The Registrant is unable to file its report on Form 20-F for the year ended December 31, 2011 within the prescribed time period without unreasonable effort or expense given the recent significant changes in its management, including with respect to the persons responsible for reviewing and approving the Registrant's annual report, and the proposed changes in its shareholder structure. On April 16, 2012, President Cristina Fernández de Kirchner decreed state intervention in the Registrant and sent a bill to Congress proposing that 51% of the share capital of the Registrant (all from the majority stake that Repsol YPF S.A. holds in the Registrant) be expropriated. The President has designated Planning Minister Julio de Vido and Vice-Economy Minister Axel Kicillof to run the Registrant during the 30-day state intervention imposed while the expropriation bill is evaluated by Congress. The Registrant is currently working expeditiously to file its Form 20-F within the fifteen-day period provided by Exchange Act Rule 12b-25.
