Dear NaviSite Stockholders:

I am pleased to invite you to attend the 2010 Annual Meeting of Stockholders (the **Annual Meeting**) of NaviSite, Inc. to be held on Tuesday, December 14, 2010 at 9:00 a.m., local time, at the Westin Boston Waterfront, 425 Summer Street, Boston, Massachusetts 02210.

Specific details regarding admission to the meeting and the business to be conducted at the Annual Meeting are included in the Notice of Annual Meeting of Stockholders and Proxy Statement.

This year, we are using the Internet as our primary means of furnishing proxy materials to stockholders. Consequently, most stockholders will not receive paper copies of our proxy materials. We will instead send these stockholders a notice with instructions for accessing the proxy materials and voting via the Internet. The notice also provides information on how stockholders may obtain paper copies of our proxy materials if they so choose. This makes the proxy distribution process more efficient and less costly.

Your vote is important. Whether or not you plan to attend the Annual Meeting, please vote as soon as possible. As an alternative to voting in person at the Annual Meeting, you may vote via the Internet, by telephone or, if you receive a paper proxy card in the mail, by completing and returning the proxy card. Voting by any of these methods will ensure your representation at the Annual Meeting.

Thank you for your continued support.

Sincerely,

R. Brooks Borcharding
President and Chief Executive Officer

On or about November 3, 2010, we are either mailing or providing notice and electronic delivery of these proxy materials together with an annual report, consisting of our Annual Report on Form 10-K for the fiscal year ended July 31, 2010 (the **2010 Annual Report**) and other information required by the rules of the Securities and Exchange Commission (the **SEC**). NaviSite's principal executive offices are located at 400 Minuteman Road, Andover, Massachusetts 01810 and its telephone number is (978) 682-8300.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting to be Held on December 14, 2010: This Proxy Statement and our 2010 Annual Report are available for viewing, printing and downloading at www.navisiteproxy.com.

Solicitation

The cost of soliciting proxies, including expenses in connection with preparing, printing and mailing of the Notice of Internet Availability of Proxy Materials, this Proxy Statement, and any additional solicitation material will be borne by NaviSite. NaviSite may engage a paid proxy solicitor to assist in the solicitation. Copies of solicitation materials will be furnished to brokerage houses, nominees, fiduciaries and custodians to forward to beneficial owners of NaviSite's common stock, \$.01 par value per share (the **Common Stock**), held in their names. In addition to the solicitation of proxies by mail, NaviSite's directors, officers and other employees may, without additional compensation, solicit proxies by telephone, facsimile, electronic communication and personal interviews. NaviSite will also reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to stockholders.

Record Date, Voting Securities and Votes Required

Only holders of record of Common Stock and NaviSite Series A Convertible Preferred Stock (the **Preferred Stock**) as of the close of business on Monday, October 18, 2010 (the **Record Date**) will be entitled to receive notice of, and vote at, the Annual Meeting and any adjournments thereof. On the Record Date, NaviSite had approximately

Edgar Filing: NAVISITE INC - Form DEF 14A

37,930,512 shares of Common Stock and 4,209,442 shares of Preferred Stock issued and outstanding and entitled to be voted. The holders of Common Stock and Preferred Stock are entitled to one vote for each share held as of the Record Date on any proposal presented at the Annual Meeting. The holders of Common Stock and Preferred Stock vote together as one class.

A majority of the shares of Common Stock and Preferred Stock issued and outstanding and entitled to be voted at the Meeting will constitute a quorum at the Annual Meeting. Votes withheld, abstentions and broker

Table of Contents

non-votes shall be counted for purposes of determining the presence or absence of a quorum for the transaction of business at the Annual Meeting.

The affirmative vote of the holders of a plurality of the votes cast at the Annual Meeting is required for the election of directors (Proposal No. 1). The affirmative vote of the holders of a majority of the shares of Common Stock and Preferred Stock, voting together as a single class, present or represented by proxy and voting on the matter is required to ratify the appointment of KPMG LLP as NaviSite's independent registered public accounting firm for the fiscal year ending July 31, 2011 (Proposal No. 2).

Shares which abstain from voting on a particular matter and shares held in street name by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter (**broker non-votes**) will not be counted as votes in favor of such matter and will also not be counted as votes cast or shares voting on such matter. Accordingly, neither abstentions nor broker non-votes will have any effect upon the outcome of voting with respect to the election of directors (Proposal No. 1), which requires a plurality of the votes cast, or the ratification of the appointment of KPMG LLP as NaviSite's independent registered public accounting firm (Proposal No. 2), which each require an affirmative vote of a majority of the shares of Common Stock and Preferred Stock present or represented by proxy and voting on the matter.

An automated system administered by NaviSite's transfer agent tabulates the votes. The votes on each matter are tabulated separately.

Voting Instructions

If you received a paper copy of these proxy materials, included with such copy is a proxy card or a voting instruction card from your bank, broker or other nominee for the Annual Meeting, with instructions for voting via the Internet or by telephone. If you received a Notice of Internet Availability of Proxy Materials, the Notice of Internet Availability of Proxy Materials will contain instructions on how to access and review the proxy materials online and how to obtain a paper or electronic copy of the materials, which will include the Proxy Statement, the 2010 Annual Report and a proxy card or voting instruction card, as well as instructions on how to vote either at the Annual Meeting, via the Internet, by telephone or by mail.

Those stockholders who receive a paper proxy card and voting instructions by mail, and who elect to vote by mail, should complete, sign and return the proxy card in the prepaid and addressed envelope that was enclosed with the proxy materials, and the shares will be voted at the Annual Meeting in the manner directed. If you complete, sign and return your proxy card, it will be voted as you direct. In the event no choice is specified on a signed proxy card, the persons named as proxies will vote:

FOR the election of each of Andrew Ruhan, Arthur P. Becker, James Dennedy, Thomas R. Evans and Larry Schwartz to the Board of Directors;

FOR the ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending July 31, 2011; and

In their discretion as to any other matter that may be properly brought before the Annual Meeting or any adjournments thereof.

If the shares you own are held in street name by a bank, broker or other nominee, that person, as the record holder of your shares, is required to vote your shares according to your instructions. Your bank, broker or other nominee will send you directions on how to vote those shares. Under applicable stock exchange rules, if you do not give

instructions to your bank, broker or other nominee, it will still be able to vote your shares with respect to certain discretionary items, but will not be allowed to vote your shares with respect to certain non-discretionary items. In the case of non-discretionary items, the shares that do not receive voting

instructions will be treated as broker non-votes, the effect of which is discussed above in the section entitled Record Date, Voting Securities and Votes Required.

Security Ownership of Certain Beneficial Owners and Management

The following table sets forth certain information as of September 30, 2010, with respect to the beneficial ownership of Common Stock and Preferred Stock by the following:

each person known by NaviSite to beneficially own more than 5% of the outstanding shares of Common Stock or Preferred Stock;

each of the members of NaviSite's Board;

our former Chief Executive Officer, our current Chief Executive Officer and our Chief Financial Officer, who are our two most highly compensated executive officers, and one individual who would have been among the two most highly compensated executive officers but for the fact that he was not serving as an executive officer at the end of the fiscal year ended July 31, 2010 (together, the **Named Executive Officers**); and

all of the current executive officers and members of NaviSite's Board as a group.

For purposes of the following table, beneficial ownership is determined in accordance with the rules promulgated by the SEC and the information is not necessarily indicative of beneficial ownership for any other purpose. Except as otherwise noted in the footnotes to the table, NaviSite believes that each person or entity named in the table has sole voting and investment power with respect to all shares of Common Stock and Preferred Stock shown as beneficially owned by them (or shares such power with his or her spouse). Under such rules, any shares of Common Stock that a

person has the right acquire within 60 days after September 30, 2010, through the exercise of any options (**Presently Exercisable Options**) or warrants or other right are deemed outstanding and are included in the number of shares beneficially owned by a person named in the table and are used to compute the percentage ownership of that person. These shares are not, however, deemed outstanding for computing the percentage ownership of any other person or entity. Unless otherwise indicated, the address of each person listed in the table is c/o NaviSite, Inc., 400 Minuteman Road, Andover, Massachusetts 01810.

Table of Contents

The percentage ownership of Common Stock of each person or entity named in the following table is based on 37,927,187 shares of Common Stock outstanding as of September 30, 2010, plus any shares subject to Presently Exercisable Options and shares of Preferred Stock currently convertible into shares of Common Stock held by such person. PROPOSAL NO. 2

Ratification of Selection of Independent Registered Public Accounting Firm

The audit committee of the Board of NaviSite (the **Audit Committee**) has selected KPMG LLP as NaviSite's independent registered public accounting firm to audit NaviSite's financial statements for the fiscal year ending July 31, 2011. KPMG LLP has audited the financial statements of NaviSite for each fiscal year since NaviSite's inception. If the stockholders do not ratify the selection of KPMG LLP as NaviSite's independent registered public accounting firm, the Audit Committee will reconsider its selection. Even if the appointment is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in NaviSite's and its stockholders' best interests. A representative of KPMG LLP is expected to be present at the Annual Meeting and will have the opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions from stockholders.

The Board recommends a vote FOR the ratification of the selection of KPMG LLP as NaviSite's independent registered public accounting firm for the fiscal year ending July 31, 2011.

CORPORATE GOVERNANCE AND BOARD MATTERS

Independence of Members of the Board

The Board has determined that each of Messrs. James Dennedy, Thomas Evans and Larry Schwartz, constituting a majority of the directors of NaviSite, is an independent director as defined in the rules of The NASDAQ Stock Market, and none of Messrs. Dennedy, Evans and Schwartz has a material relationship with NaviSite other than by virtue of his service on the Board.

Board and Committee Meetings

The Board held 6 meetings during the fiscal year ended July 31, 2010 (**fiscal 2010**). Each incumbent director attended at least 75% of the aggregate of the total number of meetings of the Board and the total number of meetings of the committees on which he served. NaviSite strongly encourages all directors to attend the annual meeting of stockholders. All members of the Board attended the 2009 Annual Meeting of Stockholders.

Board Leadership Structure

Since NaviSite's initial public offering in 1999, the offices of Chairman of the Board and Chief Executive Officer have been separate. Andrew Ruhan has served as Chairman of the Board since 2002. The Board does not have a policy on whether the offices of Chairman and Chief Executive Officer should be separate and, if they are to be separate, whether the Chairman should be selected from among the independent directors or should be an employee of the Company. Currently, the Chief Executive Officer is not a member of the Board.

Table of Contents**Committees of the Board**

The Board has designated two principal standing committees, the Audit Committee and the Governance, Nominating and Compensation Committee (the **GNC Committee**). The current members of the Audit Committee and the GNC Committee are identified in the following table:

Name	Audit Committee	GNC Committee
James Denedy	Chair	X
Thomas R. Evans	X	X
Larry Schwartz	X	Chair

Audit Committee

The Board has a standing Audit Committee established in accordance with Section 3(a)(58)A of the Securities Exchange Act of 1934, as amended (the **Exchange Act**). The Audit Committee assists the Board in fulfilling its responsibilities to stockholders concerning NaviSite's financial reporting and internal controls. The Audit Committee facilitates open communication among the Audit Committee, Board, NaviSite's independent registered public accounting firm and management. The Audit Committee discusses with management and NaviSite's independent registered public accounting firm the financial information developed by NaviSite, NaviSite's systems of internal controls and NaviSite's audit process. The Audit Committee is solely and directly responsible for appointing, evaluating, retaining, and, where necessary, terminating the engagement of NaviSite's independent registered public accounting firm. The independent registered public accounting firm meets with the Audit Committee (both with and without the presence of NaviSite's management) to review and discuss various matters pertaining to the audit, including NaviSite's financial statements, the report of the independent registered public accounting firm on the results, scope and terms of their work, and their recommendations concerning the financial practices, controls, procedures and policies employed by NaviSite.

The Audit Committee pre-approves all audit services to be provided to NaviSite by the principal auditor and all other services (including reviewing, attestation and non-audit services) to be provided to NaviSite by the independent registered public accounting firm.

The Audit Committee is charged with establishing procedures for (i) the receipt, retention and treatment of complaints received by NaviSite regarding accounting, internal accounting controls or auditing matters; and (ii) the confidential, anonymous submission by employees of NaviSite of concerns regarding questionable accounting or auditing matters. The Audit Committee reviews all related party transactions on an ongoing basis, and all such transactions must be approved by the Audit Committee. The Audit Committee is authorized, without further action by the Board, to engage independent legal, accounting and other advisors as it deems necessary or appropriate to carry out its responsibilities. The Board has adopted a written charter for the Audit Committee, a copy of which is available on NaviSite's website, www.navisite.com.

The Board has determined that all of the members of the Audit Committee are independent (as defined under the rules of The NASDAQ Stock Market), and that the Audit Committee members meet the independence requirements contemplated by Rule 10A-3 under the Exchange Act. The Board has determined that James Denedy is an audit committee financial expert (as defined in Item 407(d)(5) of Regulation S-K). During fiscal 2010, the Audit Committee held 5 meetings.

GNC Committee

The GNC Committee assists the Board in fulfilling its responsibilities relating to (i) compensation of NaviSite's executive officers, (ii) the director nomination process and (iii) reviewing NaviSite's compliance with NASDAQ and SEC corporate governance requirements. The Board has adopted a written charter for the GNC Committee, a copy of which is available on NaviSite's website, www.navisite.com. The Board has determined that all of the members of the GNC Committee are independent (as defined under the rules of The NASDAQ Stock Market). During fiscal 2010, the GNC Committee held 8 meetings.

Table of Contents

The GNC Committee determines salaries, incentives and other forms of compensation for the Chief Executive Officer and the executive officers of NaviSite and reviews and makes recommendations to the Board with respect to director compensation. In addition, the GNC Committee administers NaviSite's stock incentive compensation and equity-based plans.

The GNC Committee annually reviews and approves the compensation of all of our executive officers. In its review, the GNC Committee assesses the competitiveness of our executive compensation program by comparing our pay practices with those of other companies whose business and financial condition are similar to that of NaviSite's. In determining individual salaries and bonuses, the GNC Committee considers overall corporate performance, business unit performance, individual performance and an individual's historical salary and bonus levels.

The GNC Committee adopted a written Policy Regarding Compensation of Executive Officers (the **Compensation Policy**) in 2007. Under the Compensation Policy, the aggregate compensation of our executive officers, including annual base salary, target bonus and long-term incentive compensation, is reviewed by the GNC Committee annually.

In July 2007, the GNC Committee retained DolmatConnell & Partners as an independent advisor reporting to the GNC Committee on executive compensation matters. DolmatConnell & Partners was engaged to complete a competitive analysis of NaviSite's executive compensation program and to provide an update to the executive compensation analysis in the fiscal years ended July 31, 2009 and July 31, 2010. DolmatConnell & Partners provided an executive and Board compensation analysis, developed an appropriate data source for comparative purposes, presented market competitive long-term incentive stock grant practices, reviewed stock ownership guidelines and alternatives to stock granting practices, developed long-term incentive strategies and developed allocation guidelines in fiscal 2009. In fiscal 2010, DolmatConnell & Partners provided an update to the executive compensation analysis, reviewed all of the elements of compensation and provided recommendations to the GNC Committee on each element of compensation. NaviSite has not retained DolmatConnell & Partners to provide any other services to NaviSite.

The GNC Committee makes all determinations affecting the compensation for our executive officers, including our Chief Executive Officer, or CEO. The GNC Committee receives our CEO's recommendations with respect to all components of our executive officers' compensation, other than the CEO's compensation. The GNC Committee expressly retains the right to exercise its discretion in modifying any adjustments or awards recommended by the CEO. In the case of our CEO's compensation, the GNC Committee conducts its own evaluation of his performance and does not request any recommendation from our CEO regarding his compensation. Ultimately, the GNC Committee reserves to itself discretion with respect to all compensation of our executive officers.

The GNC Committee makes recommendations to the Board concerning all facets of the director nominee selection process. Generally, the GNC Committee identifies candidates for director nominees in consultation with management and the independent members of the Board, through the use of search firms or other advisers, through the recommendations submitted by stockholders or through such other methods as the GNC Committee deems to be helpful to identify candidates. Once candidates have been identified, the GNC Committee confirms that the candidates meet the qualifications for director nominees established by the Board. The GNC Committee may gather information about the candidates through interviews, questionnaires, background checks, or any other means that the GNC Committee deems to be helpful in the evaluation process. The GNC Committee meets to discuss and evaluate the qualities and skills of each candidate, both on an individual basis and taking into account the overall composition and needs of the Board. Upon selection of a qualified candidate, the GNC Committee would recommend the candidate for consideration by the full Board.

In considering whether to include any particular candidate in the Board's slate of recommended director nominees, the Board will consider the candidate's integrity, education, business acumen, knowledge of NaviSite's business and industry, experience, diligence, conflicts of interest and the ability to act in the interests of all stockholders. The Board

does not assign specific weights to particular criteria and no particular criterion is a prerequisite for each prospective nominee. NaviSite believes that the backgrounds and

Table of Contents

qualifications of its directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities. The GNC Committee will consider director candidates who are recommended by the stockholders of NaviSite. Such recommendation for nomination must be in writing and include the following:

the name and address of the stockholder making the recommendation;

the number of shares of Common Stock that such stockholder owns beneficially and holds of record;

the name and address of the individual recommended for consideration as a director nominee;

the principal occupation and experience of the director nominee;

the total number of shares of Common Stock that the stockholder making the recommendation will vote for the director nominee; and

a written statement from the stockholder making the recommendation stating whether the director nominee has indicated his or her willingness to serve if elected and why such recommended candidate would be able to fulfill the duties of a director.

Nominations must be sent to by U.S. mail, courier or expedited delivery service to NaviSite, Inc., 400 Minuteman Road, Andover, Massachusetts 01810, Attn: Chairman, GNC Committee. The chairman of the GNC Committee will then provide the nomination to the GNC Committee for consideration. Assuming that the required material has been provided on a timely basis, the GNC Committee will evaluate stockholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others.

Diversity

Diversity has always been very important to us. Although we have no formal separate written diversity policy, pursuant to our Policy Governing Director Nominations and Stockholder-Board Communications, diversity is one of the factors used in the assessment of appropriate skills and characteristics of the members of and nominees to the Board.

Our Board's Role in Risk Oversight

Our Board administers its risk oversight function directly and through both its Audit Committee and GNC Committee. The Board and each of these Committees regularly discuss with management our major risk exposures, their potential financial impact on NaviSite, and the steps we take to manage them.

Stockholder Communications with the Board

Stockholders may communicate with the Board by sending written communications to the Board or any individual member of the Board to the following address: Board, c/o Assistant Secretary, NaviSite, Inc., 400 Minuteman Road, Andover, Massachusetts 01810. The Assistant Secretary will forward all such correspondence accordingly, except for mass mailings, job inquiries, surveys, business solicitations or advertisements, personal grievances, matters as to which NaviSite tends to receive repetitive or duplicative communications, or patently offensive or otherwise inappropriate material.

(1) The amounts shown in the Stock Awards and Option Awards columns represent the aggregate grant date fair value of awards computed in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 718, not the actual amounts paid to or realized by the Named Executed Officers during fiscal 2010 and fiscal 2009. FASB ASC Topic 718 fair value amount as of the grant date for stock awards and stock options generally is spread over the number of months of service required for the grant to vest. An explanation of the vesting of restricted stock awards and options awards, as well as the methodology for performance-based restricted stock payouts, is discussed in the footnotes to the Outstanding Equity Awards at 2010 Fiscal Year End table below.

- (2) The fair value of each stock option award is estimated as of the date of grant using the Black-Scholes valuation model. Additional information regarding the assumptions used to estimate the fair value of all stock options awards is included in Note 15 to Consolidated Financial Statements contained in our Annual Report on Form 10-K for fiscal 2010.
- (3) Amounts in fiscal 2010 were earned under our FY 2010 Executive Management Bonus Program. See FY 2010 Executive Management Bonus Program below for a discussion of such program. Except as described below, payments are generally made in October of each year, after the GNC Committee determines whether the performance objectives for the previous plan year have been achieved. Amounts in fiscal 2009 were earned under our FY 2009 Executive Management Bonus Program.
- (4) Mr. Becker resigned as Chief Executive Officer on August 15, 2010.

- (5) Mr. Borcharding was promoted to President on March 1, 2010 and to Chief Executive Officer on August 15, 2010. In connection with Mr. Borcharding's promotion to President, the GNC Committee increased his annual base salary from \$200,000 to \$290,000.
- (6) Mr. Zingale began his employment on August 31, 2009 and resigned effective February 5, 2010.
- (7) Includes \$120,000 of severance payments, \$39,112 of earned bonus payments pursuant to his severance agreement described under Employment Agreements of Named Executive Officers below, \$4,278 for payment of unused vacation upon Mr. Zingale's resignation and \$22,855, which amount represents the actual amount realized by Mr. Zingale relating to stock options exercised during fiscal 2010.

FY 2010 Executive Management Bonus Program

On September 17, 2009, the GNC Committee established our FY 2010 Executive Management Bonus Program (**2010 MBP**), creating target cash bonuses for fiscal 2010 for the Named Executive Officers and other senior executives of NaviSite.

The award of a cash bonus to any Named Executive Officer or senior executive pursuant to the 2010 MBP was subject to the achievement of certain targets for fiscal 2010, including consolidated revenue, bookings and EBITDA for NaviSite and individual performance objectives. EBITDA, for purposes of this bonus program was defined as earnings before interest, taxes, depreciation and amortization, excluding impairment costs, stock-based compensation, severance, costs related to discontinued operations, and other non-operational charges (**Adjusted EBITDA**).

The bonus which would be made if the targets were met, for the Named Executive Officers, is set forth below:

Name	Target Bonus
Arthur P. Becker	\$ 262,500
R. Brooks Borcharding	\$ 235,000
James W. Pluntze	\$ 106,920

For Messrs. Becker and Pluntze, there was one financial target upon which the 2010 MBP was based: the achievement of \$31,893,000 of Adjusted EBITDA (the **Target**), in fiscal 2010. For Mr. Becker, 100% of his bonus target was dependent on meeting the Target. For Mr. Pluntze 75% of his bonus target was based on meeting the Target, and 25% was based on meeting individual business objectives, which were (i) providing support on potential asset sales, (ii) developing and implementing a plan for the migration of certain general and administrative activities to India and (iii) refining the monthly reporting process.

The 2010 MBP was structured so that Messrs. Becker and Pluntze only earned cash bonuses if NaviSite's Adjusted EBITDA was at least 75% of the Target. If NaviSite's Adjusted EBITDA was 75% of the Target, then Messrs. Becker and Pluntze would earn a cash bonus equal to 70% of the portion earned based on meeting the Target, plus the portion earned based on meeting individual business objectives, as applicable. The bonus targets would be earned in full only upon 100% achievement of the Target. Between triggering the earning of the cash bonus at the threshold percentage of 75% and the 100% achievement of the Target, the cash bonus earned would be paid in a linear relationship to the achievement of the Target.

For Mr. Borcharding, the terms of his bonus target were initially set forth in his employment offer letter dated March 27, 2009 and were affirmed by the GNC Committee on September 17, 2009. For the first half of fiscal 2010, 100% of Mr. Borcharding's bonus target, which was set at \$325,000, was dependent on achieving new monthly recurring revenue bookings at a rate of \$1 million per quarter. Mr. Borcharding received his bonus quarterly but it was measured on a year-to-date basis for the calculation of on-target earnings. Mr. Borcharding received a pro-rated bonus for performance both below and above his target achievement.

In connection with Mr. Borcharding's promotion to President and increase in his base salary on March 1, 2010, the GNC Committee amended his bonus target and financial targets, effective as of January 31, 2010. Therefore, for the second half of fiscal 2010, Mr. Borcharding's bonus target was reduced from \$325,000 to \$235,000 and 50% of his bonus target was based on meeting the Target and 50% was based on achieving new

Table of Contents

monthly recurring revenue bookings at a rate of \$894,000 for the fiscal third quarter and \$946,000 for the fiscal fourth quarter. For Mr. Borcharding, if NaviSite's Adjusted EBITDA was 75% of the Target, he would earn a cash bonus equal to 70% of the portion earned based on meeting the Target. Between triggering the earning of the cash bonus at the threshold percentage of 75% and the 100% achievement of the Target, the cash bonus earned would be paid in a linear relationship to the achievement of the Target. For the portion based on achieving new monthly recurring revenue bookings, Mr. Borcharding continued to receive any bonus earned on such portion quarterly and was eligible to receive a pro-rated bonus for performance both below and above his target achievement.

Mr. Zingale also had a target bonus set under the 2010 MBP but his severance agreement as described in Employment Agreements of Named Executive Officers below superseded the 2010 MBP as applicable to him.

Employment Agreements of Named Executive Officers

We do not have agreements with any of the Named Executive Officers which guarantee employment for a set term, and accordingly, all of the Named Executive Officers are employees at will. R. Brooks Borcharding and James W. Pluntze

We entered into employment offer letters with each of R. Brooks Borcharding and James W. Pluntze when they commenced their employment with NaviSite. These letters generally set forth initial base salary, target bonus and other compensatory matters, such as initial equity grants.

In connection with Mr. Borcharding's promotion to President on March 1, 2010, the GNC Committee increased his annual salary from \$200,000 to \$290,000. On September 12, 2010, the GNC Committee increased

- (i) Mr. Borcharding's base salary to \$320,000 in connection with his appointment as Chief Executive Officer and
- (ii) Mr. Pluntze's base salary to \$275,000 in light of new responsibilities he assumed.

R. Brooks Borcharding and James W. Pluntze

On July 31, 2007, we entered into a Separation Agreement with Mr. Pluntze and on April 13, 2009, we entered into a Separation Agreement with Mr. Borcharding (together, as amended to date, the **Executive Separation Agreements**). Each Executive Separation Agreement provides that if Mr. Borcharding's or Mr. Pluntze's employment is terminated by us other than for Cause (as defined below), Disability (as defined below) or death, or by Mr. Borcharding or Mr. Pluntze for Good Reason (as defined below) following a Change of Control (as defined below), then we shall be obligated to pay Mr. Borcharding or Mr. Pluntze: (i) as severance his annual base salary in effect on the date of termination for a period of twelve months for Mr. Borcharding and for a period of six months for Mr. Pluntze; (ii) a lump sum bonus payment equal to his target bonus for the current fiscal year pro rated to the date of termination; (iii) any unpaid bonus from the prior fiscal year; (iv) all legal fees and expenses incurred by Mr. Borcharding or Mr. Pluntze in seeking to obtain or enforce any right provided by the Executive Separation Agreement; and (v) reimbursement for COBRA payments for health and welfare benefits continuation if he elects COBRA coverage for a period of six months. Mr. Borcharding will not be entitled to the foregoing benefits if an equivalent benefit is received by him from another employer during the twelve month period following his termination. Mr. Pluntze will not be entitled to the foregoing benefits if an equivalent benefit is received by him from another employer during the six month period following his termination.

The Executive Separation Agreements also provides that following a Change of Control (as defined below) of NaviSite, all options and shares of restricted stock issued to Mr. Borcharding or Mr. Pluntze under our Amended and Restated 2003 Stock Incentive Plan or any other NaviSite stock incentive plan will become exercisable and vested in full on the date of the Change of Control. However, the shares of performance-based restricted stock granted to Mr. Pluntze on July 22, 2008 are not subject to any separation or change of control agreement NaviSite currently has in place with Mr. Pluntze and will not accelerate in accordance with the provisions of any such separation or change of control agreement. The Executive Separation Agreements are intended to comply with Section 409A of the Internal

Revenue Code of 1986, as amended.

Our obligation to provide the forgoing benefits is subject to the effectiveness of a general waiver and release from Mr. Borcharding or Mr. Pluntze in favor of us, our directors, officers, employees, representatives, agents and affiliates in a form satisfactory to us.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

The Audit Committee's policy is to pre-approve all audit and permissible non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent registered public accounting firm and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval, and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case-by-case basis. During fiscal 2010 and fiscal 2009, all services rendered by KPMG LLP to NaviSite were pre-approved by the Audit Committee.

Audit Committee Financial Expert

The Board has determined that James Dennedy is an audit committee financial expert (as defined in Item 407(d)(5) of Regulation S-K). Mr. Dennedy is independent as defined in applicable Nasdaq listing standards.

Audit Committee Report

The Audit Committee of the Board has reviewed and discussed NaviSite's audited financial statements for fiscal 2010 with NaviSite's management. The Audit Committee has discussed with KPMG LLP, NaviSite's independent registered public accounting firm, the matters required to be discussed by the Statement on Auditing Standards No. 61. The Audit Committee has received the written disclosures and the letter from KPMG LLP required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, and has discussed with KPMG LLP its independence. The Audit Committee also considered whether KPMG LLP's provision of non-audit services to NaviSite is compatible with maintaining KPMG LLP's independence. Based on the review and discussions described above, among other things, the Audit Committee recommended to the Board that the audited financial statements be included in NaviSite's Annual Report on Form 10-K for fiscal 2010.

AUDIT COMMITTEE

James Dennedy, Chairman
Larry Schwartz
Thomas R. Evans

The information contained in the foregoing report shall not be deemed to be soliciting material or filed or incorporated by reference into any of NaviSite's previous or future filings with the SEC, or subject to the liabilities of Section 18 of the Exchange Act, except to the extent specifically incorporated by reference into a document filed under the Securities Act or the Exchange Act.

Certain Relationships and Related Transactions

The Audit Committee has the following unwritten policies and procedures for the review and approval of related-party transactions. A related-party transaction is a transaction that meets the minimum threshold for disclosure in the proxy statement under the relevant SEC rules (generally, transactions involving amounts exceeding the lesser of \$120,000 or one percent of the average of NaviSite's total assets at year end for the last two completed fiscal years in which a related person or entity has a direct or indirect material interest). Related persons include NaviSite's executive officers, directors, 5% or more beneficial owners of our Common Stock, immediate family members of these persons and entities in which one of these persons has a direct or indirect material interest. When a potential related-party transaction is identified, management presents it to the Audit Committee to determine whether to approve or ratify it.

The Audit Committee reviews the material facts of any related-party transaction and either approves or disapproves of entering into the transaction. In the course of reviewing the related-party transaction, the Audit Committee considers whether (i) the transaction is fair and reasonable to NaviSite, (ii) under all of the circumstances the transaction is in, or not inconsistent with, NaviSite's best interests, and (iii) the transaction will be on terms no less favorable to NaviSite than it could have obtained in an arms-length transaction with an unrelated third party. If advance approval of a related-party transaction is not feasible, then the transaction will be considered and, if the Audit Committee determines it to be appropriate, ratified by the Audit Committee. No director may participate in the approval of a transaction for which he or she is a related party.

When a related-party transaction is ongoing, any amendments or changes are reviewed and the transaction is reviewed annually for reasonableness and fairness to NaviSite.
