This Amendment No. 2 amends and supplements the Schedule 13D (the "Schedule

Edgar Filing: CHAPARRAL RESOURCES INC - Form SC 13D/A

13D"), as amended, originally filed with the Securities and Exchange Commission on February 15, 2000 by Shell Capital Limited and The Shell Petroleum Company Limited (collectively, the "Reporting Persons"). Information in the Schedule 13D remains in effect except to the extent that it is superseded and/or supplemented by the information contained in this Amendment No. 2. Information given in response to each item shall be deemed to be incorporated by reference in all other items. Capitalized terms used and not defined herein shall have the meanings ascribed to such terms in the Schedule 13D.

The items of the Schedule 13D set forth below are hereby amended and supplemented as follows:

Item 4. Purpose of the Transaction

Item 4 is amended and restated in its entirety as follows:

"Shell Capital Limited acquired the Warrants in connection with its undertaking to underwrite and participate in the funding of the Loan Agreement as described in Item 3. The proceeds of the loan facilities were used to finance the further development of an oil field project in the Republic of Kazakhstan. It was a condition precedent in the Loan Agreement that the Issuer undertake to nominate as director of the Issuer, on a best efforts basis, a nominee identified by Shell Capital Services Limited (a company in the Group and a wholly-owned subsidiary of The Shell Petroleum Company Limited) for the period during which the loan arrangement remains in place. Furthermore, pursuant to the terms of the Loan Agreement, the Issuer undertook, on a best efforts basis, to complete a rights offering for no less than US\$6 million on or before June 30, 2000. As the Issuer satisfied only partially the equity infusion requirements of the Loan Agreement, the Loan Agreement was amended in August 2000 to extend the Issuer's equity support commitment from US\$6 million on or before June 30, 2000 to US\$10 million on or before September 30, 2000. These revised equity requirements were satisfied through issuances of Common Stock by the Issuer and the acquisition of US\$3 million of Common Stock by Capco Resources, Ltd. As a consequence of these changes in the capital structure of the Issuer, the Issuer and Shell Capital Limited deemed it prudent and in their best interest to clarify the terms of the Warrants, and as a result they entered into the Amended and Restated Warrant Agreement to reflect such clarifications deemed necessary and appropriate and to give effect to the changes in the capital structure of the Issuer. The foregoing summary of the Amended and Restated Warrant Agreement and the Loan Agreement is qualified in its entirety by reference to Exhibits A, B and C, which are attached hereto.

On November 1, 2001, the Issuer issued a press release announcing that, among other things, it had received a notice of occurrence of certain events of default from Shell Capital Services Limited (in its capacity as facility agent under the Loan Agreement). On January 17, 2002, the Issuer issued a press release announcing that, among other things, (x) it had received a notice of the occurrence of additional events of default and a notice accelerating the payment of \$37,289,628 in outstanding principal, interest, and other fees and expenses due under the Loan Agreement and (y) Shell Capital Services Limited (in its capacity as facility agent under the Loan Agreement) had also initiated legal proceedings against the Issuer in the United Kingdom and against one of the Issuer's subsidiaries in the Isle of Guernsey to enforce rights under the

Edgar Filing: CHAPARRAL RESOURCES INC - Form SC 13D/A

Loan Agreement. At the instance of Shell Capital Services Limited, a statutory demand was served on Central Asian Petroleum (Guernsey) Limited (a wholly-owned indirect subsidiary of the Issuer) in the Isle of Guernsey for payment of the amount outstanding under the Loan Agreement. Pursuant to the terms of the statutory demand, Central Asian Petroleum (Guernsey) Limited was requested to pay the amounts outstanding under the Loan Agreement within 21 days of the date of service of the statutory demand. Central Asian Petroleum (Guernsey) Limited failed to make any payment within the 21-day period and on February 7, 2002 Shell Capital Services Limited petitioned the Royal Court in the Isle of Guernsey for an Order that Central Asian Petroleum (Guernsey) Limited be compulsorily wound up by the Royal Court pursuant to Section 94 of the Companies (Guernsey) Law, 1994 and that a liquidator be appointed in this connection. A hearing in connection with the petition is scheduled for April 15, 2002.

The Reporting Persons expect to evaluate on an ongoing basis the Issuer's financial condition, business, operations and prospects, market price of the Common Stock, conditions in securities markets generally, general economic and industry conditions and other factors, and will continue to evaluate their options accordingly. The Reporting Persons reserve the right to change their plans and intentions at any time, as they deem appropriate, and they reserve the right to pursue alternative actions, plans or proposals, including, without limitation, (i) pursuing legal or regulatory action to enforce their rights and remedies under the Loan Agreement (as in effect from time to time) or other remedies from time to time available to them (including the right to defer, postpone or refrain from pursuing such legal or regulatory action), (ii) negotiating and entering into one or more agreements or settlements for the repayment of outstanding amounts owing by the Issuer under the Loan Agreement, and (iii) at any time and from time to time increasing or decreasing their holdings of Common Stock (including warrants for Common Stock and/or other securities convertible into or exercisable or exchangeable for Common Stock) through open market purchases, privately negotiated transactions or otherwise (subject to any applicable limitations of the Securities Act of 1933, as amended, and the Securities and Exchange Act of 1934, as amended).

Except as set forth in this Item 4, and as otherwise contemplated by the Amended and Restated Warrant Agreement and the Loan Agreement, as supplemented by a supplemental agreement, none of the Reporting Persons and, to the best knowledge of the Reporting Persons, none of the persons set forth on Schedule A, has any other current plans or proposals that relate to or would result in (a) the acquisition by any person of additional securities of the Issuer or the disposition of securities of the Issuer; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation of the Issuer or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries; (d) any change in the present board of directors or management of the Issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board; (e) any material change in the present capitalization or dividend policy of the Issuer; (f) any other material change in the Issuer's business or corporate structure; (g) changes in the Issuer's charter, by-laws or instruments corresponding thereto, or other actions which may impede the acquisition of the control of the Issuer by any Person; (h) any of the Issuer's securities being de-listed from a national securities exchange or ceasing to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (i) any of the Issuer's equity securities becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934, as amended; or (j) any action similar to any of those enumerated above.

Edgar Filing: CHAPARRAL RESOURCES INC - Form SC 13D/A

The Reporting Persons reserve the right to modify their present intentions or purposes and formulate one or more plans or proposals to take one or more of the actions referred to in clauses (a) through (j) of the immediately preceding sentence."
