This Amendment No. 1 to Schedule 13D (this Amendment) amends and supplements the Schedule 13D (the Schedule 13D) filed with the Securities and Exchange Commission (the SEC) on May 17, 2010, by CGI Group Inc., a corporation organized under the laws of the Province of Québec, Canada (CGI) and CGI Federal Inc., a Delaware corporation (CGI-US) and a wholly owned subsidiary of CGI, with respect to the common stock, par value \$0.01 per share (the Common Stock) of Stanley, Inc., a Delaware corporation (Stanley). As described in more detail below, Items 2, 4, 5, and 6 have been amended by this Amendment as a result of the Merger of CGI Fairfax Corporation, a Delaware corporation and a wholly owned subsidiary of CGI-US and an indirect wholly owned subsidiary of CGI (CGI-Fairfax), with and into Stanley on August 17, 2010. Capitalized terms used but not otherwise defined herein shall have the meaning ascribed to such terms in the Schedule 13D.

The Schedule 13D is amended and supplemented as follows:

**Item 2. Identity and Background**

Item 2 of the Schedule 13D is hereby amended and supplemented by amending and restating Schedule A as attached hereto:

**Item 4. Purpose of Transaction**

Item 4 of the Schedule 13D is hereby amended and supplemented by adding the following at the end hereof: The Offer expired at 12:00 midnight, New York City time, on Monday, August 16, 2010. CGI has been advised by Computershare Investor Services Inc., the depositary for the Offer, that as of the expiration time, stockholders of Stanley had tendered and not validly withdrawn approximately 22,556,825 shares (including approximately 2,606,303 shares subject to guarantees of delivery), representing approximately 95.2% of the outstanding shares of Stanley Common Stock. All shares that were tendered and not validly withdrawn have been accepted for purchase. CGI-Fairfax will promptly pay for such shares at the offer price of \$37.50 per share without interest and less any required withholding taxes.

On August 17, 2010, CGI-Fairfax effected a short-form merger under Delaware law and Stanley became a wholly owned subsidiary of CGI-US. As a result of the Merger, all then-outstanding shares of Stanley Common Stock (other than those held by CGI-Fairfax or by stockholders who validly exercise appraisal rights) were cancelled and converted into the right to receive \$37.50 per share in cash without interest and less any required withholding taxes.

At the effective time of the Merger (the Effective Time):

- (i) shares of Common Stock held by Stanley as treasury stock or owned by CGI, CGI-US or CGI-Fairfax, or their respective subsidiaries, were automatically canceled and ceased to exist; and
  - (ii) except as provided immediately above and other than shares of Common Stock owned by Stanley's stockholders who perfect their appraisal rights under Section 262 of the General Corporation Law of the State of Delaware, each share of Common Stock outstanding immediately prior to the Effective Time was converted into the right to receive \$37.50, net to the seller in cash, without interest thereon and less any required withholding taxes; and
  - (iii) each share of common stock of CGI-Fairfax was converted into one share of common stock of the surviving corporation of the Merger; and
  - (iv) the Certificate of Incorporation of Stanley was amended and restated; and
  - (v) the Bylaws of CGI-Fairfax became the Bylaws of Stanley; and
  - (vi) the directors of CGI-Fairfax immediately prior to the Effective Time became the directors of Stanley; and
-

(vii) each of Brian J. Clark, Scott D. Chaplin, Gregory M. Denkler, Sean M. Gallagher, Lucas J. Narel, Philip O. Nolan, and George H. Wilson were removed as officers of Stanley. George Schindler, James B. Peake, Donna Ryan, Christina F. Marchione, and Scott B. Pfof were appointed as officers of the Company to serve as President, Senior Vice-President, Senior Vice-President, Vice-President and Corporate Secretary, and Treasurer, respectively.

The Common Stock will cease to be traded on the New York Stock Exchange as of market open on August 18, 2010. Following the Effective Time, the NYSE will file a Form 25 with the SEC to delist the Common Stock. Upon the effectiveness of the Form 25, Stanley will file a Form 15 to terminate the registration of the Common Stock under Section 12(g) of the Act.

The foregoing summary of certain provisions of the Merger Agreement is not intended to be complete and is qualified in its entirety by reference to CGI's Form 6-K filed with the SEC on May 7, 2010, and the exhibits attached thereto, including the Merger Agreement.

**Item 5. Interest in Securities of the Issuer**

(a) (b) As a result of the Merger, CGI indirectly beneficially owns, and CGI-US directly beneficially owns, 1,000 shares of the common stock of surviving corporation of the Merger, representing 100% of the issued and outstanding shares of the surviving corporation's common stock.

(c) Except for the Merger Agreement and the Stockholders Agreement, neither the Reporting Persons nor, to the knowledge of the Reporting Persons, any person named in Schedule A to this Schedule 13D, has effected any transaction in shares of Common Stock during the past 60 days.

(d) To the knowledge of the Reporting Persons, no other person has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the securities subject to the Stockholders Agreement.

(e) Not applicable.

**Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer**

Item 6 of the Schedule 13D is hereby amended and supplemented by adding the following at the end thereof:

The information set forth in Items 4 and 5 of this Amendment is hereby incorporated by reference.

---

**SIGNATURE**

After reasonable inquiry and to the best of my knowledge and belief, I certify that the information set forth in this Schedule 13D is true, complete and correct.
