Item 1.01. Entry into a Material Definitive Agreement

Underwriting Agreement

On December 15, 2010, Cogdell Spencer Inc. (the Company) and Cogdell Spencer LP, a Delaware limited partnership and the Company's operating partnership (the Operating Partnership), entered into an underwriting agreement with Citigroup Global Markets Inc., Jefferies & Company, Inc. and KeyBanc Capital Markets Inc. as representatives of the several underwriters named in the underwriting agreement. Pursuant to the terms of the underwriting agreement, the Company agreed to sell, and the underwriters agreed to purchase, subject to the terms and conditions set forth in the underwriting agreement, an aggregate of 2,600,000 shares of the Company's 8.500% Series A Cumulative Redeemable Perpetual Preferred Stock (the Series A Preferred Stock). In addition, the Company granted to the underwriters a 30-day option to purchase up to an additional 390,000 shares of the Company's Series A Preferred Stock.

The net proceeds to the Company from the public offering were approximately \$62.75 million, after deducting the underwriting discounts and commissions and estimated transaction expenses. The underwriting agreement contains customary representations, warranties and agreements of the Company, conditions to closing, indemnification rights and obligations of the parties and termination provisions.

The Company will contribute the net proceeds from the public offering to the Operating Partnership in exchange for operating partnership units. Our operating partnership intends to contribute a portion of the net proceeds to Erdman to repay its senior secured term loan. The Operating Partnership intends to use the remaining net proceeds for working capital purposes.

The preceding description is qualified in its entirety by reference to the underwriting agreement, a copy of which is attached hereto as Exhibit 1.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Amendment to Partnership Agreement

On December 20, 2010, CS Business Trust I, a wholly-owned subsidiary of the Company and the sole general partner of the Operating Partnership (the General Partner), executed the Second Amendment to First Amended and Restated Agreement of Limited Partnership of Cogdell Spencer LP (the Amendment). The Amendment designated 2,990,000 of the Partnership's Series A Preferred Partnership Units, with a liquidation preference of \$25.00 per Series A Preferred Partnership Unit (the Series A Preferred Units), to the General Partner. The Series A Preferred Units have economic terms that are substantially similar to the Company's Series A Preferred Stock.

The Series A Preferred Units will rank, with respect to rights to receive distributions and to participate in distributions or payments upon liquidation, dissolution or winding up of the Operating Partnership, senior to the common units of limited partnership interest of the Company, on parity with other partnership units of the Operating Partnership, the terms of which place them on parity with the Series A Preferred Units, and junior to all partnership units of the Operating Partnership, the terms of which specifically provide that such partnership units rank senior to the Series A Preferred Units.

The preceding description is qualified in its entirety by reference to the Amendment, a copy of which is attached hereto as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Item 3.02. Unregistered Sales of Equity Securities

In connection with the closing of the public offering of Series A Preferred Stock on December 20, 2010, the Company contributed the net offering proceeds to the Operating Partnership in exchange for 2,600,000 Series A Preferred Units. The issuance of the Series A Preferred Units by the Operating Partnership to the Company is exempt from registration pursuant to Section 4(2) of the Securities Act of 1933, as amended.

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

The Company has filed Articles Supplementary, classifying up to 2,990,000 shares of the Company's authorized preferred stock as Series A Preferred Stock (the Articles Supplementary), with the State Department of Assessments and Taxation of Maryland. The Articles Supplementary became effective on December 20, 2010. A
