Item 8.01 Other Events.

On April 9, 2010, Halliburton Company, a Delaware corporation (Halliburton), Gradient, LLC, a Delaware limited liability company and a direct, wholly-owned subsidiary of Halliburton (Merger Sub), and Boots & Coots, Inc., a Delaware corporation (Boots & Coots), entered into an Agreement and Plan of Merger (the Merger Agreement). The Merger Agreement provides that, upon the terms and subject to the conditions set forth in the Merger Agreement, Boots & Coots will merge with and into Merger Sub, with Merger Sub surviving as a direct, wholly-owned subsidiary of Halliburton (the Merger). The Merger Agreement and the Merger have been approved by the Boards of Directors of both Halliburton and Boots & Coots.

Under the Merger Agreement, Boots & Coots stockholders will receive consideration valued at approximately \$3.00 per share for each share of Boots & Coots common stock, par value \$0.00001 per share, comprised of \$1.73 in cash and \$1.27 in shares of Halliburton common stock, par value \$2.50 per share, subject to adjustment to achieve the intended tax consequences of the merger and subject to an election feature.

Boots & Coots stockholders may elect to receive consideration consisting of cash, shares of Halliburton common stock or a combination of both in exchange for their shares of Boots & Coots common stock, subject to a proration feature. Subject to modification in order to achieve the intended tax consequences of the Merger, Boots & Coots stockholders electing to receive a mix of cash and stock consideration and non-electing stockholders will receive (1) \$1.73 in cash and (2) a fraction of a share of Halliburton common stock equal to an exchange ratio, which will be calculated by dividing \$1.27 by the volume weighted average trading price of a share of Halliburton common stock during the five-day trading period ending on the second full trading day immediately prior to the effective date of the Merger (the Halliburton five-day average price), for each share of Boots & Coots common stock they own. Subject to proration, (i) Boots & Coots stockholders electing to receive all cash will receive \$3.00 for each share of Boots & Coots common stock they own and (ii) Boots & Coots stockholders electing to receive only Halliburton common stock will receive a fraction of a share of Halliburton common stock equal to an exchange ratio, which will be calculated by dividing \$3.00 by the Halliburton five-day average price, for each share of Boots & Coots common stock they own. The number of shares of Halliburton common stock to be issued to Boots & Coots stockholders receiving either all stock or a mix of cash and stock consideration will be determined based upon the Halliburton five-day average price.

At the effective time of the Merger, each outstanding option to purchase shares of Boots & Coots common stock and each outstanding stock appreciation right (SAR) with respect to a share of Boots & Coots common stock, whether or not then exercisable or vested, will be converted into an obligation of Halliburton to pay the option or SAR holder an amount in cash equal to the product of (1) the number of shares of Boots & Coots common stock subject to the option or SAR, as applicable, and (2) the excess, if any, of \$3.00 over the exercise price per share previously subject to such option or SAR. Immediately prior to the effective time of the Merger, each outstanding award of Boots & Coots restricted stock will become fully vested, and each holder will have the right to make the same elections as a holder of Boots & Coots common stock.

Completion of the Merger is conditioned upon: (1) approval by Boots & Coots stockholders; (2) the absence of any law or order prohibiting the closing; (3) regulatory approvals, including expiration or early termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976; (4) subject to certain exceptions, the accuracy of representations and warranties and the performance of covenants; (5) the effectiveness of a registration statement on Form S-4 that will be filed by Halliburton for the issuance of shares of its common stock in the Merger and the authorization of the listing of those shares on the New York Stock Exchange; (6) the delivery of customary opinions from counsel to Halliburton and Boots & Coots that the Merger will qualify as a tax-free reorganization for U.S. federal income tax purposes; (7) subject to certain exceptions, that neither Jerry L. Winchester nor Dewitt H. Edwards cease to be employed by Boots & Coots or express any intention to terminate his employment or decline to accept employment with a Halliburton subsidiary and (7) other closing conditions.

Boots & Coots and, to a lesser extent, Halliburton, have made customary representations, warranties and covenants in the Merger Agreement. Boots & Coots has generally covenanted (1) to conduct its business in the ordinary course; (2) to hold a meeting of its stockholders to consider approval of the Merger Agreement and the transactions contemplated by the Merger Agreement; (3) subject to certain exceptions, for its board of directors to

recommend approval by the stockholders of the Merger Agreement and the transactions contemplated by the Merger Agreement; (4) not to solicit proposals relating to alternative business combination transactions; and (5) subject to certain exceptions, not to enter into discussions concerning or provide confidential information in connection with alternative business combination transactions.

The Merger Agreement contains certain termination rights for both Halliburton and Boots & Coots. The Merger Agreement further provides that, upon termination of the Merger Agreement under specified circumstances, Boots & Coots may be required to pay Halliburton a termination fee of \$10.0 million. The Merger Agreement also provides for the reimbursement of up to \$1.5 million of a party's expenses if the Merger Agreement is terminated under specified circumstances.

The foregoing description of the Merger Agreement and the transactions contemplated thereby is not complete and is subject to and qualified in its entirety by reference to the Merger Agreement, a copy of which is attached hereto as Exhibit 2.1 and the terms of which are incorporated herein by reference.

The Merger Agreement has been included to provide security holders with information regarding its terms. It is not intended to provide any other factual information about Halliburton or Boots & Coots. The representations, warranties and covenants contained in the Merger Agreement were made solely for purposes of the agreement and as of specific dates, were solely for the benefit of the parties to the Merger Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to security holders. Security holders are not third-party beneficiaries under the Merger Agreement and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of Halliburton or Boots & Coots. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in Halliburton's or Boots & Coots' public disclosures.
