Bishop's resignation as President and Chief Executive Officer of the Company with effect from January 27, 2006 and his resignation as Chairman of the Board with immediate effect. In addition, the Board appointed Mr. McKenna as a director and Chairman of the Board and Mr. Bishop as Vice Chairman of the Board.

Prior to joining the Company, Mr. McKenna, who is 56 years old, was the President and Chief Executive Officer of SCP Global Technologies, a private company that is a leading supplier of semiconductor capital equipment, from March to August 2005. From September 1997 to August 2004, Mr. McKenna was President and then President and Chief Executive Officer of ChipPAC, Inc., a global semiconductor manufacturing and services company that is listed on Nasdaq.

In connection with his appointment as President and Chief Executive Officer of the Company, the Company and Mr. McKenna entered into an Employment Agreement dated January 27, 2006. The Employment Agreement provides for an initial salary of \$75,000 per month through the end of the Company's fiscal year 2006 and a base salary of \$50,000 per month thereafter. Commencing with the Company's fiscal year 2007, Mr. McKenna will be eligible to receive an annual performance bonus, subject to meeting performance targets specified by the Board. The target bonus will be 200% of his annual base salary. Upon certain equity financing transactions, Mr. McKenna will be eligible to receive a transaction bonus equal to 1% of the net proceeds to the Company of the transactions.

Pursuant to the Employment Agreement, Mr. McKenna has received restricted stock awards equal to 1% of the number of outstanding shares of the Company's common stock, which will vest in quarterly installments over two years, and options to purchase 2% of the number of outstanding shares of the Company's common stock, which will vest over four years (with 25% vesting after one year and quarterly vesting thereafter) and have an exercise price equal to the fair market value of the stock on the grant date.
