**Mittal Steel Company N.V. and International Steel Group Inc.
Clarify Election Deadline**

8 April, 2005 Mittal Steel Company N.V. (Mittal Steel) [NYSE and Euronext Amsterdam: MT] and International Steel Group Inc. (ISG) [NYSE: ISG] today clarified the deadline for ISG stockholders to submit forms of election regarding the stock and cash consideration they elect to receive for their shares of ISG common stock in connection with the proposed merger of ISG with a wholly owned subsidiary of Mittal Steel. The deadline for holders of record of ISG shares will be 5:00 p.m., New York City time, on the third business day after the merger is completed. ISG stockholders who hold their shares in street name may be required to submit their election forms earlier than the deadline applicable to holders of record. Such stockholders should carefully review any materials they received from their broker to determine the election deadline applicable to them.

As previously announced, a meeting date of April 12, 2005 has been established for the Extraordinary General Meeting of Mittal Steel Shareholders and for the Special Meeting of ISG Stockholders during which Mittal Steel shareholders and ISG stockholders will vote on the merger agreement. Mittal Steel and ISG intend to complete the merger as promptly as practicable following satisfaction of all conditions to completion of the merger. As a result, the earliest possible expiration date for an ISG stockholder to submit a form of election is 5:00 p.m., New York City time, on Friday, April 15, 2005 (which would be the case if Mittal Steel and ISG were to complete the merger on Tuesday, April 12, 2005).

ALL ISG STOCKHOLDERS ARE URGED TO SUBMIT THEIR FORMS OF ELECTION AS SOON AS POSSIBLE IN ORDER TO ENSURE THAT THEIR ELECTIONS ARE EFFECTIVE.

ISG stockholders may elect cash, Mittal Steel Class A Common Shares, or a combination of the two for their ISG shares. All elections are subject to proration procedures provided in the merger agreement designed to ensure that, in the aggregate, 50% of the ISG shares will be converted into cash and 50% of the ISG shares will be converted into Mittal Steel Class A Common Shares. As a result, an ISG stockholder may not receive the exact form of consideration elected, and the ability of an ISG stockholder to receive the form of consideration elected will depend on the elections made by other ISG stockholders.

A more complete description of the merger consideration and the adjustment and proration mechanisms applicable to elections is contained in the election materials mailed to ISG stockholders of record as of March 14, 2005 and the proxy

statement/prospectus dated March 14, 2005, both of which ISG stockholders are urged to read carefully and in their entirety.

ISG stockholders may obtain additional copies of the election documents, as well as copies of the proxy statement/prospectus dated March 14, 2005, from MacKenzie Partners, Inc., by telephone at (212) 929-5500 (collect) or (800) 322-2885 (toll free) or by email at proxy@mackenziepartners.com.
