**2011 Long-Term Incentive Equity Awards**

On April 20, 2011, our Board of Directors approved the grant of 2011 Long-Term Incentive Equity Awards to certain of our officers, including our named executive officers, under our Amended and Restated Stock Incentive Plan which is filed as Exhibit B to our definitive proxy statement, filed with the Securities and Exchange Commission on April 18, 2008. The 2011 Long-Term Incentive Equity Awards were granted in the forms of performance-based vesting stock units, time-based vesting stock units, and premium priced stock options, as described below.

The description of the 2011 Long-Term Incentive Equity Awards contained herein is a summary of the material terms of the awards, does not purport to be complete and is qualified in its entirety by reference to the Amended and Restated Stock Incentive Plan. The form of Stock Option Agreement and form of Employee Restricted Stock Unit Agreement for the Long-Term Incentive Equity Awards are filed as Exhibit 10.2 and Exhibit 10.3 respectively, to our Current Report on Form 8-K, filed with the Securities and Exchange Commission on April 23, 2010, each of which is hereby incorporated herein by reference.

*Performance-Based Vesting Stock Units (PSUs)*

The PSUs will vest and the related shares of our common stock will be issued (if at all) upon certification by our Compensation Committee of our actual EBITDA performance over our 2011-2013 fiscal years in relation to the EBITDA performance criteria approved by the Compensation Committee, subject to the executive's continuous service with us through January 15, 2014. For such purposes, EBITDA means our consolidated net income before net interest expense, income taxes, and depreciation and amortization, as set forth in our annual reports on Form 10-K for the 3-year performance period.

The performance criteria require that we achieve a minimum 3-year cumulative EBITDA threshold before the PSUs vest in any number of units. If the initial performance threshold is not achieved, none of the PSUs will vest, and executives will forfeit the entire award. If the initial performance threshold is met, 50%-150% of the target number of PSUs may vest. The calculation of the applicable percentage of the target number of PSUs that will vest will depend on the level of actual EBITDA performance, with linear interpolation for achievement falling between the specified performance levels.

The awarded PSUs may also earlier vest in the event of specified change of control transactions. Additionally, in the event that the executive's continuous service terminates due to death or disability prior to January 15, 2014, subject to attainment of the performance criteria and certification by the Compensation Committee as described above, the awarded PSUs may vest in whole or in part. The related shares of common stock will be issued once the PSUs vest. The minimum number, target number, and maximum number of shares that may be issued in respect of the PSUs granted to our principal executive officer, principal financial officer and other named executive officers, as set forth in our proxy statement for our fiscal year 2010 are as follows:

<b>Officer</b>	<b>Title</b>	<b>Minimum Award (Number of Shares)</b>	<b>Target Award (Number of Shares)</b>	<b>Maximum Award (Number of Shares)</b>
Erik Olsson	President and Chief Executive Officer	26,350	52,700	79,050

Philip H. Hobson	Senior Vice President, Operations	7,050	14,100	21,150
David Ledlow	Senior Vice President, Operations	8,850	17,700	26,550

A named executive officer may be issued a number of shares less than his or her target award, but in no event may be issued a number of shares in excess of his or her maximum award.

*Time-Based Vesting Stock Unit Awards (Stock Units)*

The stock units will become 100% vested on April 20, 2015 (the fourth anniversary of the grant date), contingent upon the executive's continued service with us through such date. The stock units may also earlier vest in whole or in part upon the executive's termination of employment due to death, disability, retirement, or in the event of an involuntary termination without cause. The related shares of our common stock will be issued once the stock units vest. If the stock units do not vest, they will be forfeited and the related shares of our common stock will not be issued.

The number of shares that may be issued in respect of the stock units granted to our named executive officers are as follows:

*Premium Priced Stock Options (Premium Options)*

The premium options may also earlier vest in whole or in part upon the executive's termination of employment due to death, disability or retirement, or in the event of an involuntary termination without cause following a change of control. The premium options are all non-qualified stock options to purchase shares of our common stock and have a maximum term of ten years. The premium options each have exercise prices that are greater than \$13.00, the closing sales price of our common stock on the date of the grant.
