Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On March 31, 2010, the Compensation Committee of the Board of Directors of HCA Inc. (the Company) adopted the 2010 Senior Officer Performance Excellence Program (the Senior Officer PEP). Under the Senior Officer PEP, the executive officers of the Company shall be eligible to earn performance awards based upon the achievement of certain specified performance targets. The specified performance criteria for the Company's named executive officers and other participants is EBITDA (as defined in the Senior Officer PEP), and with respect to the President Western Group and President Central Group 50% of their respective award opportunities are based on EBITDA for the Company's Western Group and the Company's Central Group, respectively. Target awards for the named executive officers are the same as for 2009 and are as follows:

130% of base salary for Richard M. Bracken, our Chairman and CEO;

80% of base salary for R. Milton Johnson, our Executive Vice President and CFO;

66% of base salary for Beverly B. Wallace, our President Shared Services Group;

66% of base salary for Samuel N. Hazen, our President Western Group; and

66% of base salary for W. Paul Rutledge, our President Central Group.

Participants will receive 100% of the target award for target performance, 25% of the target award for a minimum acceptable (threshold) level of performance, and a maximum of 200% of the target award for maximum performance.

No payments will be made for performance below specified threshold amounts. Payouts between threshold and maximum will be calculated by the Committee in its sole discretion using straight-line interpolation. The Committee may make adjustments to the terms and conditions of, and the criteria included in, awards under the Senior Officer PEP in recognition of unusual or nonrecurring events affecting a participant or the Company, or the financial statements of the Company, or in certain other instances specified in the Senior Officer PEP.

The Committee may apply negative discretion to final award determinations with respect to any of the named executive officers based on the Committee's subjective evaluation of the named executive officer's annual performance including, if and as determined by the Committee, an evaluation of quality of performance with a primary focus on CMS Core Measures and HCAHPS performance against industry benchmarks. However, no such adjustment to an individual award shall exceed 20% of the target award of the individual.

Awards pursuant to the Senior Officer PEP that are attributable to the performance goals being met at target level or below will be paid solely in cash, and, in the event performance goals are achieved above the target level, the amount of an award attributable to performance results in excess of target levels shall be payable 50% in cash and 50% in restricted stock units.

In addition, awards pursuant to the Senior Officer PEP are subject to recovery or adjustment by the Company in certain circumstances in which the operating results on which the payment was based were restated or otherwise adjusted or in the event a participant's conduct is not in good faith and materially disrupts, damages, impairs or interferes with the business of the Company and its affiliates.

The foregoing description of the Senior Officer PEP does not purport to be complete and is qualified in its entirety by reference to the Senior Officer PEP, a copy of which is attached to this report as [Exhibit 10.1](#) and is incorporated herein by reference.
