-

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

5.02(e):

On July 20, 2010 Geoffrey A. Thompson was granted an option (the Thompson Option) to purchase 20,000 shares of Thor Industries, Inc. (Thor) common stock under the Thor Industries, Inc. 2006 Equity Incentive Plan (the Plan) with a per share exercise price of \$27.88. The Thompson Option will vest in equal installments on each of the first three anniversaries of the date of grant (or earlier upon a change in control of Thor) subject to Mr. Thompson s continuing service with Thor on such date. The Thompson Option will fully vest and become exercisable upon a change in control of Thor.

If Mr. Thompson s service with Thor is terminated, the unvested portion of the Thompson Option will be forfeited; provided, however, that if his service is terminated for cause, the outstanding Thompson Option, whether or not vested, will be forfeited. Mr. Thompson will be able to exercise any vested portion of the Thompson Option that is not forfeited upon termination pursuant to the preceding sentence until July 19, 2020. In connection with, and in consideration of, this option grant, Mr. Thompson has agreed to keep confidential all information of a proprietary or confidential nature, and has agreed to refrain from engaging in competitive activities and from soliciting Thor employees and customers during his service with Thor and for 12 months following termination of such service.

Also on July 20, 2010 Christian G. Farman was granted an option (the Farman Option) to purchase 100,000 shares of Thor common stock under the Plan with a per share exercise price of \$27.88. The Farman Option will vest in equal installments on each of the first five anniversaries of the date of grant (or earlier upon a change in control of Thor) subject to Christian Farman s continuing employment with Thor on such date. The Farman Option will fully vest and become exercisable upon a change in control of Thor.

If Mr. Farman s service with Thor is terminated, the unvested portion of the Farman Option will be forfeited; provided, however, that if his service is terminated for cause, the outstanding Farman Option, whether or not vested, will be forfeited. Mr. Farman will be able to exercise any vested portion of the Farman Option that is not forfeited upon termination pursuant to the preceding sentence until July 19, 2020. In connection with, and in consideration of, this option grant, Mr. Farman has agreed to keep confidential all information of a proprietary or confidential nature, and has agreed to refrain from engaging in competitive activities and from soliciting Thor employees and customers during his employment and for 12 months following termination of employment.

In addition to the above, effective November 16, 2009, Thor amended certain compensation arrangements with Peter Orthwein, Chairman of the Board, President and Chief Executive Officer, and Richard E. Riegel III, Senior Group President, two of its named executive

officers, by increasing Mr. Orthwein's annual base salary from \$270,000 to \$500,000 on an annualized basis and Mr. Riegel's annual base salary from \$100,500 to \$200,000 on an annualized basis. In addition, on October 30, 2009, Mr. Riegel became eligible to receive a performance bonus award equal to 0.60% of Thor's annual net income before taxes for fiscal 2010.

Effective May 1, 2010, Mr. Orthwein's annual base salary was further increased to \$750,000 on an annualized basis.
