On June 22, 2007, Macquarie Infrastructure Company LLC ( MIC ) amended its second amended and restated operating agreement, which amendment will become effective on July 25, 2007. The third amended and restated operating agreement amends various provisions to reflect the previously disclosed mandatory exchange of all shares of trust stock of Macquarie Infrastructure Company Trust (the Trust ) for an equal number of limited liability company interests of MIC and the dissolution of the Trust, both of which will occur on June 25, 2007, and to make certain other immaterial changes. The amendment also amends the ownership threshold at and above which, if required, shareholders would provide an economic disclosure schedule and affidavit to the City of Chicago from a 10% holder to a 7<sup>1</sup>/<sub>2</sub>% holder to conform to changes in Chicago law. In prior discussions and dealings with the City of Chicago, the City has been willing to accept ownership filings with the SEC in lieu of the economic disclosure statement and affidavit for unaffiliated shareholders. MIC believes that these SEC filings will continue to be satisfactory in the near future, although MIC cannot provide any assurance to that effect.

On June 22, 2007, MIC entered into an amended and restated management services agreement, effective June 25, 2007, with several of its subsidiaries and Macquarie Infrastructure Management (USA) Inc. to reflect the mandatory share exchange and dissolution of the Trust as well as to make certain other immaterial changes.

The third amended and restated operating agreement of MIC and the amended and restated management services agreement are filed as exhibits hereto and the terms thereof are incorporated by reference herein. In addition, MIC intends to file, on June 25, 2007, Amendment No. 1 to its Registration Statement on Form 8-A which will include a description of the limited liability company interests of MIC and a summary of the material provisions of the third amended and restated operating agreement.

Finally, MIC will file an election to be treated as a corporation for US federal income tax purposes effective June 25, 2007 following the dissolution of the Trust. As previously disclosed, based on discussions with the Internal Revenue Service (the IRS ), the Company has requested permission to make the election to be treated as a corporation retroactive to January 1, 2007. Although the IRS has the authority to grant such permission, there can be no assurance that such permission will be granted.
