(a) 2006 Incentive Compensation Program

On December 9, 2005, the Board of Directors of LaCrosse Footwear, Inc. (the Company) approved the Company's 2006 incentive compensation program (the Incentive Program). Executive officers and other employees who meet certain conditions will be eligible to participate in the Incentive Program. The Incentive Program provides for payment of incentive compensation equal to a percentage of the employee's base salary. If Company goals are met, the employee will receive 100% of target incentive compensation. The percentage of annual base salary that is paid as incentive compensation increases in the event the Company achieves greater than 100% of the goals. The Incentive Program is based on minimum threshold levels for revenue growth, operating profit, and inventory turns. In addition, if the operating profit threshold is not met, there can be no incentive payment. The Incentive Program description as distributed to the Company's employees is included as Exhibit 10.1 to this Current Report and is incorporated herein by reference. The foregoing description of the Incentive Program does not purport to be complete and is qualified in its entirety by reference to such exhibit.
