**EXPLANATORY NOTE**

Pulte Homes, Inc., a Michigan corporation ( Pulte or the Registrant ), hereby amends its Registration Statement on Form S-4 (Registration No. 333-158974), which was declared effective on July 17, 2009, (the Form S-4 ), by filing this Post-Effective Amendment No. 1 on Form S-8 (the Post-Effective Amendment No. 1 ) relating to shares of common stock, par value \$0.01 per share ( Pulte common stock ), that are issuable by Pulte pursuant to awards granted under the Centex Corporation 2003 Equity Incentive Plan, the Amended and Restated Centex Corporation 2001 Stock Plan, the Amended and Restated 1998 Centex Corporation Employee Non-Qualified Stock Option Plan, the Centex Corporation Amended and Restated 1987 Stock Option Plan and the Centex Corporation Long Term Incentive Plan (collectively, the Centex Plans ). The Form S-4, as amended by this Post-Effective Amendment No. 1, is referred to herein as the Registration Statement.

On August 18, 2009, Pi Nevada Building Company, a wholly owned subsidiary of Pulte ( Merger Sub ), merged with and into Centex Corporation, a Nevada corporation ( Centex ), with Centex continuing as the surviving corporation and a wholly owned subsidiary of Pulte (the Merger ), pursuant to the Agreement and Plan of Merger, dated as of April 7, 2009 (the Merger Agreement ), by and among Pulte, Merger Sub and Centex. Pursuant to the Merger Agreement, at the effective time of the Merger, each outstanding share of Centex common stock (other than those shares held by Pulte or Merger Sub, and other than treasury shares) was converted into the right to receive 0.975 of a share of Pulte common stock (the Exchange Ratio ).

Pursuant to the Merger Agreement, at the effective time of the Merger, all of the obligations of Centex under the Centex Plans were assumed by Pulte. In addition, pursuant to the Merger Agreement, at the effective time of the Merger:

each outstanding Centex stock option granted under a Centex Plan, whether vested or unvested, was converted into a vested option to purchase Pulte common stock on the same terms and conditions (except for vesting conditions) as were applicable to such Centex stock option, with adjustments to the number of shares subject to the option and the exercise price per share applicable to the option to reflect the Exchange Ratio. Pursuant to the Merger Agreement, if the Centex stock option was granted with an exercise price less than \$40.00 per share, the converted, vested Pulte stock option provides that, if the option holder experiences a severance-qualifying termination of employment during the two-year period following the Merger, the stock option will remain exercisable until the later of (1) the third anniversary of the date of the termination of employment and (2) the date on which the option would cease to be exercisable in accordance with its terms (or, in either case, if earlier, the expiration of the scheduled term of the option);

each outstanding award of restricted shares (except for certain restricted share awards granted under the Centex Corporation 2003 Equity Incentive Plan, as described below) of, or restricted or deferred stock units with respect to, Centex common stock granted under a Centex Plan vested and was converted into a number of shares of, or units or deferred units with respect to, Pulte common stock on the same terms and conditions (except for vesting conditions) as were applicable to such award, with adjustments to the number of shares of, or units or deferred units with respect to, Pulte common stock to reflect the Exchange Ratio; and

certain outstanding awards of restricted shares of Centex common stock granted under the Centex Corporation 2003 Equity Incentive Plan were converted into a number of restricted shares of Pulte common stock on the same terms and conditions as were applicable to such awards, with adjustments to the number of restricted shares of Pulte common stock to reflect the Exchange Ratio.

**Item 4. Description of Securities.**

Not applicable.

**Item 5. Interests of Named Experts and Counsel.**

Not applicable.

**Item 6. Indemnification of Directors and Officers.**

Section 561 of the Michigan Business Corporation Act, or the MBCA, permits a Michigan corporation to indemnify any director or officer of the corporation (as well as other employees and individuals) that was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, other than an action by or in the right of the corporation, by reason of his or her position with, or service to, the corporation, against expenses, including attorneys' fees, judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding if the person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation or its shareholders, and with respect to any criminal action

or proceeding, if the person had no reasonable cause to believe his or her conduct was unlawful. Section 562 of the MBCA permits similar indemnification by the corporation in the case of actions or suits by or in the right of the corporation, except that (a) the permitted indemnification does not extend to judgments, penalties and fines, and (b) court approval is required before there can be any indemnification where the person seeking indemnification has been found liable to the corporation. Section 563 of the MBCA provides that, to the extent that a director or officer of a corporation has been successful in the defense of an action, suit or proceeding described above, or in the defense of any claim, issue or matter therein, the corporation is required to indemnify him or her against actual and reasonable expenses, including attorneys' fees, incurred by him or her in connection therewith.

The Registrant's Restated Articles of Incorporation provide that directors of the Registrant shall not be personally liable to the Registrant or its shareholders for monetary damages for breach of the director's fiduciary duty. However, Pulte's Restated Articles of Incorporation do not eliminate or limit the liability of a director for any of the following: (a) acts or omissions not in good faith or that involve intentional misconduct or knowing violation of law; (b) a violation of Section 551(1) of the MBCA; (c) a transaction from which the director derived an improper personal benefit; or (d) an act or omission occurring before the effective date of the Articles. In addition, the Registrant's by-laws generally provide that the Registrant shall, to the fullest extent permitted by applicable law, indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding (whether civil, criminal, administrative or investigative) by reason of the fact that such person is or was a director or officer of the Registrant, or is or was serving at the Registrant's request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise.

The Registrant has obtained a Directors' and Officers' liability insurance policy, which provides for coverage for liabilities under the Securities Act of 1933, as amended, including for prior acts dating to the Registrant's inception.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement;

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; *provided, however*, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the registration statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to our directors, officers and controlling persons pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than payment by the registrant of expenses incurred or paid by a director, officer or controlling person in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
