CUSIP No. 00383Y102

**Item 1. Security and Issuer**

This statement on Schedule 13D (this Schedule 13D) relates to shares of common stock, par value \$0.001 per share (the Shares), of Abraxis BioScience, Inc., a Delaware corporation (Abraxis), whose principal executive offices are located at 11755 Wilshire Boulevard, Suite 2000, Los Angeles, CA 90025.

**Item 2. Identity and Background**

(a) (c) and (f) The persons filing this Schedule 13D are Celgene Corporation, a Delaware corporation (Parent), and Artistry Acquisition Corp., a Delaware corporation (Merger Sub). The principal executive offices of each of Parent and Merger Sub are located at 86 Morris Avenue, Summit, New Jersey 07901. The telephone number for each of Parent and Merger Sub is (908) 673-9000. Parent's principal business is the discovery, development and commercialization of innovative therapies designed to treat cancer and immune-inflammatory related diseases. Merger Sub is a newly-formed subsidiary of Parent, organized to effect the Merger (as defined below). Merger Sub has not conducted, and does not expect to conduct, any business other than in connection with the Merger.

The name, citizenship, business address, present principal occupation or employment (and the name, principal business and address of any corporation or other organization in which such employment is conducted) for each director and executive officer of Parent and Merger Sub are set forth in Annex I hereto and incorporated herein by reference.

(d) (e) During the last five years, none of Parent or Merger Sub or, to the knowledge of Parent or Merger Sub, any of the persons listed on Annex I attached hereto, has (i) been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) been a party to any judicial or administrative proceeding that resulted in a judgment, decree or final order enjoining any of them from future violations of, or prohibiting activities subject to, U.S. federal or state securities laws, or a finding of any violation of U.S. federal or state securities laws.

**Item 3. Source and Amount of Funds or Other Consideration**

As more fully described in response to Item 4, the Shares to which this Schedule 13D relates have not been purchased by Parent or Merger Sub. As an inducement to Parent and Merger Sub entering into the Merger Agreement described in Item 4, and in consideration thereof, certain of Abraxis stockholders (each a Committed Stockholder and collectively, the Committed Stockholders) entered into a Voting Agreement, dated as of June 30, 2010 (the Voting Agreement), pursuant to which each Committed Stockholder has agreed, among other things, to vote its respective Shares in favor of, or execute consents in favor of, the approval and adoption of the Merger Agreement and the transactions contemplated by the Merger Agreement, at any meeting of, or in connection with any proposed action by written consent of, the holders of Shares, on the terms and subject to the conditions set forth in the Voting Agreement. Neither Parent nor Merger Sub paid additional consideration to the Committed Stockholders in connection with the execution and delivery of the Voting Agreement. For a description of the Voting Agreement, see Item 4 below, which description is incorporated herein by reference. Any beneficial ownership of Parent and Merger Sub in Abraxis that may be deemed to arise from the Voting Agreement is not expected to require the expenditure of any funds. See Item 4 for a description of the Merger Agreement and the merger consideration to be paid thereunder.

References to, and descriptions of, the Merger Agreement and the Voting Agreement as set forth herein are not intended to be complete and are qualified in their entirety by reference to the Merger Agreement and the Voting Agreement, respectively, copies of which are filed as Exhibit 1 and Exhibit 3, respectively, to this Schedule 13D and which are incorporated by reference in this Item 3 in their entirety.

**Item 4. Purpose of Transaction**

Parent, Merger Sub and the Committed Stockholders entered into the Voting Agreement as an inducement to Parent's and Merger Sub's willingness to enter into the Merger Agreement. The purpose of the Merger Agreement is to acquire control of, and the entire equity interest in, Abraxis. The purpose of the Voting Agreement is to facilitate the transactions contemplated by the Merger Agreement.

CUSIP No. 00383Y102

### **Merger Agreement**

On the terms and subject to the conditions of the Merger Agreement, at the Effective Time, each Share issued and outstanding immediately prior to the Effective Time (other than treasury Shares of Abraxis and any Shares owned by Parent, Merger Sub or any wholly owned subsidiary of Parent or Abraxis, and any Dissenting Company Shares (as defined in the Merger Agreement)) will be converted into the right to receive (i) an amount in cash, without interest, equal to \$58.00 (the Cash Consideration), (ii) 0.2617 (the Exchange Ratio) of a share of common stock, par value \$.01 per share, of Parent (the Parent Common Stock), and (iii) one contingent value right issued by Parent subject to and in accordance with the CVR Agreement described below (collectively, the Merger Consideration). No fractional shares of Parent Common Stock will be issued in the Merger, and Abraxis stockholders will receive cash in lieu of fractional shares, if any, of Parent Common Stock.

All outstanding stock options (Options), stock appreciation rights (SARs) and restricted stock units (RSUs) of Abraxis will be canceled at the Effective Time. Holders of Options and SARs with an exercise or base price below the Per Share Amount (as defined below) will receive, for each Share subject to such Option or SAR, (i) a cash payment equal to the difference between the Per Share Amount and the exercise price or base price of the Option or SAR, as applicable, and (ii) one CVR. Holders of Options and SARs with an exercise or base price above the Per Share Amount will be given the right to elect, during a period of at least five business days ending the business day preceding the closing of the Merger, to pay to Abraxis a cash payment equal to the difference between the exercise price or base price of the Option or SAR, as applicable, and the Per Share Amount, and in exchange receive one CVR. Holders of RSUs will receive (i) a cash payment equal to the Per Share Amount and (ii) one CVR. The Per Share Amount means the sum of (x) the amount obtained by multiplying (1) the Exchange Ratio and (2) the Parent Share Cash Value (as defined below), with such amount rounded up to the nearest cent, and (y) the Cash Consideration. The Parent Share Cash Value will be an amount equal to the average of the closing sale prices for Parent Common Stock on the NASDAQ, as reported in The Wall Street Journal, for each of the ten consecutive trading days ending with the seventh complete trading day prior to the Effective Time.

Parent and Abraxis each made representations, warranties and covenants in the Merger Agreement, including, among others, covenants by Abraxis to conduct its business in the ordinary course during the interim period between the execution of the Merger Agreement and consummation of the Merger. The representations and warranties contained in the Merger Agreement are made for the purposes of allocation of risk between the parties and as conditions to closing, may be subject to exceptions in a disclosure letter provided before the signing of the Merger Agreement, are not necessarily accurate or complete as made and should not be relied upon by any stockholders or potential investors. The Merger Agreement prohibits Abraxis from soliciting or knowingly encouraging competing acquisition proposals. However, Abraxis may, subject to the terms and conditions set forth in the Merger Agreement, provide information to a third party that makes an unsolicited acquisition proposal, and may engage in discussions and negotiations with a third party that makes an unsolicited acquisition proposal that the Abraxis board of directors determines constitutes or is reasonably likely to result in a Superior Proposal (as defined in the Merger Agreement).

The consummation of the Merger is subject to customary closing conditions, including the approval of Abraxis stockholders and the expiration or termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act and the effectiveness of Parent's Registration Statement on Form S-4 covering shares of Parent Common Stock and CVRs to be issued in the Merger, and the approval of such shares of Parent Common Stock for listing (subject to notice of issuance) on NASDAQ.

The Merger Agreement also provides for certain termination rights for both Parent and Abraxis. Upon termination of the Merger Agreement under specified circumstances, Abraxis may be required to pay Parent a termination fee of \$145 million.

The Merger Agreement provides that, at the Effective Time, Merger Sub will be merged with and into Abraxis, with Abraxis continuing as the surviving corporation (the Surviving Corporation). The amended and restated certificate of incorporation of Abraxis, as in effect immediately prior to the Effective Time, will, by virtue of the Merger, be amended and restated in a form mutually agreed and, as so amended, will be the certificate of incorporation of the

Surviving Corporation, until changed or amended in accordance with its terms and as provided by applicable law and the Merger Agreement. The by-laws of Merger Sub, in effect immediately prior to the Effective Time, will be the by-laws of the Surviving Corporation, until changed or amended in accordance with their terms and as provided by applicable law and the Merger Agreement.

CUSIP No. 00383Y102

The directors of Merger Sub and the officers of Abraxis in office immediately prior to the Effective Time will be the directors and officers, respectively, of the Surviving Corporation, in each case until their respective successors have been duly elected or appointed and qualified or until their earlier death, resignation or removal, in accordance with the Surviving Corporation's certificate of incorporation and by-laws.

Parent and Merger Sub currently expect that the registration of the Shares under the Exchange Act and the listing of the Shares on the NASDAQ will be terminated upon completion of the Merger.

### **Contingent Value Rights Agreement**

At the closing of the Merger, Parent and a mutually acceptable trustee will enter into a Contingent Value Rights Agreement ( "CVR Agreement" ) governing the terms of the CVRs. A holder of a CVR is entitled to receive a pro rata portion of cash payments that Parent is obligated to pay to all holders of CVRs, as follows:

*Net Sales Payments.* For each full one-year period ending December 31 during the term of the CVR Agreement (a "Net Sales Measuring Period" ), a payment that equals (i) 2.5% of that portion of Net Sales of Abraxane<sup>®</sup> and the other Products (as each such term is defined in the CVR Agreement) that exceeds \$1 billion but is less than or equal to \$2 billion for such period, plus (ii) an additional amount equal to 5.0% of that portion of Net Sales of Abraxane<sup>®</sup> and the other Products that exceeds \$2 billion but is less than or equal to \$3 billion for such period, plus (iii) an additional amount equal to 10.0% of that portion of Net Sales of Abraxane<sup>®</sup> and the other Products that exceeds \$3 billion for such period; provided that no Net Sales Payments will be due following a Net Sales Payment Termination Date. "Net Sales Payment Termination Date" is defined as the last day of the Net Sales Measuring Period ending on December 31, 2025; provided that, if Net Sales of the Products for the Net Sales Measuring Period ending on December 31, 2025 are equal to or greater than \$1 billion, then the Net Sales Payment Termination Date will be extended until the earlier of (x) the last day of the Net Sales Measuring Period during which Net Sales of the Products are less than \$1 billion and (y) December 31, 2030.

*Milestone Payment #1.* \$250 million, with respect to the achievement of U.S. regulatory approval of Abraxane<sup>®</sup> for use in the treatment of non-small cell lung cancer, which permits Parent to market such Product under a label that includes a progression free survival claim, but only if the foregoing milestone is achieved no later than the fifth anniversary of the execution of the CVR Agreement.

*Milestone Payment #2.* \$400 million (if achieved no later than April 1, 2013) or \$300 million (if achieved after April 1, 2013 and before the fifth anniversary of the CVR Agreement), with respect to the achievement of U.S. regulatory approval of Abraxane<sup>®</sup> for use in the treatment of pancreatic cancer, which permits Parent to market such Product under a label that includes an overall survival claim.

Parent has agreed to use diligent efforts to achieve each of the Milestones above through the fifth year anniversary of the CVR Agreement and to use diligent efforts to obtain FDA regulatory approval for the commercial manufacture, marketing and sale of Abraxane<sup>®</sup> for the treatment of melanoma, ovarian cancer, bladder cancer and first-line metastatic breast cancer unless the data generated in an appropriate clinical trial does not support further development of Abraxane<sup>®</sup> for the applicable indication. Parent has also agreed to use diligent efforts to sell Abraxane<sup>®</sup> or any other Products for which Parent has obtained regulatory approval for the commercial manufacture, marketing and sale thereof.

Parent has agreed to use its reasonable best efforts to cause the CVRs to be approved for listing for trading on NASDAQ and to maintain such listing for as long as CVRs remain outstanding.

CUSIP No. 00383Y102

Parent may, at any time on and after the date that fifty percent of the CVRs initially issued pursuant to the terms of the Merger Agreement either are (i) no longer outstanding, and/or (ii) repurchased, acquired, redeemed or retired by Parent, redeem all (but not less than all) of the outstanding CVRs at a cash redemption price equal to the average price paid for all CVRs by Parent in prior transactions.

#### **Voting Agreement**

As an inducement to Parent and Merger Sub and as a condition to Parent and Merger Sub entering into the Merger Agreement, concurrently with the execution of the Merger Agreement, Dr. Patrick Soon-Shiong and related entities holding, in the aggregate, approximately 82% of the issued and outstanding Shares (the Committed Stockholders ) entered in a Voting Agreement with Parent and Merger Sub (the Voting Agreement ), pursuant to which the Committed Stockholders have agreed, subject to the terms thereof, to vote their Shares in favor of, or execute consents in favor of, the approval and adoption of the Merger Agreement and the transactions contemplated thereby, and against, among other things, any business combination or extraordinary corporate transaction other than the Merger or another business combination or transaction with Parent or any of its affiliates, at any meeting of, or in connection with any proposed action by written consent of, the holders of Shares. The Committed Stockholders also granted Parent an irrevocable proxy to vote their Shares in accordance with the preceding sentence.

The Voting Agreement also limits the ability of the Committed Stockholders to sell or otherwise transfer their Shares, other than to certain permitted transferees. The Voting Agreement will terminate upon the earlier to occur of (i) the Effective Time, (ii) a material amendment of the Merger Agreement that is adverse to the Committed Stockholders that is not consented to by the Committed Stockholders (including a decrease or change in the form of the Merger Consideration) and (iii) the termination of the Merger Agreement in accordance with its terms.

#### **Non-Competition, Non-Solicitation and Confidentiality Agreement**

As an inducement to Parent and as a condition to Parent entering into the Merger Agreement, concurrently with the execution of the Merger Agreement, Dr. Patrick Soon-Shiong entered in a Non-Competition, Non-Solicitation and Confidentiality Agreement with Parent (the Noncompetition Agreement ), pursuant to which, among other things, Dr. Soon-Shiong will be generally prohibited, for 10 years from and after the Effective Time, subject to certain exceptions, from owning or otherwise engaging in the business of researching, developing, licensing, manufacturing, selling, offering for sale, importing, using, marketing, distributing, practicing or otherwise exploiting any Albumin-Bound Nab® Products (as defined in the Noncompetition Agreement) in the United States and any foreign jurisdiction in which Abraxis was engaged in the business of researching, developing, licensing, manufacturing, selling, offering for sale, importing, using, marketing, distributing, practicing or otherwise exploiting any Albumin-Bound Nab® Products as of the Effective Time.

#### **Stockholders Agreement**

Concurrently with the execution of the Merger Agreement, certain of the Committed Stockholders entered in a Stockholders Agreement with Parent (the Stockholders Agreement ), pursuant to which, among other things, the Committed Stockholders have agreed not to sell, pledge or otherwise transfer the Parent Common Stock to be acquired by them in the Merger (the Merger Common Stock ) for three years following the Effective Time, other than to certain permitted transferees or in connection with a third party tender or exchange offer, merger or similar transaction involving Parent; provided that after two years the Committed Stockholders may sell up to 25% of the aggregate Merger Common Stock held by all Committed Stockholders immediately after the Effective Time. In addition, the Committed Stockholders have agreed that prior to the fourth anniversary of the Merger, the Committed Stockholders will not sell, pledge or otherwise transfer, in any calendar month, in open market transactions, more than 30% of the aggregate Merger Common Stock held by all Committed Stockholders immediately after the Effective Time.

#### **General**

Other than as described in this Item 4, Parent and Merger Sub have no present plans or proposals that would relate to or result in any of the matters listed in paragraphs (a) through (j) of Item 4 of Schedule 13D (although Parent and Merger Sub reserve the right to formulate specific plans and proposals with respect to, or change their intentions

regarding, any or all of the foregoing, subject to the terms of the Merger Agreement and the Voting Agreement).

(a) (b) For the purpose of Rule 13d-3 under the Exchange Act, Parent and Merger Sub, by reason of the execution and delivery of the Voting Agreement, may be deemed to have shared voting power with the Committed Stockholders with respect to (and therefore beneficially own within the meaning of Rule 13d-3 under the Exchange Act) an aggregate of 33,215,612 Shares, comprised of (i) 33,186,067 issued and outstanding Shares owned by the Committed Stockholders and (ii) vested options owned by the Committed Stockholders to purchase 29,545 Shares (which, upon issuance, will become New Shares as defined in the Voting Agreement), representing approximately 82% of Abraxis issued and outstanding Shares (assuming 40,403,163 Shares issued and outstanding as of June 25, 2010, as represented by Abraxis in the Merger Agreement). (c) Except for the execution and delivery of the Voting Agreement and the Merger Agreement, no transactions in Shares were effected by Parent, Merger Sub or, to the knowledge of Parent or Merger Sub, any of the persons listed on Annex I attached hereto, during the 60 days prior to the date hereof.
