**Item 1.01. Entry into a Material Definitive Agreement.**

On June 27, 2011, Hanmi Financial Corporation (the Company) entered into a Common Stock Purchase Agreement (the Agreement) with Woori Investment & Securities (Woori) pursuant to which Woori agreed to purchase in a private placement transaction that number of shares equal to 4.9 percent of the Company's outstanding common stock immediately after the closing of the Company's previously announced public offering, subject to adjustment in certain circumstances, at a price per share equal to the public offering price.

The private placement is contingent upon the closing of the Company's public offering. The announcement of the public offering was previously reported in the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission on June 20, 2011.

The Company made certain customary representations and warranties to Woori in the Agreement concerning the Company, its business and the shares of common stock to be issued in the private placement. In addition, the parties agreed to enter into a registration rights agreement containing customary terms and provisions for the resale registration of the shares to be sold to Woori. The registration rights agreement will provide (i) a covenant by the Company to file the resale registration statement within 45 calendar days following the receipt by the Company of a notice from Woori exercising its registration right in the case of any registration eligible to be made on Form S-3 or comparable form, or within 60 calendar days following the receipt of such notice by the Company in the case of any registration made on Form S-1 or comparable form; and (ii) a covenant by the Company to use its commercially reasonable efforts to cause the registration statement to be declared effective by the SEC as soon as practicable. The foregoing description of the Agreement is qualified in its entirety by reference to such agreement, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated by reference herein.
