Item 8.01 Other Events.

On February 4, 2010, DemandTec, Inc. (the Company) received notice after the close of stock market trading from James Dorrian, a managing member of Crosspoint Associates 2000, LLC, that Crosspoint Venture Partners 2000(Q), L.P. and Crosspoint Venture Partners 2000, L.P. (together, the Crosspoint Entities) had distributed to its limited and general partners an aggregate of approximately 6.0 million shares of the Company's common stock (the Distributed Shares) after market close on February 4, 2010. Crosspoint Associates 2000, LLC is the general partner of each of the Crosspoint Entities. Mr. Dorrian was formerly a member the Company's Board of Directors until his resignation as a Director in February 2007, in advance of the Company's initial public offering of common stock in August 2007. The Distributed Shares represent approximately 20.7% of the Company's outstanding Common Stock, and represent all of the remaining shares of the Company's common stock held by the Crosspoint Entities.

The Company believes that the substantial majority of the Distributed Shares will be freely tradable in the public market without registration under the Securities Act of 1933, as amended and without regard to the manner of sale and volume limitations of Rule 144 thereunder.
