusted differences.
